14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

To significantly reduce the Veteran homeless population in Broward, Miami-Dade and Palm Beach counties by permanently homing those veterans who are literally homeless and by keeping those imminently homeless veterans in their current units by stopping evictions when appropriate.

b. What activities and services will be provided to meet the intended purpose of these funds?

Case management and locating and securing permanent housing options will be the main focus. This will include providing financial assistance to the population served such as rental assistance, security deposits, and other costs associated with moving into a unit. This may include but is not limited to utility payments and deposits and providing essential furniture and household items (towels, linens, cutlery, dishes, etc.). Housing specialists will be utilized to assist with finding affordable housing and appropriate units for the population

served.

Legal services will be provided.

c. What direct services will be provided to citizens by the appropriation project?

Case management services to homeless and at risk veteran families. The main focus will be locating and securing permanent housing options will be the main focus. This will include providing financial assistance to the population served such as rental assistance, security deposits, and other costs associated with moving into a unit. This may include but is not limited to utility payments and deposits and providing essential furniture and household items (towels, linens, cutlery, dishes, etc.). Housing specialists will be utilized to assist with finding affordable housing and appropriate units for the population served. As well provide Legal services, VA benefits, and Employment services.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population served by this project are Homeless, At-Risk, and Low Income Veterans and their Families living in Miami Dade, Broward County and Palm Beach County. It is anticipated that 1,000 clients will be assisted over the project period.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The expected outcome is to significantly reduce the number of homeless veterans in South Florida in Broward, Miami-Dade and Palm Beach Counties as well as reintegrate those veterans into the community in a responsible manner that will be sustainable. The outcome will be measured via the Point-In-Time (PIT) count conducted by each County.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

The organization can provide a detailed plan to fulfill the deliverables, but if they are not met without good reasoning, it may result in financial penalties or paying back unused funds.
