4	minority business enterprises. It also is the intent of the
5	Legislature to consider elimination of such goals at a future
6	date, if such elimination is warranted based on the findings
7	and recommendations of an objective commission. It further is
8	the intent of the Legislature to ensure that state agencies
9	continue to follow these goals and to ensure that these goals
10	are used to measure and evaluate the contracting activities of
11	state agencies.

13	Contracting; creation; purpose; membershipThere is created
14	the Commission on Minority-Business-Enterprise Contracting, to
