The requested funds for the Brickell Key Bridge Rehabilitation Project will be used to restore and enhance the structural integrity, safety, and longevity of Bridge No. 876414 and its associated seawalls.

b. What activities and services will be provided to meet the intended purpose of these funds?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2026-2027

LFIR # 1410

The Brickell Key Bridge Rehabilitation Project will involve a range of activities and services to ensure the structural integrity, safety, and longevity of Bridge No. 876414 and its associated seawalls. These efforts will address both preventive maintenance and necessary structural repairs to meet the intended purpose of the funds like Structural Repairs and Rehabilitation, Concrete Repairs and Spall Repairs.

c. What direct services will be provided to citizens by the appropriation project?

The appropriation project for the Brickell Key Bridge Rehabilitation will provide direct services that enhance public safety, improve transportation infrastructure, and protect the surrounding environment. These services will directly benefit residents, commuters, businesses, and visitors in the Brickell Key and Downtown Miami areas.

d. Who is the target population served by this project? How many individuals are expected to be served?

The Brickell Key Bridge Rehabilitation Project serves a broad and diverse population, ensuring the safety, accessibility, and efficiency of transportation for residents, commuters, businesses, and visitors.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The Brickell Key Bridge Rehabilitation Project is expected to deliver significant benefits in terms of transportation safety, infrastructure longevity, environmental resilience, and economic stability.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Standard contract penalties are sufficient.

14. Is this project related to mitigation, response, or recovery from a natural disaster?

a. If Yes, what phase best describes the project?

- ☐ Mitigation (reducing or eliminating potential loss of life or property)
- ☐ Response (addressing the immediate and short-term effects of a natural disaster)
- ☐ Recovery (assisting communities return to normal operations, including rebuilding damaged infrastructure)

b. Name of the natural disaster (or Executive Order # for events not under a federal declaration):

15. Has the entity applied for or received federal assistance for this project?

- ☐ Yes, Applied
- ☐ Yes, Received
- ☐ No
- ☐ No, but intends to apply

a. If yes, provide the FEMA project worksheet ID#:

b. Provide the total project cost listed on the FEMA project worksheet:

16. Has the entity applied for or received state assistance for this project (other than this request)?

The Florida Senate
