12. Details on how the requested state funds will be expended

Spending Category	Description	Amount			
Administrative Costs:					
Executive Director/Project Head Salary and Benefits		0			
Other Salary and Benefits		0			
Expense/Equipment/Travel/Supplies/Other		0			
Consultants/Contracted Services/Study		0			
Operational Costs					
Salary and Benefits		0			
Expense/Equipment/Travel/Supplies/ Other		0			
Consultants/Contracted Services/Study		0			
Fixed Capital Construction/Major Renovation:					
Construction/Renovation/Land/ Planning Engineering	Construction of the new Town Hall Facility.	2,500,000			
Total State Funds Requested (must equal total from question #6) 2,500,000					

13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Securing necessary permits and regulatory approvals and construction of phase one of the new town hall facility. The new hurricane-resilient facility will house administrative offices, public meeting spaces, a protected post office, and emergency operations capabilities, ensuring the town government can function efficiently.

b. What activities and services will be provided to meet the intended purpose of these funds?

This is a fixed capital outlay project. All funds will be used for the construction of the new Town Hall facility which will provide the Town of Horseshoe Beach with government operations, a protected post office, emergency operations capabilities in the new location that would mitigate further risk.

LFIR # 1514

c. What direct services will be provided to citizens by the appropriation project?

The citizens of Horseshoe Beach will regain a functional Town Hall, a protected post office, a location for their water and utilities offices, enhance community engagement with a functional public meeting place, and improve disaster preparedness and response capabilities, ultimately benefiting all residents.

d. Who is the target population served by this project? How many individuals are expected to be served?

All citizens and businesses of Horseshoe Beach and the surrounding zip code of the post office.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

This project will provide the Town of Horseshoe Beach with a storm-resilient Town Hall facility on a larger parcel of land outside of the FEMA Special Flood Hazard Areas to also include a post office. Please see the attached Opinion of Probable Cost for the methodology of this outcome.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

	ag to most domestice of performance measures provided to military
1	None
14. Is	this project related to mitigation, response, or recovery from a natural disaster? Yes
a. I	f Yes, what phase best describes the project?
	Mitigation (reducing or eliminating potential loss of life or property)
	Response (addressing the immediate and short-term effects of a natural disaster)
☑	Recovery (assisting communities return to normal operations, including rebuilding damaged infastructure)
b. I	Name of the natural disaster (or Executive Order # for events not under a federal declaration):
Н	urricane Helene
15. Ha	as the entity applied for or received federal assistance for this project?
☑	Yes, Applied
	Yes, Received
	No
	No, but intends to apply
a. I	f yes, provide the FEMA project worksheet ID#:
