Shoal River Ranch is a Gigasite prime for development located in Okaloosa County, FL. Okaloosa County purchased ov 600 acres for the site less than two years ago. Recently, sewer, water, and fiber infrastructure has been extended to the site in preparation for development. Electric and natural gas are near and extensions are currently being planned in preparation for economic development. Improved road access is now needed for the site. Jericho Road is the main accer point on the northside of Shoal River Ranch. Jericho Road intersects US 90 at a stop-control intersection. To make th site ready for development, the intersection should be upgraded with turn lanes with a footprint that allows signalization once traffic patterns warrant the installation. In addition, the railroad crossing of Jericho Road should be upgraded for Jericho Road to be widened.
