#### 14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

**LFIR # 2524** 

Phase 1: Build portions of a singular Sheriff's Office for Sheriff's Office personnel excluding 911/dispatch communications center, evidence and records. Provide efficient and prompt public health, life, safety & protection services. No additional staffing is required. Improve public accountability, services, staff workspace, improved staff skills/attitudes, staff retention. Provide staff and service teams the ability to meet the demands that keep our community safe and in a professional atmosphere serving everyone. Eliminate obstacles and costly challenges caused by separated facilities, between 40 and 67 years old, 1.2 to 3.6 miles apart that are antiquated & have lost all value to retrofit or remodel for today's standards/requirements, to provide public life, safety, health and protection services. Phase 2: Complete construction of Sheriff's Office, to include 911 communications center, evidence and records.

#### b. What activities and services will be provided to meet the intended purpose of these funds?

The Madison County Sheriff's Office will provide public health, life, safety & protection services to all citizens/visitors of Madison County. This Includes response to calls for service for all types of incidents, criminal activities as well as search/rescue, investigations, community outreach and crime reduction. Maintain and operate the only Public Safety Answering Point (PSAP) (9-1-1) within Communications Center for Madison County. Provide all dispatch services for all municipalities and fire rescue services in Madison County.

c. What direct services will be provided to citizens by the appropriation project?

The Madison County Sheriff's Office and the 911 communications center will be able to serve our citizens and visitors most efficiently and promptly by addressing their law enforcement and other emergency needs from a single location where all resources are united. This will provide a suitable, state-of-the-art complex, allowing staff and service teams to meet the daily demands that keep the community safe. The new Sheriff's Office and Communications Center will provide a safe, community friendly atmosphere to serve everyone.

d. Who is the target population served by this project? How many individuals are expected to be served?

All citizens, visitors, and service personnel requesting public safety services in Madison County and surrounding areas. Madison County Census Population is approximately 18,000. However, the Madison County Sheriff's Office dispatched public health, life, safety, protection personnel and services to 46,514 persons during last fiscal year (10/01/2022 to 09/30/2023).

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

To provide public health, life, safety & protection services to include 911 from a singular Sheriff's Office and coordination that are all located in the same office for Madison and surrounding counties. Report all NIBRS/FIBRS data from records management and computer aided dispatch software, maintain required compliance with CJIS and FDLE audits, continue citizen satisfaction surveys through our Victims Advocate program for services provided, internal assessments, audits and case management reviews will be utilized to gauge services rendered & further provide a measured outcome. Improve public accountability, services, staff workspace, staff skills/attitudes, evidence collection/storage/records and staff retention. Unite in a single location that all staff and service teams have the ability to meet the demands to keep our community safe & in a professional atmosphere serving everyone.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Any unexpended funds not applied directly
