11 Senator Hargrett moved the following amendment:

12

13   **Senate Amendment (with title amendment)**

14   On page 12, between lines 12 and 13,

15

16 insert:

17   Section 5. Subsection (4) is added to section

18 403.7185, Florida Statutes, to read:

19   403.7185 Lead-acid battery fees.--

20   (4) At least 15 percent of the revenues collected

21 annually from the lead-acid battery fees shall be designated

22 by the Department of Environmental Protection as grant moneys

23 to provide funding for contamination assessment and

24 remediation of sites contaminated by the disposal of lead-acid

25 batteries and the components thereof and to provide incentives

26 to assist recycling facilities for lead-acid batteries and

27 other lead-containing solid waste products in providing a

28 convenient opportunity for their safe recycling and proper

29 disposal. The Legislature recognizes a need for providing a

30 capability within the state for responding to the recycling,

31 proper disposal, and remediation of waste products generated

1

Bill No. <u>CS for SB 2536</u>

Amendment No. ___

1 <u>by users of lead-containing products within the state.</u>

2 <u>Incentive grants may be made for funding public or private</u>

3 <u>activities that are innovative or necessary to maintain</u>

4 <u>environmental compliance with federal and state regulatory</u>

5 <u>requirements. This subsection expires July 1, 2004, unless</u>

6 <u>reenacted by the Legislature.</u>

7

8 (Redesignate subsequent sections.)
