Bill Subject: Alcoholic Beverages

Prepared By: Senate Committee on Regulated Industries

I. Amendments Contained in Message

House Amendment 1 (body)

II. Summary of Amendments Contained in Message

House Amendment 1 eliminates all of the provisions contained in SB 720. The bill now amends the definition of any person under the age of 18 and excludes from that definition any person under the age of 18 who is working in conjunction with a law enforcement agency to test the compliance of dealers with this chapter. Failure to pass this bill could potentially jeopardize receipt of federal block grants used for the prevention and treatment of substance abuse problems.
