19   (b) The Department of Management Services shall select

20   the rural school or district that will participate in the

21   pilot project in consultation with the Department of

22   Education. The selection process shall be based on the

23   following criteria:

24   1. Thorough evaluation of the school improvement plan,

25   demonstration of how the school or district will leverage

26   additional connectivity provided through the pilot project to

27   improve student achievement;

28   2. If the pilot project involves wireless technology,

29   demonstration of the school's or district's ability to

30   effectively deploy wireless technology based on existing

31   infrastructure;

Bill No. <u>CS for CS for SB 1934</u>

Amendment No. ____

```
 1          3.   Demonstration of commitment of the leadership of
 2    the school and district to use technology to improve teaching
 3    and learning;
 4          4.   If the pilot project involves wireless technology,
 5    potential cost savings or improved access resulting from the
 6    use of wireless rather than traditional connectivity
 7    technology;
 8          5.   The ability to use the technology infrastructure in
 9    other local government applications within the service area;
10    and
11          6.   Demonstration of willingness and ability of the
12    community to assume ongoing costs to maintain the pilot
13    project for a minimum 5-year period. Such willingness and
14    ability may be demonstrated through intracommunity agreements
15    or other means.
16          (c)   The Department of Management Services, in
17    consultation with the Department of Education, shall annually
18    evaluate the pilot project based upon consistency with the
19    Sunshine State Standards, as described in section 229.57,
20    Florida Statutes, and with broader community-based standards
21    as appropriate.
