Fiscal Year 2026-2027

LFIR # 1403

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

ZeroEyes is the industry's leading AI-based weapons detection solution. The software integrates into existing security and surveillance camera systems and sends out a series of alerts when a verified gun is detected via our best-in-class weapons detection algorithms. The ZeroEyes platform is the most proactive and actionable early-warning system on the market, allowing users to "Save time, save lives".
ZeroEyes will partner with Florida schools to deploy gun detection software on existing camera infrastructure across the State of Florida to mitigate gun violence.

ZeroEyes will deploy server capacity to install the technology and then begin monitoring thousands of cameras across the district for brandished firearms, and providing 24/7 human verification monitoring, troubleshooting / maintenance, quarterly software updates.

c. What direct services will be provided to citizens by the appropriation project?

Citizens with children enrolled in the district will benefit with the added layer of protection at their kid's schools, while also making the schools not appear like a heavily guarded facility because the software layer sits on top of the already existing camera infrastructure.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population includes students, teachers, and staff that work and learn within the district.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

To measure the effectiveness of the ZeroEyes deployment, ZE shall submit a report on the number of guns detected and verified on campus.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Revocation of award would be appropriate for any services not rendered.
