## Bill No. <u>CS for SB's 360 & 350</u>

Amendment No. \_\_\_\_

|                                 | CHAMBER ACTION  |
|---------------------------------|---|
| Ī                               | <u>Senate</u> <u>House</u>  |
| 1                               |   |
| 2                               |   |
| 3                               |   |
| 4                               |   |
| 5                               |   |
| 6                               |   |
| 7                               |   |
| 8                               |   |
| 9                               |   |
| 10                              |   |
| 11                              | Senator Myers moved the following amendment:                        |
| 12                              |   |
| 13                              | Senate Amendment  |
| 14                              | On page 2, line 30, after the word "executioner"                    |
| 15                              |   |
| 16                              | insert: <u>, except that no licensed health care provider shall</u> |
| 17                              | administer or participate in the administration of the lethal       |
| 18                              | injection other than to certify death as provided in chapter        |
| 19                              | <u>382</u>  |
| 20                              |   |
| 21                              |   |
| <ul><li>22</li><li>23</li></ul> |   |
| 23<br>24                        |   |
| 25                              |   |
| 26                              |   |
| 27                              |   |
| 28                              |   |
| 29                              |   |
| 30                              |   |
| 31                              |   |
