

HOUSE MESSAGE SUMMARY

Date: April 29, 1998

Bill Subject: Sexual Predator Registration

Prepared By: Senate Committee on Criminal Justice

I. Amendments Contained in Message

Senate Amendment 1 - 084114 (body with title)

Senate Amendment 2 - 812986 (body with title)

II. Summary of Amendments Contained in Message

Senate Amendment 1 conforms the House bill to the Senate CS, making the House bill identical to the Senate CS by Criminal Justice. HOUSE CONCURS

Senate Amendment 2 changes an appropriation requirement concerning the state attorneys. It changes proviso language associated with Specific Appropriation 620 in the Conference report on HB 4201. This amendment would remove the requirement that such appropriation is not contingent upon the implementation of a quarterly workload report. This appropriation pertains to funding for a computer system for the state attorneys. THE HOUSE REFUSES TO CONCUR AND REQUESTS THE SENATE TO RECEDE FROM THIS AMENDMENT.
