PPP Loan. Used for its intended purpose to the letter and forgiven. This was in 2020/2021 when our organization was hit very hard. All agencies we served shut down for many months and we lost homes and staff. We are back up to serving the citizens of Florida with 90 beds in Pinellas, Marion and Pasco Counties.

b. What activities and services will be provided to meet the intended purpose of these funds?

Psych/social evaluation, specific Independent Living Plan (ILP) goal for each individual, employment coaching and placement, educational support, life skills and coaching, and trauma therapy and MRT (Moral Reconation Therapy-evidence based).

c. What direct services will be provided to citizens by the appropriation project?

The direct services provided will be a Safe House to live in, trauma therapy, MRT, life skills, employment/job readiness, GED/College guidance, accountability and life coaching. We also give food, clothing, and bus passes for any participant that has a need.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population is the vulnerable in our communities who age out of foster care as they are prime targets for human trafficking, survivors of the sex trade, and individuals who suffer from addictions, homelessness and mental health. We serve 200+ people every year.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The expected benefit is to provide Safe Hosing i.e., zero tolerance for illegal drug activity or violence. There are currently 111 beds for any adult 18 years of age and up to receive a minimum of a 7 month program that teaches them to be gainfully employed. Another benefit is that between 14-30 days into the program, they are employed. 111 receive life coaching, accountability, and random drug testing and house visits. 111-220 have an opportunity to divert from jail time relating to their trauma, i.e.; sex trafficking, sexual abuse, addiction or theft.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

	Return of funds if deliverables are not met.
