1 (2) OPTIONAL PARTICIPATION.--

2 (b)1. The governing body of any municipality or

4 system upon proper application to the administrator and may
5 cover all or any of its units as approved by the Secretary of
6 Health and Human Services and the administrator. The
7 department shall adopt rules establishing provisions for the
8 submission of documents necessary for such application. Prior
9 to being approved for participation in the Florida Retirement
10 System, the governing body of any such municipality or special
11 district that has a local retirement system shall submit to
12 the administrator a certified financial statement showing the
13 condition of the local retirement system as of a date within 3

17 local retirement system. All required documents necessary for
18 extending Florida Retirement System coverage must be received
19 by the department for consideration at least 15 days prior to
20 the proposed effective date of coverage. If the municipality
21 or special district does not comply with this requirement, the

29 Only those employees electing coverage under the Florida
30 Retirement System by affirmative vote in said referendum shall
31 be eligible for coverage under this chapter, and those not

1 participating or electing not to be covered by the Florida
2 Retirement System shall remain in their present systems and
3 shall not be eligible for coverage under this chapter. After
4 the referendum is held, all future employees shall be
5 compulsory members of the Florida Retirement System.

6 3. The governing body of any city or special district
7 complying with subparagraph 1. may elect to provide, or not
8 provide, benefits based on past service of officers and
9 employees as described in s. 121.081(1). However, if such
10 employer elects to provide past service benefits, such
11 benefits must be provided for all officers and employees of
12 its covered group.

13 4. Once this election is made and approved it may not
14 be revoked, except pursuant to subparagraphs 5. and 6., and
15 all present officers and employees electing coverage under
16 this chapter and all future officers and employees shall be

24 the system, may elect to cease participation in the system
25 with regard to future employees in accordance with the

31 proposed withdrawal and proposed alternative plan.

1 b. From 7 to 15 days before such hearing, notice of
2 intent to withdraw, specifying the time and place of the
3 hearing, must be provided in writing to employees of the
4 hospital district proposing partial withdrawal and must be
5 published in a newspaper of general circulation in the area
6 affected, as provided by ss. 50.011-50.031. Proof of
7 publication of such notice shall be submitted to the

9 c. The governing body of any hospital district seeking
10 to partially withdraw from the system must, before such
11 hearing, have an actuarial report prepared and certified by an
12 enrolled actuary, as defined in s. 112.625(3), illustrating
13 the cost to the hospital district of providing, through the
14 retirement plan that the hospital district is to adopt,
15 benefits for new employees comparable to those provided under
16 the Florida Retirement System.

17 d. Upon meeting all applicable requirements of this
18 subparagraph, and subject to the conditions set forth in
19 subparagraph 6., partial withdrawal from the system and
20 adoption of the alternative retirement plan may be
21 accomplished by resolution duly adopted by the hospital

24 copy of the resolution to the division, postmarked no later
25 than December 15, 1995. The withdrawal shall take effect
26 January 1, 1996.

27 6. Following the adoption of a resolution under

3 employees shall remain in full force and effect. Any employee
4 who is hired or appointed on or after January 1, 1996, may not
5 participate in the Florida Retirement System, and the
6 withdrawing hospital district shall have no obligation to the
7 system with respect to such employees.

8 (f)1. Whenever an employer that participates in the
9 Florida Retirement System undertakes the transfer, merger, or
10 consolidation of governmental services or functions, the
11 employer must notify the department at least 60 days prior to
12 such action and shall provide documentation as required by the
13 department.

14 2. When the agency to which a member's employing unit
15 is transferred, merged, or consolidated does not participate
16 in the Florida Retirement System, a member shall elect in
17 writing to remain in the Florida Retirement System or to
18 transfer to the local retirement system operated by such
19 agency. If such agency does not participate in a local
20 retirement system, the member shall continue membership in the
21 Florida Retirement System. In either case, the membership
22 shall continue for as long as the member is employed by the
23 agency to which his or her unit was transferred, merged, or
24 consolidated.

25 (4) INFORMATION REQUIRED.--The employer and employee
26 shall furnish the administrator with such information as he or

30 of creditable service within a period of 12 consecutive
31 months, except as provided in paragraph (c). Service performed

1 as a participant of the optional retirement program for the
2 State University System under s. 121.35 or the Senior
3 Management Service Optional Annuity Program under s. 121.055
4 may be used to satisfy the reemployment requirement of 1
5 complete year of creditable service. The member shall not be
6 permitted to make any contributions for prior service until
7 after completion of the 1 year of creditable service. If a
8 member does not wish to claim credit for all of his or her
9 prior service, the service the member claims must be the most
10 recent period of service.The required contributions for
11 claiming the various types of prior service are:
12 (a) For prior service performed prior to the date the
13 system becomes noncontributory for the member and for which
14 the member had credit under one of the existing retirement
15 systems and received a refund of contributions upon
16 termination of employment, the member shall contribute 4
17 percent of all salary received during the period being
18 claimed, plus 4 percent interest compounded annually from date
19 of refund until July 1, 1975, and 6.5 percent interest
20 compounded annually thereafter, until full payment is made to
21 the Retirement Trust Fund, and shall receive credit in the
22 Regular Class. A member who elected to transfer to the Florida
23 Retirement System from an existing system may receive credit
24 for prior service under the existing system if he or she was
25 eligible under the existing system to claim the prior service
26 at the time of the transfer. Contributions for such prior
27 service shall be determined by the applicable provisions of
28 the system under which the prior service is claimed and shall
29 be paid by the member, with matching contributions paid by the
30 employer at the time the service was performed. Effective July
31 1, 1978, the account of a person who terminated under s.

3 established under chapter 238, upon retirement under this
4 chapter or chapter 238.

5 (b) For prior service performed prior to the date the
6 system becomes noncontributory for the member and for which
7 the member had credit under the Florida Retirement System and
8 received a refund of contributions upon termination of
9 employment, the member shall contribute at the rate that was
10 required of him or her during the period of service being
11 claimed, on all salary received during such period, plus 4
12 percent interest compounded annually from date of refund until
13 July 1, 1975, and 6.5 percent interest compounded annually
14 thereafter, until the full payment is made to the Retirement

16 in which the member participated during the period claimed.

17 (c) For prior service as defined in s. 121.021(19)(b)
18 and (c) during which no contributions were made because the
19 member did not participate in a retirement system, the member
20 shall contribute 14.38 percent of all salary received during
21 such period or 14.38 percent of \$100 per month during such
22 period, whichever is greater, plus 4 percent interest
23 compounded annually from the first year of service claimed
24 until July 1, 1975, and 6.5 percent interest compounded
25 annually thereafter, until full payment is made to the
26 Retirement Trust Fund, and shall receive credit in the Regular
27 Class.

28 (d) In order to claim credit for prior service as
29 defined in s. 121.021(19)(d) for which no retirement
30 contributions were paid during the period of such service, the
31 member shall contribute the total employee and employer

1 contributions which were required to be made to the Highway
2 Patrol Pension Trust Fund, as provided in chapter 321, during
3 the period claimed, plus 4 percent interest compounded
4 annually from the first year of service until July 1, 1975,
5 and 6.5 percent interest compounded annually thereafter, until
6 full payment is made to the Retirement Trust Fund. However,
7 any governmental entity which employed such member may elect
8 to pay up to 50 percent of the contributions and interest
9 required to purchase this prior service credit. The service
10 shall be credited in accordance with the provisions of the
11 Highway Patrol Pension Plan in effect during the period
12 claimed unless the member terminated and withdrew his or her
13 retirement contributions and was thereafter enrolled in the
14 State and County Officers and Employees' Retirement System or
15 the Florida Retirement System, in which case, the service
16 shall be credited as Regular Class service.

17 (e) For service performed under the Florida Retirement
18 System after December 1, 1970, that was never reported to the
19 division or the department due to error, retirement credit may
20 be claimed by a member of the Florida Retirement System. The
21 department shall adopt rules establishing criteria for
22 claiming such credit and detailing the documentation required
23 to substantiate the error.

24 (f) The employer may not be required to make
25 contributions for prior service credit for any member, except
26 that the employer shall pay the employer portion of
27 contributions for any legislator who elects to withdraw from
28 the Florida Retirement System and later rejoins the system and
29 pays any employee contributions required in accordance with s.
30 121.052(3)(d).

10 retirement may be claimed or purchased after a retirement
11 benefit payment has been cashed or deposited.

12 Section 7. Subsection (5) of section 121.091, Florida
13 Statutes, is amended, paragraph (c) is added to subsection

7 refunded member contributions, plus interest.

24 in paragraph (b), the terminated member may elect to receive a
25 lump-sum amount equal to his or her accumulated contributions
26 as of the date of termination.

27 (d) If any retired member dies without having received
28 in benefit payments an amount equal to his or her accumulated
29 contributions, there shall be payable to his or her designated

27 found guilty by such court of violating any state law
