19	Be It Enacted by the Legislature of the State of Florida:
20	
21	Section 1. The Legislature finds that Florida does not
22	have a comprehensive strategy for economically and efficiently
23	meeting the needs of an increasingly elderly population. The
24	Legislature therefore requests the Governor to establish an
25	interagency panel consisting of representatives from the
26	Agency for Health Care Administration, the Department of
27	Elderly Affairs, and the Department of Children and Family
28	Services, which shall analyze the state's long-term-care
29	system and make recommendations for ensuring coordination
30	among the agencies responsible for the long-term-care
31	continuum and make recommendations to executive agencies and
