14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2024-2025

LFIR # 2522

To purchase a 90 kW standby power generator and automatic transfer switch to be installed as part of the remodel of the an existing city-owned building into a Public Safety Operations Center and to enhance the City's real time crime center . This will be the City's operational base during declared emergencies. The generator will provide for continuous operation of the electrical, data, and security systems of the PSOC during emergencies/power outages, assuring enhanced coordination in the region.

b. What activities and services will be provided to meet the intended purpose of these funds?

he PSOC proximity to Anna Maria Island and its municipalities, HCA Blake Hospital and Bishop Animal Shelter make it an opportune regional staging area for resources from the City, County, and other districts and military liaisons responding to emergencies. Adjacent to the PSOC is a City Fire Station, Manatee County EMS station and GT Bray Park suitable for a ground/aerial resources staging area. Continuous operation of the electrical, data, and security systems of the PSOC during emergencies/power outages, thus assuring that the will be reduced response times for first responders during emergencies and enhance coordination of regional support activities to the high coastal hazard areas of west Bradenton and Manatee County.

c. What direct services will be provided to citizens by the appropriation project?

he PSOC proximity to Anna Maria Island and its municipalities, HCA Blake Hospital and Bishop Animal Shelter make it an opportune regional staging area for resources from the City, County, and other districts and military liaisons responding to emergencies. Adjacent to the PSOC is a City Fire Station, Manatee County EMS station and GT Bray Park suitable for a ground/aerial resources staging area. Continuous operation of the electrical, data, and security systems of the PSOC during emergencies/power outages, thus assuring that the will be reduced response times for first responders during emergencies and enhance coordination of regional support activities to the high coastal hazard areas of west Bradenton and Manatee County.

d. Who is the target population served by this project? How many individuals are expected to be served?

All residents and visitors to the region

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The PSOC proximity to Anna Maria Island and its municipalities, HCA Blake Hospital and Bishop Animal Shelter make it an opportune regional staging area for resources from the City, County, and other districts and military liaisons responding to emergencies. Adjacent to the PSOC is a City Fire Station, Manatee County EMS station and GT Bray Park suitable for a ground/aerial resources staging area. Continuous operation of the electrical, data, and security systems of the PSOC during emergencies/power outages, thus assuring that the will be reduced response times for first responders during emergencies and enhance coordination of regional support activities to the high coastal hazard areas of west Bradenton and Manatee County.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Revert of funds
