| Total State Funds Requested (m | Total State Funds Requested (must equal total from question #6) 400,000 | | | | | |

14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

15

16

The Florida Senate Local Funding Initiative Request Fiscal Year 2024-2025

LFIR # 2492

The City of West Park intends to provide services that will promote mental well-being for its low-to-moderate income atrisk community.

b. What activities and services will be provided to meet the intended purpose of these funds?

The City of West Park intends to provide services that will promote mental well-being for its low-to-moderate income, atrisk community. By collaborating with medical institutions, such as Memorial Health Systems, we can work together to address case management, behavioral health services, in-home counseling, parent support groups, youth development groups, etc. Referrals will also be included.

c. What direct services will be provided to citizens by the appropriation project?

By collaborating with medical institutions, such as Memorial Health Systems, we can work together to address case management, behavioral health services, in-home counseling, parent support groups, youth development groups, etc. In addition, the program will offer parenting skills and family management, mobile case management, and solution focused brief therapy. Referrals will also be provided.

d. Who is the target population served by this project? How many individuals are expected to be served?

We anticipate serving 150 youth and adults.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The community will have access to information about the program. Moreover, intake forms will provide initial needs assessment to provide services, and linkages to resources and supportive services. Through reports and surveys, the participants will have healthier coping skills for stress, emotions, and participate in community engagement. Families and individuals will have a positive reaction to receiving linkages and case management services. Our services will assist members of the community who are in need of resources that allow mental and total well-being.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

The contract will have standard compliance language for timely deliverables and performance measures.
