The Overstreet Fire Department (OFD), which is a 100% volunteer organization, is in need of a new fire tanker and equipment. Gulf County is a fiscally constrained, small rural county, and OFD has an annual operating budget of approximately \$102,987.00. In a fiscally constrained rural county, OFD will never be able to purchase a new fire tanker and equipment. OFD's current trucks are older and require more repairs and maintenance, which is also taxing on their budget.
