Local Funding Initiative Request

Fiscal Year 2026-2027

LFIR # 1078

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

The final phase of the Kiwanis Park project is the construction of a boardwalk through the wet hammock area of the nature preserve. This is an amenity that will benefit the community with leisure activities benefiting the health and wellness of residents and visitors as it is located within a park. In addition, the park and preserve are located adjacent to a middle school that has access for wellness activities as well as educational opportunities to learn about the environment and nature. Completion of this phase of the project will allow us to complete all phases.

An elevated, wooden nature trail will be created with all- natural materials through the existing 6.15 acres of wet hammock within Kiwanis Park. This project will not disrupt existing native Florida trees or natural vegetation. The nature trail will serve as a recreation space and environmental education opportunity for the public.

c. What direct services will be provided to citizens by the appropriation project?

The creation of a nature trail will serve as a location for nature enthusiasts to experience environmental and wildlife education. The path will offer additional outdoor activity space for youth and senior programming and activities.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population is the general public. Over 135,000 individuals will be served.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The creation of an elevated, wooden walking path through the existing 6.15 acres of wet hammock within Kiwanis Park will benefit the citizens by providing environmental education and outdoor activity space for physical activity. Outcomes will be measured by a survey of the visitors to the Nature Trail.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Failure to meet deliverables or performance measures could result in forfeiture of funds.
