Fiscal Year 2024-2025

LFIR # 2150

c. What direct services will be provided to citizens by the appropriation project?

Road and safety improvements.

d. Who is the target population served by this project? How many individuals are expected to be served?

Over 400,000 City of Tampa residents and visitors.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

This project will reduce the number of crashes on the corridor, increase the number of bicyclists and pedestrians and serve as the impetus for new development. We will measure outcomes through traffic studies, crash statistics and permit applications.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Standard contract penalties
