Is future-year funding likely to be requested?	Yes			
a. If yes, indicate nonrecurring amount per year.	500,000			
b. Describe the source of funding that can be used in lieu of state funding.				
If state funding were unavailable, fewer individuals would be served. The on-the-job-training would become unpaid, potentially resulting in participants collecting unemployment.				

10. Status of Construction

13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Funds will secure community-based employment training for individuals with intellectual disabilities and autism. With a goal of employment, individuals with special needs will reduce their dependence on government subsidies.

b. What activities and services will be provided to meet the intended purpose of these funds?

JARC will work with local businesses to secure partnerships for the community-based employment training. Individuals with intellectual disabilities and autism will receive job coaching services.

LFIR # 1966

c. What direct services will be provided to citizens by the appropriation project?

On the job training at local businesses. This will be completed with supervision from trained Job Coaches to maximize the potential for independent employment.

d. Who is the target population served by this project? How many individuals are expected to be served?

Support to the families of the individuals receiving services. The program has grown every year, and currently provides services to 85 individuals and their families.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

A minimum of 30 participants will receive training in how to develop a resume and how to interact in a job interview. With a goal of community-based employment, a minimum of 6 individuals will become employed by the partner businesses. Outcomes will be measured by the number of partner businesses and the number of individuals employed.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Fi	nancial penalties will be assigned to each benchmark/ objective.
4. Is t	his project related to mitigation, response, or recovery from a natural disaster? No
a. If	Yes, what phase best describes the project?
	Mitigation (reducing or eliminating potential loss of life or property)
	Response (addressing the immediate and short-term effects of a natural disaster)
	Recovery (assisting communities return to normal operations, including rebuilding damaged infastructure)
b. Na	ame of the natural disaster (or Executive Order # for events not under a federal declaration):
5. Has	s the entity applied for or received federal assistance for this project?
