13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

State funds were previously allocated by a legislative special project to renovate this Gulf County outpatient behavioral health clinic which was severely damaged by Hurricane Michael in 2018. Funding is now needed to re-establish services in this underfunded outpatient clinic facility. Funding will provide for outpatient evaluation and treatment services for children and adults with severe and persistent mental illnesses and adults with co-occurring substance use disorders.

LFIR # 1480

b. What activities and services will be provided to meet the intended purpose of these funds?

Provide outpatient evaluation and treatment services for children and adults with mental health or co-occurring substance use disorders.

c. What direct services will be provided to citizens by the appropriation project?

Outpatient mental health and substance use evaluation and treatment services for children and adults will be provided through this project.

d. Who is the target population served by this project? How many individuals are expected to be served?

Persons with mental health or co-occurring substance use issues living in Gulf or Calhoun county. Telehealth services will also be provided as requested for persons in Bay, Holmes, Jackson and Washington Counties. A total of 101-200 children, adults, and families are expected to be served.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Provide outpatient evaluation and treatment for persons with mental health and co-occurring substance use disorders. Maintain data on numbers of persons served. Compile data on days within the community on each person served. Maintain data on levels of functional impairment.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?
