14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Expand access to specialized post-secondary education and/or wrap around employment supports for adults with disabilities.

b. What activities and services will be provided to meet the intended purpose of these funds?

Evidenced based "bundled" approach to providing short term; post-secondary education leading to career opportunities; basic financial skills education; career employment counseling; case management and /or workplace supports to help adults with disabilities obtain and maintain employment, complete career ready post-secondary education and/or increase knowledge of financial stability concepts and behaviors. Long-term engagement in services ultimately allows them to earn, keep and grow assets and live financially secure lives.

c. What direct services will be provided to citizens by the appropriation project?

Short term post-secondary certificate programs; case management supports; basic financial literacy skills education; job/career exploration/counseling and employment development, placement, coaching and follow along.

d. Who is the target population served by this project? How many individuals are expected to be served?

Persons with disabilities; minimum of 100

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Participants will participate in bundled service offerings and achieve one or more of the following: graduate from a short term post-secondary certificate program, increase financial literacy knowledge, obtain employment and/or increase access in the community.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Notice with reasonable time to cure.
