B. PRESENT SITUATION:

The Escambia County Civil Service Act was enacted in 1974, through ch. 74-480, L.O.F. Since 1974, this Act has been amended sixteen times, through chs. 75-365, 75-369, 76-364, 76-369, 76-370, 77-548, 78-507, 79-453, 79-543, 82-293, 83-405, 88-552, 89-492, 91-335, 92-248, and 93-394.

In 1992, the Florida Legislature provided for the creation of the Escambia County Utilities Authority (ch. 92-248, L.O.F.)

The Escambia County Civil Service Act (Act) provides for a Civil Service Board, composed of five members, appointed by the Governor, and subject to Senate confirmation.

Members of the Board serve uncompensated, but are reimbursed for certain expenses.

The Board must meet at least once a month, and all meetings are open to the public.

A joint meeting is held annually, staffed by county and school district officers, to determine adjustments to pay ranges in the classified service.

The Act establishes the career Civil Service system as a permanent service and requires its application to all Escambia County employees, including employees of the Escambia County Utilities Authority, and non-instructional employees or positions of the District School Board. Certain positions are exempted from required career service, such as Governor appointees and elected officials, members of county and local boards, and members of advisory committees.

All classified employees, including deputy sheriffs, have the right to participate in collective bargaining.

The Circuit Court of Escambia County reviews Civil Service Board appeals.

Chapter 120, the Administrative Procedures Act, does not apply to the Civil Service Board.

C. EFFECT OF PROPOSED CHANGES:

This bill changes career civil service status for Escambia County employees from a mandatory requirement to a discretionary decision.

Specifically, this bill authorizes local agencies, boards, and constitutional officers to determine civil service status, for all Escambia County positions.

Certain positions, previously ineligible for career civil service, are now eligible, at the discretion of the appropriate, determining entities.

Certain positions continue to be exempt from career service, including elected officials or Governor appointees, members of county and local boards and county commissions, and members of advisory boards.

D. SECTION-BY-SECTION ANALYSIS:

Section 1. Amends subsection 7.1 of s. 7 of ch. 83-405, L.O.F., as amended by ch. 91-335, L.O.F. to provide that career civil service may be decided by a county constitutional officer or a majority vote of a local agency or board, removes automatic exemptions from career civil service, for the county attorney and employees, attorneys serving as legal counsel, consultants, the District School Board chief executive officer and all department heads, certain instructional and administrative personnel, various secretaries and directors, the chief executive officer of the board of county commissioners, and certain positions in the property appraiser's office, tax collector's office, clerk of courts' office, sheriff's department, comptroller's office, supervisor of election's office, the Santa Rosa Island Authority office, judicial offices, and certain student assistants.

Section 2. Amends s. 7.2 of s. 7 of ch. 83-405, L.O.F., as amended by ch. 91-335, L.O.F., to provide that any local agency, board, or constitutional officer, including the District School Board, may elect, by majority vote, to withdraw from civil service, which, if chosen, will exempt the entity from the provisions of the Act, provides that elected officials or Governor appointees, members of county and local boards and county commissions, and members of advisory boards are automatically exempt from civil service.
