B. PRESENT SITUATION:

The Clay County Development Authority was created in 1957, chapter 57-1226, Laws of Florida, for the purpose of carrying out sound planning and development for Clay County.

Codification

Codification is the process of bringing a special act up-to-date. After a special district is created, special acts often amend or alter the special district's charter provisions. To ascertain the current status of a special district's charter, it is necessary to research all amendments or changes made to the charter since its inception or original passage by the Legislature. Codification of special district charters is important because it allows readers to more easily determine the current charter of a district.

Codification of special district charters was authorized by the 1997 Legislature when it amended chapter 189, Florida Statutes, to provide for codification of all special district charters either by December 1, 2001, or when any act relating to such district is introduced to the Legislature, whichever occurs first. Section 189.429, Florida Statutes (1997), also required that no changes be made to a district's charter, as it existed on October 1, 1997. However, the 1998 Legislature amended section 189.429, Florida Statutes, to: (1) extend the codification deadline to December 1, 2004; (2) allow for the adoption of the codification schedule provided for in an October 3, 1997, memorandum issued by the Chair of the Committee on Community Affairs; (3) remove the prohibition of substantive amendments in a district's codification bill; and (4) remove the requirement that a codified charter must be submitted prior to the introduction of any act relating to the charter or prior to the scheduled deadline. Any codified act relating to a special district must provide for the repeal of all prior special acts of the Legislature relating to the district.

Schedule Of Submittals Of Special Districts' Charters

Special Districts with less than 2 special acts	1999 Legislative Session
Special Districts with 3 - 4 special acts	2000 Legislative Session
Special Districts with 5 - 7 special acts	2001 Legislative Session

Special Districts with 8 - 12 special acts 2002 Legislative Session

Special Districts with more than 12 special acts 2003 Legislative Session

Special Fire Control Districts 2004 Legislative Session

Since the enactment of sections 189.429 and 191.015, Florida Statutes, 89 special districts have codified their charters. A list of those special districts that have codified pursuant to sections 189.429 and 191.015, Florida Statutes, is available at the office of the Committee on Local Government and Veterans Affairs, Florida House of Representatives.

Status Statement Language

Section 189.404(5), Florida Statutes, provides that after October 1, 1997, the charter of any newly created special district shall contain and, as practical, the charter of a preexisting special district shall be amended to contain, a reference to the status of the special district as dependent or independent. When necessary, the status statement shall be amended to conform to the department's determination or declaratory statement regarding the status of the district.

C. EFFECT OF PROPOSED CHANGES:

The bill codifies all prior special acts relating to the Clay County Development Authority.

The bill states the District's minimum charter requirements that do not appear to alter the effect of existing law pertaining to the District.
