II. Summary of Amendments Contained in Message

Changes the date of the creation of the new city of Bonita Springs from December 31, 2000, to December 31, 1999.

Changes the date that the requirements of s. 218.23(1), F.S., are waived from state fiscal year 2001-2002 to 2002-2003. This ensures the city will receive state shared revenues for an additional year.
