14. Program Performance

The Florida Senate **Local Funding Initiative Request Fiscal Year 2024-2025**

LFIR # 2775

a. What specific purpose or goal will be achieved by the funds requested?

The purpose of these finds is to reduce older adult nutritional risk which if not addressed can leave the older adults hungry, exacerbate other health conditions and impact there overall health. The goal is to reduce their nutrition risk and keep them nourished and healthier longer.

b. What activities and services will be provided to meet the intended purpose of these funds?

The funds will provide for meals to those who need them. Frail elders have difficulty accessing and preparing healthy nutrition meals, leaving them hungry and at risk of malnutrition, often leading to other preventable health conditions.

c. What direct services will be provided to citizens by the appropriation project?

Healthy, well balanced, nutrition meals appropriate for older adults will be delivered to their door.

d. Who is the target population served by this project? How many individuals are expected to be served?

Approximately 250-300 older adults residing in our 7 county region of Northeast Florida.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The expected benefit is the reduced the risk malnutrition of those served. Each client has a nutrition assessment. We will be able to measure their scores prior to receiving services and subsequent to receiving services.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Providers that are not meeting deliverables will be placed on a corrective action plan and if performance continues to fall short of targets, funds can be shifted to providers who are exceeding targets and have capacity to serve additional seniors.
