## 14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

15

16

## The Florida Senate **Local Funding Initiative Request Fiscal Year 2024-2025**

**LFIR # 3050** 

Comprehensive Sickle Cell Disease treatment requires specialized knowledge not readily offered in traditional medical

with sickle cell disease throughout the State of Florida, at our locations.	
sickle cell workforce education and training program, so that we have clinical staff that is aptly prepared to treat patier	nts
training for physicians, nurse practitioners, nurses, physician assistants and medical assistants. We need to create a	

b. What activities and services will be provided to meet the intended purpose of these funds?

Education and evaluation of sickle cell disease patient assessment and comprehensive disease management.

c. What direct services will be provided to citizens by the appropriation project?

Patients will receive improve medical care so that their sickle cell disease is comprehensively managed.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population served by this project are elderly persons, persons with poor mental and physical health, jobless persons, economically disadvantaged persons, at-risk youth, homeless, developmentally and physically disabled, preschool students, grade school students, high school students, university/college students, currently or formerly incarcerated persons and individuals with sickle cell disease or a sickle hemoglobinopathy. The target population to be served is over 800.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The expected benefit is to improve physical health by improving sickle cell disease medical knowledge amongst clinicians, leading to improved treatment and outcomes for individuals living with sickle cell disease. To measure the benefit, claim data Florida Health Information exchange data from the Sickle Cell Disease Electronic Health Record HEDIS data from Health Plans.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Failure to meet deliverables. Service provider shall be penalized by determined percentage with respect to any failure by service provider to meet the acceptance criteria for any deliverable as set forth in the applicable work agreement.
