## I. Summary:

The Division of Statutory Revision of the Office of Legislative Services is required, by statute, to conduct a systematic and continuing study of the Florida Statutes. The purpose of this study is to recommend to the Legislature changes that will remove inconsistencies, redundancies, and unnecessary repetition from the statutes; improve clarity and facilitate correct interpretation; correct grammatical and typographical errors; and delete obsolete, repealed, or superseded provisions. These recommendations are submitted to the Legislature in the form of technical, nonsubstantive reviser's bills. A reviser's bill cannot be amended except to delete a bill section.

## II. Present Situation:

Forms contained in the Florida Statutes contain references to dates as being part of the twentieth century, e.g. "19\_\_."

## III. Effect of Proposed Changes:

This bill revises references in forms contained in the Florida Statutes to delete references to years as being part of the twentieth century to conform to the end of the twentieth century and the beginning of the twenty-first century.
