| Operational Costs: Other                              |   |         |
| Salary and Benefits                                   | A staff assistant will handle the administrative upkeep of the program, as well as communications and coordination with students and organizations throughout the semester.   | 40,000  |
| Expense/Equipment/Travel/Supplies/<br>Other           | These funds will be used to support events throughout the semester long curriculum. The purchase of learning materials, event planning, and transportation for the program. These funds will be used to purchase the necessary materials and technology for the class activities. | 350,000 |
| Consultants/Contracted<br>Services/Study              |   | 0       |
| Fixed Capital Construction/Majo                       | r Renovation:   |         |
| Construction/Renovation/Land/<br>Planning Engineering |   | 0       |
| Total State Funds Requested (m                        | ust equal total from question #6)   | 450,000 |

#### 14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

1

## The Florida Senate Local Funding Initiative Request Fiscal Year 2024-2025

**LFIR # 3253** 

The Community Service Corps program works with local students beginning in the ninth grade to provide community service earning opportunities. The project will place students in a service-learning laboratory that will nurture learning and connect participants with career related knowledge and skills. The students have access to diverse opportunities and projects to support local non-profit and social service groups while gaining experience in their preferred field.

b. What activities and services will be provided to meet the intended purpose of these funds?

The Community Service Corps Program will include workshops in Community Health, Peer Support and Mentorship, Environmental Science, Food Insecurity and Feeding Programs, Cultural Competency and Acculturation, Civil Rights, and Civic Responsibilities. Scholars will also attend and participate in university visits and programming.

c. What direct services will be provided to citizens by the appropriation project?

The Community Service Corps program is providing essential life skills for community students to be better prepared to be leaders in their community. By giving students the basis of skills and support in their academic and professional development, we can create leaders who go on to improve our communities through service.

d. Who is the target population served by this project? How many individuals are expected to be served?

| Students, 25-50. |  |  |
|------------------|--|--|
|                  |  |  |

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The program will benefit the community's physical health, mental health, and improve the quality of education. Participants will have access to resources aimed at developing them as future workers in the marketplace. Participants will attain the following: Develop a resume, Complete workshop on basic labor law, Participate in mock interviews, Attend career fairs.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

| Return of funds.      | Return of funds.                                 |           |         |  |  |  |
