Yes

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2024-2025

LFIR # 2625

If yes, indicate the amount of funds received and what the funds were used for.

Failure to meet deliverables or performance measures should subject the City to an audit and depending on the results of the audit the City could be liable for sanctions up to revocation of funding.

Complete questions 11 and 12 for Fixed Capital Outlay Projects

14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Improve pedestrian and vehicular traffic safety and reduce property damage due to poor conditioned roads, sidewalks and street flooding.

b. What activities and services will be provided to meet the intended purpose of these funds?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2024-2025

LFIR # 2625

Water main replacement along NW 30th Street from NW 17th Avenue to NW 12th Avenue through with 8 inch Ductile Iron Pipe along with roadway milling and resurfacing.

c. What direct services will be provided to citizens by the appropriation project?

No direct services will be provided to citizens by this project.

d. Who is the target population served by this project? How many individuals are expected to be served?

This project is targeted to primarily serve the residents of the Allapattah and Brownsville community of the City of Miami which consist of approximately 25,000 residents.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Improved pedestrian and vehicular safety. This will be measured by comparing the number of vehicular and pedestrian accidents after construction is complete to the number of accidents currently being reported at the locations using sensors and on-site inspections.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Failure to meet deliverables or performance measures should subject the City to an audit and depending on the results of the audit the City could be liable for sanctions up to revocation of funding.
