I. Summary:

The Division of Statutory Revision of the Office of Legislative Services is required, by statute, to conduct a systematic and continuing study of the Florida Statutes. The purpose of this study is to recommend to the Legislature changes that will remove inconsistencies, redundancies, and unnecessary repetition from the statutes; improve clarity and facilitate correct interpretation; correct grammatical and typographical errors; and delete obsolete, repealed, or superseded provisions. These recommendations are submitted to the Legislature in the form of technical, nonsubstantive reviser's bills. Responses to directives from the Legislature to make specific changes in the statutes, such as renaming a department, are also submitted to the Legislature via reviser's bills.

The Division of Statutory Revision was directed by the Legislature, in s. 17, ch. 98-413, Laws of Florida, to change references to "Elected State and County Officers' Class" to "Elected Officers' Class." A reviser's bill cannot be amended except to delete a bill section.
