I. Summary:

The bill authorizes instant bingo games, a game played by purchasing a ticket for \$1 or less and removing a cover from the ticket to reveal a set of numbers, letters, objects, or patterns, some of which have been designated in advance as prize winners. The bill requires that each package of instant bingo tickets have a minimum prize payout of at least 65 percent of the total receipts from the sale of the entire package. The bill exempts instant bingo from current jackpot restrictions, such that instant bingo is not limited to two days a week, is not limited to three jackpots on any one day of play, and is not limited to a maximum value on jackpots of \$250.

The bill substantially amends section 849.0931 of the Florida Statutes:

II. Present Situation:

Section 849.0931, F.S., authorizes and regulates the playing of bingo.

Charitable, nonprofit, or veterans' organizations engaged in charitable, civic, community, benevolent, religious, or scholastic works or other similar endeavors, which have been in existence and active for a period of three years or more, may conduct bingo games, provided the entire proceeds derived from the conduct of the games, less actual business expenses, are donated to the listed endeavors.

If an organization is not engaged in endeavors of the type listed, its right to conduct bingo games is conditioned upon the return of all the proceeds from the games to the players in the form of prizes. If at the conclusion of play on any day there remain proceeds which have not been paid out as prizes, the organization must at the next scheduled day of play conduct bingo games

without any charge to the players and must continue to do so until the proceeds carried over from the previous days played have been exhausted.

The section also establishes restrictions on jackpots. No jackpot may exceed the value of \$250 in actual money or its equivalent. An organization cannot conduct bingo more than two days per week. There cannot be more than three jackpots on any one day of play. All other game prizes shall not exceed \$50.

Any organization or person who willfully and knowingly violates any provision of this section is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082, F.S., or s. 775.083, F.S. For a second or subsequent offense, the organization or other person is guilty of a felony of the third degree, punishable as provided in s. 775.082, F.S., s. 775.083, F.S., or s. 775.084, F.S.

III. Effect of Proposed Changes:

The bill authorizes instant bingo games, defined as a game that is played using tickets by which a player wins a prize by opening and removing a cover from the ticket to reveal a set of numbers, letters, objects, or patterns, some of which have been designated in advance as prize winners. The bill also defines a "package" of instant bingo tickets as a separate set of not more than 4,000 instant bingo tickets in which the predetermined minimum prize payout is at least 65 percent of the total receipts from the sale of the entire package.

Instant bingo tickets could be sold by any organization that can currently conduct regular bingo games. The tickets must be sold at the price printed on the ticket, which may not exceed \$1. Discounts cannot be given for purchases of multiple tickets, and tickets cannot be given away free of charge. The sets of numbers, letters, objects, or patterns that have been pre-designated as winning combinations for a package of bingo tickets must be posted before the sale of any tickets from that package.

The bill exempts instant bingo from the jackpot restrictions, such that instant bingo is not limited to two days a week, is not limited to three jackpots on any one day of play, and is not limited to a maximum value on jackpots of \$250.

The bill takes effect July 1, 2001.
