HOUSE OF REPRESENTATIVES AS REVISED BY THE COMMITTEE ON WATER & RESOURCE MANAGEMENT FINAL ANALYSIS

BILL #: HB 309

RELATING TO: Water and Wastewater Treatment Trust Fund

SPONSOR(S): Representatives Boyd and Wiles

TIED BILL(S): HB 307

ORIGINATING COMMITTEE(S)/COMMITTEE(S) OF REFERENCE:

(1) WATER & RESOURCE MANAGEMENT YEAS 11 NAYS 0

(2) GOVERNMENTAL RULES & REGULATIONS YEAS 7 NAYS 0

(3) COMMUNITY AFFAIRS

(4) GENERAL GOVERNMENT APPROPRIATIONS

(5)

I. SUMMARY:

HB 309 would have created the Water and Wastewater Treatment Grant Program Trust Fund as a depository for the funds appropriated by the Legislature to implement the Safe Water Act of 2000, designed to provide grants to small-population counties and cities for water and wastewater improvements.

The Water and Wastewater Treatment Grant Program Trust Fund would be administered by the Department of Environmental Protection (DEP).

The trust fund would have been scheduled for repeal on July 1, 2005, and would have been scheduled for legislative review prior to that date.

As a trust fund bill, HB 309 required approval by a three-fifths vote of the House and Senate. Another condition of HB 309's enactment was that legislation creating the Safe Water Act of 2000 also has to pass. If both conditions had been met, HB 309 would have gone into effect July 1, 2000.

(NOTE: HB 309 died in the House Community Affairs Committee when the Legislature adjourned on May 5, 2000.)

II. SUBSTANTIVE ANALYSIS:

A. DOES THE BILL SUPPORT THE FOLLOWING PRINCIPLES:

1.	Less Government	Yes []	No []	N/A [X]
2.	Lower Taxes	Yes []	No []	N/A [X]
3.	Individual Freedom	Yes []	No []	N/A [X]
4.	Personal Responsibility	Yes []	No []	N/A [X]
5.	Family Empowerment	Yes []	No []	N/A [X]

For any principle that received a "no" above, please explain:

B. PRESENT SITUATION:

Florida currently has a Wastewater State Revolving Loan Trust Fund, created in 1988, and a Drinking Water State Revolving Loan Trust Fund, created in 1997, as depositories of state and federal funds, loan repayments and interest earnings. Each of these trust funds is tied to its specific wastewater or drinking water program, which have state and federal eligibility requirements for receiving funding for loans or grants to be used for appropriate infrastructure improvements.

For FY 1999-2000, the Legislature appropriated \$113 million to the Wastewater State Revolving Loan Trust Fund and \$32 million to the Drinking Water State Revolving Loan Trust Fund.

C. EFFECT OF PROPOSED CHANGES:

HB 309 would have created the Water and Wastewater Treatment Grant Program Trust Fund, to be used for funding the Safe Water Act of 2000 proposed by HB 307. The trust fund would have tracked receipts and expenditures of the Safe Water Act of 2000 program, administered by DEP, to provide grants to counties with a population of less than 125,000 people and cities with a population of less than 12,500 persons. These grants would have financed construction of, or improvements to, water and wastewater infrastructure.

D. SECTION-BY-SECTION ANALYSIS:

Section 1: Creates the Water and Wastewater Treatment Grant Program Trust Fund for the purpose of providing grants to eligible local governments. Directs DEP to administer the trust fund.

Section 2: Specifies that in accordance with s. 19(f)(2), Art. III of the state Constitution, the trust fund shall be terminated on July 1, 2005, unless terminated sooner. Directs the Legislature, pursuant to s. 215.3206, F.S., to review the trust fund prior to its scheduled repeal.

Section 3: Provides that this act shall take effect on the effective date of Senate Bill ___

PAGE 3

(actually meaning the tied substantive bill creating the Safe Water Act of 2000), and if it is enacted by a three-fifths vote of the membership of the House and Senate.

III. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT:

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

See Fiscal Comments below.

2. Expenditures:

See Fiscal Comments below.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

If HB 307 or its Senate companion, SB 188, become law and the Safe Water Act of 2000 had been enacted -- and if the Legislature had appropriated the funds -- small-population counties and cities would have been eligible for \$100 million annually, beginning in 2000-2001 through 2010-2011, for water and wastewater treatment grants.

2. Expenditures:

None.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

Indeterminate, but likely positive.

D. FISCAL COMMENTS:

Subject to annual legislative appropriation, the Water and Wastewater Treatment Grant Program Trust Fund would be the depository of \$100 million annually, from fiscal year 2000-2001 through fiscal year 2010-2011, to implement the Safe Water Act of 2000.

IV. CONSEQUENCES OF ARTICLE VII, SECTION 18 OF THE FLORIDA CONSTITUTION:

A. APPLICABILITY OF THE MANDATES PROVISION:

The mandates provision is not applicable to HB 309 because the bill does not require municipalities or counties to expend funds, or to take actions requiring the expenditure of funds.

B. REDUCTION OF REVENUE RAISING AUTHORITY:

HB 309 does not reduce the revenue-raising authority of municipalities or counties.

	C.	C. REDUCTION OF STATE TAX SHARED WITH COUNTIES AND MUNICIPALITIES:				
		HB 309 does not reduce the state sales tax r municipalities.	evenues shared with counties or
