House Resolution

A resolution commending Pastor W.C. Chambliss and his wife Sabrenna for founding Project Abundant Life, an after-school mentoring program for children.

WHEREAS, Pastor W.C. Chambliss and his wife Sabrenna through their church activities noticed that there were many children with poor reading skills who spent a large amount of time home alone, watching television or playing video games, and

WHEREAS, this led to the formation of Project Abundant Life, which was designed to connect participants with tutors who provide assistance throughout the school year in basic computer training, reading, math, and social skills, and

WHEREAS, the program has been very successful in the City of Jacksonville, and has contributed to the well-being and development of many young children who would otherwise have missed the opportunity to advance in school, and

WHEREAS, Project Abundant Life is a model which other communities could use to assist their young children in developing social skills and learning abilities for the betterment of the community, and

WHEREAS, it is fitting and appropriate that the Legislature of the State of Florida commend Pastor W.C. Chambliss and Sabrenna for their accomplishments, NOW, THEREFORE,
