13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

New classrooms can significantly enhance the quality of education by providing a safe, comfortable, and engaging learning environment tailored to modern teaching methods. Upgraded facilities with technology-equipped classrooms enable interactive and personalized learning, while flexible, well-designed spaces support collaboration, hands-on activities, and specialized instruction. Additionally, classrooms that foster collaboration and inclusivity help create a sense of belonging, reducing feelings of isolation. When students feel safe and supported in their learning environment, they are more likely to stay engaged, build confidence, and develop positive relationships—all of which contribute to improved mental health and academic success.

b. What activities and services will be provided to meet the intended purpose of these funds?
