8 with the assumptions used.

9           6. A statement by the actuary that the report is

3 liability pool. Counties, municipalities, or other public  
4 agencies are also authorized to enter into loan agreements  
5 with any entity created pursuant to subparagraph 1., or with  
6 any county or municipality issuing bonds pursuant to this  
7 subparagraph, for the purpose of obtaining bond proceeds with  
8 which to acquire liability coverage contracts from a local  
9 government liability pool. No county, municipality, or other  
10 public agency shall at any time have more than one loan  
11 agreement outstanding for the purpose of obtaining bond  
12 proceeds with which to acquire liability coverage contracts  
13 from a local government liability pool. Obligations of any  
14 county, municipality, or other public agency of this state  
15 pursuant to a loan agreement as described above may be  
16 validated as provided in chapter 75. Prior to the issuance of  
17 any bonds pursuant to subparagraph 1. or this subparagraph for  
18 the purpose of acquiring liability coverage contracts from a  
19 local government liability pool, the reciprocal insurer or the  
20 manager of any self-insurance program shall demonstrate to the  
21 satisfaction of the Office of Insurance Regulation of the  
22 Financial Services Commission ~~Department of Insurance~~ that  
23 excess liability coverage for counties, municipalities, or  
24 other public agencies is reasonably unobtainable in the  
25 amounts provided by such pool or that the liability coverage  
26 obtained through acquiring contracts from a local government  
27 liability pool, after taking into account costs of issuance of  
28 bonds and any other administrative fees, is less expensive to  
29 counties, municipalities, or special districts than similar  
30 commercial coverage then reasonably available.

31

1           3. Any entity created pursuant to this section or any  
2 county or municipality may also issue bond anticipation notes,  
3 as provided by s. 215.431, in connection with the  
4 authorization, issuance, and sale of such bonds. In addition,  
5 the governing body of such legal entity or the governing body  
6 of such county or municipality may also authorize bonds to be  
7 issued and sold from time to time and may delegate, to such  
8 officer, official, or agent of such legal entity as the  
9 governing body of such legal entity may select, the power to  
10 determine the time; manner of sale, public or private;  
11 maturities; rate or rates of interest, which may be fixed or  
12 may vary at such time or times and in accordance with a  
13 specified formula or method of determination; and other terms  
14 and conditions as may be deemed appropriate by the officer,  
15 official, or agent so designated by the governing body of such  
16 legal entity. However, the amounts and maturities of such  
17 bonds and the interest rate or rates of such bonds shall be  
18 within the limits prescribed by the governing body of such  
19 legal entity and its resolution delegating to such officer,  
20 official, or agent the power to authorize the issuance and  
21 sale of such bonds. Any series of bonds issued pursuant to  
22 this paragraph shall mature no later than 7 years following  
23 the date of issuance thereof.

24           4. Bonds issued pursuant to subparagraph 1. may be  
25 validated as provided in chapter 75. The complaint in any  
26 action to validate such bonds shall be filed only in the  
27 Circuit Court for Leon County. The notice required to be  
28 published by s. 75.06 shall be published in Leon County and in  
29 each county which is an owner of the entity issuing the bonds,  
30 or in which a member of the entity is located, and the  
31 complaint and order of the circuit court shall be served only

1 on the State Attorney of the Second Judicial Circuit and on  
2 the state attorney of each circuit in each county or  
3 municipality which is an owner of the entity issuing the bonds  
4 or in which a member of the entity is located.

5           5. Bonds issued pursuant to subparagraph 2. may be  
6 validated as provided in chapter 75. The complaint in any  
7 action to validate such bonds shall be filed in the circuit  
8 court of the county or municipality which will issue the  
9 bonds. The notice required to be published by s. 75.06 shall  
10 be published only in the county where the complaint is filed,  
11 and the complaint and order of the circuit court shall be  
12 served only on the state attorney of the circuit in the county  
13 or municipality which will issue the bonds.

14           6. The participation by any county, municipality, or  
15 other public agency of this state in a local government  
16 liability pool shall not be deemed a waiver of immunity to the  
17 extent of liability coverage, nor shall any contract entered  
18 regarding such a local government liability pool be required  
19 to contain any provision for waiver.

20           Section 156. Subsections (4), (5), (6), (7), (8), and

3 (d) The Chief Financial Officer ~~Comptroller~~ and the  
4 Legislative Committee on Intergovernmental Relations shall

9 Section 157. Subsection (6) of section 163.3167,  
10 Florida Statutes, is amended to read:

11 163.3167 Scope of act.--

12 (6) When a regional planning agency is required to  
13 prepare or amend a comprehensive plan, or element or portion  
14 thereof, pursuant to subsections (3) and (4), the regional  
15 planning agency and the local government may agree to a method  
16 of compensating the regional planning agency for any  
17 verifiable, direct costs incurred. If an agreement is not  
18 reached within 6 months after the date the regional planning  
19 agency assumes planning responsibilities for the local  
20 government pursuant to subsections (3) and (4) or by the time  
21 the plan or element, or portion thereof, is completed,  
22 whichever is earlier, the regional planning agency shall file  
23 invoices for verifiable, direct costs involved with the  
24 governing body. Upon the failure of the local government to  
25 pay such invoices within 90 days, the regional planning agency  
26 may, upon filing proper vouchers with the Chief Financial  
27 Officer ~~State Comptroller~~, request payment by the Chief  
28 Financial Officer ~~State Comptroller~~ from unencumbered revenue  
29 or other tax sharing funds due such local government from the  
30 state for work actually performed, and the Chief Financial  
31 Officer ~~State Comptroller~~ shall pay such vouchers; however,

1 the amount of such payment shall not exceed 50 percent of such  
2 funds due such local government in any one year.

3 Section 158. Section 166.111, Florida Statutes, is  
4 amended to read:

5 166.111 Authority to borrow.--

6 ~~(1)~~ The governing body of every municipality may  
7 borrow money, contract loans, and issue bonds as defined in s.  
8 166.101 from time to time to finance the undertaking of any  
9 capital or other project for the purposes permitted by the  
10 State Constitution and may pledge the funds, credit, property,  
11 and taxing power of the municipality for the payment of such  
12 debts and bonds.

13 ~~(2)(a) The Legislature finds:~~

14 ~~1. The widespread and massive damage to persons and~~  
15 ~~property caused by the August 24, 1992, storm known as~~  
16 ~~Hurricane Andrew has generated insurance claims of such a~~  
17 ~~nature as to render numerous insurers operating within this~~  
18 ~~state insolvent, and therefore unable to satisfy covered~~  
19 ~~claims.~~

20 ~~2. The inability of insureds within this state to~~  
21 ~~receive payment of covered claims or to receive such payment~~  
22 ~~on a timely basis creates financial and other hardships for~~  
23 ~~such insureds and places undue burdens on the state, the~~  
24 ~~affected units of local government, and the community at~~  
25 ~~large.~~

26 ~~3. In addition, the failure of insurers to pay covered~~  
27 ~~claims or to pay such claims on a timely basis due to the~~  
28 ~~insolvency of such insurers can undermine the public's~~  
29 ~~confidence in insurers operating within this state, thereby~~  
30 ~~adversely affecting the stability of the insurance industry in~~  
31 ~~this state.~~

1           ~~4. The state has previously taken action to address~~  
2 ~~these problems by adopting the Florida Insurance Guaranty~~  
3 ~~Association Act, which, among other things, provides a~~  
4 ~~mechanism for the payment of covered claims under certain~~  
5 ~~insurance policies to avoid excessive delay in payment and to~~  
6 ~~avoid financial loss to claimants or policyholders because of~~  
7 ~~the insolvency of an insurer.~~

8           ~~5. In the wake of the unprecedented destruction caused~~  
9 ~~by Hurricane Andrew, the resultant covered claims, and the~~  
10 ~~number of insurers rendered insolvent thereby, it is evident~~  
11 ~~that alternative programs must be developed to allow the~~  
12 ~~Florida Insurance Guaranty Association to more expeditiously~~  
13 ~~and effectively provide for the payment of covered claims.~~

14           ~~6. It is therefore determined to be in the best~~  
15 ~~interests of, and necessary for, the protection of the public~~  
16 ~~health, safety, and general welfare of the residents of this~~  
17 ~~state, and for the protection and preservation of the economic~~  
18 ~~stability of insurers operating in this state, and it is~~  
19 ~~hereby declared to be an essential public purpose, to permit~~  
20 ~~certain municipalities to take such actions as will provide~~  
21 ~~relief to claimants and policyholders having covered claims~~  
22 ~~against insolvent insurers operating in this state, by~~  
23 ~~expediting the handling and payment of covered claims.~~

24           ~~7. To achieve the foregoing purposes, it is proper to~~  
25 ~~authorize municipalities of this state substantially affected~~  
26 ~~by Hurricane Andrew to issue bonds to assist the Florida~~  
27 ~~Insurance Guaranty Association in expediting the handling and~~  
28 ~~payment of covered claims against insolvent insurers operating~~  
29 ~~in this state.~~

30           ~~8. In order to avoid the needless and indiscriminate~~  
31 ~~proliferation, duplication, and fragmentation of such~~

1 ~~assistance programs, it is proper to authorize a municipality~~  
2 ~~severely affected by Hurricane Andrew to provide for the~~  
3 ~~payment of covered claims beyond its territorial limits in the~~  
4 ~~implementation of such programs.~~

5 ~~(b) The governing body of any municipality the~~  
6 ~~residents of which have been substantially affected by the~~  
7 ~~August 24, 1992, storm known as Hurricane Andrew, or any~~  
8 ~~county as defined in s. 125.011(1), may issue no more than~~  
9 ~~\$500 million, in aggregate principal amount, of bonds as~~  
10 ~~defined in s. 166.101 from time to time to fund an assistance~~  
11 ~~program, in conjunction with the Florida Insurance Guaranty~~  
12 ~~Association, for the purpose of paying to claimants or~~  
13 ~~policyholders covered claims, as such term is defined in s.~~  
14 ~~631.54(3), arising through the insolvency of an insurer~~  
15 ~~occurring on or before March 31, 1993, which insolvency is~~  
16 ~~determined by the Florida Insurance Guaranty Association to~~  
17 ~~have been a result of Hurricane Andrew, regardless of whether~~  
18 ~~such claimants or policyholders are residents of such~~  
19 ~~municipality or the property to which such claim relates is~~  
20 ~~located within or outside of the territorial jurisdiction of~~  
21 ~~such municipality. A municipality issuing bonds for this~~  
22 ~~purpose shall enter into such contracts with the Florida~~  
23 ~~Insurance Guaranty Association or any entity acting on behalf~~  
24 ~~of the Florida Insurance Guaranty Association as are necessary~~  
25 ~~to implement the assistance program. Any bonds issued by a~~  
26 ~~municipality under this subsection shall be payable from and~~  
27 ~~secured by moneys received by or on behalf of the municipality~~  
28 ~~from assessments levied under s. 631.57(3)(e), and assigned~~  
29 ~~and pledged under s. 631.57(3)(e) to or on behalf of the~~  
30 ~~municipality for the benefit of the holders of such bonds in~~  
31 ~~connection with such assistance program. The funds, credit,~~

1 ~~property, and taxing power of the municipality shall not be~~  
2 ~~pledged for the payment of such bonds.~~

3 ~~(c) The governing body of the municipality issuing~~  
4 ~~bonds authorized by paragraph (b) shall require all firms,~~  
5 ~~including, but not limited to, the financial advisers, legal~~  
6 ~~counsel, and underwriters, providing professional services in~~  
7 ~~the issuance of such bonds to include minority firms in the~~  
8 ~~provision of such services. To meet such participation~~  
9 ~~requirement, the minority firm must have full-time employees~~  
10 ~~located in this state and a permanent place of business~~  
11 ~~located in this state, and must be a firm which is at least 51~~  
12 ~~percent owned by minority persons as defined by s. 288.703(3),~~  
13 ~~or any combination thereof, and whose management and daily~~  
14 ~~operations are controlled by such persons. Minority firms must~~  
15 ~~be offered participation in not less than 20 percent of the~~  
16 ~~respective contracts for professional services.~~

17 Section 159. Paragraph (a) of subsection (8) of  
18 section 175.032, Florida Statutes, is amended to read:

20 fire control district, chapter plan, local law municipality,  
21 local law special fire control district, or local law plan  
22 under this chapter, the following words and phrases have the  
23 following meanings:

26 special fire control district who is certified as a  
27 firefighter as a condition of employment in accordance with  
28 the provisions of s. 633.35 and whose duty it is to extinguish  
29 fires, to protect life, or to protect property. However, for  
30 purposes of this chapter only, "firefighter" also includes

6 have not been certified as participating in this chapter shall  
7 be considered police officers for retirement purposes and  
8 shall be eligible to participate in chapter 185. Any plan may  
9 provide that the fire chief shall have an option to  
10 participate, or not, in that plan.

12 Florida Statutes, is amended to read:

25 property within the boundaries of the consolidated government,  
26 regardless of whether the properties are located within one or  
27 more separately incorporated areas within the consolidated  
28 government, provided the properties are being provided fire  
29 protection services by the consolidated government.

25 further, that consolidation of trust funds is approved by the  
26 Governor or the Chief Justice.

27 3. All such moneys are hereby appropriated to be

11 Financial Officer ~~Treasurer~~ of a substitute agreement.

12 (b) Procedures which permit an agency or officer  
13 accepting payment by credit card, charge card, or debit card  
14 to impose a convenience fee upon the person making the  
15 payment. However, the total amount of such convenience fees  
16 shall not exceed the total cost to the state agency. A  
17 convenience fee is not refundable to the payor.  
18 Notwithstanding the foregoing, this section shall not be  
19 construed to permit surcharges on any other credit card  
20 purchase in violation of s. 501.0117.

21 (c) All service fees payable pursuant to this section  
22 when practicable shall be invoiced and paid by state warrant  
23 or such other manner that is satisfactory to the Chief  
24 Financial Officer ~~Comptroller~~ in accordance with the time  
25 periods specified in s. 215.422.

26 (d) Submission of information to the Chief Financial  
27 Officer ~~Treasurer~~ concerning the acceptance of credit cards,  
28 charge cards, or debit cards by all state agencies or the  
29 judicial branch.

30 (e) A methodology for agencies to use when completing  
31 the cost-benefit analysis referred to in subsection (1). The

1 methodology must consider all quantifiable cost reductions,  
2 other benefits to the agency, and potential impact on general  
3 revenue. The methodology must also consider nonquantifiable  
4 benefits such as the convenience to individuals and businesses  
5 that would benefit from the ability to pay for state goods and  
6 services through the use of credit cards, charge cards, and  
7 debit cards.

8           (4) The Chief Financial Officer ~~may Treasurer is~~  
9 ~~authorized to~~ establish contracts with one or more financial  
10 institutions, credit card companies, or other entities which  
11 may lawfully provide such services, in a manner consistent  
12 with chapter 287, for processing credit card, charge card, or  
13 debit card collections for deposit into the State Treasury or  
14 another qualified public depository. Any state agency, or the  
15 judicial branch, which accepts payment by credit card, charge  
16 card, or debit card shall use at least one of the contractors  
17 established by the Chief Financial Officer ~~Treasurer~~ unless  
18 the state agency or judicial branch obtains authorization from  
19 the Chief Financial Officer ~~Treasurer~~ to use another  
20 contractor which is more advantageous to such state agency or  
21 the judicial branch. Such contracts may authorize a unit of  
22 local government to use the services upon the same terms and  
23 conditions for deposit of credit card, charge card, or debit  
24 card transactions into its qualified public depositories.

25           Section 212. Subsections (1) and (2) of section  
26 215.34, Florida Statutes, are amended to read:

27           215.34 State funds; noncollectible items; procedure.--

28           (1) Any check, draft, or other order for the payment  
29 of money in payment of any licenses, fees, taxes, commissions,  
30 or charges of any sort authorized to be made under the laws of  
31 the state and deposited in the State Treasury as provided

1 herein, which may be returned for any reason by the bank or  
2 other payor upon which same shall have been drawn shall be  
3 forthwith returned by the Chief Financial Officer State  
4 ~~Treasurer~~ for collection to the state officer, the state  
5 agency, or the entity of the judicial branch making the  
6 deposit. In such case, the Chief Financial Officer may  
7 ~~Treasurer is hereby authorized to~~ issue a debit memorandum  
8 charging an account of the agency, officer, or entity of the  
9 judicial branch which originally received the payment. The  
10 original of the debit memorandum shall state the reason for  
11 the return of the check, draft, or other order and shall  
12 accompany the item being returned to the officer, agency, or  
13 entity of the judicial branch being charged, ~~and a copy of the~~  
14 ~~debit memorandum shall be sent to the Comptroller.~~ The  
15 officer, agency, or entity of the judicial branch receiving  
16 the charged-back item shall prepare a journal transfer which  
17 shall debit the charge against the fund or account to which  
18 the same shall have been originally credited. Such procedure  
19 for handling noncollectible items shall not be construed as  
20 paying funds out of the State Treasury without an  
21 appropriation, but shall be considered as an administrative  
22 procedure for the efficient handling of state records and  
23 accounts.

24 (2) Whenever a check, draft, or other order for the  
25 payment of money is returned by the Chief Financial Officer  
26 ~~State Treasurer~~, or by a qualified public depository as  
27 defined in s. 280.02, to a state officer, a state agency, or  
28 the judicial branch for collection, the officer, agency, or  
29 judicial branch shall add to the amount due a service fee of  
30 \$15 or 5 percent of the face amount of the check, draft, or  
31 order, whichever is greater. An agency or the judicial branch

1 may adopt a rule which prescribes a lesser maximum service  
2 fee, which shall be added to the amount due for the dishonored  
3 check, draft, or other order tendered for a particular  
4 service, license, tax, fee, or other charge, but in no event  
5 shall the fee be less than \$15. The service fee shall be in  
6 addition to all other penalties imposed by law, except that  
7 when other charges or penalties are imposed by an agency  
8 related to a noncollectible item, the amount of the service  
9 fee shall not exceed \$150. Proceeds from this fee shall be  
10 deposited in the same fund as the collected item. Nothing in  
11 this section shall be construed as authorization to deposit  
12 moneys outside the State Treasury unless specifically  
13 authorized by law.

14 Section 213. Section 215.35, Florida Statutes, is  
15 amended to read:

16 215.35 State funds; warrants and their issuance.--All  
17 warrants issued by the Chief Financial Officer ~~Comptroller~~  
18 shall be numbered in chronological order commencing with  
19 number one in each fiscal year and each warrant shall refer to  
20 the Chief Financial Officer's ~~Comptroller's~~ voucher by the  
21 number thereof, which voucher shall also be numbered as above  
22 set forth. Each warrant shall state the name of the payee  
23 thereof and the amount allowed, and said warrant shall be  
24 stated in words at length. No warrant shall issue until same  
25 has been authorized by an appropriation made by law but such  
26 warrant need not state or set forth such authorization. The  
27 Chief Financial Officer ~~Comptroller~~ shall register and  
28 maintain a record of each warrant in his or her office. The  
29 record shall show the funds, accounts, purposes, and  
30 departments involved in the issuance of each warrant. In  
31 those instances where the expenditure of funds of regulatory

1 boards or commissions has been provided for by laws other than  
2 the annual appropriations bill, warrants shall be issued upon  
3 requisition to the Chief Financial Officer ~~State Comptroller~~  
4 by the governing body of such board or commission.

5 Section 214. Section 215.405, Florida Statutes, is  
6 amended to read:

7 215.405 State agencies and the judicial branch  
8 authorized to collect costs of fingerprinting.--Any state  
9 agency, or the judicial branch, exercising regulatory  
10 authority and authorized to take fingerprints of persons  
11 within or seeking to come within such agency's or the judicial  
12 branch's regulatory power may collect from the person or  
13 entity on whose behalf the fingerprints were submitted the  
14 actual costs of processing such fingerprints including, but  
15 not limited to, any charges imposed by the Department of Law  
16 Enforcement or any agency or branch of the United States  
17 Government. This provision shall constitute express authority  
18 for state agencies and the judicial branch to collect the  
19 actual costs of processing the fingerprints either prior to or  
20 subsequent to the actual processing and shall supersede any  
21 other law to the contrary. To administer the provisions of  
22 this section, a state agency, or the judicial branch, electing  
23 to collect the cost of fingerprinting is empowered to  
24 promulgate and adopt rules to establish the amounts and the  
25 methods of payment needed to collect such costs. Collections  
26 made under these provisions shall be deposited with the Chief  
27 Financial Officer ~~Treasurer~~ to an appropriate trust fund  
28 account to be designated by the Executive Office of the  
29 Governor.

30 Section 215. Section 215.42, Florida Statutes, is  
31 amended to read:

1           215.42 Purchases from appropriations, proof of  
2 delivery.--The Chief Financial Officer ~~State Comptroller~~ may  
3 require proof, as he or she deems necessary, of delivery and  
4 receipt of purchases before honoring any voucher for payment  
5 from appropriations made in the General Appropriations Act or  
6 otherwise provided by law.

7           Section 216. Section 215.422, Florida Statutes, is  
8 amended to read:

9           215.422 Warrants, vouchers, and invoices; processing  
10 time limits; dispute resolution; agency or judicial branch  
11 compliance.--

12           (1) The voucher authorizing payment of an invoice  
13 submitted to an agency of the state or the judicial branch,  
14 required by law to be filed with the Chief Financial Officer  
15 ~~Comptroller~~, shall be filed with the Chief Financial Officer  
16 ~~Comptroller~~ not later than 20 days after receipt of the  
17 invoice and receipt, inspection, and approval of the goods or  
18 services, except that in the case of a bona fide dispute the  
19 voucher shall contain a statement of the dispute and authorize  
20 payment only in the amount not disputed. The Chief Financial  
21 Officer ~~Comptroller~~ may establish dollar thresholds and other  
22 criteria for all invoices and may delegate to a state agency  
23 or the judicial branch responsibility for maintaining the  
24 official vouchers and documents for invoices which do not  
25 exceed the thresholds or which meet the established criteria.  
26 Such records shall be maintained in accordance with the  
27 requirements established by the Secretary of State. The  
28 electronic payment request transmission to the Chief Financial  
29 Officer ~~Comptroller~~ shall constitute filing of a voucher for  
30 payment of invoices for which the Chief Financial Officer  
31 ~~Comptroller~~ has delegated to an agency custody of official

1 records. Approval and inspection of goods or services shall  
2 take no longer than 5 working days unless the bid  
3 specifications, purchase order, or contract specifies  
4 otherwise. If a voucher filed within the 20-day period is  
5 returned by the Department of Financial Services ~~Banking and~~  
6 ~~Finance~~ because of an error, it shall nevertheless be deemed  
7 timely filed. The 20-day filing requirement may be waived in  
8 whole or in part by the Department of Financial Services  
9 ~~Banking and Finance~~ on a showing of exceptional circumstances  
10 in accordance with rules and regulations of the department.  
11 For the purposes of determining the receipt of invoice date,  
12 the agency or the judicial branch is deemed to receive an  
13 invoice on the date on which a proper invoice is first  
14 received at the place designated by the agency or the judicial  
15 branch. The agency or the judicial branch is deemed to  
16 receive an invoice on the date of the invoice if the agency or  
17 the judicial branch has failed to annotate the invoice with  
18 the date of receipt at the time the agency or the judicial  
19 branch actually received the invoice or failed at the time the  
20 order is placed or contract made to designate a specific  
21 location to which the invoice must be delivered.

22 (2) The warrant in payment of an invoice submitted to  
23 an agency of the state or the judicial branch shall be issued  
24 not later than 10 days after filing of the voucher authorizing  
25 payment. However, this requirement may be waived in whole or  
26 in part by the Department of Financial Services ~~Banking and~~  
27 ~~Finance~~ on a showing of exceptional circumstances in  
28 accordance with rules and regulations of the department. If  
29 the 10-day period contains fewer than 6 working days, the  
30 Department of Financial Services ~~Banking and Finance~~ shall be  
31 deemed in compliance with this subsection if the warrant is

1 issued within 6 working days without regard to the actual  
2 number of calendar days. For purposes of this section, a  
3 payment is deemed to be issued on the first working day that  
4 payment is available for delivery or mailing to the vendor.

5 (3)(a) Each agency of the state or the judicial branch  
6 which is required by law to file vouchers with the Chief  
7 Financial Officer ~~Comptroller~~ shall keep a record of the date  
8 of receipt of the invoice; dates of receipt, inspection, and  
9 approval of the goods or services; date of filing of the  
10 voucher; and date of issuance of the warrant in payment  
11 thereof. If the voucher is not filed or the warrant is not  
12 issued within the time required, an explanation in writing by  
13 the agency head or the Chief Justice shall be submitted to the  
14 Department of Financial Services ~~Banking and Finance~~ in a  
15 manner prescribed by it. Agencies and the judicial branch  
16 shall continue to deliver or mail state payments promptly.

17 (b) If a warrant in payment of an invoice is not  
18 issued within 40 days after receipt of the invoice and  
19 receipt, inspection, and approval of the goods and services,  
20 the agency or judicial branch shall pay to the vendor, in  
21 addition to the amount of the invoice, interest at a rate as  
22 established pursuant to s. 55.03(1) on the unpaid balance from  
23 the expiration of such 40-day period until such time as the  
24 warrant is issued to the vendor. Such interest shall be added  
25 to the invoice at the time of submission to the Chief  
26 Financial Officer ~~Comptroller~~ for payment whenever possible.  
27 If addition of the interest penalty is not possible, the  
28 agency or judicial branch shall pay the interest penalty  
29 payment within 15 days after issuing the warrant. The  
30 provisions of this paragraph apply only to undisputed amounts  
31 for which payment has been authorized. Disputes shall be

1 resolved in accordance with rules developed and adopted by the  
2 Chief Justice for the judicial branch, and rules adopted by  
3 the Department of Financial Services ~~Banking and Finance~~ or in  
4 a formal administrative proceeding before an administrative  
5 law judge of the Division of Administrative Hearings for state  
6 agencies, provided that, for the purposes of ss. 120.569 and  
7 120.57(1), no party to a dispute involving less than \$1,000 in  
8 interest penalties shall be deemed to be substantially  
9 affected by the dispute or to have a substantial interest in  
10 the decision resolving the dispute. In the case of an error on  
11 the part of the vendor, the 40-day period shall begin to run  
12 upon receipt by the agency or the judicial branch of a  
13 corrected invoice or other remedy of the error. The provisions  
14 of this paragraph do not apply when the filing requirement  
15 under subsection (1) or subsection (2) has been waived in  
16 whole by the Department of Financial Services ~~Banking and~~  
17 ~~Finance~~. The various state agencies and the judicial branch  
18 shall be responsible for initiating the penalty payments  
19 required by this subsection and shall use this subsection as  
20 authority to make such payments. The budget request submitted  
21 to the Legislature shall specifically disclose the amount of  
22 any interest paid by any agency or the judicial branch  
23 pursuant to this subsection. The temporary unavailability of  
24 funds to make a timely payment due for goods or services does  
25 not relieve an agency or the judicial branch from the  
26 obligation to pay interest penalties under this section.

27 (c) An agency or the judicial branch may make partial  
28 payments to a contractor upon partial delivery of goods or  
29 services or upon partial completion of construction when a  
30 request for such partial payment is made by the contractor and  
31 approved by the agency. Provisions of this section and rules

1 of the Department of Financial Services ~~Banking and Finance~~  
2 shall apply to partial payments in the same manner as they  
3 apply to full payments.

4 (4) If the terms of the invoice provide a discount for  
5 payment in less than 30 days, agencies of the state and the  
6 judicial branch shall preferentially process it and use all  
7 diligence to obtain the saving by compliance with the invoice  
8 terms.

9 (5) All purchasing agreements between a state agency  
10 or the judicial branch and a vendor, applicable to this  
11 section, shall include a statement of the vendor's rights and  
12 the state's responsibilities under this section. The vendor's  
13 rights shall include being provided with the telephone number  
14 of the vendor ombudsman within the Department of Financial  
15 Services ~~Banking and Finance~~, which information shall also be  
16 placed on all agency or judicial branch purchase orders.

17 (6) The Department of Financial Services ~~Banking and~~  
18 ~~Finance~~ shall monitor each agency's and the judicial branch's  
19 compliance with the time limits and interest penalty  
20 provisions of this section. The department shall provide a  
21 report to an agency or to the judicial branch if the  
22 department determines that the agency or the judicial branch  
23 has failed to maintain an acceptable rate of compliance with  
24 the time limits and interest penalty provisions of this  
25 section. The department shall establish criteria for  
26 determining acceptable rates of compliance. The report shall  
27 also include a list of late vouchers or payments, the amount  
28 of interest owed or paid, and any corrective actions  
29 recommended. The department shall perform monitoring  
30 responsibilities, pursuant to this section, using the  
31 Management Services and Purchasing Subsystem or the Florida

1 Accounting Information Resource Subsystem provided in s.  
2 215.94. Each agency and the judicial branch shall be  
3 responsible for the accuracy of information entered into the  
4 Management Services and Purchasing Subsystem and the Florida  
5 Accounting Information Resource Subsystem for use in this  
6 monitoring.

7 (7) There is created a vendor ombudsman within the  
8 Department of Financial Services ~~Banking and Finance~~ who shall  
9 be responsible for the following functions:

10 (a) Performing the duties of the department pursuant  
11 to subsection (6).

12 (b) Reviewing requests for waivers due to exceptional  
13 circumstances.

14 (c) Disseminating information relative to the prompt  
15 payment policies of this state and assisting vendors in  
16 receiving their payments in a timely manner.

17 (d) Performing such other duties as determined by the  
18 department.

19 (8) The Department of Financial Services ~~Banking and~~  
20 ~~Finance~~ is authorized and directed to adopt and promulgate  
21 rules and regulations to implement this section and for  
22 resolution of disputes involving amounts of less than \$1,000  
23 in interest penalties for state agencies. No agency or the  
24 judicial branch shall adopt any rule or policy that is  
25 inconsistent with this section or the Department of Financial  
26 Services ~~Banking and Finance's~~ rules or policies.

27 (9) Each agency and the judicial branch shall include  
28 in the official position description of every officer or  
29 employee who is responsible for the approval or processing of  
30 vendors' invoices or distribution of warrants to vendors that  
31 the requirements of this section are mandatory.

1           (10) Persistent failure to comply with this section by  
2 any agency of the state or the judicial branch shall  
3 constitute good cause for discharge of employees duly found  
4 responsible, or predominantly responsible, for failure to  
5 comply.

6           (11) Travel and other reimbursements to state officers  
7 and employees must be the same as payments to vendors under  
8 this section, except payment of Class C travel subsistence.  
9 Class C travel subsistence shall be paid in accordance with  
10 the schedule established by the Chief Financial Officer  
11 ~~Comptroller~~ pursuant to s. 112.061(5)(b). This section does  
12 not apply to payments made to state agencies, the judicial  
13 branch, or the legislative branch.

14           (12) In the event that a state agency or the judicial  
15 branch contracts with a third party, uses a revolving fund, or  
16 pays from a local bank account to process and pay invoices for  
17 goods or services, all requirements for financial obligations  
18 and time processing set forth in this section shall be  
19 applicable and the state agency or the judicial branch shall  
20 be responsible for paying vendors the interest assessed for  
21 untimely payment. The state agency or the judicial branch may,  
22 through its contract with a third party, require the third  
23 party to pay interest from the third party's funds.

24           (13) Notwithstanding the provisions of subsections (3)  
25 and (12), in order to alleviate any hardship that may be  
26 caused to a health care provider as a result of delay in  
27 receiving reimbursement for services, any payment or payments  
28 for hospital, medical, or other health care services which are  
29 to be reimbursed by a state agency or the judicial branch,  
30 either directly or indirectly, shall be made to the health  
31 care provider not more than 35 days from the date eligibility

1 for payment of such claim is determined. If payment is not  
2 issued to a health care provider within 35 days after the date  
3 eligibility for payment of the claim is determined, the state  
4 agency or the judicial branch shall pay the health care  
5 provider interest at a rate of 1 percent per month calculated  
6 on a calendar day basis on the unpaid balance from the  
7 expiration of such 35-day period until such time as payment is  
8 made to the health care provider, unless a waiver in whole has  
9 been granted by the Department of Financial Services Banking  
10 ~~and Finance~~ pursuant to subsection (1) or subsection (2).

11 (14) The Chief Financial Officer ~~Comptroller~~ may adopt  
12 rules to authorize advance payments for goods and services,  
13 including, but not limited to, maintenance agreements and  
14 subscriptions. Such rules shall provide objective criteria  
15 for determining when it is in the best interest of the state  
16 to make payments in advance and shall also provide for  
17 adequate protection to ensure that such goods or services will  
18 be provided.

19 (15) Nothing contained in this section shall be  
20 construed to be an appropriation. Any interest which becomes  
21 due and owing pursuant to this section shall only be payable  
22 from the appropriation charged for such goods or services.

23 (16) Notwithstanding the provisions of s. 24.120(3),  
24 applicable to warrants issued for payment of invoices  
25 submitted by the Department of the Lottery, the Chief  
26 Financial Officer ~~Comptroller~~ may, by written agreement with  
27 the Department of the Lottery, establish a shorter time  
28 requirement than the 10 days provided in subsection (2) for  
29 warrants issued for payment. Pursuant to such written  
30 agreement, the Department of the Lottery shall reimburse the  
31

1 Chief Financial Officer ~~Comptroller~~ for costs associated with  
2 processing invoices under the agreement.

3 Section 217. Section 215.50, Florida Statutes, is  
4 amended to read:

5 215.50 Custody of securities purchased; income.--

6 (1) All securities purchased or held may, with the  
7 approval of the board, be in the custody of the Chief  
8 Financial Officer ~~Treasurer~~ or the Chief Financial Officer  
9 ~~Treasurer~~ as treasurer ex officio of the board, or be  
10 deposited with a bank or trust company to be held in  
11 safekeeping by such bank or trust company for the collection  
12 of principal and interest or of the proceeds of the sale  
13 thereof.

14 (2) It shall be the duty of the board or of the Chief  
15 Financial Officer ~~Treasurer~~, as custodian of the securities of  
16 the board, to collect the interest or other income on, and the  
17 principal of, such securities in their custody as the sums  
18 become due and payable and to pay the same, when so collected,  
19 into the investment account of the fund to which the  
20 investments belong.

21 (3) The Chief Financial Officer ~~Treasurer~~, as  
22 custodian of securities owned by the Florida Retirement System  
23 Trust Fund and the Florida Survivor Benefit Trust Fund, shall  
24 collect the interest, dividends, prepayments, maturities,  
25 proceeds from sales, and other income accruing from such  
26 assets. As such income is collected by the Chief Financial  
27 Officer ~~Treasurer~~, it shall be deposited directly into a  
28 commercial bank to the credit of the State Board of  
29 Administration. Such bank accounts as may be required for  
30 this purpose shall offer satisfactory collateral security as  
31 provided by chapter 280. In the event funds so deposited

1 according to the provisions of this section are required for  
2 the purpose of paying benefits or other operational needs, the  
3 State Board of Administration shall remit to the Florida  
4 Retirement System Trust Fund in the State Treasury such  
5 amounts as may be requested by the Department of Management  
6 Services.

7 (4) Securities that the board selects to use for  
8 options operations under s. 215.45 or for lending under s.  
9 215.47(16) shall be registered by the Chief Financial Officer  
10 ~~Treasurer~~ in the name of a third-party nominee in order to  
11 facilitate such operations.

12 Section 218. Section 215.551, Florida Statutes, is  
13 amended to read:

14 215.551 Federal Use of State Lands Trust Fund; county  
15 distribution.--

16 (1) The Chief Financial Officer ~~Comptroller~~ may make  
17 distribution of the Federal Use of State Lands Trust Fund,  
18 when so requested by the counties in interest, of such amounts  
19 as may be accumulated in that fund.

20 (2) The Chief Financial Officer ~~Comptroller~~ shall  
21 ascertain, from the records of the General Land Office or  
22 other departments in Washington, D.C., the number of acres of  
23 land situated in the several counties in which the  
24 Apalachicola, Choctawhatchee, Ocala, and Osceola Forest  
25 Reserves are located, the number of acres of land of such  
26 forest reserve embraced in each of the counties in each of the  
27 reserves, and, also, the amount of money received by the  
28 United States Government from each of the reserves,  
29 respectively. The Chief Financial Officer ~~Comptroller~~ shall  
30 apportion the money on hand to each county in each reserve,  
31 respectively and separately; such distribution shall be based

1 upon the number of acres of land embraced in the Apalachicola  
2 Forest, Choctawhatchee Forest, Ocala Forest, and Osceola  
3 Forest, respectively, in each county and shall be further  
4 based upon the amount collected by the United States from each  
5 of such forests, so that such distribution, when made, will  
6 include for each county the amount due each county, based upon  
7 the receipts for the particular forest and the acreage in the  
8 particular county in which such forest is located. The Chief  
9 Financial Officer ~~Comptroller~~ shall issue two warrants ~~on the~~  
10 ~~Treasurer~~ in each case, the sum of which shall be the amount  
11 due each of such counties from the fund. One warrant shall be  
12 payable to the county for the county general road fund, and  
13 one warrant, of equal amount, shall be payable to such  
14 county's district school board for the district school fund.

15 (3) In the event that actual figures of receipts from  
16 different reserves cannot be obtained by counties, so as to  
17 fully comply with subsections (1) and (2), the Chief Financial  
18 Officer ~~Comptroller~~ may adjust the matter according to the  
19 United States statutes, or as may appear to him or her to be  
20 just and fair, and with the approval of all counties in  
21 interest.

22 (4) The moneys that may be received and credited to  
23 the Federal Use of State Lands Trust Fund are appropriated for  
24 the payment of the warrants of the Chief Financial Officer  
25 ~~Comptroller drawn on the Treasurer~~ in pursuance of this  
26 section.

27 Section 219. Section 215.552, Florida Statutes, is  
28 amended to read:

29 215.552 Federal Use of State Lands Trust Fund; land  
30 within military installations; county distribution.--The Chief  
31 Financial Officer ~~Comptroller~~ shall distribute moneys from the

1 Federal Use of State Lands Trust Fund when so requested by the  
2 counties so affected. The Chief Financial Officer ~~Comptroller~~  
3 shall apportion the money on hand equal to the percentage of  
4 land in each county within each military installation, and the  
5 amount so apportioned to each county shall be applied by such  
6 counties equally divided between the district school fund and  
7 the general road fund of such counties.

8 Section 220. Paragraph (c) of subsection (2),  
9 paragraph (d) of subsection (4), and paragraphs (a), (b), and  
10 (c) of subsection (6) of section 215.555, Florida Statutes,  
11 are amended to read:

12 215.555 Florida Hurricane Catastrophe Fund.--

13 (2) DEFINITIONS.--As used in this section:

14 (c) "Covered policy" means any insurance policy  
15 covering residential property in this state, including, but  
16 not limited to, any homeowner's, mobile home owner's, farm  
17 owner's, condominium association, condominium unit owner's,  
18 tenant's, or apartment building policy, or any other policy  
19 covering a residential structure or its contents issued by any  
20 authorized insurer, including any joint underwriting  
21 association or similar entity created pursuant to law. The  
22 term "covered policy" includes any collateral protection  
23 insurance policy covering personal residences which protects  
24 both the borrower's and the lender's financial interests, in  
25 an amount at least equal to the coverage for the dwelling in  
26 place under the lapsed homeowner's policy, if such policy can  
27 be accurately reported as required in subsection (5).

28 Additionally, covered policies include policies covering the  
29 peril of wind removed from the Florida Residential Property  
30 and Casualty Joint Underwriting Association or from the  
31 Citizens Property Insurance Corporation, created pursuant to

1 s. 627.351(6), or from the Florida Windstorm Underwriting  
2 Association, created pursuant to s. 627.351(2), by an  
3 authorized insurer under the terms and conditions of an  
4 executed assumption agreement between the authorized insurer  
5 and ~~either~~ such association. Each assumption agreement between  
6 ~~the either~~ association and such authorized insurer must be  
7 approved by the Florida Department of Insurance or the Office  
8 of Insurance Regulation prior to the effective date of the  
9 assumption, and the Department of Insurance or the Office of  
10 Insurance Regulation must provide written notification to the  
11 board within 15 working days after such approval. "Covered  
12 policy" does not include any policy that excludes wind  
13 coverage or hurricane coverage or any reinsurance agreement  
14 and does not include any policy otherwise meeting this  
15 definition which is issued by a surplus lines insurer or a  
16 reinsurer.

17 (4) REIMBURSEMENT CONTRACTS.--

18 (d)1. For purposes of determining potential liability  
19 and to aid in the sound administration of the fund, the  
20 contract shall require each insurer to report such insurer's  
21 losses from each covered event on an interim basis, as  
22 directed by the board. The contract shall require the insurer  
23 to report to the board no later than December 31 of each year,  
24 and quarterly thereafter, its reimbursable losses from covered  
25 events for the year. The contract shall require the board to  
26 determine and pay, as soon as practicable after receiving  
27 these reports of reimbursable losses, the initial amount of  
28 reimbursement due and adjustments to this amount based on  
29 later loss information. The adjustments to reimbursement  
30 amounts shall require the board to pay, or the insurer to  
31

1 return, amounts reflecting the most recent calculation of  
2 losses.

3 2. In determining reimbursements pursuant to this  
4 subsection, the contract shall provide that the board shall:

5 a. First reimburse insurers writing covered policies,  
6 which insurers are in full compliance with this section and  
7 have petitioned the Office of Insurance Regulation ~~Department~~  
8 ~~of Insurance~~ and qualified as limited apportionment companies  
9 under s. 627.351(2)(b)3. The amount of such reimbursement  
10 shall be the lesser of \$10 million or an amount equal to 10  
11 times the insurer's reimbursement premium for the current  
12 year. The amount of reimbursement paid under this  
13 sub-subparagraph may not exceed the full amount of  
14 reimbursement promised in the reimbursement contract. This  
15 sub-subparagraph does not apply with respect to any contract  
16 year in which the year-end projected cash balance of the fund,  
17 exclusive of any bonding capacity of the fund, exceeds \$2  
18 billion. Only one member of any insurer group may receive  
19 reimbursement under this sub-subparagraph.

20 b. Next pay to each insurer such insurer's projected  
21 payout, which is the amount of reimbursement it is owed, up to  
22 an amount equal to the insurer's share of the actual premium  
23 paid for that contract year, multiplied by the actual  
24 claims-paying capacity available for that contract year;  
25 provided, entities created pursuant to s. 627.351 shall be  
26 further reimbursed in accordance with sub-subparagraph c.

27 c. Thereafter, establish, based on reimbursable  
28 losses, the prorated reimbursement level at the highest level  
29 for which any remaining fund balance or bond proceeds are  
30 sufficient to reimburse entities created pursuant to s.

31

1 627.351 for losses exceeding the amounts payable pursuant to  
2 sub-subparagraph b. for the current contract year.

3 (6) REVENUE BONDS.--

4 (a) General provisions.--

5 1. Upon the occurrence of a hurricane and a  
6 determination that the moneys in the fund are or will be  
7 insufficient to pay reimbursement at the levels promised in  
8 the reimbursement contracts, the board may take the necessary  
9 steps under paragraph (b) or paragraph (c) for the issuance of  
10 revenue bonds for the benefit of the fund. The proceeds of  
11 such revenue bonds may be used to make reimbursement payments  
12 under reimbursement contracts; to refinance or replace  
13 previously existing borrowings or financial arrangements; to  
14 pay interest on bonds; to fund reserves for the bonds; to pay  
15 expenses incident to the issuance or sale of any bond issued  
16 under this section, including costs of validating, printing,  
17 and delivering the bonds, costs of printing the official  
18 statement, costs of publishing notices of sale of the bonds,  
19 and related administrative expenses; or for such other  
20 purposes related to the financial obligations of the fund as  
21 the board may determine. The term of the bonds may not exceed  
22 30 years. The board may pledge or authorize the corporation to  
23 pledge all or a portion of all revenues under subsection (5)  
24 and under subparagraph 3. to secure such revenue bonds and the  
25 board may execute such agreements between the board and the  
26 issuer of any revenue bonds and providers of other financing  
27 arrangements under paragraph (7)(b) as the board deems  
28 necessary to evidence, secure, preserve, and protect such  
29 pledge. If reimbursement premiums received under subsection  
30 (5) or earnings on such premiums are used to pay debt service  
31 on revenue bonds, such premiums and earnings shall be used

1 only after the use of the moneys derived from assessments  
2 under subparagraph 3. The funds, credit, property, or taxing  
3 power of the state or political subdivisions of the state  
4 shall not be pledged for the payment of such bonds. The board  
5 may also enter into agreements under paragraph (b) or  
6 paragraph (c) for the purpose of issuing revenue bonds in the  
7 absence of a hurricane upon a determination that such action  
8 would maximize the ability of the fund to meet future  
9 obligations.

10           2. The Legislature finds and declares that the  
11 issuance of bonds under this subsection is for the public  
12 purpose of paying the proceeds of the bonds to insurers,  
13 thereby enabling insurers to pay the claims of policyholders  
14 to assure that policyholders are able to pay the cost of  
15 construction, reconstruction, repair, restoration, and other  
16 costs associated with damage to property of policyholders of  
17 covered policies after the occurrence of a hurricane. Revenue  
18 bonds may not be issued under this subsection until validated  
19 under chapter 75. The validation of at least the first  
20 obligations incurred pursuant to this subsection shall be  
21 appealed to the Supreme Court, to be handled on an expedited  
22 basis.

23           3. If the board determines that the amount of revenue  
24 produced under subsection (5) is insufficient to fund the  
25 obligations, costs, and expenses of the fund and the  
26 corporation, including repayment of revenue bonds, the board  
27 shall direct the Office of Insurance Regulation ~~Department of~~  
28 ~~Insurance~~ to levy an emergency assessment on each insurer  
29 writing property and casualty business in this state. Pursuant  
30 to the emergency assessment, each such insurer shall pay to  
31 the corporation by July 1 of each year an amount set by the

1 board not exceeding 2 percent of its gross direct written  
2 premium for the prior year from all property and casualty  
3 business in this state except for workers' compensation,  
4 except that, if the Governor has declared a state of emergency  
5 under s. 252.36 due to the occurrence of a covered event, the  
6 amount of the assessment for the contract year may be  
7 increased to an amount not exceeding 4 percent of such  
8 premium. Any assessment authority not used for the contract  
9 year may be used for a subsequent contract year. If, for a  
10 subsequent contract year, the board determines that the amount  
11 of revenue produced under subsection (5) is insufficient to  
12 fund the obligations, costs, and expenses of the fund and the  
13 corporation, including repayment of revenue bonds for that  
14 contract year, the board shall direct the Office of Insurance  
15 Regulation ~~Department of Insurance~~ to levy an emergency  
16 assessment up to an amount not exceeding the amount of unused  
17 assessment authority from a previous contract year or years,  
18 plus an additional 2 percent if the Governor has declared a  
19 state of emergency under s. 252.36 due to the occurrence of a  
20 covered event. Any assessment authority not used for the  
21 contract year may be used for a subsequent contract year. As  
22 used in this subsection, the term "property and casualty  
23 business" includes all lines of business identified on Form 2,  
24 Exhibit of Premiums and Losses, in the annual statement  
25 required by s. 624.424 and any rules adopted under such  
26 section, except for those lines identified as accident and  
27 health insurance. The annual assessments under this  
28 subparagraph shall continue as long as the revenue bonds  
29 issued with respect to which the assessment was imposed are  
30 outstanding, unless adequate provision has been made for the  
31 payment of such bonds pursuant to the documents authorizing

1 issuance of the bonds. An insurer shall not at any time be  
2 subject to aggregate annual assessments under this  
3 subparagraph of more than 2 percent of premium, except that in  
4 the case of a declared emergency, an insurer shall not at any  
5 time be subject to aggregate annual assessments under this  
6 subparagraph of more than 6 percent of premium; provided, no  
7 more than 4 percent may be assessed for any one contract year.  
8 Any rate filing or portion of a rate filing reflecting a rate  
9 change attributable entirely to the assessment levied under  
10 this subparagraph shall be deemed approved when made, subject  
11 to the authority of the Office of Insurance Regulation  
12 ~~Department of Insurance~~ to require actuarial justification as  
13 to the adequacy of any rate at any time. If the rate filing  
14 reflects only a rate change attributable to the assessment  
15 under this paragraph, the filing may consist of a  
16 certification so stating. The assessments otherwise payable to  
17 the corporation pursuant to this subparagraph shall be paid  
18 instead to the fund unless and until the Office of Insurance  
19 Regulation ~~Department of Insurance~~ has received from the  
20 corporation and the fund a notice, which shall be conclusive  
21 and upon which the Office of Insurance Regulation ~~Department~~  
22 ~~of Insurance~~ may rely without further inquiry, that the  
23 corporation has issued bonds and the fund has no agreements in  
24 effect with local governments pursuant to paragraph (b). On  
25 or after the date of such notice and until such date as the  
26 corporation has no bonds outstanding, the fund shall have no  
27 right, title, or interest in or to the assessments, except as  
28 provided in the fund's agreements with the corporation.  
29 (b) Revenue bond issuance through counties or  
30 municipalities.--

31

1           1. If the board elects to enter into agreements with  
2 local governments for the issuance of revenue bonds for the  
3 benefit of the fund, the board shall enter into such contracts  
4 with one or more local governments, including agreements  
5 providing for the pledge of revenues, as are necessary to  
6 effect such issuance. The governing body of a county or  
7 municipality is authorized to issue bonds as defined in s.  
8 125.013 or s. 166.101 from time to time to fund an assistance  
9 program, in conjunction with the Florida Hurricane Catastrophe  
10 Fund, for the purposes set forth in this section or for the  
11 purpose of paying the costs of construction, reconstruction,  
12 repair, restoration, and other costs associated with damage to  
13 properties of policyholders of covered policies due to the  
14 occurrence of a hurricane by assuring that policyholders  
15 located in this state are able to recover claims under  
16 property insurance policies after a covered event.

17           2. In order to avoid needless and indiscriminate  
18 proliferation, duplication, and fragmentation of such  
19 assistance programs, any local government may provide for the  
20 payment of fund reimbursements, regardless of whether or not  
21 the losses for which reimbursement is made occurred within or  
22 outside of the territorial jurisdiction of the local  
23 government.

24           3. The state hereby covenants with holders of bonds  
25 issued under this paragraph that the state will not repeal or  
26 abrogate the power of the board to direct the Office of  
27 Insurance Regulation ~~Department of Insurance~~ to levy the  
28 assessments and to collect the proceeds of the revenues  
29 pledged to the payment of such bonds as long as any such bonds  
30 remain outstanding unless adequate provision has been made for  
31

1 the payment of such bonds pursuant to the documents  
2 authorizing the issuance of such bonds.

3 4. There shall be no liability on the part of, and no  
4 cause of action shall arise against any members or employees  
5 of the governing body of a local government for any actions  
6 taken by them in the performance of their duties under this  
7 paragraph.

8 (c) Florida Hurricane Catastrophe Fund Finance  
9 Corporation.--

10 1. In addition to the findings and declarations in  
11 subsection (1), the Legislature also finds and declares that:

12 a. The public benefits corporation created under this  
13 paragraph will provide a mechanism necessary for the  
14 cost-effective and efficient issuance of bonds. This mechanism  
15 will eliminate unnecessary costs in the bond issuance process,  
16 thereby increasing the amounts available to pay reimbursement  
17 for losses to property sustained as a result of hurricane  
18 damage.

19 b. The purpose of such bonds is to fund reimbursements  
20 through the Florida Hurricane Catastrophe Fund to pay for the  
21 costs of construction, reconstruction, repair, restoration,  
22 and other costs associated with damage to properties of  
23 policyholders of covered policies due to the occurrence of a  
24 hurricane.

25 c. The efficacy of the financing mechanism will be  
26 enhanced by the corporation's ownership of the assessments, by  
27 the insulation of the assessments from possible bankruptcy  
28 proceedings, and by covenants of the state with the  
29 corporation's bondholders.

30  
31

1           2.a. There is created a public benefits corporation,  
2 which is an instrumentality of the state, to be known as the  
3 Florida Hurricane Catastrophe Fund Finance Corporation.

4           b. The corporation shall operate under a five-member  
5 board of directors consisting of the Governor or a designee,  
6 the Chief Financial Officer ~~Comptroller~~ or a designee, the  
7 Attorney General ~~Treasurer~~ or a designee, the director of the  
8 Division of Bond Finance of the State Board of Administration,  
9 and the senior employee of the State Board of Administration  
10 responsible for operations ~~chief operating officer~~ of the  
11 Florida Hurricane Catastrophe Fund.

12           c. The corporation has all of the powers of  
13 corporations under chapter 607 and under chapter 617, subject  
14 only to the provisions of this subsection.

15           d. The corporation may issue bonds and engage in such  
16 other financial transactions as are necessary to provide  
17 sufficient funds to achieve the purposes of this section.

18           e. The corporation may invest in any of the  
19 investments authorized under s. 215.47.

20           f. There shall be no liability on the part of, and no  
21 cause of action shall arise against, any board members or  
22 employees of the corporation for any actions taken by them in  
23 the performance of their duties under this paragraph.

24           3.a. In actions under chapter 75 to validate any bonds  
25 issued by the corporation, the notice required by s. 75.06  
26 shall be published only in Leon County and in two newspapers  
27 of general circulation in the state, and the complaint and  
28 order of the court shall be served only on the State Attorney  
29 of the Second Judicial Circuit.

30           b. The state hereby covenants with holders of bonds of  
31 the corporation that the state will not repeal or abrogate the

1 power of the board to direct the Office of Insurance  
2 Regulation Department of Insurance to levy the assessments and  
3 to collect the proceeds of the revenues pledged to the payment  
4 of such bonds as long as any such bonds remain outstanding  
5 unless adequate provision has been made for the payment of  
6 such bonds pursuant to the documents authorizing the issuance  
7 of such bonds.

8 4. The bonds of the corporation are not a debt of the  
9 state or of any political subdivision, and neither the state  
10 nor any political subdivision is liable on such bonds. The  
11 corporation does not have the power to pledge the credit, the  
12 revenues, or the taxing power of the state or of any political  
13 subdivision. The credit, revenues, or taxing power of the  
14 state or of any political subdivision shall not be deemed to  
15 be pledged to the payment of any bonds of the corporation.

16 5.a. The property, revenues, and other assets of the  
17 corporation; the transactions and operations of the  
18 corporation and the income from such transactions and  
19 operations; and all bonds issued under this paragraph and  
20 interest on such bonds are exempt from taxation by the state  
21 and any political subdivision, including the intangibles tax  
22 under chapter 199 and the income tax under chapter 220. This  
23 exemption does not apply to any tax imposed by chapter 220 on  
24 interest, income, or profits on debt obligations owned by  
25 corporations other than the Florida Hurricane Catastrophe Fund  
26 Finance Corporation.

27 b. All bonds of the corporation shall be and  
28 constitute legal investments without limitation for all public  
29 bodies of this state; for all banks, trust companies, savings  
30 banks, savings associations, savings and loan associations,  
31 and investment companies; for all administrators, executors,

1 trustees, and other fiduciaries; for all insurance companies  
2 and associations and other persons carrying on an insurance  
3 business; and for all other persons who are now or may  
4 hereafter be authorized to invest in bonds or other  
5 obligations of the state and shall be and constitute eligible  
6 securities to be deposited as collateral for the security of  
7 any state, county, municipal, or other public funds. This  
8 sub-subparagraph shall be considered as additional and  
9 supplemental authority and shall not be limited without  
10 specific reference to this sub-subparagraph.

11           6. The corporation and its corporate existence shall  
12 continue until terminated by law; however, no such law shall  
13 take effect as long as the corporation has bonds outstanding  
14 unless adequate provision has been made for the payment of  
15 such bonds pursuant to the documents authorizing the issuance  
16 of such bonds. Upon termination of the existence of the  
17 corporation, all of its rights and properties in excess of its  
18 obligations shall pass to and be vested in the state.

19           Section 221. Subsection (5) of section 215.559,  
20 Florida Statutes, is amended to read:

21           215.559 Hurricane Loss Mitigation Program.--

22           (5) Except for the program set forth in subsection  
23 (3), the Department of Community Affairs shall develop the  
24 programs set forth in this section in consultation with an  
25 advisory council consisting of a representative designated by  
26 the Chief Financial Officer ~~Department of Insurance~~, a

29 Insurance Council, a representative designated by the  
30 Federation of Manufactured Home Owners, a representative  
31 designated by the Florida Association of Counties, and a

1 representative designated by the Florida Manufactured Housing  
2 Association.

4 paragraph (b) of subsection (2), and paragraph (a) of  
5 subsection (3) of section 215.56005, Florida Statutes, are  
6 amended to read:

7 215.56005 Tobacco Settlement Financing Corporation.--

12 expenditures to be made from the appropriations on the basis  
13 of such releases and in accordance with the approved budget,  
14 and not otherwise. Expenditures shall be authorized only in  
15 accordance with legislative authorizations. Nothing herein  
16 precludes periodic reexamination and revision by the Executive

18 plans for release of appropriations and the notifications of  
19 the parties of all such revisions.

20 (4) The legislative appropriations committees may

5 the use of federal funds in the state.

6 (a) Every state agency, when making a request or  
7 preparing a budget to be submitted to the Federal Government  
8 for funds, equipment, material, or services, shall submit such

20 except in the case of a valid emergency as certified by the  
21 agency head. The certification of an emergency shall be  
22 prepared within 30 days after the contractor begins rendering  
23 the service and shall state the particular facts and  
24 circumstances which precluded the execution of the written  
25 agreement prior to the rendering of the service. If the  
26 agency fails to have the contract signed by the agency head

28 and if an emergency does not exist, the agency head shall, no  
29 later than 30 days after the contractor begins rendering the  
30 service, certify the specific conditions and circumstances to  
31 the department as well as describe actions taken to prevent

1 recurrence of such noncompliance. The agency head may delegate  
2 the certification only to other senior management agency  
3 personnel. A copy of the certification shall be furnished to  
4 the Chief Financial Officer ~~Comptroller~~ with the voucher  
5 authorizing payment. The department shall report repeated  
6 instances of noncompliance by an agency to the Auditor

8 authorize additional compensation prohibited by s. 215.425.  
9 The procurement of contractual services shall not be divided  
10 so as to avoid the provisions of this section.

11 (5) Unless otherwise provided in the General  
12 Appropriations Act or the substantive bill implementing the  
13 General Appropriations Act, the Chief Financial Officer  
14 ~~Comptroller~~ may waive the requirements of this section for  
15 services which are included in s. 287.057(5)(f).

27 cost rate which shall be computed by adding 150 basis points  
28 to the 20 "bond buyer" average yield index published  
29 immediately preceding the first day of the calendar month in  
30 which the contract is submitted to the Chief Financial Officer  
31 ~~Comptroller~~ for preaudit review and approval.

1           (2)(a) No funds appropriated shall be used to acquire

8 interest. Criteria shall include, but not be limited to, the  
9 following provisions:

10           1. No contract shall be approved in which interest  
11 exceeds the statutory ceiling contained in this section.  
12 However, the interest component of any master equipment  
13 financing agreement entered into for the purpose of

15 sale, or lease-purchase shall be deemed to comply with the  
16 interest rate limitation of this section so long as the  
17 interest component of every interagency agreement under such  
18 master equipment financing agreement complies with the  
19 interest rate limitation of this section.

20           2. No deferred-payment purchase for less than \$30,000  
21 shall be approved, unless it can be satisfactorily  
22 demonstrated and documented to the Chief Financial Officer  
23 ~~Comptroller~~ that failure to make such deferred-payment  
24 purchase would adversely affect an agency in the performance  
25 of its duties. However, the Chief Financial Officer  
26 ~~Comptroller~~ may approve any deferred-payment purchase if the  
27 Chief Financial Officer ~~Comptroller~~ determines that such  
28 purchase is economically beneficial to the state.

29           3. No agency shall obligate an annualized amount of  
30 payments for deferred-payment purchases in excess of current  
31 operating capital outlay appropriations, unless specifically

1 authorized by law or unless it can be satisfactorily  
2 demonstrated and documented to the Chief Financial Officer  
3 ~~Comptroller~~ that failure to make such deferred-payment  
4 purchase would adversely affect an agency in the performance  
5 of its duties.

6 4. No contract shall be approved which extends payment  
7 beyond 5 years, unless it can be satisfactorily demonstrated  
8 and documented to the Chief Financial Officer ~~Comptroller~~ that  
9 failure to make such deferred-payment purchase would adversely  
10 affect an agency in the performance of its duties.

11 (c) The Chief Financial Officer ~~Comptroller~~ shall  
12 require written justification based on need, usage, size of  
13 the purchase, and financial benefit to the state for  
14 deferred-payment purchases made pursuant to this subsection.

15 Section 334. Section 287.064, Florida Statutes, is  
16 amended to read:

9 equipment financing agreement shall be deemed to comply with  
10 the interest rate limitation imposed in s. 287.063 so long as  
11 the interest rate component of every interagency or community  
12 college agreement entered into under such master equipment  
13 financing agreement complies with the interest rate limitation  
14 imposed in s. 287.063. Such interest rate limitation does not  
15 apply when the payment obligation under the master equipment  
16 financing agreement is rated by a nationally recognized rating  
17 service in any one of the three highest classifications, which  
18 rating services and classifications are determined pursuant to  
19 rules adopted by the Chief Financial Officer ~~Comptroller~~.

21 Financial Officer ~~Comptroller~~, all deferred-payment purchases,  
22 including those made by a community college that is  
23 participating under this section, shall be acquired by funding  
24 through master equipment financing agreements. The Chief

9 as determined by the Chief Financial Officer ~~Comptroller~~.

10 (b) The interagency or systemwide agreements may  
11 include, but are not limited to, equipment costs, terms, and a  
12 pro rata share of program and issuance expenses.

13 (4) Each community college may choose to have its  
14 purchasing agreements involving administrative and  
15 instructional materials consolidated under this section.

16 (5) The Chief Financial Officer ~~Comptroller~~ is

18 community college's portion of the Community College Program  
19 Fund consistently with the deferred-payment schedules.

20 (6) There is created the Consolidated Payment Trust  
21 Fund in the Chief Financial Officer's ~~Comptroller's~~ office for

25 financial obligations incurred pursuant to this act. Any  
26 income from the investment of funds may be used to fund  
27 administrative costs associated with this program.

28 (7) The Chief Financial Officer ~~Comptroller~~ may borrow  
29 sufficient amounts from trust funds to pay issuance expenses  
30 for the purposes of administering this section. Such amounts  
31 shall be subject to approval of the Executive Office of the

1 Governor and subject to the notice, review, and objection  
2 procedures of s. 216.177. The amounts approved pursuant to  
3 this subsection are hereby appropriated for transfer to the  
4 Consolidated Payment Trust Fund and appropriated from the  
5 Consolidated Payment Trust Fund to pay issuance expenses.  
6 Amounts loaned shall be repaid as soon as practicable not to  
7 exceed the length of time obligations are issued to establish

9 the following ratio:

12

13 where the letter "A" represents the total amount of certified  
14 capital certified investors have agreed to invest in any one  
15 certified capital company under Program Two, the letter "B"  
16 represents the aggregate amount of certified capital that all  
17 certified investors have agreed to invest in all certified  
18 capital companies under Program Two, the letter "X" is the

20 credits and certified capital that may be allocated to a  
21 certified capital company on a date determined by rule adopted  
22 by the commission ~~department~~ pursuant to subsection (17), and

24 amount of premium tax credits and certified capital that may  
25 be allocated to all certified investors under Program Two. Any  
26 such premium tax credits are not first available for  
27 utilization until annual filings are made in 2001 for calendar  
28 year 2000 in the case of Program One, and the tax credits may  
29 be used at a rate not to exceed 10 percent annually per  
30 program.

31

1 (g) The maximum amount of certified capital for which  
2 premium tax allocation claims may be filed on behalf of any  
3 certified investor and its affiliates by one or more certified  
4 capital companies may not exceed \$15 million for Program One  
5 and \$22.5 million for Program Two.

6 (h) To the extent that less than \$150 million in  
7 certified capital is raised in connection with the procedure  
8 set forth in paragraphs (c)-(g), the commission ~~department~~ may  
9 adopt rules to allow a subsequent allocation of the remaining  
10 premium tax credits authorized under this section.

11 (i) The Office of Tourism, Trade, and Economic  
12 Development shall issue a certification letter for each  
13 certified investor, showing the amount invested in the

30 program and any additional capital contributions to the  
31 certified capital company with respect to such program may be

1 audited by a nationally recognized certified public accounting  
2 firm acceptable to the office department, at the expense of  
3 the certified capital company, if the office department  
4 directs such audit be conducted. The audit shall determine  
5 whether aggregate cumulative distributions from the funds  
6 related to a particular program made by the certified capital  
7 company to all certified investors and equity holders under  
8 such program, other than qualified distributions, have equaled  
9 the sum of the certified capital company's original certified  
10 capital raised under such program and any additional capital  
11 contributions to the certified capital company with respect to  
12 such program. If at the time of any such distribution made by  
13 the certified capital company, such distribution taken  
14 together with all other such distributions from the funds

19 contributions to the certified capital company with respect to  
20 such program, as determined by the audit, the certified  
21 capital company shall pay to the Department of Revenue 10

1 the eligibility status of its qualified investments, and to  
2 ensure that no investment has been made in violation of this  
3 act. The cost of the annual review shall be paid by each  
4 certified capital company.

5 (b) Nothing contained in this subsection shall be  
6 construed to limit the Chief Financial Officer's or the

8 certified capital companies as deemed appropriate and  
9 necessary.

10 (c) Any material violation of this section, or a  
11 finding that the certified capital company or any principal or

14 capital company. If the office ~~department~~ determines that a  
15 certified capital company is no longer in compliance with the  
16 certification requirements of this act, the office ~~department~~  
17 shall, by written notice, inform the officers of such company

21 be in compliance with all certification requirements.

22 (d) At the end of the 90-day grace period, if the  
23 certified capital company is still not in compliance with the  
24 certification requirements, the office ~~department~~ may issue a  
25 notice to revoke or suspend the certification or to impose an  
26 administrative fine. The office ~~department~~ shall advise each  
27 respondent of the right to an administrative hearing under  
28 chapter 120 prior to final action by the office ~~department~~.

29 (e) If the office ~~department~~ revokes a certification,

31

1 certifications of all affiliates of the certified capital  
2 company.

3 (h) The Office of Tourism, Trade, and Economic  
4 Development shall send written notice to the address of each  
5 certified investor whose premium tax credit has been subject  
6 to recapture or forfeiture, using the address last shown on  
7 the last premium tax filing.

18 (9)(b).

19           (b) The commission and the Office of Tourism, Trade,

2 ceases to be active. Such information shall remain  
3 confidential and exempt from the provisions of s. 119.07(1)  
4 and s. 24(a), Art. I of the State Constitution after the  
5 investigation or review is complete or ceases to be active if  
6 the information is submitted to any law enforcement or  
7 administrative agency for further investigation, and shall  
8 remain confidential and exempt from the provisions of s.  
9 119.07(1) and s. 24(a), Art. I of the State Constitution until  
10 that agency's investigation is complete or ceases to be  
11 active. For purposes of this subsection, an investigation or

24 enforcement or administrative agency receiving confidential  
25 information in connection with its official duties shall  
26 maintain the confidentiality of the information so long as it  
27 would otherwise be confidential.

28 (d) In the event office ~~department~~ personnel are or  
29 have been involved in an investigation or review of such  
30 nature as to endanger their lives or physical safety or that  
31 of their families, the home addresses, telephone numbers,

1 places of employment, and photographs of such personnel,  
2 together with the home addresses, telephone numbers,

7 (e) All information obtained by the office ~~department~~  
8 from any person which is only made available to the office  
9 ~~department~~ on a confidential or similarly restricted basis

14 119.07(1).

15 (g) A privilege against civil liability is granted to

18 with malice in providing such information or evidence.

19 (17) Notwithstanding the limitations set forth in  
20 paragraph (7)(a), in the first fiscal year in which the total  
21 insurance premium tax collections as determined by the Revenue  
22 Estimating Conference exceed collections for fiscal year  
23 2000-2001 by more than the total amount of tax credits issued  
24 pursuant to this section which were used by certified  
25 investors in that year, the Office of Tourism, Trade, and  
26 Economic Development may allocate to certified investors in  
27 accordance with paragraph (7)(a) tax credits for Program Two.  
28 The commission ~~department~~ shall establish, by rule, a date and

13 be used by certified investors until the annual return due  
14 March 1, 2004, and may be used on all subsequent returns and  
15 estimated payments; however, notwithstanding the provisions of  
16 s. 624.5092(2)(b), the installments of taxes due and payable

8 (12) REIMBURSEMENT FOR CLEANUP EXPENSES.--Except as  
9 provided in s. 2(3), chapter 95-2, Laws of Florida, this  
10 subsection shall not apply to any site rehabilitation program  
11 task initiated after March 29, 1995. Effective August 1, 1996,  
12 no further site rehabilitation work on sites eligible for  
13 state-funded cleanup from the Inland Protection Trust Fund  
14 shall be eligible for reimbursement pursuant to this  
15 subsection. The person responsible for conducting site  
16 rehabilitation may seek reimbursement for site rehabilitation  
17 program task work conducted after March 28, 1995, in  
18 accordance with s. 2(2) and (3), chapter 95-2, Laws of  
19 Florida, regardless of whether the site rehabilitation program  
20 task is completed. A site rehabilitation program task shall  
21 be considered to be initiated when actual onsite work or  
22 engineering design, pursuant to chapter 62-770, Florida  
23 Administrative Code, which is integral to performing a site  
24 rehabilitation program task has begun and shall not include  
25 contract negotiation and execution, site research, or project  
26 planning. All reimbursement applications pursuant to this  
27 subsection must be submitted to the department by January 3,  
28 1997. The department shall not accept any applications for  
29 reimbursement or pay any claims on applications for  
30 reimbursement received after that date; provided, however if  
31 an application filed on or prior to January 3, 1997, was

1 returned by the department on the grounds of untimely filing,  
2 it shall be refiled within 30 days after the effective date of  
3 this act in order to be processed.

4 (k) Audits.--

5 1. The department is authorized to perform financial  
6 and technical audits in order to certify site restoration  
7 costs and ensure compliance with this chapter. The department  
8 shall seek recovery of any overpayments based on the findings  
9 of these audits. The department must commence any audit within  
10 5 years after the date of reimbursement, except in cases where  
11 the department alleges specific facts indicating fraud.

12 2. Upon determination by the department that any  
13 portion of costs which have been reimbursed are disallowed,  
14 the department shall give written notice to the applicant  
15 setting forth with specificity the allegations of fact which  
16 justify the department's proposed action and ordering  
17 repayment of disallowed costs within 60 days of notification  
18 of the applicant.

19 3. In the event the applicant does not make payment to  
20 the department within 60 days of receipt of such notice, the  
21 department shall seek recovery in a court of competent  
22 jurisdiction to recover reimbursement overpayments made to the  
23 person responsible for conducting site rehabilitation, unless  
24 the department finds the amount involved too small or the  
25 likelihood of recovery too uncertain.

26 4. In addition to the amount of any overpayment, the  
27 applicant shall be liable to the department for interest of 1  
28 percent per month or the prime rate, whichever is less, on the  
29 amount of overpayment, from the date of overpayment by the  
30 department until the applicant satisfies the department's  
31 request for repayment pursuant to this paragraph. The

1 calculation of interest shall be tolled during the pendency of  
2 any litigation.

3           5. Financial and technical audits frequently are  
4 conducted under this section many years after the site  
5 rehabilitation activities were performed and the costs  
6 examined in the course of the audit were incurred by the  
7 person responsible for site rehabilitation. During the  
8 intervening span of years, the department's rule requirements  
9 and its related guidance and other nonrule policy directives  
10 may have changed significantly. The Legislature finds that it  
11 may be appropriate for the department to provide relief to  
12 persons subject to such requirements in financial and  
13 technical audits conducted pursuant to this section.

14           a. The department is authorized to grant variances and  
15 waivers from the documentation requirements of subparagraph  
16 (e)2. and from the requirements of rules applicable in  
17 technical and financial audits conducted under this section.  
18 Variances and waivers shall be granted when the person  
19 responsible for site rehabilitation demonstrates to the  
20 department that application of a financial or technical  
21 auditing requirement would create a substantial hardship or  
22 would violate principles of fairness. For purposes of this  
23 subsection, "substantial hardship" means a demonstrated  
24 economic, technological, legal, or other type of hardship to  
25 the person requesting the variance or waiver. For purposes of  
26 this subsection, "principles of fairness" are violated when  
27 the application of a requirement affects a particular person  
28 in a manner significantly different from the way it affects  
29 other similarly situated persons who are affected by the  
30 requirement or when the requirement is being applied  
31 retroactively without due notice to the affected parties.

3 as necessary to timely review, consider, and hear grievances  
4 and recommend to the agency or the office ~~department~~ any  
5 actions that should be taken concerning individual cases heard  
6 by the panel. The panel shall hear every grievance filed by  
7 subscribers and providers on behalf of subscribers, unless the  
8 grievance:

9 (a) Relates to a managed care entity's refusal to  
10 accept a provider into its network of providers;

11 (b) Is part of an internal grievance in a Medicare  
12 managed care entity or a reconsideration appeal through the  
13 Medicare appeals process which does not involve a quality of  
14 care issue;

15 (c) Is related to a health plan not regulated by the  
16 state such as an administrative services organization,  
17 third-party administrator, or federal employee health benefit  
18 program;

19 (d) Is related to appeals by in-plan suppliers and  
20 providers, unless related to quality of care provided by the  
21 plan;

22 (e) Is part of a Medicaid fair hearing pursued under  
23 42 C.F.R. ss. 431.220 et seq.;

26 (g) Is related to an appeal by nonparticipating  
27 providers, unless related to the quality of care provided to a  
28 subscriber by the managed care entity and the provider is  
29 involved in the care provided to the subscriber;

30 (h) Was filed before the subscriber or provider  
31 completed the entire internal grievance procedure of the

1 managed care entity, the managed care entity has complied with  
2 its timeframes for completing the internal grievance  
3 procedure, and the circumstances described in subsection (6)  
4 do not apply;

5 (i) Has been resolved to the satisfaction of the  
6 subscriber or provider who filed the grievance, unless the  
7 managed care entity's initial action is egregious or may be  
8 indicative of a pattern of inappropriate behavior;

9 (j) Is limited to seeking damages for pain and  
10 suffering, lost wages, or other incidental expenses, including  
11 accrued interest on unpaid balances, court costs, and

19 the appropriate professional licensing board or to the health  
20 facility regulation section of the agency for possible  
21 investigation; or

23 Failure of the subscriber or the provider to attend the  
24 hearing shall be considered a withdrawal of the grievance.

25 (3) The agency shall review all grievances within 60  
26 days after receipt and make a determination whether the  
27 grievance shall be heard. Once the agency notifies the panel,  
28 the subscriber or provider, and the managed care entity that a  
29 grievance will be heard by the panel, the panel shall hear the  
30 grievance either in the network area or by teleconference no  
31 later than 120 days after the date the grievance was filed.

1 The agency shall notify the parties, in writing, by facsimile  
2 transmission, or by phone, of the time and place of the  
3 hearing. The panel may take testimony under oath, request  
4 certified copies of documents, and take similar actions to  
5 collect information and documentation that will assist the  
6 panel in making findings of fact and a recommendation. The  
7 panel shall issue a written recommendation, supported by  
8 findings of fact, to the provider or subscriber, to the  
9 managed care entity, and to the agency or the office  
10 ~~department~~ no later than 15 working days after hearing the  
11 grievance. If at the hearing the panel requests additional  
12 documentation or additional records, the time for issuing a  
13 recommendation is tolled until the information or  
14 documentation requested has been provided to the panel. The  
15 proceedings of the panel are not subject to chapter 120.

16 (4) If, upon receiving a proper patient authorization  
17 along with a properly filed grievance, the agency requests  
18 medical records from a health care provider or managed care  
19 entity, the health care provider or managed care entity that  
20 has custody of the records has 10 days to provide the records  
21 to the agency. Failure to provide requested medical records  
22 may result in the imposition of a fine of up to \$500. Each  
23 day that records are not produced is considered a separate  
24 violation.

25 (5) Grievances that the agency determines pose an  
26 immediate and serious threat to a subscriber's health must be  
27 given priority over other grievances. The panel may meet at  
28 the call of the chair to hear the grievances as quickly as  
29 possible but no later than 45 days after the date the  
30 grievance is filed, unless the panel receives a waiver of the  
31 time requirement from the subscriber. The panel shall issue a

1 written recommendation, supported by findings of fact, to the  
2 office ~~department~~ or the agency within 10 days after hearing  
3 the expedited grievance.

4 (6) When the agency determines that the life of a  
5 subscriber is in imminent and emergent jeopardy, the chair of  
6 the panel may convene an emergency hearing, within 24 hours  
7 after notification to the managed care entity and to the  
8 subscriber, to hear the grievance. The grievance must be  
9 heard notwithstanding that the subscriber has not completed  
10 the internal grievance procedure of the managed care entity.  
11 The panel shall, upon hearing the grievance, issue a written  
12 emergency recommendation, supported by findings of fact, to  
13 the managed care entity, to the subscriber, and to the agency  
14 or the office ~~department~~ for the purpose of deferring the  
15 imminent and emergent jeopardy to the subscriber's life.  
16 Within 24 hours after receipt of the panel's emergency  
17 recommendation, the agency or office ~~department~~ may issue an  
18 emergency order to the managed care entity. An emergency order  
19 remains in force until:

20 (a) The grievance has been resolved by the managed  
21 care entity;

22 (b) Medical intervention is no longer necessary; or

23 (c) The panel has conducted a full hearing under  
24 subsection (3) and issued a recommendation to the agency or  
25 the office ~~department~~, and the agency or office ~~department~~ has  
26 issued a final order.

27 (7) After hearing a grievance, the panel shall make a  
28 recommendation to the agency or the office ~~department~~ which  
29 may include specific actions the managed care entity must take  
30 to comply with state laws or rules regulating managed care  
31 entities.

1           (8) A managed care entity, subscriber, or provider  
2 that is affected by a panel recommendation may within 10 days  
3 after receipt of the panel's recommendation, or 72 hours after  
4 receipt of a recommendation in an expedited grievance, furnish  
5 to the agency or office ~~department~~ written evidence in  
6 opposition to the recommendation or findings of fact of the  
7 panel.

8           (9) No later than 30 days after the issuance of the  
9 panel's recommendation and, for an expedited grievance, no  
10 later than 10 days after the issuance of the panel's  
11 recommendation, the agency or the office ~~department~~ may adopt  
12 the panel's recommendation or findings of fact in a proposed  
13 order or an emergency order, as provided in chapter 120, which  
14 it shall issue to the managed care entity. The agency or  
15 office ~~department~~ may issue a proposed order or an emergency  
16 order, as provided in chapter 120, imposing fines or  
17 sanctions, including those contained in ss. 641.25 and 641.52.  
18 The agency or the office ~~department~~ may reject all or part of  
19 the panel's recommendation. All fines collected under this  
20 subsection must be deposited into the Health Care Trust Fund.

21           (10) In determining any fine or sanction to be  
22 imposed, the agency and the office ~~department~~ may consider the  
23 following factors:

24           (a) The severity of the noncompliance, including the  
25 probability that death or serious harm to the health or safety  
26 of the subscriber will result or has resulted, the severity of  
27 the actual or potential harm, and the extent to which  
28 provisions of chapter 641 were violated.

29           (b) Actions taken by the managed care entity to  
30 resolve or remedy any quality-of-care grievance.

31

1 (c) Any previous incidents of noncompliance by the  
2 managed care entity.

3 (d) Any other relevant factors the agency or office  
4 ~~department~~ considers appropriate in a particular grievance.

5 (11) The panel shall consist of members employed by  
6 the agency, ~~and~~ members employed by the office department, and  
7 members employed by the Department of Financial Services,  
8 chosen by their respective agencies; a consumer appointed by  
9 the Governor; a physician appointed by the Governor, as a  
10 standing member; and physicians who have expertise relevant to  
11 the case to be heard, on a rotating basis. The agency may  
12 contract with a medical director and a primary care physician  
13 who shall provide additional technical expertise to the panel.  
14 The medical director shall be selected from a health  
15 maintenance organization with a current certificate of  
16 authority to operate in Florida.

17 (12) Every managed care entity shall submit a  
18 quarterly report to the agency and the office department  
19 listing the number and the nature of all subscribers' and  
20 providers' grievances which have not been resolved to the  
21 satisfaction of the subscriber or provider after the  
22 subscriber or provider follows the entire internal grievance  
23 procedure of the managed care entity. The agency shall notify  
24 all subscribers and providers included in the quarterly  
25 reports of their right to file an unresolved grievance with  
26 the panel.

27 (13) Any information which would identify a subscriber  
28 or the spouse, relative, or guardian of a subscriber and which  
29 is contained in a report obtained by the office ~~Department of~~  
30 ~~Insurance~~ pursuant to this section is confidential and exempt

3 (14) A proposed order issued by the agency or office  
4 ~~department~~ which only requires the managed care entity to take  
5 a specific action under subsection (7) is subject to a summary  
6 hearing in accordance with s. 120.574, unless all of the  
7 parties agree otherwise. If the managed care entity does not  
8 prevail at the hearing, the managed care entity must pay  
9 reasonable costs and attorney's fees of the agency or the  
10 office ~~department~~ incurred in that proceeding.

11 (15)(a) Any information which would identify a  
12 subscriber or the spouse, relative, or guardian of a  
13 subscriber which is contained in a document, report, or record  
14 prepared or reviewed by the panel or obtained by the agency  
15 pursuant to this section is confidential and exempt from the  
16 provisions of s. 119.07(1) and s. 24(a), Art. I of the State  
17 Constitution.

18 (b) Meetings of the panel shall be open to the public  
19 unless the provider or subscriber whose grievance will be  
20 heard requests a closed meeting or the agency or the office  
21 ~~Department of Insurance~~ determines that information of a  
22 sensitive personal nature which discloses the subscriber's  
23 medical treatment or history; or information which constitutes  
24 a trade secret as defined by s. 812.081; or information  
25 relating to internal risk management programs as defined in s.  
26 641.55(5)(c), (6), and (8) may be revealed at the panel  
27 meeting, in which case that portion of the meeting during  
28 which such sensitive personal information, trade secret  
29 information, or internal risk management program information  
30 is discussed shall be exempt from the provisions of s. 286.011

31

1 and s. 24(b), Art. I of the State Constitution. All closed  
2 meetings shall be recorded by a certified court reporter.

3

4 This subsection is subject to the Open Government Sunset  
5 Review Act of 1995 in accordance with s. 119.15, and shall  
6 stand repealed on October 2, 2003, unless reviewed and saved  
7 from repeal through reenactment by the Legislature.

29 who reside in the three areas of the state that have the  
30 highest number of uninsured persons, as identified in the  
31 Florida Health Insurance Study conducted by the agency and in

1 Indian River County. A health flex plan may limit or exclude  
2 benefits otherwise required by law for insurers offering

1 monitor and determine the financial viability of the health  
2 flex plan, as necessary. Provider networks and total

4 to enable the agency to monitor access to care.

5 (9) PROGRAM EVALUATION.--The agency and the office

25           (10) The department shall provide notice to the Chief  
26 Financial Officer ~~Comptroller~~, in electronic or other form  
27 specified by the Chief Financial Officer ~~Comptroller~~, listing  
28 the obligors for whom warrants are outstanding. Pursuant to  
29 subsection (1), the Chief Financial Officer ~~Comptroller~~ shall,  
30 upon notice from the department, withhold all payments to any  
31 obligor who provides commodities or services to the state,

1 leases real property to the state, or constructs a public  
2 building or public work for the state. The department may levy  
3 upon the withheld payments in accordance with subsection (3).  
4 Section 215.422 does not apply from the date the notice is  
5 filed with the Chief Financial Officer ~~Comptroller~~ until the  
6 date the department notifies the Chief Financial Officer  
7 ~~Comptroller~~ of its consent to make payment to the person or 60

11 section 409.25658, Florida Statutes, are amended to read:

12 409.25658 Use of unclaimed property for past due  
13 support.--

14 (1) In a joint effort to facilitate the collection and  
15 payment of past due support, the Department of Revenue, in  
16 cooperation with the Department of Financial Services ~~Banking~~  
17 ~~and Finance~~, shall identify persons owing support collected  
18 through a court who are presumed to have unclaimed property  
19 held by the Department of Financial Services ~~Banking and~~  
20 ~~Finance~~.

21 (2) The department shall periodically provide the

26 of unclaimed property under chapter 717 and provide the  
27 resulting match list to the department.

28 (3) Upon receipt of the data match list, the  
29 department shall provide to the Department of Financial  
30 Services ~~Banking and Finance~~ the obligor's last known address.

31

1 The Department of Financial Services ~~Banking and Finance~~ shall  
2 follow the notification procedures under s. 717.118.

3 (4) Prior to paying an obligor's approved claim, the  
4 Department of Financial Services ~~Banking and Finance~~ shall  
5 notify the department that such claim has been approved. Upon  
6 confirmation that the Department of Financial Services ~~Banking~~  
7 ~~and Finance~~ has approved the claim, the department shall

15 the property until a final order has been entered and any

23 property.

24 Section 443. Subsections (4) and (7) of section  
25 409.2673, Florida Statutes, are amended to read:

26 409.2673 Shared county and state health care program  
27 for low-income persons.--

28 (4) The levels of financial participation by counties  
29 and the state for this program shall be determined as follows:

30 (a) If on July 1, 1988, a county funded inpatient  
31 hospital services for those who would have been eligible for

1 the program, the county shall fund 35 percent of the cost of  
2 this program and the state shall provide the remaining 65  
3 percent of the funding required for this program. A county  
4 participating at this level shall use that portion of its  
5 budget that previously would have funded these inpatient  
6 hospital services and that, under this program, has been  
7 offset by state funding for funding other health programs.

8 (b) If a county has not reached its maximum ad valorem  
9 millage rate as authorized by law and certified to the  
10 Department of Revenue and the county does not currently fund  
11 inpatient hospital services for those who would be eligible  
12 for this program, the county:

13 1. Shall provide 35 percent of the cost for this  
14 program from within the county's existing budget, and the  
15 state shall provide the remaining 65 percent of the funding  
16 required for this program; however, under no circumstances  
17 will county funding which had been used for funding the county  
18 health department under chapter 154 be utilized for funding  
19 the county's portion of this program; or

20 2. Shall levy an additional ad valorem millage to fund  
21 the county's portion of this program. The state shall provide  
22 the remaining portion of program funding if:

23 a. A county levies additional ad valorem millage up to  
24 the maximum authorized by law and certified to the Department  
25 of Revenue and still does not have sufficient funds to meet  
26 its 35 percent of the funding of this program; and

27 b. A county has exhausted all revenue sources which  
28 can statutorily be used as possible funding sources for this  
29 program.

30 (c) A county will be eligible for 100-percent state  
31 funding of this program if:

1           1. On July 1, 1988, the county did not fund inpatient  
2 hospital services for those who would have been eligible for  
3 this program;

4           2. The county has reached its maximum ad valorem  
5 millage as authorized by law and certified to the Department  
6 of Revenue; and

7           3. The county has exhausted all revenue sources which  
8 can statutorily be used as possible funding sources for this  
9 program.

10

11 Reporting forms specifically designed to capture the  
12 information necessary to determine the above levels of  
13 participation will be developed as part of the joint  
14 rulemaking required for the shared county and state program.  
15 For purposes of this program, the counties will be required to  
16 report necessary information to the Department of Financial  
17 Services ~~Banking and Finance~~.

18           (7) A county that participates in the program at any  
19 level may not reduce its total per capita expenditures being  
20 devoted to health care if any of these funds were previously  
21 utilized for the provision of inpatient hospital services to  
22 those persons made eligible for the shared county and state  
23 program. It is the intent of the Legislature that, as a  
24 result of the shared county and state program, local funds  
25 which were previously used for the provision of inpatient  
26 hospital services to persons made eligible by the program be  
27 used by counties for funding other health care programs which,  
28 for purposes of this section, are health expenditures as  
29 reported annually to the Department of Financial Services  
30 ~~Banking and Finance~~ pursuant to s. 218.32, provided that this  
31 subsection does not apply to reductions in county funding

1 resulting from the expiration of special sales taxes levied  
2 pursuant to chapter 84-373, Laws of Florida.

3 Section 444. Subsection (3) of section 409.8132,  
4 Florida Statutes, is amended to read:

5 409.8132 Medikids program component.--

6 (3) INSURANCE LICENSURE NOT REQUIRED.--The Medikids  
7 program component shall not be subject to the licensing  
8 requirements of the Florida Insurance Code or rules adopted

29 service reserve.

30           (b) If the claims payment obligations under affordable

1 remaining undisbursed on December 31 of the same calendar year  
2 shall revert to the Department of Financial Services ~~Banking~~

4 Section 463. Subsection (6) of section 430.703,

13 Section 464. Section 440.015, Florida Statutes, is  
14 amended to read:

15 440.015 Legislative intent.--It is the intent of the  
16 Legislature that the Workers' Compensation Law be interpreted  
17 so as to assure the quick and efficient delivery of disability  
18 and medical benefits to an injured worker and to facilitate  
19 the worker's return to gainful reemployment at a reasonable  
20 cost to the employer. It is the specific intent of the  
21 Legislature that workers' compensation cases shall be decided  
22 on their merits. The workers' compensation system in Florida  
23 is based on a mutual renunciation of common-law rights and  
24 defenses by employers and employees alike. In addition, it is  
25 the intent of the Legislature that the facts in a workers'  
26 compensation case are not to be interpreted liberally in favor  
27 of either the rights of the injured worker or the rights of  
28 the employer. Additionally, the Legislature hereby declares  
29 that disputes concerning the facts in workers' compensation  
30 cases are not to be given a broad liberal construction in  
31 favor of the employee on the one hand or of the employer on

1 the other hand, and the laws pertaining to workers'  
2 compensation are to be construed in accordance with the basic  
3 principles of statutory construction and not liberally in  
4 favor of either employee or employer. It is the intent of the  
5 Legislature to ensure the prompt delivery of benefits to the  
6 injured worker. Therefore, an efficient and self-executing  
7 system must be created which is not an economic or  
8 administrative burden. The department, agency, the Office of  
9 Insurance Regulation, the Department of Education, and the  
10 Division of Administrative Hearings shall administer the  
11 Workers' Compensation Law in a manner which facilitates the  
12 self-execution of the system and the process of ensuring a  
13 prompt and cost-effective delivery of payments.

14 Section 465. Subsections (12) and (14) of section  
15 440.02, Florida Statutes, are amended, and subsection (43) is

18 the context clearly requires otherwise, the following terms

30           (a) An amount equal to at least the amount that the  
31 employer would have paid or up to twice the amount the

1 employer would have paid during periods it illegally failed to  
2 secure payment of compensation in the preceding 3-year period  
3 based on the employer's payroll during the preceding 3-year  
4 period; or

5 (b) One thousand dollars, whichever is greater.

6  
7 Any penalty assessed under this subsection is due within 30  
8 days after the date on which the employer is notified, except  
9 that, if the department has posted a stop-work order or  
10 obtained injunctive relief against the employer, payment is  
11 due, in addition to those conditions set forth in this  
12 section, as a condition to relief from a stop-work order or an  
13 injunction. Interest shall accrue on amounts not paid when due  
14 at the rate of 1 percent per month. The department ~~division~~  
15 shall adopt rules to administer this section.

16 (12) If the department ~~division~~ finds that an employer  
17 who is certified or registered under part I or part II of  
18 chapter 489 and who is required to secure payment of the  
19 compensation provided for by this chapter to his or her  
20 employees has failed to do so, the department ~~division~~ shall  
21 immediately notify the Department of Business and Professional  
22 Regulation.

26 violations; limitations.--

27 (11) ~~AUDITS BY AGENCY FOR HEALTH CARE ADMINISTRATION~~  
28 ~~AND THE DEPARTMENT OF INSURANCE; JURISDICTION.--~~

29 (a) The Agency for Health Care Administration may  
30 investigate health care providers to determine whether  
31 providers are complying with this chapter and with rules

1 adopted by the agency, whether the providers are engaging in  
2 overutilization, and whether providers are engaging in  
3 improper billing practices. If the agency finds that a health  
4 care provider has improperly billed, overutilized, or failed  
5 to comply with agency rules or the requirements of this  
6 chapter it must notify the provider of its findings and may  
7 determine that the health care provider may not receive  
8 payment from the carrier or may impose penalties as set forth  
9 in subsection (8) or other sections of this chapter. If the  
10 health care provider has received payment from a carrier for  
11 services that were improperly billed or for overutilization,  
12 it must return those payments to the carrier. The agency may  
13 assess a penalty not to exceed \$500 for each overpayment that  
14 is not refunded within 30 days after notification of  
15 overpayment by the agency or carrier.

16 (b) The department shall monitor carriers as provided  
17 in this chapter and the Office of Insurance Regulation shall  
18 and audit insurers and group self-insurance funds ~~carriers~~ as  
19 provided in s. 624.3161, to determine if medical bills are  
20 paid in accordance with this section and ~~department~~ rules of  
21 the department and Financial Services Commission,  
22 respectively. Any employer, if self-insured, or carrier found  
23 by the department or Office of Insurance Regulation ~~division~~  
24 not to be within 90 percent compliance as to the payment of  
25 medical bills after July 1, 1994, must be assessed a fine not  
26 to exceed 1 percent of the prior year's assessment levied  
27 against such entity under s. 440.51 for every quarter in which  
28 the entity fails to attain 90-percent compliance. The  
29 department shall fine or otherwise discipline an employer or  
30 carrier, pursuant to this chapter, ~~the insurance code, or~~  
31 rules adopted by the department, and the Office of Insurance

1 Regulation shall fine or otherwise discipline an insurer or  
2 group self-insurance fund pursuant to the insurance code or  
3 rules adopted by the Financial Services Commission,for each  
4 late payment of compensation that is below the minimum  
5 90-percent performance standard. Any carrier that is found to  
6 be not in compliance in subsequent consecutive quarters must  
7 implement a medical-bill review program approved by the  
8 department or office ~~division~~, and an insurer or group  
9 self-insurance fund ~~the carrier~~ is subject to disciplinary  
10 action by the Office of Insurance Regulation ~~Department of~~  
11 ~~Insurance~~.

12 (c) The agency has exclusive jurisdiction to decide  
13 any matters concerning reimbursement, to resolve any  
14 overutilization dispute under subsection (7), and to decide  
15 any question concerning overutilization under subsection (8),  
16 which question or dispute arises after January 1, 1994.

17 (d) The following agency actions do not constitute  
18 agency action subject to review under ss. 120.569 and 120.57  
19 and do not constitute actions subject to s. 120.56: referral  
20 by the entity responsible for utilization review; a decision  
21 by the agency to refer a matter to a peer review committee;  
22 establishment by a health care provider or entity of  
23 procedures by which a peer review committee reviews the  
24 rendering of health care services; and the review proceedings,  
25 report, and recommendation of the peer review committee.

26 (12) CREATION OF THREE-MEMBER PANEL; GUIDES OF MAXIMUM  
27 REIMBURSEMENT ALLOWANCES.--

28 (a) A three-member panel is created, consisting of the  
29 Chief Financial Officer ~~Insurance Commissioner~~, or the Chief  
30 Financial Officer's ~~Insurance Commissioner's~~ designee, and two  
31 members to be appointed by the Governor, subject to

1 confirmation by the Senate, one member who, on account of  
2 present or previous vocation, employment, or affiliation,  
3 shall be classified as a representative of employers, the  
4 other member who, on account of previous vocation, employment,  
5 or affiliation, shall be classified as a representative of  
6 employees. The panel shall determine statewide schedules of  
7 maximum reimbursement allowances for medically necessary  
8 treatment, care, and attendance provided by physicians,  
9 hospitals, ambulatory surgical centers, work-hardening  
10 programs, pain programs, and durable medical equipment. The  
11 maximum reimbursement allowances for inpatient hospital care  
12 shall be based on a schedule of per diem rates, to be approved  
13 by the three-member panel no later than March 1, 1994, to be  
14 used in conjunction with a precertification manual as  
15 determined by the agency. All compensable charges for hospital  
16 outpatient care shall be reimbursed at 75 percent of usual and  
17 customary charges. Until the three-member panel approves a  
18 schedule of per diem rates for inpatient hospital care and it  
19 becomes effective, all compensable charges for hospital  
20 inpatient care must be reimbursed at 75 percent of their usual  
21 and customary charges. Annually, the three-member panel shall  
22 adopt schedules of maximum reimbursement allowances for  
23 physicians, hospital inpatient care, hospital outpatient care,  
24 ambulatory surgical centers, work-hardening programs, and pain  
25 programs. However, the maximum percentage of increase in the  
26 individual reimbursement allowance may not exceed the  
27 percentage of increase in the Consumer Price Index for the  
28 previous year. An individual physician, hospital, ambulatory  
29 surgical center, pain program, or work-hardening program shall  
30 be reimbursed either the usual and customary charge for  
31 treatment, care, and attendance, the agreed-upon contract

1 price, or the maximum reimbursement allowance in the  
2 appropriate schedule, whichever is less.

3 (b) As to reimbursement for a prescription medication,  
4 the reimbursement amount for a prescription shall be the  
5 average wholesale price times 1.2 plus \$4.18 for the  
6 dispensing fee, except where the carrier has contracted for a  
7 lower amount. Fees for pharmaceuticals and pharmaceutical  
8 services shall be reimbursable at the applicable fee schedule  
9 amount. Where the employer or carrier has contracted for such  
10 services and the employee elects to obtain them through a  
11 provider not a party to the contract, the carrier shall  
12 reimburse at the schedule, negotiated, or contract price,  
13 whichever is lower.

14 (c) Reimbursement for all fees and other charges for  
15 such treatment, care, and attendance, including treatment,  
16 care, and attendance provided by any hospital or other health  
17 care provider, ambulatory surgical center, work-hardening  
18 program, or pain program, must not exceed the amounts provided  
19 by the uniform schedule of maximum reimbursement allowances as  
20 determined by the panel or as otherwise provided in this  
21 section. This subsection also applies to independent medical  
22 examinations performed by health care providers under this  
23 chapter. Until the three-member panel approves a uniform  
24 schedule of maximum reimbursement allowances and it becomes  
25 effective, all compensable charges for treatment, care, and  
26 attendance provided by physicians, ambulatory surgical  
27 centers, work-hardening programs, or pain programs shall be  
28 reimbursed at the lowest maximum reimbursement allowance  
29 across all 1992 schedules of maximum reimbursement allowances  
30 for the services provided regardless of the place of service.  
31 In determining the uniform schedule, the panel shall first

1 approve the data which it finds representative of prevailing  
2 charges in the state for similar treatment, care, and  
3 attendance of injured persons. Each health care provider,  
4 health care facility, ambulatory surgical center,  
5 work-hardening program, or pain program receiving workers'  
6 compensation payments shall maintain records verifying their  
7 usual charges. In establishing the uniform schedule of maximum  
8 reimbursement allowances, the panel must consider:

9       1. The levels of reimbursement for similar treatment,  
10 care, and attendance made by other health care programs or  
11 third-party providers;

12       2. The impact upon cost to employers for providing a  
13 level of reimbursement for treatment, care, and attendance  
14 which will ensure the availability of treatment, care, and  
15 attendance required by injured workers;

16       3. The financial impact of the reimbursement  
17 allowances upon health care providers and health care  
18 facilities, including trauma centers as defined in s.  
19 395.4001, and its effect upon their ability to make available  
20 to injured workers such medically necessary remedial  
21 treatment, care, and attendance. The uniform schedule of  
22 maximum reimbursement allowances must be reasonable, must  
23 promote health care cost containment and efficiency with  
24 respect to the workers' compensation health care delivery  
25 system, and must be sufficient to ensure availability of such  
26 medically necessary remedial treatment, care, and attendance  
27 to injured workers; and

28       4. The most recent average maximum allowable rate of  
29 increase for hospitals determined by the Health Care Board  
30 under chapter 408.

31

1 (d) In addition to establishing the uniform schedule  
2 of maximum reimbursement allowances, the panel shall:

3 1. Take testimony, receive records, and collect data  
4 to evaluate the adequacy of the workers' compensation fee  
5 schedule, nationally recognized fee schedules and alternative  
6 methods of reimbursement to certified health care providers  
7 and health care facilities for inpatient and outpatient  
8 treatment and care.

9 2. Survey certified health care providers and health  
10 care facilities to determine the availability and  
11 accessibility of workers' compensation health care delivery  
12 systems for injured workers.

13 3. Survey carriers to determine the estimated impact  
14 on carrier costs and workers' compensation premium rates by  
15 implementing changes to the carrier reimbursement schedule or  
16 implementing alternative reimbursement methods.

17 4. Submit recommendations on or before January 1,  
18 2003, and biennially thereafter, to the President of the  
19 Senate and the Speaker of the House of Representatives on  
20 methods to improve the workers' compensation health care  
21 delivery system.

22

23 The agency and the department, as requested,~~division~~ shall  
24 provide data to the panel, including but not limited to,  
25 utilization trends in the workers' compensation health care  
26 delivery system. The agency ~~division~~ shall provide the panel  
27 with an annual report regarding the resolution of medical  
28 reimbursement disputes and any actions pursuant to s.  
29 440.13(8). The department ~~division~~ shall provide  
30 administrative support and service to the panel to the extent  
31 requested by the panel.

1           Section 476. Subsections (21), (23), and (24) of  
2 section 440.134, Florida Statutes, are amended to read:

3           440.134 Workers' compensation managed care  
4 arrangement.--

5           (21) Upon expiration of the suspension period, the  
6 insurer's authorization shall automatically be reinstated  
7 unless the agency finds that the causes of the suspension have  
8 not been rectified or that the insurer is otherwise not in  
9 compliance with the requirements of this chapter part. If not  
10 so automatically reinstated, the authorization shall be deemed  
11 to have expired as of the end of the suspension period.

12           (23) The agency shall immediately notify the office  
13 ~~department~~ whenever it issues an administrative complaint or  
14 an order or otherwise initiates legal proceedings resulting  
15 in, or which may result in, suspension or revocation of an  
16 insurer's authorization.

17           (24) Nothing in this chapter part shall be deemed to  
18 authorize any entity to transact any insurance business,  
19 assume risk, or otherwise engage in any other type of  
20 insurance unless it is authorized as an insurer or a health  
21 maintenance organization under a certificate of authority  
22 issued ~~by the Department of Insurance~~ under the provisions of  
23 the Florida Insurance Code.

24           Section 477. Paragraph (b) of subsection (5) of  
25 section 440.14, Florida Statutes, is amended to read:

26           440.14 Determination of pay.--

27           (5)

28           (b) The employee waives any entitlement to interest,  
29 penalties, and attorney's fees during the period in which the  
30 employee has not provided information concerning the loss of  
31 earnings from concurrent employment. Carriers are not subject

1 to penalties ~~by the division~~ under s. 440.20(8)(b) and (c) for  
2 unpaid compensation related to concurrent employment during  
3 the period in which the employee has not provided information  
4 concerning the loss of earnings from concurrent employment.

5 Section 478. Section 440.17, Florida Statutes, is  
6 amended to read:

7 440.17 Guardian for minor or incompetent.--Prior to  
8 the filing of a claim, the department ~~division~~, and after the  
9 filing of a claim, a judge of compensation claims, may require  
10 the appointment by a court of competent jurisdiction, for any  
11 person who is mentally incompetent or a minor, of a guardian  
12 or other representative to receive compensation payable to  
13 such person under this chapter and to exercise the powers  
14 granted to or to perform the duties required of such person  
15 under this chapter; however, the judge of compensation claims,  
16 in the judge of compensation claims' discretion, may designate  
17 in the compensation award a person to whom payment of  
18 compensation may be paid for a minor or incompetent, in which  
19 event payment to such designated person shall discharge all  
20 liability for such compensation.

21 Section 479. Paragraph (c) of subsection (8) and  
22 subsections (10), (15), (16), and (17) of section 440.20,  
23 Florida Statutes, are amended to read:

24 440.20 Time for payment of compensation; penalties for  
25 late payment.--

26 (8) In addition to any other penalties provided by  
27 this chapter for late payment, if any installment of  
28 compensation is not paid when it becomes due, the employer,  
29 carrier, or servicing agent shall pay interest thereon at the  
30 rate of 12 percent per year from the date the installment  
31 becomes due until it is paid, whether such installment is

1 payable without an order or under the terms of an order. The  
2 interest payment shall be the greater of the amount of  
3 interest due or \$5.

4 (c) In order to ensure carrier compliance under this  
5 chapter and provisions of the Florida Insurance Code, the  
6 office ~~department~~ shall monitor the performance of carriers by  
7 conducting market conduct examinations, as provided in s.  
8 624.3161, and conducting investigations, as provided in s.  
9 624.317. The department shall establish by rule minimum  
10 performance standards for carriers to ensure that a minimum of  
11 90 percent of all compensation benefits are timely paid. The  
12 department shall fine a carrier as provided in s.  
13 440.13(11)(b) up to \$50 for each late payment of compensation  
14 that is below the minimum 90 percent performance standard.  
15 This paragraph does not affect the imposition of any penalties  
16 or interest due to the claimant. If a carrier contracts with a  
17 servicing agent to fulfill its administrative responsibilities  
18 under this chapter, the payment practices of the servicing  
19 agent are deemed the payment practices of the carrier for the  
20 purpose of assessing penalties against the carrier.

21 (10) Whenever the department deems it advisable, it  
22 may require any employer to make a deposit with the Chief  
23 Financial Officer ~~Treasurer~~ to secure the prompt and  
24 convenient payments of such compensation; and payments  
25 therefrom upon any awards shall be made upon order of the  
26 department or judge of compensation claims.

27 (15)(a) The office ~~department~~ shall examine on an  
28 ongoing basis claims files in accordance with s. 624.3161 and  
29 may impose fines pursuant to s. 624.310(5) and this chapter in  
30 order to identify questionable claims-handling techniques,  
31 questionable patterns or practices of claims, or a pattern of

1 repeated unreasonably controverted claims by carriers, as  
2 defined in s. 440.02, providing services to employees pursuant  
3 to this chapter. If the office ~~department~~ finds such  
4 questionable techniques, patterns, or repeated unreasonably  
5 controverted claims as constitute a general business practice  
6 of a carrier, as defined in s. 440.02, the office ~~department~~  
7 shall take appropriate action so as to bring such general  
8 business practices to a halt pursuant to s. 440.38(3) or may  
9 impose penalties pursuant to s. 624.4211. The department and  
10 office may initiate investigations of questionable techniques,  
11 patterns, practices, or repeated unreasonably controverted  
12 claims. The Financial Services Commission ~~department~~ may by  
13 rule establish forms and procedures for corrective action  
14 plans and for auditing carriers.

15 (b) As to any examination, investigation, or hearing  
16 being conducted under this chapter, the department and office  
17 ~~Insurance Commissioner or his or her designee:~~

- 18 1. May administer oaths, examine and cross-examine  
19 witnesses, receive oral and documentary evidence; and  
20 2. Shall have the power to subpoena witnesses, compel  
21 their attendance and testimony, and require by subpoena the  
22 production of books, papers, records, files, correspondence,  
23 documents, or other evidence which is relevant to the inquiry.

24 (c) If any person refuses to comply with any such  
25 subpoena or to testify as to any matter concerning which she  
26 or he may be lawfully interrogated, the Circuit Court of Leon  
27 County or of the county wherein such examination,  
28 investigation, or hearing is being conducted, or of the county  
29 wherein such person resides, may, on the application of the  
30 department or the office, issue an order requiring such person  
31 to comply with the subpoena and to testify.

1 (d) Subpoenas shall be served, and proof of such  
2 service made, in the same manner as if issued by a circuit  
3 court. Witness fees, costs, and reasonable travel expenses, if  
4 claimed, shall be allowed the same as for testimony in a  
5 circuit court.

6 (e) The department shall publish annually a report  
7 which indicates the promptness of first payment of  
8 compensation records of each carrier or self-insurer so as to  
9 focus attention on those carriers or self-insurers with poor  
10 payment records for the preceding year. The department and the  
11 office shall take appropriate steps so as to cause such poor  
12 carrier payment practices to halt pursuant to s. 440.38(3). In  
13 addition, the department shall take appropriate action so as  
14 to halt such poor payment practices of self-insurers. "Poor  
15 payment practice" means a practice of late payment sufficient  
16 to constitute a general business practice.

17 (f) The Financial Services Commission, in consultation  
18 with the department, shall adopt promulgate rules providing  
19 guidelines to carriers, as defined in s. 440.02,  
20 self-insurers, and employers to indicate behavior that may be  
21 construed as questionable claims-handling techniques,  
22 questionable patterns of claims, repeated unreasonably  
23 controverted claims, or poor payment practices.

24 (16) No penalty assessed under this section may be  
25 recouped by any carrier or self-insurer in the rate base, the  
26 premium, or any rate filing. The office ~~Department of~~  
27 ~~Insurance~~ shall enforce this subsection.

28 (17) The Financial Services Commission ~~department~~ may  
29 by rule establish audit procedures and set standards for the  
30 Automated Carrier Performance System.

31

1           Section 480. Subsections (2) and (3) of section  
2 440.24, Florida Statutes, is amended to read:

3           440.24 Enforcement of compensation orders;  
4 penalties.--

5           (2) In any case where the employer is insured and the  
6 carrier fails to comply with any compensation order of a judge  
7 of compensation claims or court within 10 days after such  
8 order becomes final, the department shall notify the office of  
9 such failure and the office shall thereupon suspend the  
10 license of such carrier to do an insurance business in this  
11 state, until such carrier has complied with such order.

12           (3) In any case where the employer is a self-insurer  
13 and fails to comply with any compensation order of a judge of  
14 compensation claims or court within 10 days after such order  
15 becomes final, the department ~~of Insurance~~ may suspend or  
16 revoke any authorization previously given to the employer to  
17 be a self-insurer, and the Florida Self-Insurers Guaranty  
18 Association, Incorporated, may call or sue upon the surety  
19 bond or exercise its rights under the letter of credit  
20 deposited by the self-insurer with the association as a  
21 qualifying security deposit as may be necessary to satisfy the  
22 order.

23           Section 481. Subsections (1), (2), (3), and (4) of  
24 section 440.38, Florida Statutes, are amended to read:

25           440.38 Security for compensation; insurance carriers  
26 and self-insurers.--

27           (1) Every employer shall secure the payment of  
28 compensation under this chapter:

29           (a) By insuring and keeping insured the payment of  
30 such compensation with any stock company or mutual company or  
31

1 association or exchange, authorized to do business in the  
2 state;

3 (b) By furnishing satisfactory proof to the Florida  
4 Self-Insurers Guaranty Association, Incorporated, created in  
5 s. 440.385, that it has the financial strength necessary to  
6 ensure timely payment of all current and future claims  
7 individually and on behalf of its subsidiary and affiliated  
8 companies with employees in this state and receiving an  
9 authorization from the department ~~of Insurance~~ to pay such  
10 compensation directly. The association shall review the  
11 financial strength of applicants for membership, current  
12 members, and former members and make recommendations to the  
13 department ~~of Insurance~~ regarding their qualifications to  
14 self-insure in accordance with this section and ss. 440.385  
15 and 440.386. The department shall act in accordance with the  
16 recommendations unless it finds by clear and convincing  
17 evidence that the recommendations are erroneous.

18 1. As a condition of authorization under paragraph  
19 (a), the association may recommend that the department ~~of~~  
20 ~~Insurance~~ require an employer to deposit with the association  
21 a qualifying security deposit. The association shall recommend  
22 the type and amount of the qualifying security deposit and  
23 shall prescribe conditions for the qualifying security  
24 deposit, which shall include authorization for the association  
25 to call the qualifying security deposit in the case of default  
26 to pay compensation awards and related expenses of the  
27 association. As a condition to authorization to self-insure,  
28 the employer shall provide proof that the employer has  
29 provided for competent personnel with whom to deliver benefits  
30 and to provide a safe working environment. The employer shall  
31 also provide evidence that it carries reinsurance at levels

1 that will ensure the financial strength and actuarial  
2 soundness of such employer in accordance with rules adopted by  
3 the department ~~of Insurance~~. The department ~~of Insurance~~ may  
4 by rule require that, in the event of an individual  
5 self-insurer's insolvency, such qualifying security deposits  
6 and reinsurance policies are payable to the association. Any  
7 employer securing compensation in accordance with the  
8 provisions of this paragraph shall be known as a self-insurer  
9 and shall be classed as a carrier of her or his own insurance.  
10 The employer shall, if requested, provide the association an  
11 actuarial report signed by a member of the American Academy of  
12 Actuaries providing an opinion of the appropriate present  
13 value of the reserves, using a 4-percent discount rate, for  
14 current and future compensation claims. If any member or  
15 former member of the association refuses to timely provide  
16 such a report, the association may obtain an order from a  
17 circuit court requiring the member to produce such a report  
18 and ordering any other relief that the court determines is  
19 appropriate. The association may recover all reasonable costs  
20 and attorney's fees in such proceedings.

21         2. If the employer fails to maintain the foregoing  
22 requirements, the association shall recommend to the  
23 department ~~of Insurance~~ that the department revoke the  
24 employer's authority to self-insure, unless the employer  
25 provides to the association the certified opinion of an  
26 independent actuary who is a member of the American Academy of  
27 Actuaries as to the actuarial present value of the employer's  
28 determined and estimated future compensation payments based on  
29 cash reserves, using a 4-percent discount rate, and a  
30 qualifying security deposit equal to 1.5 times the value so  
31 certified. The employer shall thereafter annually provide such

1 a certified opinion until such time as the employer meets the  
2 requirements of subparagraph 1. The qualifying security  
3 deposit shall be adjusted at the time of each such annual  
4 report. Upon the failure of the employer to timely provide  
5 such opinion or to timely provide a security deposit in an  
6 amount equal to 1.5 times the value certified in the latest  
7 opinion, the association shall provide that information to the  
8 department ~~of Insurance~~ along with a recommendation, and the  
9 department ~~of Insurance~~ shall then revoke such employer's  
10 authorization to self-insure. Failure to comply with this  
11 subparagraph constitutes an immediate serious danger to the  
12 public health, safety, or welfare sufficient to justify the  
13 summary suspension of the employer's authorization to  
14 self-insure pursuant to s. 120.68.

15           3. Upon the suspension or revocation of the employer's  
16 authorization to self-insure, the employer shall provide to  
17 the association the certified opinion of an independent  
18 actuary who is a member of the American Academy of Actuaries  
19 of the actuarial present value of the determined and estimated  
20 future compensation payments of the employer for claims  
21 incurred while the member exercised the privilege of  
22 self-insurance, using a discount rate of 4 percent. The  
23 employer shall provide such an opinion at 6-month intervals  
24 thereafter until such time as the latest opinion shows no  
25 remaining value of claims. With each such opinion, the  
26 employer shall deposit with the association a qualifying  
27 security deposit in an amount equal to the value certified by  
28 the actuary. The association has a cause of action against an  
29 employer, and against any successor of the employer, who fails  
30 to timely provide such opinion or who fails to timely maintain  
31 the required security deposit with the association. The

1 association shall recover a judgment in the amount of the  
2 actuarial present value of the determined and estimated future  
3 compensation payments of the employer for claims incurred  
4 while the employer exercised the privilege of self-insurance,  
5 together with attorney's fees. For purposes of this section,  
6 the successor of an employer means any person, business  
7 entity, or group of persons or business entities, which holds  
8 or acquires legal or beneficial title to the majority of the  
9 assets or the majority of the shares of the employer.

10 4. A qualifying security deposit shall consist, at the  
11 option of the employer, of:

12 a. Surety bonds, in a form and containing such terms  
13 as prescribed by the association, issued by a corporation  
14 surety authorized to transact surety business by the  
15 department ~~of insurance~~, and whose policyholders' and  
16 financial ratings, as reported in A.M. Best's Insurance  
17 Reports, Property-Liability, are not less than "A" and "V",  
18 respectively.

19 b. Irrevocable letters of credit in favor of the  
20 association issued by financial institutions located within  
21 this state, the deposits of which are insured through the  
22 Federal Deposit Insurance Corporation.

23 5. The qualifying security deposit shall be held by  
24 the association exclusively for the benefit of workers'  
25 compensation claimants. The security shall not be subject to  
26 assignment, execution, attachment, or any legal process  
27 whatsoever, except as necessary to guarantee the payment of  
28 compensation under this chapter. No surety bond may be  
29 terminated, and no letter of credit may be allowed to expire,  
30 without 90 days' prior written notice to the association and  
31 deposit by the self-insuring employer of some other qualifying

1 security deposit of equal value within 10 business days after  
2 such notice. Failure to provide such written notice or failure  
3 to timely provide qualifying replacement security after such  
4 notice shall constitute grounds for the association to call or  
5 sue upon the surety bond or to exercise its rights under a  
6 letter of credit. Current self-insured employers must comply  
7 with this section on or before December 31, 2001, or upon the  
8 maturity of existing security deposits, whichever occurs  
9 later. The department ~~of Insurance~~ may specify by rule the  
10 amount of the qualifying security deposit required prior to  
11 authorizing an employer to self-insure and the amount of net  
12 worth required for an employer to qualify for authorization to  
13 self-insure;

14 (c) By entering into a contract with a public utility  
15 under an approved utility-provided self-insurance program as  
16 set forth in s. 624.46225 in effect as of July 1, 1983. The  
17 department ~~division~~ shall adopt rules to implement this  
18 paragraph;

19 (d) By entering into an interlocal agreement with  
20 other local governmental entities to create a local government  
21 pool pursuant to s. 624.4622; or

22 ~~(e) In accordance with s. 440.135, an employer, other~~  
23 ~~than a local government unit, may elect coverage under the~~  
24 ~~Workers' Compensation Law and retain the benefit of the~~  
25 ~~exclusiveness of liability provided in s. 440.11 by obtaining~~  
26 ~~a 24-hour health insurance policy from an authorized property~~  
27 ~~and casualty insurance carrier or an authorized life and~~  
28 ~~health insurance carrier, or by participating in a fully or~~  
29 ~~partially self-insured 24-hour health plan that is established~~  
30 ~~or maintained by or for two or more employers, so long as the~~  
31 ~~law of this state is not preempted by the Employee Retirement~~

1 ~~Income Security Act of 1974, Pub. L. No. 93-406, or any~~  
2 ~~amendment to that law, which policy or plan must provide, for~~  
3 ~~at least occupational injuries and illnesses, medical benefits~~  
4 ~~that are comparable to those required by this chapter. A local~~  
5 ~~government unit, as a single employer, in accordance with s.~~  
6 ~~440.135, may participate in the 24-hour health insurance~~  
7 ~~coverage plan referenced in this paragraph. Disputes and~~  
8 ~~remedies arising under policies issued under this section are~~  
9 ~~governed by the terms and conditions of the policies and under~~  
10 ~~the applicable provisions of the Florida Insurance Code and~~  
11 ~~rules adopted under the insurance code and other applicable~~  
12 ~~laws of this state. The 24-hour health insurance policy may~~  
13 ~~provide for health care by a health maintenance organization~~  
14 ~~or a preferred provider organization. The premium for such~~  
15 ~~24-hour health insurance policy shall be paid entirely by the~~  
16 ~~employer. The 24-hour health insurance policy may use~~  
17 ~~deductibles and coinsurance provisions that require the~~  
18 ~~employee to pay a portion of the actual medical care received~~  
19 ~~by the employee. If an employer obtains a 24-hour health~~  
20 ~~insurance policy or self-insured plan to secure payment of~~  
21 ~~compensation as to medical benefits, the employer must also~~  
22 ~~obtain an insurance policy or policies that provide indemnity~~  
23 ~~benefits as follows:~~

24       1. ~~If indemnity benefits are provided only for~~  
25 ~~occupational-related disability, such benefits must be~~  
26 ~~comparable to those required by this chapter.~~

27       2. ~~If indemnity benefits are provided for both~~  
28 ~~occupational-related and nonoccupational-related disability,~~  
29 ~~such benefits must be comparable to those required by this~~  
30 ~~chapter, except that they must be based on 60 percent of the~~  
31 ~~average weekly wages.~~

1           ~~3. The employer shall provide for each of its~~  
2 ~~employees life insurance with a death benefit of \$100,000.~~

3           ~~4. Policies providing coverage under this subsection~~  
4 ~~must use prescribed and acceptable underwriting standards,~~  
5 ~~forms, and policies approved by the Department of Insurance.~~  
6 ~~If any insurance policy that provides coverage under this~~  
7 ~~section is canceled, terminated, or nonrenewed for any reason,~~  
8 ~~the cancellation, termination, or nonrenewal is ineffective~~  
9 ~~until the self-insured employer or insurance carrier or~~  
10 ~~carriers notify the division and the Department of Insurance~~  
11 ~~of the cancellation, termination, or nonrenewal, and until the~~  
12 ~~division has actually received the notification. The division~~  
13 ~~must be notified of replacement coverage under a workers'~~  
14 ~~compensation and employer's liability insurance policy or plan~~  
15 ~~by the employer prior to the effective date of the~~  
16 ~~cancellation, termination, or nonrenewal; or~~

17           ~~(e)~~(f) By entering into a contract with an individual  
18 self-insurer under an approved individual  
19 self-insurer-provided self-insurance program as set forth in  
20 s. 624.46225. The department ~~division~~ may adopt rules to  
21 administer this subsection.

22           (2)(a) The department ~~of Insurance~~ shall adopt rules  
23 by which businesses may become qualified to provide  
24 underwriting claims-adjusting, loss control, and safety  
25 engineering services to self-insurers.

26           (b) The department ~~of Insurance~~ shall adopt rules  
27 requiring self-insurers to file any reports necessary to  
28 fulfill the requirements of this chapter. Any self-insurer  
29 who fails to file any report as prescribed by the rules  
30 adopted by the department ~~of Insurance~~ shall be subject to a  
31 civil penalty.

1           (3)(a) The license of any stock company or mutual  
2 company or association or exchange authorized to do insurance  
3 business in the state shall for good cause, upon  
4 recommendation of the department ~~division~~, be suspended or  
5 revoked by the office ~~Department of Insurance~~. No suspension  
6 or revocation shall affect the liability of any carrier  
7 already incurred.

8           (b) The department ~~of Insurance~~ shall suspend or  
9 revoke any authorization to a self-insurer for failure to  
10 comply with this section or for good cause, as defined by rule  
11 of the department ~~of Insurance~~. No suspension or revocation  
12 shall affect the liability of any self-insurer already  
13 incurred.

14           (c) Violation of s. 440.381 by a self-insurance fund  
15 shall result in the imposition of a fine not to exceed \$1,000  
16 per audit if the self-insurance fund fails to act on said  
17 audits by correcting errors in employee classification or  
18 accepted applications for coverage where it knew employee  
19 classifications were incorrect. Such fines shall be levied by  
20 the department ~~division~~ and deposited into the Workers'  
21 Compensation Administration Trust Fund.

22           (4)(a) A carrier of insurance, including the parties  
23 to any mutual, reciprocal, or other association, may not write  
24 any compensation insurance under this chapter without a  
25 certificate of authority ~~permit~~ from the office ~~Department of~~  
26 ~~Insurance~~. Such certificate of authority ~~permit~~ shall be  
27 given, upon application therefor, to any insurance or mutual  
28 or reciprocal insurance association upon the office's  
29 ~~department's~~ being satisfied of the solvency of such  
30 corporation or association and its ability to perform all its  
31 undertakings. The office ~~Department of Insurance~~ may revoke

1 any certificate of authority ~~permit~~ so issued for violation of  
2 any provision of this chapter.

3 (b) A carrier of insurance, including the parties to  
4 any mutual, reciprocal, or other association, may not write  
5 any compensation insurance under this chapter unless such  
6 carrier has a claims adjuster, either in-house or under  
7 contract, situated within this state. Self-insurers whose  
8 compensation payments are administered through a third party  
9 and carriers of insurance shall maintain a claims adjuster  
10 within this state during any period for which there are any  
11 open claims against such self-insurer or carrier arising under  
12 the compensation insurance written by the self-insurer or  
13 carrier. Individual self-insurers whose compensation payments  
14 are administered by employees of the self-insurer shall not be  
15 required to have their claims adjuster situated within this  
16 state. Individual self-insurers shall not be required to have  
17 their claims adjusters situated within this state.

18 Section 482. Subsections (1) and (3) of section  
19 440.381, Florida Statutes, are amended to read:

20 440.381 Application for coverage; reporting payroll;  
21 payroll audit procedures; penalties.--

22 (1) Applications by an employer to a carrier for  
23 coverage required by s. 440.38 must be made on a form  
24 prescribed by the Financial Services Commission ~~Department of~~  
25 ~~Insurance~~. The Financial Services Commission ~~Department of~~  
26 ~~Insurance~~ shall adopt rules for applications for coverage  
27 required by s. 440.38. The rules must provide that an  
28 application include information on the employer, the type of  
29 business, past and prospective payroll, estimated revenue,  
30 previous workers' compensation experience, employee  
31 classification, employee names, and any other information

1 necessary to enable a carrier to accurately underwrite the  
2 applicant. The rules must include a provision that a carrier  
3 or self-insurance fund may require that an employer update an  
4 application monthly to reflect any change in the required  
5 application information.

6           (3) The Financial Services Commission, in consultation  
7 with the department, shall establish by rule minimum  
8 requirements for audits of payroll and classifications in  
9 order to ensure that the appropriate premium is charged for  
10 workers' compensation coverage. The rules shall ensure that  
11 audits performed by both carriers and employers are adequate  
12 to provide that all sources of payments to employees,  
13 subcontractors, and independent contractors have been reviewed  
14 and that the accuracy of classification of employees has been  
15 verified. The rules shall provide that employers in all  
16 classes other than the construction class be audited not less  
17 frequently than biennially and may provide for more frequent  
18 audits of employers in specified classifications based on  
19 factors such as amount of premium, type of business, loss  
20 ratios, or other relevant factors. In no event shall employers  
21 in the construction class, generating more than the amount of  
22 premium required to be experience rated, be audited less than  
23 annually. The annual audits required for construction classes  
24 shall consist of physical onsite audits. Payroll verification  
25 audit rules must include, but need not be limited to, the use  
26 of state and federal reports of employee income, payroll and  
27 other accounting records, certificates of insurance maintained  
28 by subcontractors, and duties of employees. At the completion  
29 of an audit, the employer or officer of the corporation and  
30 the auditor must print and sign their names on the audit

31

1 document and attach proof of identification to the audit  
2 document.

3 Section 483. Section 440.385, Florida Statutes, is  
4 amended to read:

5 440.385 Florida Self-Insurers Guaranty Association,  
6 Incorporated.--

7 (1) CREATION OF ASSOCIATION.--

8 (a) There is created a nonprofit corporation to be  
9 known as the "Florida Self-Insurers Guaranty Association,  
10 Incorporated," hereinafter referred to as "the association."  
11 Upon incorporation of the association, all individual  
12 self-insurers as defined in ss. 440.02(23)(a) and  
13 440.38(1)(b), other than individual self-insurers which are  
14 public utilities or governmental entities, shall be members of  
15 the association as a condition of their authority to  
16 individually self-insure in this state. The association shall  
17 perform its functions under a plan of operation as established  
18 and approved under subsection (5) and shall exercise its  
19 powers and duties through a board of directors as established  
20 under subsection (2). The association shall have those powers  
21 granted or permitted corporations not for profit, as provided  
22 in chapter 617. The activities of the association shall be  
23 subject to review by the department ~~of Insurance~~. The  
24 department ~~of Insurance~~ shall have oversight responsibility as  
25 set forth in this section. The association is specifically  
26 authorized to enter into agreements with this state to perform  
27 specified services.

28 (b) A member may voluntarily withdraw from the  
29 association when the member voluntarily terminates the  
30 self-insurance privilege and pays all assessments due to the  
31 date of such termination. However, the withdrawing member

1 shall continue to be bound by the provisions of this section  
2 relating to the period of his or her membership and any claims  
3 charged pursuant thereto. The withdrawing member who is a  
4 member on or after January 1, 1991, shall also be required to  
5 provide to the association upon withdrawal, and at 12-month  
6 intervals thereafter, satisfactory proof, including, if  
7 requested by the association, a report of known and potential  
8 claims certified by a member of the American Academy of  
9 Actuaries, that it continues to meet the standards of s.  
10 440.38(1)(b)1. in relation to claims incurred while the  
11 withdrawing member exercised the privilege of self-insurance.  
12 Such reporting shall continue until the withdrawing member  
13 demonstrates to the association that there is no remaining  
14 value to claims incurred while the withdrawing member was  
15 self-insured. If a withdrawing member fails or refuses to  
16 timely provide an actuarial report to the association, the  
17 association may obtain an order from a circuit court requiring  
18 the member to produce such a report and ordering any other  
19 relief that the court determines appropriate. The association  
20 is entitled to recover all reasonable costs and attorney's  
21 fees expended in such proceedings. If during this reporting  
22 period the withdrawing member fails to meet the standards of  
23 s. 440.38(1)(b)1., the withdrawing member who is a member on  
24 or after January 1, 1991, shall thereupon, and at 6-month  
25 intervals thereafter, provide to the association the certified  
26 opinion of an independent actuary who is a member of the  
27 American Academy of Actuaries of the actuarial present value  
28 of the determined and estimated future compensation payments  
29 of the member for claims incurred while the member was a  
30 self-insurer, using a discount rate of 4 percent. With each  
31 such opinion, the withdrawing member shall deposit with the

1 association security in an amount equal to the value certified  
2 by the actuary and of a type that is acceptable for qualifying  
3 security deposits under s. 440.38(1)(b). The withdrawing  
4 member shall continue to provide such opinions and to provide  
5 such security until such time as the latest opinion shows no  
6 remaining value of claims. The association has a cause of  
7 action against a withdrawing member, and against any successor  
8 of a withdrawing member, who fails to timely provide the  
9 required opinion or who fails to maintain the required deposit  
10 with the association. The association shall be entitled to  
11 recover a judgment in the amount of the actuarial present  
12 value of the determined and estimated future compensation  
13 payments of the withdrawing member for claims incurred during  
14 the time that the withdrawing member exercised the privilege  
15 of self-insurance, together with reasonable attorney's fees.  
16 The association is also entitled to recover reasonable  
17 attorney's fees in any action to compel production of any  
18 actuarial report required by this section. For purposes of  
19 this section, the successor of a withdrawing member means any  
20 person, business entity, or group of persons or business  
21 entities, which holds or acquires legal or beneficial title to  
22 the majority of the assets or the majority of the shares of  
23 the withdrawing member.

24 (2) BOARD OF DIRECTORS.--The board of directors of the  
25 association shall consist of nine persons and shall be  
26 organized as established in the plan of operation. All board  
27 members shall be experienced in self-insurance in this state.  
28 Each director shall serve for a 4-year term and may be  
29 reappointed. Appointments after January 1, 2002, shall be  
30 made by the department ~~of Insurance~~ upon recommendation of  
31 members of the association. Any vacancy on the board shall be

1 filled for the remaining period of the term in the same manner  
2 as appointments other than initial appointments are made. Each  
3 director shall be reimbursed for expenses incurred in carrying  
4 out the duties of the board on behalf of the association.

5 (3) POWERS AND DUTIES.--

6 (a) Upon creation of the Insolvency Fund pursuant to  
7 the provisions of subsection (4), the association is obligated  
8 for payment of compensation under this chapter to insolvent  
9 members' employees resulting from incidents and injuries  
10 existing prior to the member becoming an insolvent member and  
11 from incidents and injuries occurring within 30 days after the  
12 member has become an insolvent member, provided the incidents  
13 giving rise to claims for compensation under this chapter  
14 occur during the year in which such insolvent member is a  
15 member of the guaranty fund and was assessable pursuant to the  
16 plan of operation, and provided the employee makes timely  
17 claim for such payments according to procedures set forth by a  
18 court of competent jurisdiction over the delinquency or  
19 bankruptcy proceedings of the insolvent member. Such  
20 obligation includes only that amount due the injured worker or  
21 workers of the insolvent member under this chapter. In no  
22 event is the association obligated to a claimant in an amount  
23 in excess of the obligation of the insolvent member. The  
24 association shall be deemed the insolvent employer for  
25 purposes of this chapter to the extent of its obligation on  
26 the covered claims and, to such extent, shall have all rights,  
27 duties, and obligations of the insolvent employer as if the  
28 employer had not become insolvent. However, in no event shall  
29 the association be liable for any penalties or interest.

30 (b) The association may:  
31

1           1. Employ or retain such persons as are necessary to  
2 handle claims and perform other duties of the association.

3           2. Borrow funds necessary to effect the purposes of  
4 this section in accord with the plan of operation.

5           3. Sue or be sued.

6           4. Negotiate and become a party to such contracts as  
7 are necessary to carry out the purposes of this section.

8           5. Purchase such reinsurance as is determined  
9 necessary pursuant to the plan of operation.

10          6. Review all applicants for membership in the  
11 association to determine whether the applicant is qualified  
12 for membership under the law. The association shall recommend  
13 to the department ~~of Insurance~~ that the application be  
14 accepted or rejected based on the criteria set forth in s.  
15 440.38(1)(b). The department ~~of Insurance~~ shall approve or  
16 disapprove the application as provided in paragraph (6)(a).

17          7. Collect and review financial information from  
18 employers and make recommendations to the department ~~of~~  
19 ~~Insurance~~ regarding the appropriate security deposit and  
20 reinsurance amounts necessary for an employer to demonstrate  
21 that it has the financial strength necessary to ensure the  
22 timely payment of all current and future claims. The  
23 association may audit and examine an employer to verify the  
24 financial strength of its current and former members. If the  
25 association determines that a current or former self-insured  
26 employer does not have the financial strength necessary to  
27 ensure the timely payment of all current and estimated future  
28 claims, the association may recommend to the department ~~of~~  
29 ~~Insurance~~ that the department:

30           a. Revoke the employer's self-insurance privilege.

31

1           b. Require the employer to provide a certified opinion  
2 of an independent actuary who is a member of the American  
3 Academy of Actuaries as to the actuarial present value of the  
4 employer's estimated current and future compensation payments,  
5 using a 4-percent discount rate.

6           c. Require an increase in the employer's security  
7 deposit in an amount determined by the association to be  
8 necessary to ensure payment of compensation claims. The  
9 department ~~of Insurance~~ shall act on such recommendations as  
10 provided in paragraph (6)(a). The association has a cause of  
11 action against an employer, and against any successor of an  
12 employer, who fails to provide an additional security deposit  
13 required by the department ~~of Insurance~~. The association  
14 shall file an action in circuit court to recover a judgment in  
15 the amount of the requested additional security deposit  
16 together with reasonable attorney's fees. For the purposes of  
17 this section, the successor of an employer is any person,  
18 business entity, or group of persons or business entities  
19 which holds or acquires legal or beneficial title to the  
20 majority of the assets or the majority of the shares of the  
21 employer.

22           8. Charge fees to any member of the association to  
23 cover the actual costs of examining the financial and safety  
24 conditions of that member.

25           9. Charge an applicant for membership in the  
26 association a fee sufficient to cover the actual costs of  
27 examining the financial condition of the applicant.

28           10. Implement any procedures necessary to ensure  
29 compliance with regulatory actions taken by the department ~~of~~  
30 ~~Insurance~~.

31

1           (c)1. To the extent necessary to secure funds for the  
2 payment of covered claims and also to pay the reasonable costs  
3 to administer them, the association, subject to approval by  
4 the department ~~of insurance~~, shall levy assessments based on  
5 the annual written premium each employer would have paid had  
6 the employer not been self-insured. Every assessment shall be  
7 made as a uniform percentage of the figure applicable to all  
8 individual self-insurers, provided that the assessment levied  
9 against any self-insurer in any one year shall not exceed 1  
10 percent of the annual written premium during the calendar year  
11 preceding the date of the assessment. Assessments shall be  
12 remitted to and administered by the board of directors in the  
13 manner specified by the approved plan. Each employer so  
14 assessed shall have at least 30 days' written notice as to the  
15 date the assessment is due and payable. The association shall  
16 levy assessments against any newly admitted member of the  
17 association so that the basis of contribution of any newly  
18 admitted member is the same as previously admitted members,  
19 provision for which shall be contained in the plan of  
20 operation.

21           2. If, in any one year, funds available from such  
22 assessments, together with funds previously raised, are not  
23 sufficient to make all the payments or reimbursements then  
24 owing, the funds available shall be prorated, and the unpaid  
25 portion shall be paid as soon thereafter as sufficient  
26 additional funds become available.

27           3. Funds may be allocated or paid from the Workers'  
28 Compensation Administration Trust Fund to contract with the  
29 association to perform services required by law. However, no  
30 state funds of any kind shall be allocated or paid to the  
31 association or any of its accounts for payment of covered

30 its performance of any other functions of the association. A  
31 delegation of powers or duties under this subsection shall

1 take effect only with the approval of both the board of  
2 directors and the department ~~of Insurance~~ and may be made only  
3 to a corporation, association, or organization which extends  
4 protection which is not substantially less favorable and  
5 effective than the protection provided by this section.

6 (6) POWERS AND DUTIES OF DEPARTMENT ~~OF INSURANCE~~.--The  
7 department ~~of Insurance~~ shall:

9 concerning whether current or former self-insured employers or

13 employer does not have the financial strength necessary to  
14 ensure the timely payment of all current and future claims and  
15 recommends action pursuant to paragraph (3)(b), the department  
16 shall take such action as necessary to order the employer to

3 self-insurers that are public utilities or governmental  
4 entities, and providing such calculated annual premium to the

6           6. Inspecting and auditing annually, if necessary, the

8 including individual self-insurers that are public utilities  
9 or governmental entities, in order to determine the wages paid  
10 by each individual self-insurer, the premium such individual  
11 self-insurer would have to pay if insured, and all payments of  
12 compensation made by such individual self-insurer during each  
13 prior period with the results of such audit provided to the  
14 department ~~division~~. For purposes of this section, the payroll

4 individual self-insurer, at such time and in accordance with  
5 such regulations as the department prescribes, reports  
6 relating to wages paid, the amount of premiums such individual  
7 self-insurer would have to pay if insured, and all payments of  
8 compensation made by such individual self-insurer during each  
9 prior period and to determine the amounts paid by each  
10 individual self-insurer and the amounts paid by all individual  
11 self-insurers during such period. For purposes of this  
12 section, the payroll records of each individual self-insurer  
13 shall be open to annual inspection and audit by the  
14 association and the department, or their authorized  
15 representative, during regular business hours, and if any

17 a deficiency in the amount reported to the association or in  
18 the amounts paid to the department ~~division~~ by an individual  
19 self-insurer for its assessment for the Workers' Compensation

24 employers and any other interested parties of the  
25 determination of insolvency and of their rights under this  
26 section. Such notification shall be by mail at the last known  
27 address thereof when available; but, if sufficient information

29 publication in a newspaper of general circulation shall be  
30 sufficient.  
31

1           (f) Suspend or revoke the authority of any member  
2 employer failing to pay an assessment when due or failing to  
3 comply with the plan of operation to self-insure in this  
4 state. As an alternative, the department may levy a fine on  
5 any member employer failing to pay an assessment when due.  
6 Such fine shall not exceed 5 percent of the unpaid assessment  
7 per month, except that no fine shall be less than \$100 per  
8 month.

9           (g) Revoke the designation of any servicing facility  
10 if the department finds that claims are being handled  
11 unsatisfactorily.

14 this section shall be deemed to have assigned his or her  
15 rights to the association to the extent of such recovery.  
16 Every claimant seeking the protection of this section shall  
17 cooperate with the association to the same extent as such  
18 person would have been required to cooperate with the  
19 insolvent member. The association shall have no cause of  
20 action against the employee of the insolvent member for any  
21 sums the association has paid out, except such causes of  
22 action as the insolvent member would have had if such sums had  
23 been paid by the insolvent member. In the case of an  
24 insolvent member operating on a plan with assessment  
25 liability, payments of claims by the association shall not  
26 operate to reduce the liability of the insolvent member to the  
27 receiver, liquidator, or statutory successor for unpaid  
28 assessments.

29           (b) The receiver, liquidator, or statutory successor  
30 of an insolvent member shall be bound by settlements of  
31 covered claims by the association or a similar organization in

2 claims priority against the assets of the insolvent member  
3 equal to that to which the claimant would have been entitled  
4 in the absence of this section. The expense of the association  
5 or similar organization in handling claims shall be accorded  
6 the same priority as the expenses of the liquidator.

7 (c) The association shall file periodically with the  
8 receiver or liquidator of the insolvent member statements of  
9 the covered claims paid by the association and estimates of  
10 anticipated claims on the association, which shall preserve

12 insolvent member.

13 (8) NOTIFICATION OF INSOLVENCIES.--To aid in the

11 association of all pending causes of action as to any covered  
12 claims arising from a judgment under any decision, verdict, or  
13 finding based on the default of the insolvent member. The  
14 association, either on its own behalf or on behalf of the  
15 insolvent member, may apply to have such judgment, order,  
16 decision, verdict, or finding set aside by the same court or  
17 administrator that made such judgment, order, decision,  
18 verdict, or finding and shall be permitted to defend against  
19 such claim on the merits. If requested by the association,  
20 the stay of proceedings may be shortened or waived.

21 (12) LIMITATION ON CERTAIN ACTIONS.--Notwithstanding  
22 any other provision of this chapter, a covered claim, as  
23 defined herein, with respect to which settlement is not  
24 effected and pursuant to which suit is not instituted against  
25 the insured of an insolvent member or the association within 1

15 or association should not have the relief sought. On the  
16 return of such order to show cause, and after a full hearing,  
17 the court shall either deny the application or grant the

21           (b) The office ~~department~~ shall conduct all  
22 examinations at a convenient location in this state unless the  
23 office ~~department~~ determines that it is more effective or  
24 cost-efficient to perform an examination at the licensee's  
25 out-of-state location. For an examination performed at the  
26 licensee's out-of-state location, the licensee shall pay the  
27 travel expense and per diem subsistence at the rate provided  
28 by law for up to thirty 8-hour days per year for each office

7 (1)(a) Except as otherwise provided by this section,  
8 information relative to an investigation or examination by the  
9 office ~~department~~ pursuant to this chapter, including any  
10 consumer complaint received by the office or the Department of  
11 Financial Services, is confidential and exempt from s.

13 or ceases to be active. The information compiled by the office

15 remain confidential and exempt from s. 119.07(1) after the  
16 office's ~~department's~~ investigation or examination is  
17 completed or ceases to be active if the office ~~department~~  
18 submits the information to any law enforcement or  
19 administrative agency for further investigation. Such  
20 information shall remain confidential and exempt from s.  
21 119.07(1) until that agency's investigation is completed or  
22 ceases to be active. For purposes of this section, an  
23 investigation or examination shall be considered "active" so  
24 long as the office ~~department~~ or any law enforcement or  
25 administrative agency is proceeding with reasonable dispatch  
26 and has a reasonable good faith belief that the investigation  
27 or examination may lead to the filing of an administrative,

29 grant of a license. This section shall not be construed to  
30 prohibit disclosure of information which is required by law to  
31 be filed with the office ~~department~~ and which, but for the

1 investigation or examination, would be subject to s.  
2 119.07(1).

3 (b) Except as necessary for the office ~~department~~ to  
4 enforce the provisions of this chapter, a consumer complaint  
5 and other information relative to an investigation or  
6 examination shall remain confidential and exempt from s.  
7 119.07(1) after the investigation or examination is completed  
8 or ceases to be active to the extent disclosure would:

9 1. Jeopardize the integrity of another active  
10 investigation or examination.

11 2. Reveal the name, address, telephone number, social  
12 security number, or any other identifying number or

18 or have been involved in an investigation or examination of  
19 such nature as to endanger their lives or physical safety or  
20 that of their families, then the home addresses, telephone  
21 numbers, places of employment, and photographs of such  
22 personnel, together with the home addresses, telephone  
23 numbers, photographs, and places of employment of spouses and  
24 children of such personnel and the names and locations of  
25 schools and day care facilities attended by the children of

27 (d) Nothing in this section shall be construed to  
28 prohibit the office ~~department~~ from providing information to  
29 any law enforcement or administrative agency. Any law  
30 enforcement or administrative agency receiving confidential  
31 information in connection with its official duties shall

1 maintain the confidentiality of the information so long as it  
2 would otherwise be confidential.

3 (e) All information obtained by the office ~~department~~  
4 from any person which is only made available to the office  
5 ~~department~~ on a confidential or similarly restricted basis  
6 shall be confidential and exempt from s. 119.07(1). This  
7 exemption shall not be construed to prohibit disclosure of  
8 information which is required by law to be filed with the  
9 office ~~department~~ or which is otherwise subject to s.  
10 119.07(1).

11 (2) If information subject to subsection (1) is  
12 offered in evidence in any administrative, civil, or criminal  
13 proceeding, the presiding officer may, in her or his  
14 discretion, prevent the disclosure of information which would  
15 be confidential pursuant to paragraph (1)(b).

16 (3) A privilege against civil liability is granted to  
17 a person who furnishes information or evidence to the office  
18 ~~department~~, unless such person acts in bad faith or with  
19 malice in providing such information or evidence.

20 Section 515. Section 494.0013, Florida Statutes, is  
21 amended to read:

26 of ss. 494.001-494.0077 or any rule of the commission or order  
27 of the office ~~department~~ issued under ss. 494.001-494.0077 to

31 due showing by the office ~~department~~, issue a subpoena or

1 subpoena duces tecum requiring the attendance of any witness  
2 and requiring the production of any books, accounts, records,  
3 or other documents and materials that appear necessary to the  
4 expeditious resolution of the application for injunction.

5 (3) In addition to all other means provided by law for  
6 the enforcement of any temporary restraining order, temporary  
7 injunction, or permanent injunction issued in any such court  
8 proceeding, the court has the power and jurisdiction, upon  
9 application of the office ~~department~~, to impound, and to  
10 appoint a receiver or administrator for, the property, assets,  
11 and business of the defendant, including, but not limited to,  
12 the books, records, documents, and papers appertaining  
13 thereto. Such receiver or administrator, when appointed and  
14 qualified, has all powers and duties as to custody,  
15 collection, administration, winding up, and liquidation of the  
16 property and business as are from time to time conferred upon  
17 him or her by the court. In any such action, the court may  
18 issue an order staying all pending suits and enjoining any  
19 further suits affecting the receiver's or administrator's  
20 custody or possession of the property, assets, and business,  
21 or the court, in its discretion and with the consent of the

15 497.131, Florida Statutes, are amended to read:

16 497.131 Disciplinary proceedings.--

17 (1) The department shall cause to be investigated any  
18 complaint which is filed before it if the complaint is in  
19 writing, signed by the complainant, and legally sufficient. A  
20 complaint is legally sufficient if it contains ultimate facts  
21 which show that a violation of this chapter, or of any rule  
22 promulgated by the department or board has occurred. In order  
23 to determine legal sufficiency, the department may require  
24 supporting information or documentation. The department may  
25 investigate or continue to investigate, and the department and  
26 the board may take appropriate final action on, a complaint  
27 even though the original complainant withdraws it or otherwise  
28 indicates her or his desire not to cause the complaint to be  
29 investigated or prosecuted to completion. The department may  
30 investigate an anonymous complaint if the complaint is in  
31 writing and is legally sufficient, if the alleged violation of

1 law or rules is substantial, and if the department has reason  
2 to believe, after preliminary inquiry, that the alleged  
3 violations in the complaint are true. The department may  
4 investigate a complaint made by a confidential informant if  
5 the complaint is legally sufficient, if the alleged violation  
6 of law or rule is substantial, and if the department has  
7 reason to believe, after preliminary inquiry, that the  
8 allegations of the complainant are true. The department may  
9 initiate an investigation if it has reasonable cause to  
10 believe that a person has violated a state statute, a rule of  
11 the department, or a rule of the board. When an investigation  
12 of any person is undertaken, the department shall promptly  
13 furnish to the person or her or his attorney a copy of the  
14 complaint or document which resulted in the initiation of the  
15 investigation. The person may submit a written response to  
16 the information contained in such complaint or document within  
17 20 days after service to the person of the complaint or  
18 document. The person's written response shall be considered  
19 by the probable cause panel. This right to respond shall not  
20 prohibit the department from issuing a summary emergency order  
21 if necessary to protect the public. However, if the Chief  
22 Financial Officer ~~Comptroller~~ or her or his designee and the  
23 chair of the board or the chair of its probable cause panel  
24 agree in writing that such notification would be detrimental  
25 to the investigation, the department may withhold  
26 notification. The department may conduct an investigation  
27 without notification to any person if the act under  
28 investigation is a criminal offense.

29 (4) The determination as to whether probable cause  
30 exists shall be made by majority vote of the probable cause  
31 panel of the board. The board shall provide, by rule, that the

1 determination of probable cause shall be made by a panel of  
2 its members or by the department. The board may provide, by  
3 rule, for multiple probable cause panels composed of at least  
4 two members. The board may provide, by rule, that one or more  
5 members of the panel or panels may be a former board member.  
6 The length of term or repetition of service of any such former  
7 board member on a probable cause panel may vary according to  
8 the direction of the board when authorized by board rule. Any  
9 probable cause panel must include one of the board's former or  
10 present consumer members, if one is available, willing to  
11 serve, and is authorized to do so by the board chair. Any  
12 probable cause panel must include a present board member. Any  
13 probable cause panel must include a former or present  
14 professional board member. However, any former professional  
15 board member serving on the probable cause panel must hold an  
16 active valid license for that profession. All probable cause  
17 proceedings conducted pursuant to the provisions of this  
18 section are exempt from the provisions of s. 286.011 and s.  
19 24(b), Art. I of the State Constitution. The probable cause  
20 panel may make a reasonable request, and upon such request the  
21 department shall provide such additional investigative  
22 information as is necessary to the determination of probable  
23 cause. A request for additional investigative information  
24 shall be made within 15 days from the date of receipt by the  
25 probable cause panel of the investigative report of the  
26 department. The probable cause panel shall make its  
27 determination of probable cause within 30 days after receipt  
28 by it of the final investigative report of the department. The  
29 Chief Financial Officer ~~Comptroller~~ may grant extensions of  
30 the 15-day and the 30-day time limits. If the probable cause  
31 panel does not find probable cause within the 30-day time

1 limit, as may be extended, or if the probable cause panel  
2 finds no probable cause, the department may determine, within  
3 10 days after the panel fails to determine probable cause or  
4 10 days after the time limit has elapsed, that probable cause  
5 exists. If the probable cause panel finds that probable cause  
6 exists, it shall direct the department to file a formal  
7 complaint against the licensee. The department shall follow  
8 the directions of the probable cause panel regarding the  
9 filing of a formal complaint. If directed to do so, the  
10 department shall file a formal complaint against the subject  
11 of the investigation and prosecute that complaint pursuant to  
12 the provisions of chapter 120. However, the department may  
13 decide not to prosecute the complaint if it finds that  
14 probable cause had been improvidently found by the panel. In  
15 such cases, the department shall refer the matter to the  
16 board. The board may then file a formal complaint and  
17 prosecute the complaint pursuant to the provisions of chapter  
18 120. The department shall also refer to the board any  
19 investigation or disciplinary proceeding not before the  
20 Division of Administrative Hearings pursuant to chapter 120 or  
21 otherwise completed by the department within 1 year after the  
22 filing of a complaint. A probable cause panel or the board may  
23 retain independent legal counsel, employ investigators, and  
24 continue the investigation as it deems necessary; all costs  
25 thereof shall be paid from the department's Regulatory Trust  
26 Fund. All proceedings of the probable cause panel shall be  
27 exempt from the provisions of s. 120.525.

28 (8) Any proceeding for the purpose of summary  
29 suspension of a license, or for the restriction of a license,  
30 of a licensee pursuant to s. 120.60(6) shall be conducted by  
31

1 the Chief Financial Officer ~~Comptroller~~ or her or his  
2 designee, who shall issue the final summary order.

10 ~~regulation~~ establish the rate for each day in a fraction of a

22 shall issue the license for a period not to exceed 2 years.  
23 Biennial licensure periods and procedures for renewal of  
24 licenses shall be established by the rule of the commission  
25 ~~department~~. If the office ~~department~~ determines that grounds  
26 exist under this chapter for denial of an application other  
27 than an application to renew a license, it shall deny such  
28 application, return to the applicant the sum paid as a license  
29 fee, and retain the investigation fee.

30 (2) A license that is not renewed at the end of the

8 making loans under this chapter may be maintained under one  
9 license, but the office ~~department~~ may issue additional

29 the place of business within 10 days after the office's  
30 ~~department's~~ receipt of an application for a permanent  
31 license. Issuance of a temporary license for a place of

1 business nullifies the existing license for the place of  
2 business, and the temporary licensee is subject to any  
3 disciplinary action provided for by this chapter.

4 (7) Licenses are not transferable or assignable. A  
5 licensee may invalidate any license by delivering it to the

11 initial application for a license if the applicant or any

14 prosecution in any jurisdiction until conclusion of such  
15 criminal prosecution.

16 (9) A licensee that is the subject of a voluntary or

22 ~~required to~~, adopt from time to time, but only after a finding  
23 by the office ~~department~~ that the application of the

27 involved or the limited character of the offering. In  
28 conjunction with its adoption of such rules, the commission  
29 ~~department~~ may also provide in such rules that persons selling  
30 or offering for sale the exempted securities are exempt from  
31 the registration requirements of s. 517.12. No rule so

20 by, the broker-dealer as an underwriter of the security;

22 designated by rule of the commission or order of the office

10           (7) If upon examination of any application the office  
11 ~~department~~ shall find that the sale of the security referred  
12 to therein would not be fraudulent and would not work or tend  
13 to work a fraud upon the purchaser, that the terms of the sale  
14 of such securities would be fair, just, and equitable, and  
15 that the enterprise or business of the issuer is not based  
16 upon unsound business principles, it shall record the

30 or such other securities as the commission ~~department~~  
31 describes by rule as exempt from this subsection due to high

1 investment quality, the provisions of this section may not be  
2 used to register securities if the offering price at the time  
3 of effectiveness with the Securities and Exchange Commission  
4 is \$5 or less per share, unless such securities are listed or  
5 designated, or approved for listing or designation upon notice  
6 of issuance, on a stock exchange registered pursuant to the  
7 Securities Exchange Act of 1934 or on the National Association  
8 of Securities Dealers Automated Quotation (NASDAQ) System, or  
9 unless such securities are of the same issuer and of senior or  
10 substantially equal rank to securities so listed or

20 require such balance sheet or income statement, or both, to be  
21 made more specific in such particulars as the office  
22 ~~department~~ may require.

23 (2) If any issuer shall refuse to permit an

13 (c) The applicant's proposed method of doing business  
14 and financial condition and history, including a certified  
15 financial statement showing all assets and all liabilities,  
16 including contingent liabilities of the applicant as of a date  
17 not more than 90 days prior to the filing of the application.

18 (d) The names and addresses of all associated persons  
19 of the applicant to be employed in this state and the offices  
20 to which they will be assigned.

21 (7) The application shall also contain such  
22 information as the commission or office ~~department~~ may require  
23 about the applicant; any partner, officer, or director of the  
24 applicant or any person having a similar status or performing  
25 similar functions; any person directly or indirectly  
26 controlling the applicant; or any employee of a dealer or of  
27 an investment adviser rendering investment advisory services.  
28 Each applicant shall file a complete set of fingerprints taken  
29 by an authorized law enforcement officer. Such fingerprints  
30 shall be submitted to the Department of Law Enforcement or the  
31 Federal Bureau of Investigation for state and federal

1 processing. The commission ~~department~~ may waive, by rule, the  
2 requirement that applicants must file a set of fingerprints or  
3 the requirement that such fingerprints must be processed by  
4 the Department of Law Enforcement or the Federal Bureau of  
5 Investigation. The commission or office ~~department~~ may  
6 require information about any such applicant or person  
7 concerning such matters as:

8 (a) His or her full name, and any other names by which  
9 he or she may have been known, and his or her age, photograph,  
10 qualifications, and educational and business history.

11 (b) Any injunction or administrative order by a state  
12 or federal agency, national securities exchange, or national  
13 securities association involving a security or any aspect of  
14 the securities business and any injunction or administrative  
15 order by a state or federal agency regulating banking,  
16 insurance, finance, or small loan companies, real estate,  
17 mortgage brokers, or other related or similar industries,  
18 which injunctions or administrative orders relate to such  
19 person.

20 (c) His or her conviction of, or plea of nolo  
21 contendere to, a criminal offense or his or her commission of  
22 any acts which would be grounds for refusal of an application  
23 under s. 517.161.

24 (d) The names and addresses of other persons of whom  
25 the office ~~department~~ may inquire as to his or her character,  
26 reputation, and financial responsibility.

27 (8) The commission or office ~~department~~ may require  
28 the applicant or one or more principals or general partners,  
29 or natural persons exercising similar functions, or any  
30 associated person applicant to successfully pass oral or  
31 written examinations. Because any principal, manager,

1 supervisor, or person exercising similar functions shall be  
2 responsible for the acts of the associated persons affiliated  
3 with a dealer or investment adviser, the examination standards  
4 may be higher for a dealer, office manager, principal, or  
5 person exercising similar functions than for a nonsupervisory  
6 associated person. The commission ~~department~~ may waive the  
7 examination process when it determines that such examinations  
8 are not in the public interest. The office ~~department~~ shall  
9 waive the examination requirements for any person who has  
10 passed any tests as prescribed in s. 15(b)(7) of the  
11 Securities Exchange Act of 1934 that relates to the position  
12 to be filled by the applicant.

13 (9)(a) All dealers, except securities dealers who are  
14 designated by the Federal Reserve Bank of New York as primary  
15 government securities dealers or securities dealers registered  
16 as issuers of securities, shall comply with the net capital  
17 and ratio requirements imposed pursuant to the Securities  
18 Exchange Act of 1934. The commission ~~department~~ may by rule  
19 require a dealer to file with the office ~~department~~ any  
20 financial or operational information that is required to be  
21 filed by the Securities Exchange Act of 1934 or any rules  
22 adopted under such act.

23 (b) The commission ~~department~~ may by rule require the  
24 maintenance of a minimum net capital for securities dealers  
25 who are designated by the Federal Reserve Bank of New York as  
26 primary government securities dealers and securities dealers  
27 registered as issuers of securities and investment advisers,  
28 or prescribe a ratio between net capital and aggregate  
29 indebtedness, to assure adequate protection for the investing  
30 public. The provisions of this section shall not apply to any  
31 investment adviser that maintains its principal place of

1 business in a state other than this state, provided such  
2 investment adviser is registered in the state where it  
3 maintains its principal place of business and is in compliance  
4 with such state's net capital requirements.

5 (10) An applicant for registration shall pay an  
6 assessment fee of \$200, in the case of a dealer or investment  
7 adviser, or \$40, in the case of an associated person. The  
8 assessment fee of an associated person shall be reduced to  
9 \$30, but only after the office department determines, by final  
10 order, that sufficient funds have been allocated to the  
11 Securities Guaranty Fund pursuant to s. 517.1203 to satisfy  
12 all valid claims filed in accordance with s. 517.1203(2) and  
13 after all amounts payable under any service contract entered  
14 into by the office department pursuant to s. 517.1204, and all  
15 notes, bonds, certificates of indebtedness, other obligations,  
16 or evidences of indebtedness secured by such notes, bonds,  
17 certificates of indebtedness, or other obligations, have been  
18 paid or provision has been made for the payment of such  
19 amounts, notes, bonds, certificates of indebtedness, other  
20 obligations, or evidences of indebtedness. An associated  
21 person not having current fingerprint cards filed with the  
22 National Association of Securities Dealers or a national  
23 securities exchange registered with the Securities and  
24 Exchange Commission shall be assessed an additional fee to  
25 cover the cost for said fingerprint cards to be processed by  
26 the office department. Such fee shall be determined by rule  
27 of the commission department. Each dealer and each investment  
28 adviser shall pay an assessment fee of \$100 for each office in  
29 this state, except its designated principal office. Such fees  
30 become the revenue of the state, except for those assessments  
31 provided for under s. 517.131(1) until such time as the

1 Securities Guaranty Fund satisfies the statutory limits, and  
2 are not returnable in the event that registration is withdrawn  
3 or not granted.

4 (11) If the office ~~department~~ finds that the applicant  
5 is of good repute and character and has complied with the  
6 provisions of this chapter and the rules made pursuant hereto,  
7 it shall register the applicant. The registration of each  
8 dealer, investment adviser, and associated person will expire  
9 on December 31, and the registration of each branch office  
10 will expire on March 31, of the year in which it became  
11 effective unless the registrant has renewed its registration  
12 on or before that date. Registration may be renewed by  
13 furnishing such information as the commission ~~department~~ may  
14 require, together with payment of the fee required in  
15 subsection (10) for dealers, investment advisers, associated  
16 persons, or branch offices and the payment of any amount  
17 lawfully due and owing to the office ~~department~~ pursuant to  
18 any order of the office ~~department~~ or pursuant to any  
19 agreement with the office ~~department~~. Any dealer, investment  
20 adviser, or associated person registrant who has not renewed a  
21 registration by the time the current registration expires may  
22 request reinstatement of such registration by filing with the  
23 office ~~department~~, on or before January 31 of the year  
24 following the year of expiration, such information as may be  
25 required by the commission ~~department~~, together with payment  
26 of the fee required in subsection (10) for dealers, investment  
27 advisers, or associated persons and a late fee equal to the  
28 amount of such fee. Any reinstatement of registration granted  
29 by the office ~~department~~ during the month of January shall be  
30 deemed effective retroactive to January 1 of that year.

31

1           (12)(a) The office ~~department~~ may issue a license to a  
2 dealer, investment adviser, associated person, or branch  
3 office to evidence registration under this chapter. The  
4 office ~~department~~ may require the return to the office  
5 ~~department~~ of any license it may issue prior to issuing a new  
6 license.

7           (b) Every dealer, investment adviser, or federal  
8 covered adviser shall promptly file with the office  
9 ~~department~~, as prescribed by rules adopted by the commission  
10 ~~department~~, notice as to the termination of employment of any  
11 associated person registered for such dealer or investment  
12 adviser in this state and shall also furnish the reason or  
13 reasons for such termination.

14           (c) Each dealer or investment adviser shall designate  
15 in writing to, and register with, the office ~~department~~ a  
16 manager for each office the dealer or investment adviser has  
17 in this state.

18           (13) Changes in registration occasioned by changes in  
19 personnel of a partnership or in the principals, copartners,  
20 officers, or directors of any dealer or investment adviser or  
21 by changes of any material fact or method of doing business  
22 shall be reported by written amendment in such form and at  
23 such time as the commission ~~department~~ may specify. In any  
24 case in which a person or a group of persons, directly or  
25 indirectly or acting by or through one or more persons,  
26 proposes to purchase or acquire a controlling interest in a  
27 registered dealer or investment adviser, such person or group  
28 shall submit an initial application for registration as a  
29 dealer or investment adviser prior to such purchase or  
30 acquisition. The commission ~~department~~ shall adopt rules  
31 providing for waiver of the application required by this

1 subsection where control of a registered dealer or investment  
2 adviser is to be acquired by another dealer or investment  
3 adviser registered under this chapter or where the application  
4 is otherwise unnecessary in the public interest.

5 (14) Every dealer, investment adviser, or branch  
6 office registered or required to be registered with the office  
7 ~~department~~ shall keep records of all currency transactions in  
8 excess of \$10,000 and shall file reports, as prescribed under  
9 the financial recordkeeping regulations in 31 C.F.R. part 103,  
10 with the office ~~department~~ when transactions occur in or from  
11 this state. All reports required by this subsection to be  
12 filed with the office ~~department~~ shall be confidential and  
13 exempt from s. 119.07(1) except that any law enforcement  
14 agency or the Department of Revenue shall have access to, and  
15 shall be authorized to inspect and copy, such reports.

16 (15) In lieu of filing with the office ~~department~~ the  
17 applications specified in subsection (6), the fees required by  
18 subsection (10), and the termination notices required by  
19 subsection (12), the commission ~~department~~ may by rule  
20 establish procedures for the deposit of such fees and  
21 documents with the Central Registration Depository of the  
22 National Association of Securities Dealers, Inc., as developed  
23 under contract with the North American Securities  
24 Administrators Association, Inc.; provided, however, that such  
25 procedures shall provide the office ~~department~~ with the  
26 information and data as required by this section.

27 (16) Except for securities dealers who are designated  
28 by the Federal Reserve Bank of New York as primary government  
29 securities dealers or securities dealers registered as issuers  
30 of securities, every applicant for initial or renewal  
31 registration as a securities dealer and every person

1 registered as a securities dealer shall be registered as a  
2 broker or dealer with the Securities and Exchange Commission  
3 and shall be subject to insurance coverage by the Securities  
4 Investor Protection Corporation.

5 (17)(a) A dealer that is located in Canada and has no  
6 office or other physical presence in this state may, provided  
7 the dealer is registered in accordance with this section,  
8 effect transactions in securities with or for, or induce or  
9 attempt to induce the purchase or sale of any security by:

10 1. A person from Canada who temporarily resides in  
11 this state and with whom the Canadian dealer had a bona fide  
12 dealer-client relationship before the person entered the  
13 United States; or

14 2. A person from Canada who is a resident of this  
15 state, and whose transactions are in a self-directed tax  
16 advantage retirement plan in Canada of which the person is the  
17 holder or contributor.

18 (b) An associated person who represents a Canadian  
19 dealer registered under this section may, provided the agent  
20 is registered in accordance with this section, effect  
21 transactions in securities in this state as permitted for a  
22 dealer, under subsection (a).

23 (c) A Canadian dealer may register under this section  
24 provided that such dealer:

25 1. Files an application in the form required by the  
26 jurisdiction in which the dealer has a head office.

27 2. Files a consent to service of process.

28 3. Is registered as a dealer in good standing in the  
29 jurisdiction from which it is effecting transactions into this  
30 state and files evidence of such registration with the office  
31 ~~department~~.

1           4. Is a member of a self-regulatory organization or  
2 stock exchange in Canada.

3           (d) An associated person who represents a Canadian  
4 dealer registered under this section in effecting transactions  
5 in securities in this state may register under this section  
6 provided that such person:

7           1. Files an application in the form required by the  
8 jurisdiction in which the dealer has its head office.

9           2. Is registered in good standing in the jurisdiction  
10 from which he or she is effecting transactions into this state  
11 and files evidence of such registration with the office  
12 ~~department~~.

13           (e) If the office ~~department~~ finds that the applicant  
14 is of good repute and character and has complied with the  
15 provisions of this chapter, the office ~~department~~ shall  
16 register the applicant.

17           (f) A Canadian dealer registered under this section  
18 shall:

19           1. Maintain its provincial or territorial registration  
20 and its membership in a self-regulatory organization or stock  
21 exchange in good standing.

22           2. Provide the office ~~department~~ upon request with its  
23 books and records relating to its business in this state as a  
24 dealer.

25           3. Provide the office ~~department~~ notice of each civil,  
26 criminal, or administrative action initiated against the  
27 dealer.

28           4. Disclose to its clients in this state that the  
29 dealer and its agents are not subject to the full regulatory  
30 requirements under this chapter.

31

1           5. Correct any inaccurate information within 30 days,  
2 if the information contained in the application form becomes  
3 inaccurate for any reason before or after the dealer becomes  
4 registered.

5           (g) An associated person of a Canadian dealer  
6 registered under this section shall:

7           1. Maintain provincial or territorial registration in  
8 good standing.

9           2. Provide the office ~~department~~ with notice of each  
10 civil, criminal, or administrative action initiated against  
11 such person.

12           3. Through the dealer, correct any inaccurate  
13 information within 30 days, if the information contained in  
14 the application form becomes inaccurate for any reason before  
15 or after the associated person becomes registered.

16           (h) Renewal applications for Canadian dealers and  
17 associated persons under this section must be filed before  
18 December 31 each year. Every applicant for registration or  
19 renewal registration under this section shall pay the fee for  
20 dealers and associated persons under this chapter.

21           (18) Every dealer or associated person registered or  
22 required to be registered with the office ~~department~~ shall  
23 satisfy any continuing education requirements established by  
24 rule pursuant to law.

25           (19) The registration requirements of this section  
26 which apply to investment advisers and associated persons do  
27 not apply to a commodity trading adviser who:

28           (a) Is registered as such with the Commodity Futures  
29 Trading Commission pursuant to the Commodity Exchange Act.

30           (b) Advises or exercises trading discretion, with  
31 respect to foreign currency options listed and traded

4  
5 The exemption provided in this subsection does not apply to a  
6 commodity trading adviser who engages in other activities that  
7 require registration under this chapter.

8 (20) The registration requirements of this section do  
9 not apply to any general lines insurance agent or life  
10 insurance agent licensed under chapter 626 individuals  
11 ~~licensed under s. 626.041 or its successor statute, or s.~~  
12 ~~626.051 or its successor statute,~~ for the sale of a security  
13 as defined in s. 517.021(20)(g)~~s. 517.021(19)(g)~~, if the  
14 individual is directly authorized by the issuer to offer or  
15 sell the security on behalf of the issuer and the issuer is a  
16 federally chartered savings bank subject to regulation by the  
17 Federal Deposit Insurance Corporation. Actions under this  
18 subsection shall constitute activity under the insurance  
19 agent's license for purposes of ss. 626.611 and 626.621.

20 Section 592. Section 517.1201, Florida Statutes, is  
21 amended to read:

22 517.1201 Notice filing requirements for federal  
23 covered advisers.--

24 (1) It is unlawful for a person to transact business  
25 in this state as a federal covered adviser unless such person  
26 has made a notice filing with the office ~~department~~. A notice  
27 filing under this section shall consist of a copy of those  
28 documents that have been filed or are required to be filed by  
29 the federal covered adviser with the Securities and Exchange  
30 Commission that the Financial Services Commission ~~department~~  
31 by rule requires to be filed, together with a consent to

1 service of process and a filing fee of \$200. The commission  
2 ~~department~~ may establish by rule procedures for the deposit of  
3 fees and the filing of documents to be made through electronic  
4 means, if the procedures provide to the office ~~department~~ the  
5 information and data required by this section.

6 (2) A notice filing shall be effective upon receipt.  
7 A notice filing shall expire on December 31 of the year in  
8 which the filing became effective unless the federal covered  
9 adviser has renewed the filing on or before that date. A  
10 federal covered adviser may renew a notice filing by  
11 furnishing to the office ~~department~~ such information that has  
12 been filed or is required to be filed with the Securities and  
13 Exchange Commission, as the Financial Services Commission or  
14 office ~~department~~ may require, together with a renewal fee of  
15 \$200 and the payment of any amount due and owing the office  
16 ~~department~~ pursuant to any agreement with the office  
17 ~~department~~. Any federal covered adviser who has not renewed a  
18 notice filing by the time a current notice filing expires may  
19 request reinstatement of such notice filing by filing with the  
20 office ~~department~~, on or before January 31 of the year  
21 following the year the notice filing expires, such information  
22 that has been filed or is required to be filed with the  
23 Securities and Exchange Commission as may be required by the  
24 Financial Services Commission or office ~~department~~, together  
25 with the payment of \$200 and a late fee equal to \$200. Any  
26 reinstatement of a notice filing granted by the office  
27 ~~department~~ during the month of January shall be deemed  
28 effective retroactive to January 1 of that year.

29 (3) The commission ~~department~~ may require, by rule, a  
30 federal covered adviser who has made a notice filing pursuant  
31 to this section to file with the office ~~department~~ copies of

1 any amendments filed or required to be filed with the  
2 Securities and Exchange Commission.

3 (4) The office ~~department~~ may issue a permit to  
4 evidence the effectiveness of a notice filing for a federal  
5 covered adviser.

6 (5) A notice filing may be terminated by filing notice  
7 of such termination with the office ~~department~~. Unless  
8 another date is specified by the federal covered adviser, such  
9 notice shall be effective upon its receipt by the office  
10 ~~department~~.

11 (6) All fees collected under this section become the  
12 revenue of the state, except for those assessments provided  
13 for under s. 517.131(1) until such time as the Securities  
14 Guaranty Fund satisfies the statutory limits, and are not  
15 returnable in the event that a notice filing is withdrawn.

16 Section 593. Section 517.1203, Florida Statutes, is  
17 amended to read:

18 517.1203 Allocation and disbursement of assessment  
19 fees.--

20 (1) Notwithstanding s. 517.131(1), an additional  
21 amount equal to 25 percent of all revenues received as  
22 assessment fees pursuant to s. 517.12(10) and (11) from  
23 persons applying for or renewing registrations as associated  
24 persons shall be allocated to the Securities Guaranty Fund and  
25 disbursed as provided in this section. This allocation shall  
26 continue until the office ~~department~~ determines, by final  
27 order, that sufficient funds have been allocated to the  
28 Securities Guaranty Fund pursuant to this section to satisfy  
29 all valid claims filed in accordance with subsection (2) and  
30 until all amounts payable under any service contract entered  
31 into by the office ~~department~~ pursuant to s. 517.1204, and all

1 notes, bonds, certificates of indebtedness, other obligations,  
2 or evidences of indebtedness secured by such notes, bonds,  
3 certificates of indebtedness, or other obligations, have been  
4 paid or provision has been made for the payment of such  
5 amounts, notes, bonds, certificates of indebtedness, other  
6 obligations, or evidences of indebtedness. This assessment fee  
7 shall be part of the regular license fee and shall be  
8 transferred to or deposited into the Securities Guaranty Fund.  
9 The moneys allocated to the Securities Guaranty Fund under  
10 this section shall not be included in the calculation of the  
11 allocation of the assessment fees referred to in s.  
12 517.131(1)(b). Moneys allocated under this section in excess  
13 of the valid claims filed pursuant to subsection (2) shall be  
14 allocated to the Anti-Fraud Trust Fund.

15 (2)(a) Notwithstanding the provisions of ss. 517.131  
16 and 517.141, moneys allocated to the Securities Guaranty Fund  
17 under this section shall be used to pay amounts payable under  
18 any service contract entered into by the office ~~department~~  
19 pursuant to s. 517.1204, subject to annual appropriation by  
20 the Legislature, and to pay investors who have filed claims  
21 with the Department of Banking and Finance after October 1,  
22 1996, and on or before December 31, 1998, who have:

23 1. Received a final judgment against an associated  
24 person of GIC Government Securities, Inc., based upon  
25 allegations which would amount to a violation of s. 517.07 or  
26 s. 517.301; or

27 2. Demonstrated to the former Department of Banking  
28 and Finance or office that the claimant has suffered monetary  
29 damages as a result of the acts or actions of GIC Government  
30 Securities, Inc., or any associated person thereof, based upon  
31

1 allegations which would amount to a violation of s. 517.07 or  
2 s. 517.301.

3 (b)1. Claims shall be paid in the order that they were  
4 ~~have been~~ filed with the former Department of Banking and  
5 Finance, unless the department ~~has~~ noticed its intent to deny  
6 the claim in whole or in part. If a notice of intent to deny  
7 a claim in whole or in part was ~~is~~ issued, the claim shall not  
8 be paid until a final order has been entered which is not  
9 subject to an order staying its effect.

10 2. If at any time the money in the Securities Guaranty  
11 Fund allocated under this section is insufficient to satisfy  
12 any valid claim or portion of a valid claim approved by the  
13 department or office under this section, the office ~~department~~  
14 shall prorate the payment based upon the ratio that the  
15 person's claim bears to the total approved claims filed on the  
16 same day. The office ~~department~~ shall satisfy the unpaid  
17 claims as soon as a sufficient amount of money has been  
18 deposited in or transferred to the fund as provided in this  
19 section.

20 3. A claimant shall not be substantially affected by  
21 the payment of another person's claim.

22 (c) Claims shall be limited to the amount of the  
23 investment, reduced by any amounts received from a bankruptcy  
24 proceeding or from any other source. If an investor is  
25 deceased, the award shall be made to the surviving spouse. If  
26 the investor and surviving spouse are both deceased, the award  
27 shall be made pursuant to the laws of descent and  
28 distribution. Neither the office ~~department~~ nor the Investment  
29 Fraud Restoration Financing Corporation shall make payment to  
30 assignees, secured parties, lien creditors, or other such  
31 entities.

1           (3) In rendering a determination, the office  
2 ~~department~~ may rely on records from the bankruptcy proceeding  
3 regarding GIC Government Securities, Inc., unless there is  
4 good cause to believe that the record is not genuine.

5           (4) Amounts deposited into the Securities Guaranty  
6 Fund pursuant to this section shall be applied to or allocated  
7 for payment of amounts payable by the office ~~department~~  
8 pursuant to paragraph (2)(a), under a service contract entered  
9 into by the office ~~department~~ pursuant to s. 517.1204, subject  
10 to annual appropriation by the Legislature, before making or  
11 providing for any other disbursements from the fund.

12           Section 594. Subsection (2), paragraph (e) of  
13 subsection (3), and subsections (4), (5), and (6) of section  
14 517.1204, Florida Statutes, are amended to read:

15           517.1204 Investment Fraud Restoration Financing  
16 Corporation.--

17           (2) The corporation shall be governed by a board of  
18 directors consisting of the director of the office or his or

29 such obligations be construed in any manner as an obligation  
30 of the State Board of Administration or entities for which it  
31 invests funds, other than the office ~~department~~ as provided in

12 of section 517.131, Florida Statutes, are amended to read:

13 517.131 Securities Guaranty Fund.--

14 (1)(a) The Chief Financial Officer ~~Treasurer~~ shall  
15 establish a Securities Guaranty Fund. An amount not exceeding  
16 20 percent of all revenues received as assessment fees  
17 pursuant to s. 517.12(10) and (11) for dealers and investment  
18 advisers or s. 517.1201 for federal covered advisers and an  
19 amount not exceeding 10 percent of all revenues received as  
20 assessment fees pursuant to s. 517.12(10) and (11) for  
21 associated persons shall be allocated to the fund. An  
22 additional amount not exceeding 3.5 percent of all revenues  
23 received as assessment fees for associated persons pursuant to  
24 s. 517.12(10) and (11) shall be allocated to the Securities  
25 Guaranty Fund but only after the office ~~department~~ determines,  
26 by final order, that sufficient funds have been allocated to  
27 the fund pursuant to s. 517.1203 to satisfy all valid claims  
28 filed in accordance with s. 517.1203(2) and after all amounts  
29 payable under any service contract entered into by the office  
30 ~~department~~ pursuant to s. 517.1204, and all notes, bonds,  
31 certificates of indebtedness, other obligations, or evidences

1 of indebtedness secured by such notes, bonds, certificates of  
2 indebtedness, or other obligations, have been paid or  
3 provision has been made for the payment of such amounts,  
4 notes, bonds, certificates of indebtedness, other obligations,  
5 or evidences of indebtedness. This assessment fee shall be  
6 part of the regular license fee and shall be transferred to or  
7 deposited in the Securities Guaranty Fund.

8 (3) Any person is eligible to seek recovery from the  
9 Securities Guaranty Fund if:

10 (b) Such person has made all reasonable searches and  
11 inquiries to ascertain whether the judgment debtor possesses  
12 real or personal property or other assets subject to being  
13 sold or applied in satisfaction of the judgment, and by her or  
14 his search the person has discovered no property or assets; or  
15 she or he has discovered property and assets and has taken all  
16 necessary action and proceedings for the application thereof  
17 to the judgment, but the amount thereby realized was  
18 insufficient to satisfy the judgment. To verify compliance  
19 with such condition, the office ~~department~~ may require such  
20 person to have a writ of execution be issued upon such  
21 judgment and may further require a showing that no personal or  
22 real property of the judgment debtor liable to be levied upon  
23 in complete satisfaction of the judgment can be found.

24 (e) The office ~~department~~ waives compliance with the  
25 requirements of paragraph (a) or paragraph (b). The office  
26 ~~department~~ may waive such compliance if the dealer, investment  
27 adviser, or associated person which is the subject of the  
28 claim filed with the office ~~department~~ is the subject of any  
29 proceeding in which a receiver has been appointed by a court  
30 of competent jurisdiction. If the office ~~department~~ waives  
31 such compliance, the office ~~department~~ may, upon petition by

1 the debtor or the court-appointed trustee, examiner, or  
2 receiver, distribute funds from the Securities Guaranty Fund  
3 up to the amount allowed under s. 517.141. Any waiver granted  
4 pursuant to this section shall be considered a judgment for  
5 purposes of complying with the requirements of this section  
6 and of s. 517.141.

7 (4) Any person who files an action that may result in  
8 the disbursement of funds from the Securities Guaranty Fund  
9 pursuant to the provisions of s. 517.141 shall give written  
10 notice by certified mail to the office ~~department~~ as soon as  
11 practicable after such action has been filed. The failure to  
12 give such notice shall not bar a payment from the Securities  
13 Guaranty Fund if all of the conditions specified in subsection  
14 (3) are satisfied.

15 Section 597. Section 517.141, Florida Statutes, is  
16 amended to read:

17 517.141 Payment from the fund.--

18 (1) Any person who meets all of the conditions  
19 prescribed in s. 517.131 may apply to the office ~~department~~  
20 for payment to be made to such person from the Securities  
21 Guaranty Fund in the amount equal to the unsatisfied portion  
22 of such person's judgment or \$10,000, whichever is less, but  
23 only to the extent and amount reflected in the judgment as  
24 being actual or compensatory damages, excluding costs and  
25 attorney's fees.

26 (2) Regardless of the number of claimants involved,  
27 payments for claims shall be limited in the aggregate to  
28 \$100,000 against any one dealer, investment adviser, or  
29 associated person. If the total claims exceed the aggregate  
30 limit of \$100,000, the office ~~department~~ shall prorate the  
31

1 payment based upon the ratio that the person's claim bears to  
2 the total claims filed.

3 (3) No payment shall be made on any claim against any  
4 one dealer, investment adviser, or associated person before  
5 the expiration of 2 years from the date any claimant is found  
6 by the office ~~department~~ to be eligible for recovery pursuant  
7 to this section. If during this 2-year period more than one  
8 claim is filed against the same dealer, investment adviser, or  
9 associated person, or if the office ~~department~~ receives notice  
10 pursuant to s. 517.131(4) that an action against the same  
11 dealer, investment adviser, or associated person is pending,  
12 all such claims and notices of pending claims received during  
13 this period against the same dealer, investment adviser, or  
14 associated person may be handled by the office ~~department~~ as  
15 provided in this section. Two years after the first claimant  
16 against that same dealer, investment adviser, or associated  
17 person applies for payment pursuant to this section:

18 (a) The office ~~department~~ shall determine those  
19 persons eligible for payment or for potential payment in the  
20 event of a pending action. All such persons may be entitled  
21 to receive their pro rata shares of the fund as provided in  
22 this section.

23 (b) Those persons who meet all the conditions  
24 prescribed in s. 517.131 and who have applied for payment  
25 pursuant to this section will be entitled to receive their pro  
26 rata shares of the total disbursement.

27 (c) Those persons who have filed notice with the  
28 office ~~department~~ of a pending claim pursuant to s. 517.131(4)  
29 but who are not yet eligible for payment from the fund will be  
30 entitled to receive their pro rata shares of the total  
31 disbursement once they have complied with subsection (1).

1 However, in the event that the amounts they are eligible to  
2 receive pursuant to subsection (1) are less than their pro  
3 rata shares as determined under this section, any excess shall  
4 be distributed pro rata to those persons entitled to  
5 disbursement under this subsection whose pro rata shares of  
6 the total disbursement were less than the amounts of their  
7 claims.

8 (4) Individual claims filed by persons owning the same  
9 joint account, or claims stemming from any other type of  
10 account maintained by a particular licensee on which more than  
11 one name appears, shall be treated as the claims of one  
12 eligible claimant with respect to payment from the fund. If a  
13 claimant who has obtained a judgment which qualifies for  
14 disbursement under s. 517.131 has maintained more than one  
15 account with the dealer, investment adviser, or associated  
16 person who is the subject of the claims, for purposes of  
17 disbursement of the fund, all such accounts, whether joint or  
18 individual, shall be considered as one account and shall  
19 entitle such claimant to only one distribution from the fund  
20 not to exceed the lesser of \$10,000 or the unsatisfied portion  
21 of such claimant's judgment as provided in subsection (1). To  
22 the extent that a claimant obtains more than one judgment  
23 against a dealer, investment adviser, or one or more  
24 associated persons arising out of the same transactions,  
25 occurrences, or conduct or out of the dealer's, investment  
26 adviser's, or associated person's handling of the claimant's  
27 account, such judgments shall be consolidated for purposes of  
28 this section and shall entitle the claimant to only one  
29 disbursement from the fund not to exceed the lesser of \$10,000  
30 or the unsatisfied portion of such claimant's judgment as  
31 provided in subsection (1).

1           (5) If the final judgment which gave rise to the claim  
2 is overturned in any appeal or in any collateral proceeding,  
3 the claimant shall reimburse the fund all amounts paid to the  
4 claimant on the claim. Such reimbursement shall be paid to  
5 the office ~~department~~ within 60 days after the final  
6 resolution of the appellate or collateral proceedings, with  
7 the 60-day period commencing on the date the final order or  
8 decision is entered in such proceedings.

9           (6) If a claimant receives payments in excess of that  
10 which is permitted under this chapter, the claimant shall  
11 reimburse the fund such excess within 60 days after the  
12 claimant receives such excess payment or after the payment is  
13 determined to be in excess of that permitted by law, whichever  
14 is later.

15           (7) The office ~~department~~ may institute legal  
16 proceedings to enforce compliance with this section and with  
17 s. 517.131 to recover moneys owed to the fund, and shall be  
18 entitled to recover interest, costs, and attorney's fees in  
19 any action brought pursuant to this section in which the  
20 office ~~department~~ prevails.

21           (8) If at any time the money in the Securities  
22 Guaranty Fund is insufficient to satisfy any valid claim or  
23 portion of a valid claim approved by the office ~~department~~,  
24 the office ~~department~~ shall satisfy such unpaid claim or  
25 portion of such valid claim as soon as a sufficient amount of  
26 money has been deposited in or transferred to the fund. When  
27 there is more than one unsatisfied claim outstanding, such  
28 claims shall be paid in the order in which the claims were  
29 approved by final order of the office ~~department~~, which order  
30 is not subject to an appeal or other pending proceeding.

31

1           (9) Upon receipt by the claimant of the payment from  
2 the Securities Guaranty Fund, the claimant shall assign any  
3 additional right, title, and interest in the judgment, to the  
4 extent of such payment, to the office ~~department~~. If the  
5 provisions of s. 517.131(3)(e) apply, the claimant must assign  
6 to the office ~~department~~ any right, title, and interest in the  
7 debt to the extent of any payment by the office ~~department~~  
8 from the Securities Guaranty Fund.

9           (10) All payments and disbursements made from the  
10 Securities Guaranty Fund shall be made by the Chief Financial  
11 Officer ~~Treasurer~~ upon authorization ~~a voucher~~ signed by the  
12 director of the office ~~Comptroller, as head of the department,~~  
13 or such agent as she or he may designate.

14           Section 598. Section 517.151, Florida Statutes, is  
15 amended to read:

16           517.151 Investments of the fund.--The funds of the  
17 Securities Guaranty Fund shall be invested by the Chief  
18 Financial Officer ~~Treasurer~~ under the same limitations as  
19 other state funds, and the interest earned thereon shall be  
20 deposited to the credit of the fund and available for the same  
21 purpose as other moneys deposited in the Securities Guaranty  
22 Fund.

23           Section 599. Subsection (1), (3), and (5), and  
24 paragraph (b) of subsection (6) of section 517.161, Florida  
25 Statutes, are amended to read:

27 registration of dealer, investment adviser, associated person,  
28 or branch office.--

29           (1) Registration under s. 517.12 may be denied or any  
30 registration granted may be revoked, restricted, or suspended

31

1 by the office ~~department~~ if the office ~~department~~ determines  
2 that such applicant or registrant:

4 rule or order made under this chapter;  
5       (b) Has made a material false statement in the

9 constituting a violation of this chapter or a rule or order  
10 hereunder, the office ~~department~~ may investigate; and whenever  
11 it shall believe from evidence satisfactory to it that any  
12 such person has engaged, is engaged, or is about to engage in  
13 any act or practice constituting a violation of this chapter  
14 or a rule or order hereunder, the office ~~department~~ may, in  
15 addition to any other remedies, bring action in the name and  
16 on behalf of the state against such person and any other  
17 person concerned in or in any way participating in or about to  
18 participate in such practices or engaging therein or doing any  
19 act or acts in furtherance thereof or in violation of this  
20 chapter to enjoin such person or persons from continuing such  
21 fraudulent practices or engaging therein or doing any act or

13 collection, administration, winding up, and liquidation of  
14 said property and business as shall from time to time be  
15 conferred upon her or him by the court. In any such action,  
16 the court may issue orders and decrees staying all pending  
17 suits and enjoining any further suits affecting the receiver's  
18 or administrator's custody or possession of the said property,  
19 assets, and business or, in its discretion, may with the  
20 consent of the presiding judge of the circuit require that all  
21 such suits be assigned to the circuit court judge appointing  
22 the said receiver or administrator.

23 (3) In addition to any other remedies provided by this

26 in such action shall be ordered to make restitution of those  
27 sums shown by the office ~~department~~ to have been obtained by  
28 them in violation of any of the provisions of this chapter.  
29 Such restitution shall, at the option of the court, be payable  
30 to the administrator or receiver appointed pursuant to this  
31

17 the matter to be investigated.

18 (2) When it is proposed to conduct an investigation or  
19 examination, the office ~~department~~ may gather evidence in the  
20 matter. The office ~~department~~ may administer oaths, examine  
21 witnesses, and issue subpoenas.

22 (3) Subpoenas for witnesses whose evidence is deemed  
23 material to any investigation or examination may be issued by  
24 the office ~~department~~ under the seal of the office ~~department~~,  
25 or by any county court judge or clerk of the circuit court or  
26 county court, commanding such witnesses to be or appear before  
27 the office ~~department~~ at a time and place to be therein named  
28 and to bring such books, records, and documents as may be  
29 specified or to submit such books, records, and documents to  
30 inspection; and such subpoenas may be served by an authorized  
31 representative of the office ~~department~~.

1           (4)(a) In the event of substantial noncompliance with

20 appropriate, until such person has fully complied with such  
21 subpoena or subpoena duces tecum and the office ~~department~~ has  
22 completed its investigation or examination. The office  
23 ~~department~~ is entitled to the summary procedure provided in s.  
24 51.011, and the court shall advance the cause on its calendar.  
25 Costs incurred by the office ~~department~~ to obtain an order  
26 granting, in whole or in part, such petition for enforcement  
27 of a subpoena or subpoena duces tecum shall be taxed against  
28 the subpoenaed person, and failure to comply with such order  
29 shall be a contempt of court.

30           (b) When it shall appear to the office ~~department~~ that  
31 the compliance with a subpoena or subpoena duces tecum issued

1 or caused to be issued by the office ~~department~~ pursuant to  
2 this section is essential and otherwise unavailable to an  
3 investigation or examination, the office ~~department~~, in  
4 addition to the other remedies provided for herein, may, by  
5 verified petition setting forth the facts, apply to the  
6 circuit court of the county in which the subpoenaed person  
7 resides or has its principal place of business for a writ of  
8 ne exeat. The court shall thereupon direct the issuance of  
9 the writ against the subpoenaed person requiring sufficient  
10 bond conditioned on compliance with the subpoena or subpoena  
11 duces tecum. The court shall cause to be endorsed on the writ  
12 a suitable amount of bond on payment of which the person named  
13 in the writ shall be freed, having a due regard to the nature  
14 of the case.

15 (5) Witnesses shall be entitled to the same fees and  
16 mileage as they may be entitled by law for attending as

18 or investigation is held at the place of business or residence  
19 of the witness.

20 Section 603. Subsections (1) and (3) of section  
21 517.2015, Florida Statutes, are amended to read:

22 517.2015 Confidentiality of information relating to  
23 investigations and examinations.--

24 (1)(a) Except as otherwise provided by this section,  
25 information relative to an investigation or examination by the  
26 office ~~department~~ pursuant to this chapter, including any  
27 consumer complaint, is confidential and exempt from s.  
28 119.07(1) until the investigation or examination is completed  
29 or ceases to be active. The information compiled by the office  
30 ~~department~~ in such an investigation or examination shall  
31 remain confidential and exempt from s. 119.07(1) after the

2 completed or ceases to be active if the office ~~department~~  
3 submits the information to any law enforcement or  
4 administrative agency or regulatory organization for further

6 exempt from s. 119.07(1) until that agency's or organization's  
7 investigation is completed or ceases to be active. For  
8 purposes of this section, an investigation or examination  
9 shall be considered "active" so long as the office ~~department~~  
10 or any law enforcement or administrative agency or regulatory  
11 organization is proceeding with reasonable dispatch and has a  
12 reasonable good faith belief that the investigation or  
13 examination may lead to the filing of an administrative,  
14 civil, or criminal proceeding or to the denial or conditional  
15 grant of a license, registration, or permit. This section  
16 shall not be construed to prohibit disclosure of information  
17 which is required by law to be filed with the office  
18 ~~department~~ and which, but for the investigation or  
19 examination, would be subject to s. 119.07(1).

20 (b) Except as necessary for the office ~~department~~ to  
21 enforce the provisions of this chapter, a consumer complaint  
22 and other information relative to an investigation or  
23 examination shall remain confidential and exempt from s.  
24 119.07(1) after the investigation or examination is completed  
25 or ceases to be active to the extent disclosure would:

- 26 1. Jeopardize the integrity of another active  
27 investigation or examination.
- 28 2. Reveal the name, address, telephone number, social  
29 security number, or any other identifying number or  
30 information of any complainant, customer, or account holder.

6 that of their families, then the home addresses, telephone  
7 numbers, places of employment, and photographs of such  
8 personnel, together with the home addresses, telephone  
9 numbers, photographs, and places of employment of spouses and  
10 children of such personnel and the names and locations of  
11 schools and day care facilities attended by the children of  
12 such personnel are confidential and exempt from s. 119.07(1).

13           (d) Nothing in this section shall be construed to  
14 prohibit the office ~~department~~ from providing information to  
15 any law enforcement or administrative agency or regulatory  
16 organization. Any law enforcement or administrative agency or  
17 regulatory organization receiving confidential information in  
18 connection with its official duties shall maintain the  
19 confidentiality of the information so long as it would  
20 otherwise be confidential.

21           (e) All information obtained by the office ~~department~~  
22 from any person which is only made available to the office  
23 ~~department~~ on a confidential or similarly restricted basis  
24 shall be confidential and exempt from s. 119.07(1). This  
25 exemption shall not be construed to prohibit disclosure of  
26 information which is required by law to be filed with the  
27 office ~~department~~ or which is otherwise subject to s.  
28 119.07(1).

29           (3) A privilege against civil liability is granted to

30 moneys, or other funds belonging to them or within their  
31 control in bonds or other obligations issued by the

1 Commonwealth of Puerto Rico, its agencies, authorities,  
2 instrumentalities, municipalities, or political subdivisions,  
3 provided such agency, authority, instrumentality,  
4 municipality, or political subdivision has not, within 5 years  
5 prior to the making of such investment, defaulted for more  
6 than 90 days in the payment of any part of the principal or  
7 interest of its bonded indebtedness. Such bonds or  
8 obligations shall be authorized security for all public  
9 deposits, including, but not restricted to, deposits as  
10 authorized in s. 17.57 ~~s. 18.10~~, it being the purpose of this  
11 section to authorize any person, firm, corporation,  
12 association, political subdivision, body, and officer, public  
13 or private, to use any funds owned or controlled by them,  
14 including, but not limited to, sinking, insurance, investment,  
15 retirement, compensation, pension and trust funds, and funds  
16 held on deposit, for the purchase of any such bonds or  
17 obligations up to the amount as authorized by law to be

22 Section 616. Section 519.101, Florida Statutes, is  
23 amended to read:

24 519.101 Florida equity exchange feasibility study;  
25 structure, operation, and regulation.--

26 (1) There may be created one or more Florida equity  
27 exchanges, with one or more offices each, upon a determination  
28 by the Office of Financial Institutions and Securities  
29 Regulation of the Financial Services Commission ~~Comptroller~~  
30 that each such exchange has a reasonable promise of successful  
31 operation, will promote economic development, will produce net

1 economic benefits in the state, and will not expose the public  
2 to undue risk of financial loss. This determination shall be  
3 based on the results of a feasibility study concerning the  
4 possible structure, operation, and regulation of each such  
5 exchange, to be carried out under the supervision of the  
6 office Comptroller. ~~The Secretary of Commerce shall provide~~  
7 ~~the Comptroller any needed advice on economic development~~  
8 ~~aspects of the feasibility study.~~ Said feasibility study  
9 shall evaluate to what extent securities laws may limit the  
10 transferability of investments in which any exchange would  
11 deal; to what extent companies financed through securities in  
12 which the exchange would deal would prefer a stable group of  
13 investors; to what extent the particular investment objectives  
14 of potential participants in any exchange might be  
15 inconsistent with an exchange operation; and the possibility  
16 that the frequency of investment opportunities of the type in  
17 which an exchange would deal would be too low to economically  
18 operate any exchange. The determination of the office  
19 ~~Comptroller~~ shall constitute a final order as defined in s.  
20 120.52 and shall be subject to the provisions of chapter 120.  
21 Nothing in this section, however, shall be construed to  
22 require the expenditure of state funds for the purpose of  
23 conducting any such feasibility study. For the purposes of  
24 this section, the term "exchange" shall apply to any such  
25 Florida equity exchange proposed or created under this  
26 section.

27 (2) The purpose of the exchange shall be to provide a  
28 marketplace for the negotiation, arrangement, exchange, sale,  
29 purchase, brokerage, syndication, and underwriting, and all  
30 activities incidental thereto, of investment opportunities, in  
31

1 an institutionalized and, to the maximum extent possible,  
2 self-regulated fashion.

3 (3) Within 30 days following such determination, a  
4 committee shall be appointed to write the constitution and  
5 bylaws of the exchange. The office ~~Comptroller~~ may provide  
6 technical assistance to the committee on the development of  
7 the constitution and bylaws of the exchange. The committee  
8 shall consist of 15 members, 11 members to be appointed by the  
9 Governor, 2 members to be appointed by the Speaker of the  
10 House of Representatives, and 2 members to be appointed by the  
11 President of the Senate. The chair shall be elected by a  
12 majority of the committee. The committee shall transmit such  
13 proposed constitution, bylaws, and other recommendations for  
14 the approval of the office ~~Comptroller~~ no later than 90 days  
15 following the first meeting of the committee. In reviewing  
16 the constitution and the bylaws of the exchange, as well as  
17 any other recommendations made to the office ~~Comptroller~~ by  
18 the committee, the office ~~Comptroller~~ shall consider whether  
19 such constitution, bylaws, and recommendations are reasonably  
20 consistent with the public interest and the efficient  
21 functioning of the exchange. The office ~~Comptroller~~ shall  
22 approve the constitution and bylaws of the exchange if he or  
23 she finds that they specifically describe the types of  
24 business that the exchange will conduct, that such business  
25 activities are not inconsistent with state or federal law,  
26 that the form of business organization of the exchange  
27 complies with statutory requirements, and that the interest of  
28 owners or members of the exchange would be adequately  
29 protected. The submission of the proposed constitution and  
30 bylaws to the office ~~Comptroller~~ shall be deemed an

31

1 application for a license and shall be subject to the  
2 provisions of s. 120.80(9).

3 (4) The exchange shall have full authority to function  
4 60 days after its constitution and bylaws are approved by the  
5 office Comptroller. The initial Board of Governors of the  
6 exchange shall consist of the members of the committee who  
7 shall serve until the first election pursuant to the  
8 constitution and bylaws. If the constitution and bylaws are  
9 disapproved by the office Comptroller, the committee, in  
10 consultation with the office Comptroller, shall have 60 days  
11 from the date of such disapproval within which to submit an  
12 acceptable constitution and bylaws.

13 (5) The constitution and bylaws of the exchange shall  
14 include provision that:

15 (a) There shall be no less than 9 nor more than 15  
16 governors of the exchange, at least one-third of whom shall  
17 not be members of the exchange.

18 (b) The principal offices of each exchange and the  
19 principal offices of its members shall be located within this  
20 state for the purpose of conducting the type of business  
21 described in subsection (2). Any exchange may have such other  
22 offices around the state as it deems necessary from time to  
23 time, subject to a determination by the office Comptroller  
24 that such additional offices will be necessary for the  
25 efficient operation of the exchange and will be in the public  
26 interest.

27 (c) All members and applicants for membership on the  
28 exchange shall submit all financial information reasonably  
29 required by the office Comptroller.

30 (d) The exchange shall establish or participate in a  
31 security fund which shall be capitalized or underwritten in

1 such form and amount as will reasonably protect persons  
2 transacting business through the exchange from any harm or  
3 loss occasioned by the insolvency of any member of the  
4 exchange. The formation of such security fund and the  
5 adequacy of the financial security provided thereby shall be  
6 subject to the approval of the Office of Financial  
7 Institutions and Securities Regulation ~~Department of Banking~~  
8 ~~and Finance~~ based upon the types and amounts of transactions  
9 effected through the facilities of the exchange.

10 (e) Rules shall be adopted prescribing eligibility for  
11 membership and the voting power, duties, and rights to  
12 participate in the conduct and management of the affairs of  
13 the exchange by the members thereof, such rights and duties to  
14 include, without limitation, the manner and form of conducting  
15 business, financial stability requirements, dues, membership  
16 fees, resolution of dispute mechanisms, and all other matters  
17 necessary or appropriate to conduct any business permitted  
18 herein; however, such rules shall not impose any limit on the  
19 number of members of any such exchange. Any amendments to the  
20 constitution and bylaws shall be subject to the approval of  
21 the office ~~Comptroller~~.

22 (f) Elections to the Board of Governors of the  
23 exchange shall be held once every 2 years, with those persons  
24 receiving the greatest number of votes cast being elected  
25 thereto.

26 (6) If the exchange contemplated by this section is  
27 established, the office ~~Comptroller~~ shall furnish the chairs  
28 of the finance and taxation committees of the Legislature with  
29 copies of its constitution and bylaws. Upon receipt of the  
30 constitution and bylaws, the Legislature shall consider what  
31

1 tax policy and tax exemptions are needed to facilitate  
2 successful operation of the exchange.

3 (7) If the exchange contemplated by this section is  
4 finally established, the Financial Services Commission  
5 ~~Comptroller~~ shall forthwith adopt rules providing for the  
6 reimbursement by the exchange or any member thereof of the  
7 actual costs incurred by the office ~~Comptroller~~ in connection  
8 with the regulation and supervision of the exchange. As used  
9 in this section, "actual costs" means all direct and indirect  
10 costs and expenses incurred by the office ~~Comptroller~~ in  
11 connection with the exchange including, without limitation,  
12 general administrative costs, travel expenses, salaries, and  
13 other benefits given to persons involved in the regulation and  
14 supervision of the exchange. The office ~~Comptroller~~ shall  
15 have the power to make any allocations that are deemed  
16 reasonable and necessary and may require the exchange or any  
17 members to pay interim assessments related to estimated final  
18 assessments.

19 (8) The Florida securities laws and rules shall apply  
20 to the exchange and to its members.

21 (9) The Financial Services Commission ~~Comptroller~~ may  
22 establish limitations on investments in members of the  
23 exchange by any person or company, consistent with the public  
24 interest and the efficient functioning of the exchange.

2 information relative to an investigation or examination by the  
3 office department pursuant to this chapter, including any  
4 consumer complaint received by the office or the Department of

7 or ceases to be active. The information compiled by the office  
8 department in such an investigation or examination shall  
9 remain confidential and exempt from s. 119.07(1) after the  
10 office's department's investigation or examination is  
11 completed or ceases to be active if the office department  
12 submits the information to any law enforcement or  
13 administrative agency for further investigation. Such  
14 information shall remain confidential and exempt from s.  
15 119.07(1) until that agency's investigation is completed or  
16 ceases to be active. For purposes of this section, an  
17 investigation or examination shall be considered "active" so  
18 long as the office department or any law enforcement or  
19 administrative agency is proceeding with reasonable dispatch  
20 and has a reasonable good faith belief that the investigation  
21 or examination may lead to the filing of an administrative,  
22 civil, or criminal proceeding or to the denial or conditional  
23 grant of a license, registration, or permit. This section  
24 shall not be construed to prohibit disclosure of information  
25 which is required by law to be filed with the office  
26 department and which, but for the investigation or  
27 examination, would be subject to s. 119.07(1).

16 numbers, places of employment, and photographs of such  
17 personnel, together with the home addresses, telephone  
18 numbers, photographs, and places of employment of spouses and

22 (d) Nothing in this section shall be construed to  
23 prohibit the office department from providing information to  
24 any law enforcement or administrative agency. Any law  
25 enforcement or administrative agency receiving confidential  
26 information in connection with its official duties shall  
27 maintain the confidentiality of the information so long as it  
28 would otherwise be confidential.

30 from any person which is only made available to the office  
31 department on a confidential or similarly restricted basis

1 shall be confidential and exempt from s. 119.07(1). This  
2 exemption shall not be construed to prohibit disclosure of  
3 information which is required by law to be filed with the  
4 office ~~department~~ or which is otherwise subject to s.  
5 119.07(1).

6 (2) If information subject to subsection (1) is  
7 offered in evidence in any administrative, civil, or criminal

2 including specifically those alleging violations of s. 559.72.

3 (3) The division shall inform and furnish relevant

9 (4) The division shall furnish a form to each

1           (8) The office ~~department~~ shall issue a written  
2 warning notice to the accused consumer collection agency if  
3 the office ~~department~~ is unable to resolve all such sworn  
4 complaints and fewer than five unresolved complaints remain.  
5 Such notice shall include a statement that the warning may  
6 constitute evidence in any future investigation of similar  
7 complaints against that agency and in any future  
8 administrative determination of the imposition of other  
9 administrative remedies available to the office ~~department~~  
10 under this part.

11           (9) The office ~~department~~ may issue a written  
12 reprimand when five or more such unresolved sworn complaints  
13 against a consumer collection agency collectively fall short  
14 of constituting apparent repeated violations that warrant more  
15 serious administrative sanctions. Such reprimand shall include  
16 a statement that the reprimand may constitute evidence in any  
17 future investigation of similar complaints against that agency  
18 and in any future administrative determination of the  
19 imposition of other administrative remedies available to the  
20 office ~~department~~.

21           (10) The office ~~department~~ shall issue a notice of  
22 intent either to revoke or suspend the registration or to  
23 impose an administrative fine when the office ~~department~~  
24 preliminarily determines that repeated violations of s. 559.72  
25 by an accused registrant have occurred which would warrant  
26 more serious administrative sanctions being imposed under this  
27 part. The office ~~department~~ shall advise each registrant of  
28 the right to require an administrative hearing under chapter  
29 120, prior to the agency's final action on the matter as

4 determination by the office ~~department~~ of a violation of the  
5 requirements of this part by any consumer collection agency

7 ~~department~~ shall furnish the state attorney or Attorney  
8 General with the office's ~~department's~~ information concerning  
9 the alleged violations of such requirements.

14 registration of any registrant under this part who has engaged  
15 in repeated violations which establish a clear pattern of  
16 abuse of prohibited collection practices under s. 559.72.  
17 Final office ~~department~~ action to revoke or suspend the  
18 registration of any registrant shall be subject to review in  
19 accordance with chapter 120 in the same manner as revocation  
20 of a license. The repeated violations of the law by one  
21 employee shall not be grounds for revocation or suspension of  
22 the registration of the employing consumer collection agency,  
23 unless the employee is also the owner of a majority interest  
24 in the collection agency.

25           (2) The registration of a registrant shall not be  
26 revoked or suspended if the registrant shows by a  
27 preponderance of the evidence that the violations were not  
28 intentional and resulted from bona fide error notwithstanding  
29 the maintenance of procedures reasonably adapted to avoid any  
30 such error.

31

1           (3) The office ~~department~~ shall consider the number of  
2 complaints against the registrant in relation to the accused  
3 registrant's volume of business when determining whether  
4 suspension or revocation is the more appropriate sanction when  
5 circumstances warrant that one or the other should be imposed  
6 upon a registrant.

7           (4) The office ~~department~~ shall impose suspension  
8 rather than revocation when circumstances warrant that one or  
9 the other should be imposed upon a registrant and the accused  
10 registrant demonstrates that the registrant has taken  
11 affirmative steps which can be expected to effectively  
12 eliminate the repeated violations and that the registrant's  
13 registration has never previously been suspended.

14           (5) The office ~~department~~ may impose an administrative  
15 fine up to \$1,000 against the offending registrant as a  
16 sanction for repeated violations of the provisions of s.  
17 559.72 when violations do not rise to the level of misconduct  
18 governed by subsection (1). Final office ~~department~~ action to  
19 impose an administrative fine shall be subject to review in  
20 accordance with ss. 120.569 and 120.57.

21           (6) Any administrative fine imposed under this part  
22 shall be payable to the office ~~department~~. The office  
23 ~~department~~ shall maintain an appropriate record and shall  
24 deposit such fine into the Regulatory Trust Fund of the office  
25 ~~department~~.

19 (x) Engaging or advertising engagement in the business  
20 of a money transmitter without a registration, unless the  
21 person is exempted from the registration requirements of the  
22 code.

23 (2) The office ~~department~~ may issue a cease and desist  
24 order or removal order, suspend or revoke any previously  
25 issued registration, or take any other action within the  
26 authority of the office ~~department~~ against a money transmitter  
27 based on any fact or condition that exists and that, if it had  
28 existed or been known to exist at the time the money  
29 transmitter applied for registration, would have been grounds  
30 for denial of registration.

1           Section 696. Section 560.115, Florida Statutes, is  
2 amended to read:

3           560.115 Surrender of registration.--Any money  
4 transmitter registered pursuant to the code may voluntarily  
5 surrender its registration at any time by giving written  
6 notice to the office ~~department~~.

7           Section 697. Section 560.116, Florida Statutes, is  
8 amended to read:

9           560.116 Civil immunity.--Any person having reason to  
10 believe that a provision of the code is being violated, or has  
11 been violated, or is about to be violated, may file a  
12 complaint with the office ~~department~~ setting forth the details  
13 of the alleged violation. An immunity from civil liability is  
14 hereby granted to any person who furnishes such information,  
15 unless the information provided is false and the person  
16 providing the information does so with reckless disregard for  
17 the truth.

18           Section 698. Section 560.117, Florida Statutes, is  
19 amended to read:

20           560.117 Administrative fines; enforcement.--

21           (1) The office ~~department~~ may, by complaint, initiate  
22 a proceeding pursuant to chapter 120 to impose an  
23 administrative fine against any person found to have violated  
24 any provision of the code or a cease and desist order of the  
25 office ~~department~~ or any written agreement with the office  
26 ~~department~~. However, the office ~~department~~ shall give notice,  
27 in writing, if it suspects that the licensee has violated any  
28 of the following provisions of the code and shall give the  
29 licensee 15 days after actual notice is served on the person  
30 within which to correct the violation before bringing  
31 disciplinary action under the code:

1 (a) Failure to timely pay any fee, charge, or fine  
2 under the code;

3 (b) Failure to pay any judgment entered by any court  
4 within 30 days after the judgment becomes final;

5 (c) Failure to notify the office ~~department~~ of a  
6 change of control of a money transmitter as required by s.  
7 560.127; or

8 (d) Failure to notify the office ~~department~~ of any  
9 change of address or fictitious name as required by s.  
10 560.205.

11  
12 Except as provided in this section, such fine may not exceed  
13 \$100 a day for each violation. The office ~~department~~ may  
14 excuse any such fine with a showing of good cause by the  
15 person being fined.

16 (2) If the office ~~department~~ finds that one or more  
17 grounds exist for the suspension, revocation, or refusal to  
18 renew or continue a license or registration issued under this  
19 chapter, the office ~~department~~ may, in addition to or in lieu  
20 of suspension, revocation, or refusal to renew or continue a  
21 license or registration, impose a fine in an amount up to  
22 \$10,000 for each violation of this chapter.

23 (3) Notwithstanding any other provision of this  
24 section, the office ~~department~~ may impose a fine not to exceed  
25 \$1,000 per day for each day that a person violates the code by  
26 engaging in the business of a money transmitter without being  
27 registered.

28 (4) Any administrative fine levied by the office  
29 ~~department~~ may be enforced by the office ~~department~~ by  
30 appropriate proceedings in the circuit court of the county in  
31 which such person resides or maintains a principal office. In

1 any administrative or judicial proceeding arising under this  
2 section, a party may elect to correct the violation asserted  
3 by the office ~~department~~ and, upon the party's doing so, any  
4 fine ceases to accrue; however, an election to correct the  
5 violation does not render moot any administrative or judicial  
6 proceeding.

7 Section 699. Section 560.118, Florida Statutes, is  
8 amended to read:

9 560.118 Examinations, reports, and internal audits;  
10 penalty.--

11 (1)(a) The office ~~department~~ may conduct an  
12 examination of a money transmitter or authorized vendor by  
13 providing not less than 15 days' advance notice to the money  
14 transmitter or authorized vendor. However, if the office  
15 ~~department~~ suspects that the money transmitter or authorized  
16 vendor has violated any provisions of this code or any  
17 criminal laws of this state or of the United States or is  
18 engaging in an unsafe and unsound practice, the office  
19 ~~department~~ may, at any time without advance notice, conduct an  
20 examination of all affairs, activities, transactions,  
21 accounts, business records, and assets of any money  
22 transmitter or any money transmitter-affiliated party for the  
23 protection of the public. For the purpose of examinations, the  
24 office ~~department~~ may administer oaths and examine a money  
25 transmitter or any of its affiliated parties concerning their  
26 operations and business activities and affairs. The office  
27 ~~department~~ may accept an audit or examination from any  
28 appropriate regulatory agency or from an independent third  
29 party with respect to the operations of a money transmitter or  
30 an authorized vendor. The office ~~department~~ may also make a  
31 joint or concurrent examination with any state or federal

1 regulatory agency. The office ~~department~~ may furnish a copy of  
2 all examinations made of such money transmitter or authorized  
3 vendor to the money transmitter and any appropriate regulatory  
4 agency provided that such agency agrees to abide by the  
5 confidentiality provisions as set forth in chapter 119.

6 (b) Persons subject to this chapter who are examined  
7 shall make available to the office ~~department~~ or its examiners  
8 the accounts, records, documents, files, information, assets,  
9 and matters which are in their immediate possession or control  
10 and which relate to the subject of the examination. Those  
11 accounts, records, documents, files, information, assets, and  
12 matters not in their immediate possession shall be made  
13 available to the office ~~department~~ or the office's  
14 ~~department's~~ examiners within 10 days after actual notice is  
15 served on such persons.

16 (c) The audit of a money transmitter required under  
17 this section may be performed by an independent third party  
18 that has been approved by the office ~~department~~ or by a  
19 certified public accountant authorized to do business in the  
20 United States. The examination of a money transmitter or  
21 authorized vendor required under this section may be performed  
22 by an independent third party that has been approved by the  
23 office ~~department~~ or by a certified public accountant  
24 authorized to do business in the United States. The cost of  
25 such an independent examination or audit shall be directly  
26 borne by the money transmitter or authorized vendor.

27 (2)(a) Annual financial reports that are required to  
28 be filed under the code or any rules adopted thereunder must  
29 be audited by an independent third party that has been  
30 approved by the office ~~department~~ or by a certified public  
31 accountant authorized to do business in the United States. The

1 money transmitter or authorized vendor shall directly bear the  
2 cost of the audit. This paragraph does not apply to any seller  
3 of payment instruments who can prove to the satisfaction of  
4 the office ~~department~~ that it has a combined total of fewer  
5 than 50 employees and authorized vendors or that its annual  
6 payment instruments issued from its activities as a payment  
7 instrument seller are less than \$200,000.

8 (b) The commission ~~department~~ may, by rule, require  
9 each money transmitter or authorized vendor to submit  
10 quarterly reports to the office ~~department~~. The commission  
11 ~~department~~ may require that each report contain a declaration  
12 by an officer, or any other responsible person authorized to  
13 make such declaration, that the report is true and correct to  
14 the best of her or his knowledge and belief. Such report must  
15 include such information as the commission ~~department~~ by rule  
16 requires for that type of money transmitter.

17 (c) The office ~~department~~ may levy an administrative  
18 fine of up to \$100 per day for each day the report is past  
19 due, unless it is excused for good cause. In excusing any such  
20 administrative fine, the office ~~department~~ may consider the  
21 prior payment history of the money transmitter or authorized  
22 vendor.

23 (3) Any person who willfully violates this section or  
24 fails to comply with any lawful written demand or order of the  
25 office ~~department~~ made under this section commits a felony of  
26 the third degree, punishable as provided in s. 775.082, s.  
27 775.083, or s. 775.084.

28 Section 700. Section 560.119, Florida Statutes, is  
29 amended to read:

30 560.119 Deposit of fees and assessments.--The  
31 application fees, registration renewal fees, late payment

1 penalties, civil penalties, administrative fines, and other  
2 fees or penalties provided for in the code shall, in all  
3 cases, be paid directly to the office ~~department~~, which shall  
4 deposit such proceeds into the Regulatory Trust Fund. Each  
5 year, the Legislature shall appropriate from the trust fund to  
6 the office ~~department~~ sufficient moneys to pay the office's  
7 ~~department's~~ costs for administration of the code. The  
8 Regulatory Trust Fund is subject to the service charge imposed  
9 pursuant to chapter 215.

10 Section 701. Paragraph (a) of subsection (1) and  
11 subsections (2) and (3) of section 560.121, Florida Statutes,  
12 are amended to read:

13 560.121 Records; limited restrictions upon public  
14 access.--

15 (1)(a) Orders of courts or of administrative law  
16 judges for the production of confidential records or  
17 information shall provide for inspection in camera by the  
18 court or the administrative law judge and, after the court or  
19 administrative law judge has made a determination that the  
20 documents requested are relevant or would likely lead to the  
21 discovery of admissible evidence, said documents shall be  
22 subject to further orders by the court or the administrative  
23 law judge to protect the confidentiality thereof. Any order  
24 directing the release of information shall be immediately  
25 reviewable, and a petition by the office ~~department~~ for review  
26 of such order shall automatically stay further proceedings in  
27 the trial court or the administrative hearing until the  
28 disposition of such petition by the reviewing court. If any  
29 other party files such a petition for review, it will operate  
30 as a stay of such proceedings only upon order of the reviewing  
31 court.

1           (2) Examination reports, investigatory records,  
2 applications, and related information compiled by the office  
3 ~~department~~, or photographic copies thereof, shall be retained  
4 by the office ~~department~~ for a period of at least 10 years.

5           (3) A copy of any document on file with the office  
6 ~~department~~ which is certified by the office ~~department~~ as  
7 being a true copy may be introduced in evidence as if it were

9 schedule of fees for preparing true copies of documents.

11 of section 560.123, Florida Statutes, are amended to read:

13 Money Transmitters' Code; reports of transactions involving  
14 currency or monetary instruments; when required; purpose;  
15 definitions; penalties; corpus delicti.--

16           (2) It is the purpose of this section to require the  
17 submission to the office ~~department~~ of reports and the  
18 maintenance of certain records of transactions involving  
19 currency or monetary instruments which reports and records  
20 deter the use of money transmitters to conceal proceeds from  
21 criminal activity and are useful in criminal, tax, or  
22 regulatory investigations or proceedings.

23           (a) Every money transmitter shall keep a record of  
24 each financial transaction occurring in this state known to it  
25 to involve currency or other monetary instrument, as the  
26 commission ~~department~~ prescribes by rule, of a value in excess  
27 of \$10,000, to involve the proceeds of specified unlawful  
28 activity, or to be designed to evade the reporting  
29 requirements of this section or chapter 896 and shall maintain  
30 appropriate procedures to ensure compliance with this section  
31 and chapter 896.

1 (b) Multiple financial transactions shall be treated  
2 as a single transaction if the money transmitter has knowledge

4 either cash in or cash out totaling more than \$10,000 during  
5 any day.

6 (c) Any money transmitter may keep a record of any  
7 financial transaction occurring in this state, regardless of  
8 the value, if it suspects that the transaction involves the  
9 proceeds of specified unlawful activity.

10 (d) A money transmitter, or officer, employee, or  
11 agent thereof, that files a report in good faith pursuant to  
12 this section is not liable to any person for loss or damage  
13 caused in whole or in part by the making, filing, or  
14 governmental use of the report, or any information contained  
15 therein.

16 (4) In enforcing this section, the commission and  
17 office ~~department~~ shall acknowledge and take into  
18 consideration the requirements of Title 31, United States  
19 Code, both to reduce the burden of fulfilling duplicate  
20 requirements and to acknowledge the economic advantage of  
21 having similar reporting and recordkeeping requirements  
22 between state and federal regulatory authorities.

23 (5)(a) Each money transmitter must file a report with  
24 the office ~~department~~ of the record required by this section.  
25 Each record filed pursuant to this section must be filed at  
26 such time and contain such information as the commission  
27 ~~department~~ requires by rule.

28 (b) The timely filing of the report required by 31  
29 U.S.C. s. 5313, with the appropriate federal agency is deemed  
30 compliance with the reporting requirements of this subsection  
31

1 unless the reports are not regularly and comprehensively  
2 transmitted by the federal agency to the office ~~department~~.

3 (6) The office ~~department~~ must retain a copy of all  
4 reports received under subsection (5) for a minimum of 5  
5 calendar years after receipt of the report. However, if a  
6 report or information contained in a report is known by the  
7 office ~~department~~ to be the subject of an existing criminal  
8 proceeding, the report must be retained for a minimum of 10  
9 calendar years from the date of receipt.

10 (7) In addition to any other powers conferred upon the  
11 office ~~department~~ to enforce and administer the code, the  
12 office ~~department~~ may:

13 (a) Bring an action in any court of competent  
14 jurisdiction to enforce or administer this section. In such  
15 action, the office ~~department~~ may seek award of any civil  
16 penalty authorized by law and any other appropriate relief at  
17 law or equity.

18 (b) Issue and serve upon a person an order requiring  
19 such person to cease and desist and take corrective action  
20 whenever the office ~~department~~ finds that such person is  
21 violating, has violated, or is about to violate any provision  
22 of this section or chapter 896; any rule or order adopted

29           560.206 Investigation of applicants.--Upon the filing  
30 of a properly completed application, accompanied by the  
31 nonrefundable application fee and other required documents,

1 the office ~~department~~ shall investigate to ascertain whether  
2 the qualifications and requirements prescribed by this part  
3 have been met. If the office ~~department~~ finds that the  
4 applicant meets such qualifications and requirements, the  
5 office ~~department~~ shall issue the applicant a registration to  
6 engage in the business of selling payment instruments and  
7 transmitting funds in this state. Any registration issued  
8 under this part shall remain effective through April 30 of the  
9 second year following the date of issuance of the  
10 registration, not to exceed 24 months, unless during such  
11 period the registration is surrendered, suspended, or revoked.

12 Section 711. Subsections (1) and (2) of section  
13 560.207, Florida Statutes, are amended to read:

14 560.207 Renewal of registration; registration fee.--

15 (1) Registration may be renewed for a 24-month period  
16 or the remainder of any such period without proration  
17 following the date of its expiration, upon the filing with the  
18 office ~~department~~ of an application and other statements and  
19 documents as may reasonably be required of registrants by the  
20 commission ~~department~~. However, the registrant must remain  
21 qualified for such registration under the provisions of this  
22 part.

23 (2) All registration renewal applications shall be  
24 accompanied by a renewal fee not to exceed \$1,000. All renewal  
25 applications must be filed on or after January 1 of the year  
26 in which the existing registration expires, but before the  
27 expiration date of April 30. If the renewal application is  
28 filed prior to the expiration date of an existing  
29 registration, no late fee shall be paid in connection with  
30 such renewal application. If the renewal application is filed  
31 within 60 calendar days after the expiration date of an

1 existing registration, then, in addition to the \$1,000 renewal  
2 fee, the renewal application shall be accompanied by a  
3 nonrefundable late fee of \$500. If the registrant has not  
4 filed a renewal application within 60 calendar days after the  
5 expiration date of an existing registration, a new application  
6 shall be filed with the office ~~department~~ pursuant to s.  
7 560.205.

8 Section 712. Subsections (2) and (3) of section  
9 560.208, Florida Statutes, are amended to read:

10 560.208 Conduct of business.--

11 (2) Within 60 days after the date a registrant either  
12 opens a location within this state or authorizes an authorized  
13 vendor to operate on the registrant's behalf within this  
14 state, the registrant shall notify the office ~~department~~ on a  
15 form prescribed by the commission ~~department~~ by rule. The  
16 notification shall be accompanied by a nonrefundable \$50 fee  
17 for each authorized vendor or location. Each notification  
18 shall also be accompanied by a financial statement  
19 demonstrating compliance with s. 560.209(1), unless compliance  
20 has been demonstrated by a financial statement filed with the  
21 registrant's quarterly report in compliance with s.  
22 560.118(2). The financial statement must be dated within 90  
23 days of the date of designation of the authorized vendor or  
24 location. This subsection shall not apply to any authorized  
25 vendor or location that has been designated by the registrant  
26 before October 1, 2001.

27 (3) Within 60 days after the date a registrant closes  
28 a location within this state or withdraws authorization for an  
29 authorized vendor to operate on the registrant's behalf within  
30 this state, the registrant shall notify the office ~~department~~  
31 on a form prescribed by the commission ~~department~~ by rule.

1           Section 713. Subsections (2), (3), (4), (5), and (6)  
2 of section 560.209, Florida Statutes, are amended to read:

3           560.209 Net worth; corporate surety bond; collateral  
4 deposit in lieu of bond.--

5           (2) Before the office ~~department~~ may issue a  
6 registration, the applicant must provide to the office  
7 ~~department~~ a corporate surety bond, issued by a bonding  
8 company or insurance company authorized to do business in this  
9 state.

10           (a) The corporate surety bond shall be in such amount  
11 as may be determined by commission ~~department~~ rule, but shall  
12 not exceed \$250,000. However, the commission and office  
13 ~~department~~ may consider extraordinary circumstances, such as  
14 the registrant's financial condition, the number of locations,  
15 and the existing or anticipated volume of outstanding payment  
16 instruments or funds transmitted, and require an additional  
17 amount above \$250,000, up to \$500,000.

18           (b) The corporate surety bond shall be in a form  
19 satisfactory to the office ~~department~~ and shall run to the  
20 state for the benefit of any claimants in this state against  
21 the applicant or its authorized vendors to secure the faithful  
22 performance of the obligations of the applicant and its  
23 authorized vendors with respect to the receipt, handling,  
24 transmission, and payment of funds. The aggregate liability of  
25 the corporate surety bond in no event shall exceed the  
26 principal sum of the bond. Such claimants against the  
27 applicant or its authorized vendors may themselves bring suit  
28 directly on the corporate surety bond, or the Department of  
29 Legal Affairs may bring suit thereon on behalf of such  
30 claimants, in either one action or in successive actions.

31

1           (c) A corporate surety bond filed with the office  
2 ~~department~~ for purposes of compliance with this section may  
3 not be canceled by either the registrant or the corporate  
4 surety except upon written notice to the office ~~department~~ by  
5 registered or certified mail with return receipt requested. A  
6 cancellation shall not take effect less than 30 days after  
7 receipt by the office ~~department~~ of such written notice.

8           (d) The corporate surety must, within 10 days after it  
9 pays any claim to any claimant, give written notice to the  
10 office ~~department~~ by registered or certified mail of such  
11 payment with details sufficient to identify the claimant and  
12 the claim or judgment so paid.

13           (e) Whenever the principal sum of such bond is reduced  
14 by one or more recoveries or payments, the registrant must  
15 furnish a new or additional bond so that the total or  
16 aggregate principal sum of such bond equals the sum required  
17 by the commission ~~department~~. Alternatively, a registrant may  
18 furnish an endorsement executed by the corporate surety  
19 reinstating the bond to the required principal sum thereof.

20           (3) In lieu of such corporate surety bond, or of any  
21 portion of the principal thereof required by this section, the  
22 applicant may deposit collateral cash, securities, or  
23 alternative security devices approved by the commission  
24 ~~department~~, with any federally insured financial institution.

25           (a) Acceptable collateral deposit items in lieu of a  
26 bond include cash and interest-bearing stocks and bonds,  
27 notes, debentures, or other obligations of the United States  
28 or any agency or instrumentality thereof, or guaranteed by the  
29 United States, or of this state.

30           (b) The collateral deposit must be in an aggregate  
31 amount, based upon principal amount or market value, whichever

1 is lower, of not less than the amount of the required  
2 corporate surety bond or portion thereof.

3 (c) Collateral deposits made under this subsection  
4 shall be pledged to the office ~~department~~ and held by the  
5 insured financial institution to secure the same obligations  
6 as would the corporate surety bond, but the depositor is  
7 entitled to receive all interest and dividends thereon and  
8 may, with the approval of the office ~~department~~, substitute  
9 other securities or deposits for those deposited. The  
10 principal amount of the deposit shall be released only on  
11 written authorization of the office ~~department~~ or on the order  
12 of a court of competent jurisdiction.

13 (4) A registrant must at all times have and maintain  
14 the bond or collateral deposit in the amount prescribed by the  
15 commission ~~department~~. If the office ~~department~~ at any time  
16 reasonably determines that the bond or elements of the  
17 collateral deposit are insecure, deficient in amount, or  
18 exhausted in whole or in part, the office ~~department~~ may, by  
19 written order, require the filing of a new or supplemental  
20 bond or the deposit of new or additional collateral deposit  
21 items.

22 (5) The bond and collateral deposit shall remain in  
23 place for 5 years after the registrant ceases registered  
24 operations in this state. The office ~~department~~ may permit the  
25 bond or collateral deposit to be reduced or eliminated prior  
26 to that time to the extent that the amount of the registrant's  
27 outstanding payment instruments or funds transmitted in this  
28 state are reduced. The office ~~department~~ may also permit a  
29 registrant to substitute a letter of credit or such other form  
30 of acceptable security for the bond or collateral deposit at  
31

1 the time the registrant ceases money transmission operations  
2 in this state.

3 (6) The office ~~department~~ may waive or reduce a  
4 registrant's net worth or bond or collateral deposit  
5 requirement. Such waiver or modification must be requested by  
6 the applicant or registrant, and may be granted upon a showing  
7 by the applicant or registrant to the satisfaction of the  
8 office ~~department~~ that:

9 (a) The existing net worth, bond, or collateral  
10 deposit requirement is sufficiently in excess of the  
11 registrant's highest potential level of outstanding payment  
12 instruments or money transmissions in this state;

13 (b) The direct and indirect cost of meeting the net  
14 worth, bond, or collateral deposit requirement will restrict  
15 the ability of the money transmitter to effectively serve the  
16 needs of its customers and the public; or

17 (c) The direct and indirect cost of meeting the net  
18 worth, bond, or collateral requirement will not only have a  
19 negative impact on the money transmitter but will severely  
20 hinder the ability of the money transmitter to participate in  
21 and promote the economic progress and welfare of this state or  
22 the United States.

23 Section 714. Paragraph (i) of subsection (2) and  
24 subsections (3) and (4) of section 560.210, Florida Statutes,  
25 are amended to read:

26 560.210 Permissible investments.--

27 (2) Acceptable permissible investments include:

28 (i) Any other investment approved by the commission  
29 ~~department~~.

30 (3) Notwithstanding any other provision of this part,  
31 the office ~~department~~, with respect to any particular

1 registrant or all registrants, may limit the extent to which  
2 any class of permissible investments may be considered a  
3 permissible investment, except for cash and certificates of  
4 deposit.

5 (4) The office ~~department~~ may waive the permissible  
6 investments requirement if the dollar value of a registrant's  
7 outstanding payment instruments and funds transmitted do not  
8 exceed the bond or collateral deposit posted by the registrant  
9 under s. 560.209.

10 Section 715. Subsection (2) of section 560.211,  
11 Florida Statutes, is amended to read:

12 560.211 Records.--

13 (2) The records required to be maintained by the code  
14 may be maintained by the registrant at any location, provided  
15 that the registrant notifies the office ~~department~~ in writing  
16 of the location of the records in its application or  
17 otherwise. The registrant shall make such records available to  
18 the office ~~department~~ for examination and investigation in  
19 this state, as permitted by the code, within 7 days after  
20 receipt of a written request.

21 Section 716. Subsection (2) of section 560.302,  
22 Florida Statutes, is amended to read:

23 560.302 Definitions.--In addition to the definitions  
24 provided in s. 560.103, unless otherwise clearly indicated by  
25 the context, for purposes of this part:

26 (2) "Registrant" means a person authorized by the  
27 office ~~department~~ pursuant to this part.

28 Section 717. Section 560.305, Florida Statutes, is  
29 amended to read:

30 560.305 Application.--Each application for  
31 registration shall be in writing and under oath to the office

1 ~~department~~, in such form as the commission prescribes  
2 ~~department may prescribe~~. The application shall include the  
3 following:

4 (1) The legal name and residence and business  
5 addresses of the applicant if the applicant is a natural  
6 person, or, if the applicant is a partnership, association, or  
7 corporation, the name of every partner, officer, or director  
8 thereof.

9 (2) The location of the principal office of the  
10 applicant.

11 (3) The complete address of any other locations at  
12 which the applicant proposes to engage in such activities  
13 since the provisions of registration apply to each and every  
14 operating location of a registrant.

15 (4) Such other information as the commission or office  
16 ~~department may reasonably requires~~ require with respect to the  
17 applicant or any money transmitter-affiliated party of the  
18 applicant; however, the commission or office ~~department~~ may  
19 not require more information than is specified in part II.

20 Section 718. Section 560.306, Florida Statutes, is  
21 amended to read:

22 560.306 Standards.--

23 (1) In order to qualify for registration under this  
24 part, an applicant must demonstrate to the office ~~department~~  
25 that he or she has such character and general fitness as will  
26 command the confidence of the public and warrant the belief  
27 that the registered business will be operated lawfully and  
28 fairly. The office ~~department~~ may investigate each applicant  
29 to ascertain whether the qualifications and requirements  
30 prescribed by this part have been met. The office's  
31 ~~department's~~ investigation may include a criminal background

1 investigation of all controlling shareholders, principals,  
2 officers, directors, members, and responsible persons of a  
3 check casher and a foreign currency exchanger and all persons  
4 designated by a foreign currency exchanger or check casher as  
5 an authorized vendor. Each controlling shareholder, principal,  
6 officer, director, member, and responsible person of a check  
7 casher or foreign currency exchanger, unless the applicant is  
8 a publicly traded corporation, a subsidiary thereof, or a  
9 subsidiary of a bank or bank holding company, shall file a  
10 complete set of fingerprints taken by an authorized law  
11 enforcement officer. Such fingerprints must be submitted to  
12 the Department of Law Enforcement or the Federal Bureau of  
13 Investigation for state and federal processing. The commission  
14 ~~department~~ may waive by rule the requirement that applicants  
15 file a set of fingerprints or the requirement that such  
16 fingerprints be processed by the Department of Law Enforcement  
17 or the Federal Bureau of Investigation.

18 (2) The office ~~department~~ may deny registration if it  
19 finds that the applicant, or any money transmitter-affiliated  
20 party of the applicant, has been convicted of a crime  
21 involving moral turpitude in any jurisdiction or of a crime  
22 which, if committed in this state, would constitute a crime  
23 involving moral turpitude under the laws of this state. For  
24 the purposes of this part, a person shall be deemed to have  
25 been convicted of a crime if such person has either pleaded  
26 guilty to or been found guilty of a charge before a court or  
27 federal magistrate, or by the verdict of a jury, irrespective  
28 of the pronouncement of sentence or the suspension thereof.  
29 The office ~~department~~ may take into consideration the fact  
30 that such plea of guilty, or such decision, judgment, or  
31 verdict, has been set aside, reversed, or otherwise abrogated

1 by lawful judicial process or that the person convicted of the  
2 crime received a pardon from the jurisdiction where the  
3 conviction was entered or received a certificate pursuant to

16 agent of a licensee or a subsidiary or service corporation of  
17 the licensee;

18 2. A person who has filed or is required to file a

20 s. 628.461 or s. 628.4615;

21 3. A stockholder, other than a stockholder that is a  
22 holding company of the licensee, who participates in the  
23 conduct of the affairs of the licensee; or

24 4. An independent contractor who:

25 a. Renders a written opinion required by the laws of  
26 this state under her or his professional credentials on behalf  
27 of the licensee, which opinion is reasonably relied on by the  
28 department or office in the performance of its duties; or

29 b. Affirmatively and knowingly conceals facts, through  
30 a written misrepresentation to the department or office, with  
31 knowledge that such misrepresentation:

1 (I) Constitutes a violation of the insurance code or a  
2 lawful rule or order of the department, commission, or office;  
3 and

4 (II) Directly and materially endangers the ability of  
5 the licensee to meet its obligations to policyholders.

6  
7 For the purposes of this subparagraph, any representation of  
8 fact made by an independent contractor on behalf of a  
9 licensee, affirmatively communicated as a representation of  
10 the licensee to the independent contractor, shall not be  
11 considered a misrepresentation by the independent contractor  
12 ~~to the department.~~

13 (b) "Licensee" means a person issued a license or  
14 certificate of authority or approval under this code or a  
15 person registered under a provision of this code.

16 (2) ENFORCEMENT GENERALLY.--

17 (a) The powers granted by this section to the office  
18 apply only with respect to licensees of the office and their  
19 affiliated parties and to unlicensed persons subject to the  
20 regulatory jurisdiction of the office, and the powers granted  
21 by this section to the department apply only with respect to  
22 licensees of the department and their affiliated parties and  
23 to unlicensed persons subject to regulatory jurisdiction of  
24 the department.

25 (b) The department and office each may institute such  
26 suits or other legal proceedings as may be required to enforce  
27 any provision of this code within the respective regulatory  
28 jurisdiction of each. If it appears that any person has  
29 violated any provision of this code for which criminal  
30 prosecution is provided, the department or office shall  
31 provide the appropriate state attorney or other prosecuting

1 agency having jurisdiction with respect to such prosecution  
2 with the relevant information in its possession.

3 (3) CEASE AND DESIST ORDERS.--

4 (a) The department or office may issue and serve a  
5 complaint stating charges upon any licensee or upon any  
6 affiliated party, whenever the department or office has  
7 reasonable cause to believe that the person or individual  
8 named therein is engaging in or has engaged in conduct that  
9 is:

10 1. An act that demonstrates a lack of fitness or  
11 trustworthiness to engage in the business of insurance, is  
12 hazardous to the insurance buying public, or constitutes  
13 business operations that are a detriment to policyholders,  
14 stockholders, investors, creditors, or the public;

15 2. A violation of any provision of the Florida  
16 Insurance Code;

17 3. A violation of any rule of the department or  
18 commission;

19 4. A violation of any order of the department or  
20 office; or

21 5. A breach of any written agreement with the  
22 department or office.

23 (b) The complaint shall contain a statement of facts  
24 and notice of opportunity for a hearing pursuant to ss.  
25 120.569 and 120.57.

26 (c) If no hearing is requested within the time allowed  
27 by ss. 120.569 and 120.57, or if a hearing is held and the  
28 department or office finds that any of the charges are proven,  
29 the department or office may enter an order directing the  
30 licensee or the affiliated party named in the complaint to  
31 cease and desist from engaging in the conduct complained of

1 and take corrective action to remedy the effects of past  
2 improper conduct and assure future compliance.

3 (d) If the licensee or affiliated party named in the  
4 order fails to respond to the complaint within the time  
5 allotted by ss. 120.569 and 120.57, the failure constitutes a  
6 default and justifies the entry of a cease and desist order.

7 (e) A contested or default cease and desist order is  
8 effective when reduced to writing and served upon the licensee  
9 or affiliated party named therein. An uncontested cease and  
10 desist order is effective as agreed.

11 (f) Whenever the department or office finds that  
12 conduct described in paragraph (a) is likely to cause  
13 insolvency, substantial dissipation or misvaluation of assets  
14 or earnings of the licensee, substantial inability to pay  
15 claims on a timely basis, or substantial prejudice to  
16 prospective or existing insureds, policyholders, subscribers,  
17 or the public, it may issue an emergency cease and desist  
18 order requiring the licensee or any affiliated party to  
19 immediately cease and desist from engaging in the conduct  
20 complained of and to take corrective and remedial action. The  
21 emergency order is effective immediately upon service of a  
22 copy of the order upon the licensee or affiliated party named  
23 therein and remains effective for 90 days. If the department  
24 or office begins nonemergency cease and desist proceedings  
25 under this subsection, the emergency order remains effective  
26 until the conclusion of the proceedings under ss. 120.569 and  
27 120.57. Any emergency order entered under this subsection is  
28 exempt from s. 119.07(1) and is confidential until it is made  
29 permanent unless the department or office finds that the  
30 confidentiality will result in substantial risk of financial  
31 loss to the public. All emergency cease and desist orders

1 that are not made permanent are available for public  
2 inspection 1 year from the date the emergency cease and desist  
3 order expires; however, portions of an emergency cease and  
4 desist order remain confidential and exempt from the  
5 provisions of s. 119.07(1) if disclosure would:

- 6 1. Jeopardize the integrity of another active  
7 investigation;
- 8 2. Impair the safety and financial soundness of the  
9 licensee or affiliated party;
- 10 3. Reveal personal financial information;
- 11 4. Reveal the identity of a confidential source;
- 12 5. Defame or cause unwarranted damage to the good name  
13 or reputation of an individual or jeopardize the safety of an  
14 individual; or
- 15 6. Reveal investigative techniques or procedures.

16 (4) REMOVAL OF AFFILIATED PARTIES ~~BY THE DEPARTMENT.~~--

17 (a) The department or office may issue and serve a  
18 complaint stating charges upon any affiliated party and upon  
19 the licensee involved, whenever the department or office has  
20 reason to believe that an affiliated party is engaging in or  
21 has engaged in conduct that constitutes:

- 22 1. An act that demonstrates a lack of fitness or  
23 trustworthiness to engage in the business of insurance through  
24 engaging in illegal activity or mismanagement of business  
25 activities;
- 26 2. A willful violation of any law relating to the  
27 business of insurance; however, if the violation constitutes a  
28 misdemeanor, no complaint shall be served as provided in this  
29 section until the affiliated party is notified in writing of  
30 the matter of the violation and has been afforded a reasonable  
31

1 period of time, as set forth in the notice, to correct the  
2 violation and has failed to do so;

3 3. A violation of any other law involving fraud or  
4 moral turpitude that constitutes a felony;

5 4. A willful violation of any rule of the department  
6 or commission;

7 5. A willful violation of any order of the department  
8 or office;

9 6. A material misrepresentation of fact, made  
10 knowingly and willfully or made with reckless disregard for  
11 the truth of the matter; or

12 7. An act of commission or omission or a practice  
13 which is a breach of trust or a breach of fiduciary duty.

14 (b) The complaint shall contain a statement of facts  
15 and notice of opportunity for a hearing pursuant to ss.  
16 120.569 and 120.57.

17 (c) If no hearing is requested within the time  
18 allotted by ss. 120.569 and 120.57, or if a hearing is held  
19 and the department or office finds that any of the charges in  
20 the complaint are proven true and that:

21 1. The licensee has suffered or will likely suffer  
22 loss or other damage;

23 2. The interests of the policyholders, creditors, or  
24 public are, or could be, seriously prejudiced by reason of the  
25 violation or act or breach of fiduciary duty;

26 3. The affiliated party has received financial gain by  
27 reason of the violation, act, or breach of fiduciary duty; or

28 4. The violation, act, or breach of fiduciary duty is  
29 one involving personal dishonesty on the part of the  
30 affiliated party or the conduct jeopardizes or could  
31

1 reasonably be anticipated to jeopardize the financial  
2 soundness of the licensee,

3

4 The department or office may enter an order removing the  
5 affiliated party or restricting or prohibiting participation  
6 by the person in the affairs of that particular licensee or of  
7 any other licensee.

8 (d) If the affiliated party fails to respond to the  
9 complaint within the time allotted by ss. 120.569 and 120.57,  
10 the failure constitutes a default and justifies the entry of  
11 an order of removal, suspension, or restriction.

12 (e) A contested or default order of removal,  
13 restriction, or prohibition is effective when reduced to  
14 writing and served on the licensee and the affiliated party.  
15 An uncontested order of removal, restriction, or prohibition  
16 is effective as agreed.

17 (f)1. The chief executive officer, or the person  
18 holding the equivalent office, of a licensee shall promptly  
19 notify the department or office that issued the license if she  
20 or he has actual knowledge that any affiliated party is  
21 charged with a felony in a state or federal court.

22 2. Whenever any affiliated party is charged with a  
23 felony in a state or federal court or with the equivalent of a  
24 felony in the courts of any foreign country with which the  
25 United States maintains diplomatic relations, and the charge  
26 alleges violation of any law involving fraud, theft, or moral  
27 turpitude, the department or office may enter an emergency  
28 order suspending the affiliated party or restricting or  
29 prohibiting participation by the affiliated party in the  
30 affairs of the particular licensee or of any other licensee  
31 upon service of the order upon the licensee and the affiliated

1 party charged. The order shall contain notice of opportunity  
2 for a hearing pursuant to ss. 120.569 and 120.57, where the  
3 affiliated party may request a postsuspension hearing to show  
4 that continued service to or participation in the affairs of  
5 the licensee does not pose a threat to the interests of the  
6 licensee's policyholders or creditors and does not threaten to  
7 impair public confidence in the licensee. In accordance with  
8 applicable ~~departmental~~ rules, the department or office shall  
9 notify the affiliated party whether the order suspending or  
10 prohibiting the person from participation in the affairs of a  
11 licensee will be rescinded or otherwise modified. The  
12 emergency order remains in effect, unless otherwise modified  
13 by the department or office, until the criminal charge is  
14 disposed of. The acquittal of the person charged, or the  
15 final, unappealed dismissal of all charges against the person,  
16 dissolves the emergency order, but does not prohibit the  
17 department or office from instituting proceedings under  
18 paragraph (a). If the person charged is convicted or pleads  
19 guilty or nolo contendere, whether or not an adjudication of  
20 guilt is entered by the court, the emergency order shall  
21 become final.

22 (g) Any affiliated party removed from office pursuant  
23 to this section is not eligible for reelection or appointment  
24 to the position or to any other official position in any  
25 licensee in this state except upon the written consent of the  
26 department or office. Any affiliated party who is removed,  
27 restricted, or prohibited from participation in the affairs of  
28 a licensee pursuant to this section may petition the  
29 department or office for modification or termination of the  
30 removal, restriction, or prohibition.

31

1 (h) Resignation or termination of an affiliated party  
2 does not affect the department's or office's jurisdiction to  
3 proceed under this subsection.

4 (5) ADMINISTRATIVE FINES; ENFORCEMENT.--

5 (a) The department or office may, in a proceeding  
6 initiated pursuant to chapter 120, impose an administrative  
7 fine against any person found in the proceeding to have  
8 violated any provision of this code, a cease and desist order  
9 of the department or office, or any written agreement with the  
10 department or office. No proceeding shall be initiated and no  
11 fine shall accrue until after the person has been notified in  
12 writing of the nature of the violation and has been afforded a  
13 reasonable period of time, as set forth in the notice, to  
14 correct the violation and has failed to do so.

15 (b) A fine imposed under this subsection may not  
16 exceed the amounts specified in s. 624.4211, per violation.

17 (c) The department or office may, in addition to the  
18 imposition of an administrative fine under this subsection,  
19 also suspend or revoke the license or certificate of authority  
20 of the licensee fined under this subsection.

21 (d) Any administrative fine levied by the department  
22 or office under this subsection may be enforced by the  
23 department or office by appropriate proceedings in the circuit  
24 court of the county in which the person resides or in which  
25 the principal office of a licensee is located, or, in the case  
26 of a foreign insurer or person not residing in this state, in  
27 Leon County. In any administrative or judicial proceeding  
28 arising under this section, a party may elect to correct the  
29 violation asserted by the department or office, and, upon  
30 doing so, any fine shall cease to accrue; however, the  
31 election to correct the violation does not render any

1 administrative or judicial proceeding moot. All fines  
2 collected under this section shall be paid to the Insurance  
3 ~~Commissioner's~~ Regulatory Trust Fund.

4 (e) In imposing any administrative penalty or remedy  
5 provided for under this section, the department or office  
6 shall take into account the appropriateness of the penalty  
7 with respect to the size of the financial resources and the  
8 good faith of the person charged, the gravity of the  
9 violation, the history of previous violations, and other  
10 matters as justice may require.

11 (f) The imposition of an administrative fine under  
12 this subsection may be in addition to any other penalty or  
13 administrative fine authorized under this code.

14 (6) ADMINISTRATIVE PROCEDURES.--All administrative  
15 proceedings under subsections (3), (4), and (5) shall be  
16 conducted in accordance with chapter 120. Any service  
17 required or authorized to be made by the department or office  
18 under this code shall be made by certified mail, return  
19 receipt requested, delivered to the addressee only; by  
20 personal delivery; or in accordance with chapter 48. The  
21 service provided for herein shall be effective from the date  
22 of delivery.

23 (7) OTHER LAWS NOT SUPERSEDED.--The provisions of this  
24 section are in addition to other provisions of this code, and  
25 shall not be construed to curtail, impede, replace, or delete  
26 any other similar provision or power of the department or  
27 office under the insurance code as defined in s. 624.01 or any  
28 power of the department or office which may exist under the  
29 common law of this state. The procedures set forth in s.  
30 626.9581 do not apply to regulatory action taken pursuant to  
31 the provisions of this section.

6 amended to read:

7           624.316 Examination of insurers.--

8           (1)(a) The office ~~department~~ shall examine the  
9 affairs, transactions, accounts, records, and assets of each  
10 authorized insurer and of the attorney in fact of a reciprocal  
11 insurer as to its transactions affecting the insurer as often  
12 as it deems advisable, except as provided in this section.  
13 The examination may include examination of the affairs,  
14 transactions, accounts, and records relating directly or  
15 indirectly to the insurer and of the assets of the insurer's  
16 managing general agents and controlling or controlled person,  
17 as defined in s. 625.012. The examination shall be pursuant to  
18 a written order of the office ~~department~~. Such order shall  
19 expire upon receipt by the office ~~department~~ of the written  
20 report of the examination.

21           (b) As a part of its examination procedure, the office  
22 ~~department~~ shall examine each insurer regarding all of the  
23 information required by s. 627.915.

24           (c) The office ~~department~~ shall examine each insurer  
25 according to accounting procedures designed to fulfill the  
26 requirements of generally accepted insurance accounting  
27 principles and practices and good internal control and in  
28 keeping with generally accepted accounting forms, accounts,  
29 records, methods, and practices relating to insurers. To  
30 facilitate uniformity in examinations, the commission  
31 ~~department~~ may adopt, by rule, the Market ~~and Financial~~

1 Conduct Examiners Examination Handbook and the Financial  
2 Condition Examiners Handbook of the National Association of  
3 Insurance Commissioners, 2002 ~~1990~~, and may adopt subsequent  
4 amendments thereto, if the examination methodology remains  
5 substantially consistent.

6 (2)(a) Except as provided in paragraph (f), the office  
7 ~~department~~ may examine each insurer as often as may be  
8 warranted for the protection of the policyholders and in the  
9 public interest, and shall examine each domestic insurer not  
10 less frequently than once every 3 years. The examination shall  
11 cover the preceding 3 fiscal years of the insurer and shall be  
12 commenced within 12 months after the end of the most recent  
13 fiscal year being covered by the examination. The examination  
14 may cover any period of the insurer's operations since the  
15 last previous examination. The examination may include  
16 examination of events subsequent to the end of the most recent

20 independent certified public accountant's audit report  
21 prepared on a statutory basis consistent with the Florida  
22 Insurance Code on that specific company. The office ~~department~~  
23 may not accept the report in lieu of the requirement imposed

27 the opinion date of an independent certified public  
28 accountant's audit report prepared on a statutory basis on  
29 that specific company consistent with the Florida Insurance  
30 Code, the cost of the examination as charged to the insurer

2 reports. Requests for the reduction in cost of examination  
3 must be submitted to the office ~~department~~ in writing no later  
4 than 90 days after the conclusion of the examination and shall  
5 include sufficient documentation to support the charges  
6 incurred for the statutory audit performed by the independent  
7 certified public accountant.

8 (b) The office ~~department~~ shall examine each insurer  
9 applying for an initial certificate of authority to transact  
10 insurance in this state before granting the initial  
11 certificate.

12 (c) In lieu of making its own examination, the office  
13 ~~department~~ may accept a full report of the last recent  
14 examination of a foreign insurer, certified to by the  
15 insurance supervisory official of another state.

16 (d) The examination by the office ~~department~~ of an  
17 alien insurer shall be limited to the alien insurer's

22 and the insurer, an examination under this section may be  
23 conducted by independent certified public accountants,  
24 actuaries meeting criteria specified by rule, and reinsurance  
25 specialists meeting criteria specified by rule. The rules  
26 shall provide:

27 1. That the agreement of the insurer is not required  
28 if the office ~~department~~ reasonably suspects criminal  
29 misconduct on the part of the insurer.

30 2. That the office ~~department~~ shall provide the  
31 insurer with a list of three firms acceptable to the office

1 ~~department~~, and that the insurer shall select the firm to  
2 conduct the examination from the list provided by the office  
3 ~~department~~.

4           3. That the insurer being examined must make payment  
5 for the examination directly to the firm performing the  
6 examination in accordance with the rates and terms agreed to  
7 by the office ~~department~~, the insurer, and the firm performing  
8 the examination.

9           4. That if the examination is conducted without the  
10 consent of the insurer, the insurer must pay all reasonable  
11 charges of the examining firm if the examination finds  
12 impairment, insolvency, or criminal misconduct on the part of  
13 the insurer.

14           (f)1.

15           a. An examination under this section must be conducted  
16 at least once every year with respect to a domestic insurer  
17 that has continuously held a certificate of authority for less  
18 than 3 years. The examination must cover the preceding fiscal  
19 year or the period since the last examination of the insurer.  
20 The office ~~department~~ may limit the scope of the examination.

21           b. The office ~~department~~ may not accept an independent  
22 certified public accountant's audit report in lieu of an  
23 examination required by this subparagraph.

24           c. An insurer may not be required to pay more than  
25 \$25,000 to cover the costs of any one examination under this  
26 subparagraph.

27           2. An examination under this section must be conducted  
28 not less frequently than once every 5 years with respect to an  
29 insurer that has continuously held a certificate of authority,  
30 without a change in ownership subject to s. 624.4245 or s.  
31 628.461, for more than 15 years. The examination must cover

1 the preceding 5 fiscal years of the insurer or the period  
2 since the last examination of the insurer. This subparagraph  
3 does not limit the ability of the office ~~department~~ to conduct  
4 more frequent examinations.

5 Section 770. Section 624.3161, Florida Statutes, is  
6 amended to read:

7 624.3161 Market conduct examinations.--

8 (1) As often as it deems necessary, the office  
9 ~~department~~ shall examine each licensed rating organization,

2 the State Constitution. This exemption applies to workpapers  
3 and other information held by the department or office before,  
4 on, or after the effective date of this exemption. Such  
5 confidential and exempt information may be disclosed to  
6 another governmental entity, if disclosure is necessary for  
7 the receiving entity to perform its duties and  
8 responsibilities, and may be disclosed to the National  
9 Association of Insurance Commissioners. The receiving  
10 governmental entity or the association must maintain the  
11 confidential and exempt status of the information. The  
12 information made confidential and exempt by this paragraph may  
13 be used in a criminal, civil, or administrative proceeding so  
14 long as the confidential and exempt status of such information  
15 is maintained. This paragraph is subject to the Open

3           624.4031 Church benefit plans and church benefit

18           Section 782. Subsections (2), (3), (4), (5), and (7)

20           624.404 General eligibility of insurers for

22 to transact insurance in this state, an insurer must be  
23 otherwise in compliance with this code and with its charter  
24 powers and must be an incorporated stock insurer, an  
25 incorporated mutual insurer, or a reciprocal insurer, of the  
26 same general type as may be formed as a domestic insurer under  
27 this code; except that:

28           (2) No foreign or alien insurer or exchange shall be  
29 authorized to transact insurance in this state unless it is  
30 otherwise qualified therefor under this code and has operated  
31 satisfactorily for at least 3 years in its state or country of

1 domicile; however, the office ~~department~~ may waive the 3-year  
2 requirement if the foreign or alien insurer or exchange:

3 (a) Has operated successfully and has capital and  
4 surplus of \$5 million;

5 (b) Is the wholly owned subsidiary of an insurer which  
6 is an authorized insurer in this state;

7 (c) Is the successor in interest through merger or  
8 consolidation of an authorized insurer; or

10 available to the consumers of this state.

11 (3)(a) The office ~~department~~ shall not grant or  
12 continue authority to transact insurance in this state as to  
13 any insurer the management, officers, or directors of which  
14 are found by it to be incompetent or untrustworthy; or so  
15 lacking in insurance company managerial experience as to make  
16 the proposed operation hazardous to the insurance-buying  
17 public; or so lacking in insurance experience, ability, and  
18 standing as to jeopardize the reasonable promise of successful  
19 operation; or which it has good reason to believe are  
20 affiliated directly or indirectly through ownership, control,  
21 reinsurance transactions, or other insurance or business  
22 relations, with any person or persons whose business  
23 operations are or have been marked, to the detriment of  
24 policyholders or stockholders or investors or creditors or of  
25 the public, by manipulation of assets, accounts, or  
26 reinsurance or by bad faith.

27 (b) The office ~~department~~ shall not grant or continue  
28 authority to transact insurance in this state as to any  
29 insurer if any person, including any subscriber, stockholder,  
30 or incorporator, who exercises or has the ability to exercise  
31 effective control of the insurer, or who influences or has the

1 ability to influence the transaction of the business of the  
2 insurer, does not possess the financial standing and business  
3 experience for the successful operation of the insurer.

4 (c) The office ~~department~~ may deny, suspend, or revoke  
5 the authority to transact insurance in this state of any  
6 insurer if any person, including any subscriber, stockholder,  
7 or incorporator, who exercises or has the ability to exercise  
8 effective control of the insurer, or who influences or has the  
9 ability to influence the transaction of the business of the  
10 insurer, has been found guilty of, or has pleaded guilty or  
11 nolo contendere to, any felony or crime punishable by  
12 imprisonment of 1 year or more under the law of the United  
13 States or any state thereof or under the law of any other  
14 country which involves moral turpitude, without regard to  
15 whether a judgment of conviction has been entered by the court  
16 having jurisdiction in such case. However, in the case of an  
17 insurer operating under a subsisting certificate of authority,  
18 the insurer shall remove any such person immediately upon  
19 discovery of the conditions set forth in this paragraph when  
20 applicable to such person or upon the order of the office  
21 ~~department~~, and the failure to so act by said insurer shall be  
22 grounds for revocation or suspension of the insurer's  
23 certificate of authority.

24 (d) The office ~~department~~ may deny, suspend, or revoke  
25 the authority of an insurer to transact insurance in this  
26 state if any person, including any subscriber, stockholder, or  
27 incorporator, who exercises or has the ability to exercise  
28 effective control of the insurer, or who influences or has the  
29 ability to influence the transaction of the business of the  
30 insurer, which person the office ~~department~~ has good reason to  
31 believe is now or was in the past affiliated directly or

1 indirectly, through ownership interest of 10 percent or more,  
2 control, or reinsurance transactions, with any business,  
3 corporation, or other entity that has been found guilty of or  
4 has pleaded guilty or nolo contendere to any felony or crime  
5 punishable by imprisonment for 1 year or more under the laws  
6 of the United States, any state, or any other country,  
7 regardless of adjudication. However, in the case of an  
8 insurer operating under a subsisting certificate of authority,  
9 the insurer shall immediately remove such person or  
10 immediately notify the office ~~department~~ of such person upon  
11 discovery of the conditions set forth in this paragraph,  
12 either when applicable to such person or upon order of the  
13 office ~~department~~; the failure to remove such person, provide  
14 such notice, or comply with such order constitutes grounds for  
15 suspension or revocation of the insurer's certificate of  
16 authority.

17 (4)(a) No authorized insurer shall act as a fronting  
18 company for any unauthorized insurer which is not an approved  
19 reinsurer.

20 (b) A "fronting company" is an authorized insurer  
21 which by reinsurance or otherwise generally transfers more  
22 than 50 percent to one unauthorized insurer which does not  
23 meet the requirements of s. 624.610(3)(a), (b), or (c), or  
24 more than 75 percent to two or more unauthorized insurers  
25 which do not meet the requirements of s. 624.610(3)(a), (b),  
26 or (c), of the entire risk of loss on all of the insurance  
27 written by it in this state, or on one or more lines of  
28 insurance, on all of the business produced through one or more  
29 agents or agencies, or on all of the business from a  
30 designated geographical territory, without obtaining the prior  
31 approval of the office ~~department~~.

1           (c) The office ~~department~~ may, in its discretion,  
2 approve a transfer of risk in excess of the limits in  
3 paragraph (b) upon presentation of evidence, satisfactory to  
4 the office ~~department~~, that the transfer would be in the best  
5 interests of the financial condition of the insurer and in the  
6 best interests of the policyholders.

7           (5) No insurer shall be authorized to transact  
8 insurance in this state which, during the 3 years immediately  
9 preceding its application for a certificate of authority, has  
10 violated any of the insurance laws of this state and after  
11 being informed of such violation has failed to correct the  
12 same; except that, if all other requirements are met, the  
13 office ~~department~~ may nevertheless issue a certificate of  
14 authority to such an insurer upon the filing by the insurer of  
15 a sworn statement of all such insurance so written in  
16 violation of law, and upon payment to the office ~~department~~ of  
17 a sum of money as additional filing fee equivalent to all  
18 premium taxes and other state taxes and fees as would have  
19 been payable by the insurer if such insurance had been  
20 lawfully written by an authorized insurer under the laws of  
21 this state. This fee, when collected, shall be deposited to  
22 the credit of the Insurance ~~Commissioner's~~ Regulatory Trust  
23 Fund.

24           (7) For the purpose of satisfying the requirements of  
25 ss. 624.407 and 624.408, the investment portfolio of an  
26 insurer applying for an initial certificate of authority to do  
27 business in this state shall value its bonds and stocks in

30 Securities Valuation Office" ~~"Valuations of Securities"~~ by the  
31 National Association of Insurance Commissioners, July 1, 2002

1 ~~1990~~, and subsequent amendments thereto, if the valuation  
2 methodology remains substantially unchanged.

4 Florida Statutes, is amended to read:

- 20 2. The credit risk;
- 21 3. The underwriting risk; and
- 22 4. Any other business or other relevant risk set out

24  
25 determined in each case by applying the factors in the manner  
26 set forth in the risk-based capital instructions.

27 (f) The Legislature finds that an excess of capital  
28 over the amount produced by the risk-based capital  
29 requirements and the formulas, schedules, and instructions  
30 specified in this section is a desirable goal with respect to  
31 the business of insurance. Accordingly, insurers should seek

1 to maintain capital above the risk-based capital levels  
2 required by this section. Additional capital is used and  
3 useful in the insurance business and helps to secure an  
4 insurer against various risks inherent in, or affecting, the  
5 business of insurance and not accounted for or only partially  
6 measured by the risk-based capital requirements contained in  
7 this section.

8 (g) If a domestic insurer files a risk-based capital  
9 report that the office ~~department~~ finds is inaccurate, the  
10 office ~~department~~ shall adjust the risk-based capital report  
11 to correct the inaccuracy and shall notify the insurer of the  
12 adjustment. The notice must state the reason for the  
13 adjustment. A risk-based capital report that is so adjusted  
14 is referred to as the adjusted risk-based capital report. The  
15 adjusted risk-based capital report must also be filed by the  
16 insurer with the National Association of Insurance  
17 Commissioners.

18 (3)(a) A company action level event includes:

19 1. The filing of a risk-based capital report by an  
20 insurer which indicates that:

21 a. The insurer's total adjusted capital is greater  
22 than or equal to its regulatory action level risk-based  
23 capital but less than its company action level risk-based  
24 capital; or

25 b. If a life and health insurer, the insurer has total  
26 adjusted capital that is greater than or equal to its company  
27 action level risk-based capital, but is less than the product  
28 of its authorized control level risk-based capital and 2.5,  
29 and has a negative trend;

30 2. The notification by the office ~~department~~ to the  
31 insurer of an adjusted risk-based capital report that

1 indicates an event in subparagraph 1., unless the insurer  
2 challenges the adjusted risk-based capital report under  
3 subsection (7); or

4           3. If, under subsection (7), an insurer challenges an  
5 adjusted risk-based capital report that indicates an event in  
6 subparagraph 1., the notification by the office ~~department~~ to  
7 the insurer that the office ~~department~~ has, after a hearing,  
8 rejected the insurer's challenge.

9           (b) If a company action level event occurs, the  
10 insurer shall prepare and submit to the office ~~department~~ a  
11 risk-based capital plan, which must:

12           1. Identify the conditions that contribute to the  
13 company action level event;

14           2. Contain proposals of corrective actions that the  
15 insurer intends to take and that are reasonably expected to  
16 result in the elimination of the company action level event;

17           3. Provide projections of the insurer's financial  
18 results in the current year and at least the 4 succeeding  
19 years, both in the absence of proposed corrective actions and  
20 giving effect to the proposed corrective actions, including  
21 projections of statutory operating income, net income,  
22 capital, and surplus. The projections for both new and renewal  
23 business may include separate projections for each major line  
24 of business and, if separate projections are provided, must  
25 separately identify each significant income, expense, and  
26 benefit component;

27           4. Identify the key assumptions affecting the  
28 insurer's projections and the sensitivity of the projections  
29 to the assumptions; and

30           5. Identify the quality of, and problems associated  
31 with, the insurer's business, including, but not limited to,

1 its assets, anticipated business growth and associated surplus  
2 strain, extraordinary exposure to risk, mix of business, and  
3 any use of reinsurance.

4 (c) The risk-based capital plan must be submitted:

5 1. Within 45 days after the company action level  
6 event; or

7 2. If the insurer challenges an adjusted risk-based  
8 capital report under subsection (7), within 45 days after  
9 notification to the insurer that the office ~~department~~ has,  
10 after a hearing, rejected the insurer's challenge.

11 (d) Within 60 days after the submission by an insurer  
12 of a risk-based capital plan to the office ~~department~~, the  
13 office ~~department~~ shall notify the insurer whether the  
14 risk-based capital plan must be implemented or is, in the  
15 judgment of the office ~~department~~, unsatisfactory. If the  
16 office ~~department~~ determines that the risk-based capital plan  
17 is unsatisfactory, the notification to the insurer must set  
18 forth the reasons for the determination and may set forth  
19 proposed revisions. Upon notification from the office  
20 ~~department~~, the insurer shall prepare a revised risk-based  
21 capital plan, which may incorporate by reference any revisions  
22 proposed by the office ~~department~~, and shall submit the  
23 revised risk-based capital plan to the office ~~department~~:

24 1. Within 45 days after the notification from the  
25 office ~~department~~; or

26 2. If the insurer challenges the notification from the  
27 office ~~department~~ under subsection (7), within 45 days after a  
28 notification to the insurer that the office ~~department~~ has,  
29 after a hearing, rejected the insurer's challenge.

30 (e) If the office ~~department~~ notifies an insurer that  
31 the insurer's risk-based capital plan or revised risk-based

1 capital plan is unsatisfactory, the office ~~department~~ may, at  
2 its discretion and subject to the insurer's right to a hearing  
3 under subsection (7), specify in the notification that the  
4 notification is a regulatory action level event.

5 (f) Each domestic insurer that files a risk-based  
6 capital plan or a revised risk-based capital plan with the  
7 office ~~department~~ shall file a copy of the risk-based capital  
8 plan or the revised risk-based capital plan with the insurance  
9 department in any other state in which the insurer is  
10 authorized to do business if:

11 1. That state has a risk-based capital law that is  
12 substantially similar to paragraph (8)(a); and

13 2. The insurance department of that state has notified  
14 the insurer of its request for the filing in writing, in which  
15 case the insurer shall file a copy of the risk-based capital  
16 plan or the revised risk-based capital plan in that state no  
17 later than the later of:

18 a. Fifteen days after the receipt of notice to file a  
19 copy of its risk-based capital plan or revised risk-based  
20 capital plan with the state; or

21 b. The date on which the risk-based capital plan or  
22 the revised risk-based capital plan is filed under paragraph  
23 (c) or paragraph (d).

24 (4)(a) A regulatory action level event includes:

25 1. The filing of a risk-based capital report by the  
26 insurer which indicates that the insurer's total adjusted  
27 capital is greater than or equal to its authorized control  
28 level risk-based capital but is less than its regulatory  
29 action level risk-based capital;

30 2. The notification by the office ~~department~~ to the  
31 insurer of an adjusted risk-based capital report that

1 indicates the event described in subparagraph 1., unless the  
2 insurer challenges the adjusted risk-based capital report  
3 under subsection (7);

4         3. If, under subsection (7), the insurer challenges an  
5 adjusted risk-based capital report that indicates the event  
6 described in subparagraph 1., the notification by the office  
7 ~~department~~ to the insurer that the office ~~department~~ has,  
8 after a hearing, rejected the insurer's challenge;

9         4. The failure of the insurer to file a risk-based  
10 capital report by the filing date, unless the insurer provides  
11 an explanation for such failure which is satisfactory to the  
12 office ~~department~~ and cures the failure within 10 days after  
13 the filing date;

14         5. The failure of the insurer to submit a risk-based  
15 capital plan to the office ~~department~~ within the time period  
16 set forth in paragraph (3)(c);

17         6. Notification by the office ~~department~~ to the  
18 insurer that:

19             a. The risk-based capital plan or the revised  
20 risk-based capital plan submitted by the insurer is, in the  
21 judgment of the office ~~department~~, unsatisfactory; and

22             b. This notification constitutes a regulatory action  
23 level event with respect to the insurer, unless the insurer  
24 challenges the determination under subsection (7);

25         7. If, under subsection (7), the insurer challenges a  
26 determination by the office ~~department~~ under subparagraph 6.,  
27 the notification by the office ~~department~~ to the insurer that  
28 the office ~~department~~ has, after a hearing, rejected the  
29 challenge;

30         8. Notification by the office ~~department~~ to the  
31 insurer that the insurer has failed to adhere to its

1 risk-based capital plan or revised risk-based capital plan,  
2 but only if this failure has a substantial adverse effect on  
3 the ability of the insurer to eliminate the company action  
4 level event in accordance with its risk-based capital plan or  
5 revised risk-based capital plan and the office ~~department~~ has  
6 so stated in the notification, unless the insurer challenges  
7 the determination under subsection (7); or

8           9. If, under subsection (7), the insurer challenges a  
9 determination by the office ~~department~~ under subparagraph 8.,  
10 the notification by the office ~~department~~ to the insurer that  
11 the office ~~department~~ has, after a hearing, rejected the  
12 challenge.

13           (b) If a regulatory action level event occurs, the  
14 office ~~department~~ shall:

15           1. Require the insurer to prepare and submit a  
16 risk-based capital plan or, if applicable, a revised  
17 risk-based capital plan;

18           2. Perform an examination pursuant to s. 624.316 or an  
19 analysis, as the office ~~department~~ considers necessary, of the  
20 assets, liabilities, and operations of the insurer, including  
21 a review of the risk-based capital plan or the revised  
22 risk-based capital plan; and

23           3. After the examination or analysis, issue a  
24 corrective order specifying such corrective actions as the  
25 office ~~department~~ determines are required.

26           (c) In determining corrective actions, the office  
27 ~~department~~ shall consider any factor relevant to the insurer  
28 based upon the office's ~~department's~~ examination or analysis  
29 of the assets, liabilities, and operations of the insurer,  
30 including, but not limited to, the results of any sensitivity  
31 tests undertaken as provided in the risk-based capital

1 instructions. The risk-based capital plan or the revised  
2 risk-based capital plan must be submitted:

3 1. Within 45 days after the occurrence of the  
4 regulatory action level event;

5 2. If the insurer challenges an adjusted risk-based  
6 capital report under subsection (7), within 45 days after the  
7 notification to the insurer that the office ~~department~~ has,  
8 after a hearing, rejected the insurer's challenge; or

9 3. If the insurer challenges a revised risk-based  
10 capital plan under subsection (7), within 45 days after the  
11 notification to the insurer that the office ~~department~~ has,  
12 after a hearing, rejected the insurer's challenge.

13 (d) The office ~~department~~ may retain actuaries,  
14 investment experts, and other consultants to review an  
15 insurer's risk-based capital plan or revised risk-based  
16 capital plan, examine or analyze the assets, liabilities, and  
17 operations of an insurer, and formulate the corrective order  
18 with respect to the insurer. The fees, costs, and expenses  
19 relating to consultants must be borne by the affected insurer  
20 or by any other party as directed by the office ~~department~~.

21 (5)(a) An authorized control level event includes:

22 1. The filing of a risk-based capital report by the  
23 insurer which indicates that the insurer's total adjusted  
24 capital is greater than or equal to its mandatory control  
25 level risk-based capital but is less than its authorized  
26 control level risk-based capital;

27 2. The notification by the office ~~department~~ to the  
28 insurer of an adjusted risk-based capital report that  
29 indicates the event in subparagraph 1., unless the insurer  
30 challenges the adjusted risk-based capital report under  
31 subsection (7);

1           3. If, under subsection (7), the insurer challenges an  
2 adjusted risk-based capital report that indicates the event in  
3 subparagraph 1., notification by the office ~~department~~ to the  
4 insurer that the office ~~department~~ has, after a hearing,  
5 rejected the insurer's challenge;

6           4. The failure of the insurer to respond, in a manner  
7 satisfactory to the office ~~department~~, to a corrective order,  
8 unless the insurer challenges the corrective order under  
9 subsection (7); or

10          5. If the insurer challenges a corrective order under  
11 subsection (7) and the office ~~department~~ has, after a hearing,  
12 rejected the challenge or modified the corrective order, the  
13 failure of the insurer to respond, in a manner satisfactory to  
14 the office ~~department~~, to the corrective order after rejection  
15 or modification by the office ~~department~~.

16          (b) If an authorized control level event occurs, the  
17 office ~~department~~ shall:

18           1. Take any action required under subsection (4)  
19 regarding the insurer with respect to which a regulatory  
20 action level event has occurred; or

21           2. If the office ~~department~~ considers it to be in the  
22 best interests of the policyholders and creditors of the  
23 insurer and of the public, take any action as necessary to  
24 cause the insurer to be placed under regulatory control under  
25 chapter 631. An authorized control level event is sufficient  
26 ground for the department to be appointed as receiver as  
27 provided in chapter 631.

28          (6)(a) A mandatory control level event includes:

29           1. The filing of a risk-based capital report that  
30 indicates that the insurer's total adjusted capital is less  
31 than its mandatory control level risk-based capital;

1           2. Notification by the office ~~department~~ to the  
2 insurer of an adjusted risk-based capital report that  
3 indicates the event in subparagraph 1., unless the insurer  
4 challenges the adjusted risk-based capital report under  
5 subsection (7); or

6           3. If, under subsection (7), the insurer challenges an  
7 adjusted risk-based capital report that indicates the event in  
8 subparagraph 1., notification by the office ~~department~~ to the  
9 insurer that the office ~~department~~ has, after a hearing,  
10 rejected the insurer's challenge.

11           (b) If a mandatory control level event occurs:

12           1. With respect to a life and health insurer, the  
13 office ~~department~~ shall, after due consideration of s.  
14 624.408, take any action necessary to place the insurer under  
15 regulatory control, including any remedy available under  
16 chapter 631. A mandatory control level event is sufficient  
17 ground for the department to be appointed as receiver as  
18 provided in chapter 631. The office ~~department~~ may forego  
19 taking action for up to 90 days after the mandatory control  
20 level event if the office ~~department~~ finds there is a  
21 reasonable expectation that the mandatory control level event  
22 may be eliminated within the 90-day period.

23           2. With respect to a property and casualty insurer,  
24 the office ~~department~~ shall, after due consideration of s.  
25 624.408, take any action necessary to place the insurer under  
26 regulatory control, including any remedy available under  
27 chapter 631, or, in the case of an insurer that is not writing  
28 new business, may allow the insurer to continue to operate  
29 under the supervision of the office ~~department~~. In either  
30 case, the mandatory control level event is sufficient ground  
31 for the department to be appointed as receiver as provided in

1 chapter 631. The office ~~department~~ may forego taking action  
2 for up to 90 days after the mandatory control level event if  
3 the office ~~department~~ finds there is a reasonable expectation  
4 that the mandatory control level event will be eliminated  
5 within the 90-day period.

6 (7)(a) An insurer has a right to a hearing before the  
7 office ~~department~~ upon:

8 1. Notification to an insurer by the office ~~department~~  
9 of an adjusted risk-based capital report;

10 2. Notification to an insurer by the office ~~department~~  
11 that the insurer's risk-based capital plan or revised  
12 risk-based capital plan is unsatisfactory, and that the  
13 notification constitutes a regulatory action level event with  
14 respect to such insurer;

15 3. Notification to any insurer by the office  
16 ~~department~~ that the insurer has failed to adhere to its  
17 risk-based capital plan or revised risk-based capital plan and  
18 that the failure has a substantial adverse effect on the  
19 ability of the insurer to eliminate the company action level  
20 event in accordance with its risk-based capital plan or its  
21 revised risk-based capital plan; or

22 4. Notification to an insurer by the office ~~department~~  
23 of a corrective order with respect to the insurer.

24 (b) At such hearing the insurer may challenge any  
25 determination or action by the office ~~department~~. The insurer  
26 shall notify the office ~~department~~ of its request for a  
27 hearing within 5 days after receipt of the notification by the  
28 office ~~department~~ under this subsection. Upon receipt of the  
29 request for a hearing, the office ~~department~~ shall set a date  
30 for the hearing, which date must be no fewer than 10 nor more  
31 than 30 days after the date the office ~~department~~ receives the

1 insurer's request. The hearing must be conducted as provided  
2 in s. 624.324, with the right to appellate review under s.  
3 120.68.

4 (8)(a) Any foreign insurer shall, upon the written  
5 request of the office ~~department~~, submit to the office  
6 ~~department~~ a risk-based capital report, as of the end of the  
7 calendar year just ended, no later than the later of:

8 1. The date a risk-based capital report is required to  
9 be filed by a domestic insurer under this section; or

10 2. Fifteen days after the request is received by the  
11 foreign insurer.

12 (b) Any foreign insurer shall, upon the written  
13 request of the office ~~department~~, promptly submit to the  
14 office ~~department~~ a copy of any risk-based capital plan that  
15 is filed with the insurance department of another state.

16 (c) The office ~~department~~ may require a foreign  
17 insurer to file a risk-based capital plan if:

18 1. A company action level event, regulatory action  
19 level event, or authorized control level event occurs with  
20 respect to any foreign insurer as determined under the  
21 risk-based capital law of the state of domicile of the  
22 insurer, or, if there is no risk-based capital law in that  
23 state, under this section.

24 2. The insurance department of the state of domicile  
25 of the foreign insurer fails to require the foreign insurer to  
26 file a risk-based capital plan in the manner specified under  
27 the risk-based capital law of that state, or, if there is no  
28 risk-based capital law in that state, under subsection (3).

29

30 The failure of the foreign insurer to file a risk-based  
31 capital plan with the office ~~department~~ when required under

1 this paragraph is a ground for the office ~~department~~ to take  
2 any action under s. 624.418 which it determines is necessary.

3 (d) If a mandatory control level event occurs with  
4 respect to any foreign insurer and a domiciliary receiver has  
5 not been appointed with respect to the foreign insurer under  
6 the rehabilitation and liquidation law of the state of  
7 domicile of the foreign insurer, the office ~~department~~ may  
8 apply to the Circuit Court of Leon County and such event  
9 constitutes grounds for the department to be appointed as  
10 receiver as provided in chapter 631 with respect to the  
11 liquidation of property of foreign insurers found in this  
12 state. The occurrence of a mandatory control level event is a  
13 ground for such application.

14 (9) There shall be no liability on the part of, and no  
15 cause of action shall arise against, the commission,  
16 ~~commissioner, the department, or office, or their~~ its  
17 employees or agents, for any action taken by them in the  
18 performance of their powers and duties under this section.

19 (10) The office ~~department~~ shall transmit any notice  
20 that may result in regulatory action by registered mail,  
21 certified mail, or any other method of transmission. Notice  
22 is effective when the insurer receives it.

23 ~~(11) For the purposes of the risk-based capital~~  
24 ~~reports required to be filed by life and health insurers with~~  
25 ~~respect to their 1997 annual statement data and the risk-based~~  
26 ~~capital reports required to be filed by property and casualty~~  
27 ~~insurers with respect to their 1997 annual statement data, the~~  
28 ~~following requirements apply in lieu of the provisions of~~  
29 ~~subsections (3), (4), (5), and (6):~~

30  
31

1           ~~(a) If a company action level event occurs with~~  
2 ~~respect to a domestic insurer, the department may not take any~~  
3 ~~regulatory action.~~

4           ~~(b) If a regulatory action level event occurs under~~  
5 ~~subparagraph (4)(a)1., 2., or 3., the department shall take~~  
6 ~~the actions required under subsection (3).~~

7           ~~(c) If a regulatory action level event occurs under~~  
8 ~~subparagraph (4)(a)4., 5., 6., 7., 8., or 9., or an authorized~~  
9 ~~control level event occurs, the department shall take the~~  
10 ~~actions required under subsection (4).~~

11           ~~(d) If a mandatory control level event occurs with~~  
12 ~~respect to an insurer, the department shall take the actions~~  
13 ~~required under subsection (5).~~

14           ~~(11)(12)~~ This section is supplemental to the other  
15 laws of this state and does not preclude or limit any power or  
16 duty of the department or office under those laws or under the  
17 rules adopted under those laws.

18           ~~(12)(13)~~ This section does not apply to a domestic  
19 property and casualty insurer that meets all of the following  
20 conditions:

21           (a) Writes direct business only in this state;

22           (b) Writes direct annual premiums of \$2 million or  
23 less; and

24           (c) Assumes no reinsurance in excess of 5 percent of  
25 direct premiums written.

26           ~~(13)(14)~~ The commission ~~department~~ may adopt rules to  
27 administer this section, including, but not limited to, those  
28 regarding risk-based capital reports, adjusted risk-based  
29 capital reports, risk-based capital plans, corrective orders  
30 and procedures to be followed in the event of a triggering of  
31 a company action level event, a regulatory action level event,

1 an authorized control level event, or a mandatory control  
2 level event.

3 Section 785. Subsections (1) and (2) of section  
4 624.40851, Florida Statutes, are amended to read:

5 624.40851 Confidentiality of risk-based capital  
6 information.--

7 (1) The initial risk-based capital report and any  
8 adjusted risk-based capital report; any risk-based capital  
9 plan and any revised risk-based capital plan; and working  
10 papers and reports of examination or analysis of an insurer  
11 performed pursuant to a plan or corrective order, or  
12 regulatory action level event, with respect to any domestic  
13 insurer or foreign insurer, held by the office ~~Department of~~  
14 ~~Insurance~~, and transcripts of hearings made as required by  
15 this section, are confidential and exempt from s. 119.07(1)  
16 and s. 24(a), Art. I of the State Constitution.

17 (2) Hearings conducted pursuant to s. 624.4085  
18 relating to the office's ~~department's~~ actions regarding any  
19 insurer's risk-based capital plan, revised risk-based capital  
20 plan, risk-based capital report, or adjusted risk-based  
21 capital report, are exempt from s. 286.011 and s. 24(b), Art.  
22 I of the State Constitution, except as otherwise provided in  
23 this section. Such hearings shall be recorded by a court  
24 reporter. The office ~~Department of Insurance~~ shall open such  
25 hearings or provide a copy of the transcript of such hearings  
26 or information otherwise made confidential and exempt pursuant  
27 to this section to a department, agency, or instrumentality of  
28 this or another state or of the United States if the office  
29 ~~department~~ determines the disclosure is necessary or proper  
30 for the enforcement of the laws of the United States or of  
31 this or another state.

1           Section 786. Section 624.4094, Florida Statutes, is  
2 amended to read:

3           624.4094 Bail bond premiums.--

4           (1) The Legislature finds that a significant portion  
5 of bail bond premiums is retained by the licensed bail bond  
6 agents or licensed managing general agents. For purposes of  
7 reporting in financial statements required to be filed with  
8 the office ~~department~~ pursuant to s. 624.424, direct written  
9 premiums for bail bonds by a domestic insurer in this state  
10 shall be reported net of any amounts retained by licensed bail  
11 bond agents or licensed managing general agents. However, in  
12 no case shall the direct written premiums for bail bonds be  
13 less than 6.5 percent of the total consideration received by  
14 the agent for all bail bonds written by the agent. This  
15 subsection also applies to any determination of compliance  
16 with s. 624.4095.

17           (2) Premiums assumed by a domestic insurer shall be  
18 reported consistent with subsections (1) and (4) for purposes  
19 of filing financial statements with the office ~~department~~.

21 process by registered or certified mail to the person last  
22 designated by the insurer to receive the same, as provided  
23 under s. 624.422(2).

24 (2) Where process is served upon the Chief Financial  
25 Officer ~~Insurance Commissioner and Treasurer~~ as an insurer's  
26 process agent, the insurer shall not be required to answer or  
27 plead except within 20 days after the date upon which the  
28 Chief Financial Officer ~~Insurance Commissioner and Treasurer~~  
29 mailed a copy of the process served upon her or him as  
30 required by subsection (1).

31

1           (3) Process served upon the Chief Financial Officer  
2 ~~Insurance Commissioner and Treasurer~~ and copy thereof  
3 forwarded as in this section provided shall for all purposes  
4 constitute valid and binding service thereof upon the insurer.

5           Section 802. Section 624.424, Florida Statutes, is  
6 amended to read:

7           624.424 Annual statement and other information.--

8           (1)(a) Each authorized insurer shall file with the  
9 office department full and true statements of its financial  
10 condition, transactions, and affairs. An annual statement  
11 covering the preceding calendar year shall be filed on or  
12 before March 1, and quarterly statements covering the periods  
13 ending on March 31, June 30, and September 30 shall be filed  
14 within 45 days after each such date. The office department  
15 may, for good cause, grant an extension of time for filing of  
16 an annual or quarterly statement. The statements shall contain  
17 information generally included in insurers' financial  
18 statements prepared in accordance with generally accepted  
19 insurance accounting principles and practices and in a form  
20 generally utilized by insurers for financial statements, sworn  
21 to by at least two executive officers of the insurer or, if a  
22 reciprocal insurer, by the oath of the attorney in fact or its  
23 like officer if a corporation. To facilitate uniformity in  
24 financial statements and to facilitate office department  
25 analysis, the commission department may by rule adopt the form  
26 for financial statements approved by the National Association  
27 of Insurance Commissioners in 2002 ~~1990~~, and may adopt  
28 subsequent amendments thereto if the methodology remains  
29 substantially consistent, and may by rule require each insurer  
30 to submit to the office department or such organization as the  
31 office department may designate all or part of the information

1 contained in the financial statement in a computer-readable  
2 form compatible with the electronic data processing system  
3 specified by the office ~~department~~.

4 (b) Each insurer's annual statement must contain a  
5 statement of opinion on loss and loss adjustment expense  
6 reserves made by a member of the American Academy of Actuaries  
7 or by a qualified loss reserve specialist, under criteria  
8 established by rule of the commission ~~department~~. In adopting  
9 the rule, the commission ~~department~~ must consider any criteria  
10 established by the National Association of Insurance  
11 Commissioners. The office ~~department~~ may require semiannual  
12 updates of the annual statement of opinion as to a particular  
13 insurer if the office ~~department~~ has reasonable cause to  
14 believe that such reserves are understated to the extent of  
15 materially misstating the financial position of the insurer.  
16 Workpapers in support of the statement of opinion must be  
17 provided to the office ~~department~~ upon request. This paragraph  
18 does not apply to life insurance or title insurance.

19 (c) The commission ~~department~~ may by rule require  
20 reports or filings required under the insurance code to be  
21 submitted on a computer-diskette compatible with the  
22 electronic data processing equipment specified by the  
23 commission ~~department~~.

24 (2) The statement of an alien insurer shall be  
25 verified by the insurer's United States manager or other  
26 officer duly authorized. It shall be a separate statement, to  
27 be known as its general statement, of its transactions,  
28 assets, and affairs within the United States unless the office  
29 ~~department~~ requires otherwise. If the office ~~department~~  
30 requires a statement as to the insurer's affairs elsewhere,  
31

1 the insurer shall file such statement with the office  
2 ~~department~~ as soon as reasonably possible.

3 (3) Each insurer having a deposit as required under s.  
4 624.411 shall file with the office ~~department~~ annually with  
5 its annual statement a certificate to the effect that the  
6 assets so deposited have a market value equal to or in excess  
7 of the amount of deposit so required.

8 (4) At the time of filing, the insurer shall pay the  
9 fee for filing its annual statement in the amount specified in  
10 s. 624.501.

11 (5) The office ~~department~~ may refuse to continue, or  
12 may suspend or revoke, the certificate of authority of an  
13 insurer failing to file its annual or quarterly statements and  
14 accompanying certificates when due.

15 (6) In addition to information called for and  
16 furnished in connection with its annual or quarterly  
17 statements, an insurer shall furnish to the office ~~department~~  
18 as soon as reasonably possible such information as to its  
19 transactions or affairs as the office ~~department~~ may from time  
20 to time request in writing. All such information furnished  
21 pursuant to the office's ~~department's~~ request shall be  
22 verified by the oath of two executive officers of the insurer  
23 or, if a reciprocal insurer, by the oath of the attorney in  
24 fact or its like officers if a corporation.

25 (7) The signatures of all such persons when written on  
26 annual or quarterly statements or other reports required by  
27 this section shall be presumed to have been so written by  
28 authority of the person whose signature is affixed thereon.  
29 The affixing of any signature by anyone other than the  
30 purported signer constitutes a felony of the second degree,  
31

1 punishable as provided in s. 775.082, s. 775.083, or s.  
2 775.084.

3 (8)(a) All authorized insurers must have conducted an  
4 annual audit by an independent certified public accountant and  
5 must file an audited financial report with the office  
6 ~~department~~ on or before June 1 for the preceding year ending  
7 December 31. The office ~~department~~ may require an insurer to  
8 file an audited financial report earlier than June 1 upon 90  
9 days' advance notice to the insurer. The office ~~department~~  
10 may immediately suspend an insurer's certificate of authority  
11 by order if an insurer's failure to file required reports,  
12 financial statements, or information required by this  
13 subsection or rule adopted pursuant thereto creates a  
14 significant uncertainty as to the insurer's continuing  
15 eligibility for a certificate of authority.

16 (b) Any authorized insurer otherwise subject to this  
17 section having direct premiums written in this state of less  
18 than \$1 million in any calendar year and fewer ~~less~~ than 1,000  
19 policyholders or certificateholders of directly written  
20 policies nationwide at the end of such calendar year is exempt  
21 from this section for such year unless the office ~~department~~  
22 makes a specific finding that compliance is necessary in order  
23 for the office ~~department~~ to carry out its statutory  
24 responsibilities. However, any insurer having assumed  
25 premiums pursuant to contracts or treaties or reinsurance of  
26 \$1 million or more is not exempt. Any insurer subject to an  
27 exemption must submit by March 1 following the year to which  
28 the exemption applies an affidavit sworn to by a responsible  
29 officer of the insurer specifying the amount of direct  
30 premiums written in this state and number of policyholders or  
31 certificateholders.

1           (c) The board of directors of an insurer shall hire  
2 the certified public accountant that prepares the audit  
3 required by this subsection and the board shall establish an  
4 audit committee of three or more directors of the insurer or  
5 an affiliated company. The audit committee shall be  
6 responsible for discussing audit findings and interacting with  
7 the certified public accountant with regard to her or his  
8 findings. The audit committee shall be comprised solely of  
9 members who are free from any relationship that, in the  
10 opinion of its board of directors, would interfere with the  
11 exercise of independent judgment as a committee member. The  
12 audit committee shall report to the board any findings of  
13 adverse financial conditions or significant deficiencies in  
14 internal controls that have been noted by the accountant. The  
15 insurer may request the office ~~department~~ to waive this  
16 requirement of the audit committee membership based upon  
17 unusual hardship to the insurer.

18           (d) An insurer may not use the same accountant or  
19 partner of an accounting firm responsible for preparing the  
20 report required by this subsection for more than 7 consecutive  
21 years. Following this period, the insurer may not use such  
22 accountant or partner for a period of 2 years, but may use  
23 another accountant or partner of the same firm. An insurer  
24 may request the office ~~department~~ to waive this prohibition  
25 based upon an unusual hardship to the insurer and a  
26 determination that the accountant is exercising independent  
27 judgment that is not unduly influenced by the insurer  
28 considering such factors as the number of partners, expertise  
29 of the partners or the number of insurance clients of the  
30 accounting firm; the premium volume of the insurer; and the

31

1 number of jurisdictions in which the insurer transacts  
2 business.

3 (e) The commission ~~department~~ shall adopt rules to  
4 implement this subsection, which rules must be in substantial  
5 conformity with the 1998 ~~1990~~ Model Rule Requiring Annual  
6 Audited Financial Reports adopted by the National Association  
7 of Insurance Commissioners, except where inconsistent with the  
8 requirements of this subsection. Any exception to, waiver of,  
9 or interpretation of accounting requirements of the commission  
10 ~~department~~ must be in writing and signed by an authorized  
11 representative of the office ~~department~~. No insurer may raise  
12 as a defense in any action, any exception to, waiver of, or  
13 interpretation of accounting requirements, unless previously  
14 issued in writing by an authorized representative of the  
15 office ~~department~~.

16 (9)(a) Each authorized insurer shall, pursuant to s.  
17 409.910(20), provide records and information to the Agency for  
18 Health Care Administration to identify potential insurance  
19 coverage for claims filed with that agency and its fiscal  
20 agents for payment of medical services under the Medicaid  
21 program.

22 (b) Each authorized insurer shall, pursuant to s.  
23 409.2561(5)(c), notify the Medicaid agency of a cancellation  
24 or discontinuance of a policy within 30 days if the insurer  
25 received notification from the Medicaid agency to do so.

26 (c) Any information provided by an insurer under this  
27 subsection does not violate any right of confidentiality or  
28 contract that the insurer may have with covered persons. The  
29 insurer is immune from any liability that it may otherwise  
30 incur through its release of such information to the Agency  
31 for Health Care Administration.

1           (10) Each insurer or insurer group doing business in  
2 this state shall file on a quarterly basis in conjunction with  
3 financial reports required by paragraph (1)(a) a supplemental  
4 report on an individual and group basis on a form prescribed  
5 by the commission ~~department~~ with information on personal  
6 lines and commercial lines residential property insurance  
7 policies in this state. The supplemental report shall include  
8 separate information for personal lines property policies and  
9 for commercial lines property policies and totals for each  
10 item specified, including premiums written for each of the  
11 property lines of business as described in ss. 215.555(2)(c)  
12 and 627.351(6)(a). The report shall include the following  
13 information for each county on a monthly basis:

- 14           (a) Total number of policies in force at the end of  
15 each month.
- 16           (b) Total number of policies canceled.
- 17           (c) Total number of policies nonrenewed.
- 18           (d) Number of policies canceled due to hurricane risk.
- 19           (e) Number of policies nonrenewed due to hurricane  
20 risk.
- 21           (f) Number of new policies written.
- 22           (g) Total dollar value of structure exposure under  
23 policies that include wind coverage.
- 24           (h) Number of policies that exclude wind coverage.

25           Section 803. Section 624.4241, Florida Statutes, is  
26 amended to read:

27           624.4241 NAIC filing requirements.--

28           (1) Each domestic, foreign, and alien insurer who is  
29 authorized to transact insurance in this state shall file one  
30 extra copy of its annual statement convention blank, along  
31 with such additional filings as prescribed by the commission

1 ~~department~~ for the preceding year. Such extra copy shall be  
2 for the explicit purpose of allowing the office ~~department~~ to  
3 forward it to the National Association of Insurance  
4 Commissioners.

5 (2) Coincident with the filing of the documents  
6 required in subsection (1), each insurer shall pay to the  
7 office ~~department~~ a reasonable fee to cover the costs  
8 associated with the filing and analysis of the documents by  
9 the National Association of Insurance Commissioners and the  
10 office ~~department~~.

11 (3) The provisions of this section shall not apply to  
12 any foreign, domestic, or alien insurer which has filed such  
13 documents directly with the National Association of Insurance  
14 Commissioners if the National Association of Insurance  
15 Commissioners has certified receipt of the required documents  
16 to the office ~~department~~.

17 Section 804. Subsections (2) and (3) of section  
18 624.4243, Florida Statutes, are amended to read:

19 624.4243 Reporting of premium growth.--

20 (2) Until an insurer has held a certificate of  
21 authority in this state for 24 months, the insurer shall,  
22 instead of making the calculations required under subsection  
23 (1), report to the office ~~department~~ no later than the last  
24 day of each month the insurer's direct and assumed written  
25 premiums from the United States and its territories for the  
26 previous month.

27 (3) If the amount of the premium growth calculated by  
28 an insurer under this section exceeds 33 percent, the insurer  
29 shall, within 30 days after the end of the 12-month period  
30 ending on the last day of the previous month, file with the  
31 office ~~department~~ a statement of the premium growth

1 calculations under this section. The commission ~~department~~  
2 shall adopt rules specifying the form for the report. In  
3 response to a report under this section, the office ~~department~~  
4 may require the insurer to submit an explanation of the  
5 insurer's pattern of premium growth.

6 Section 805. Section 624.4245, Florida Statutes, is  
7 amended to read:

8 624.4245 Change in controlling interest of foreign or  
9 alien insurer; report required.--In the event of a change in  
10 the controlling capital stock or a change of 50 percent or  
11 more of the assets of a foreign or alien insurer, such insurer  
12 shall report such change in writing to the office ~~department~~  
13 within 30 days of the effective date thereof. The report  
14 shall contain the name and address of the new owner or owners  
15 of the controlling stock or assets, the nature and value of  
16 the new assets, and such other relevant information as the  
17 commission or office ~~department~~ may reasonably require. For  
18 the purposes of this section, the term "controlling capital  
19 stock" means a sufficient number of shares of the issued and  
20 outstanding capital stock of such insurer or person so as to  
21 give the owner thereof power to exercise a controlling  
22 influence over the management or policies of such insurer or  
23 person.

24 Section 806. Subsections (1), (2), (3), (7), and (8)  
25 of section 624.430, Florida Statutes, are amended to read:

26 624.430 Withdrawal of insurer or discontinuance of  
27 writing certain kinds or lines of insurance.--

28 (1) Any insurer desiring to surrender its certificate  
29 of authority, withdraw from this state, or discontinue the  
30 writing of any one or multiple kinds or lines of insurance in  
31 this state shall give 90 days' notice in writing to the office

1 ~~department~~ setting forth its reasons for such action. Any  
2 insurer who does not write any premiums in a kind or line of  
3 insurance within a calendar year shall have that kind or line  
4 of insurance removed from its certificate of authority;  
5 however, such line of insurance shall be restored to the  
6 insurer's certificate upon the insurer demonstrating that it  
7 has available the expertise necessary and meets the other  
8 requirements of this code to write that line of insurance.

9 (2) If the office ~~department~~ determines, based upon  
10 its review of the notice and other required information, that  
11 the plan of an insurer withdrawing from this state makes  
12 adequate provision for the satisfaction of the insurer's  
13 obligations and is not hazardous to policyholders or the  
14 public, the office ~~department~~ shall approve the surrender of  
15 the insurer's certificate of authority. The office ~~department~~  
16 shall, within 45 days from receipt of a complete notice and  
17 all required or requested additional information, approve,  
18 disapprove, or approve with conditions the plan submitted by  
19 the insurer. Failure to timely take action with respect to the  
20 notice shall be deemed an approval of the surrender of the  
21 certificate of authority.

22 (3) Upon office ~~department~~ approval of the surrender  
23 of the certificate of authority of a domestic property and  
24 casualty insurer that is a corporation, the insurer may  
25 initiate the dissolution of the corporation in accordance with  
26 the applicable provisions of chapter 607.

27 (7) This section does not apply to insurers who have  
28 discontinued writing in accordance with an order issued by the  
29 office ~~department~~.

30 (8) The commission ~~department~~ may adopt rules to  
31 administer this section.

4           (5) "Statutory accounting principles" means generally  
5 accepted accounting principles, except as modified by part I  
6 of chapter 625 and by rules adopted by the commission  
7 ~~department~~ which recognize the difference between an  
8 arrangement and an insurer.

9           (6) "Surplus notes" means funds borrowed by a  
10 multiple-employer welfare arrangement which result in a  
11 written instrument which includes all of the following:

19 office ~~department~~ that all claims of participants and general  
20 creditors of the organization have been paid or otherwise  
21 discharged prior to any payment of interest or repayment of  
22 principal.

23           (d) The instrument is executed by both parties and a  
24 certified copy of the instrument is filed with the office  
25 ~~department~~.

26           (e) The parties agree not to modify, terminate, or  
27 cancel the surplus note without the prior approval of the  
28 office ~~department~~.

29           Section 808. Subsections (2) and (4) of section  
30 624.437, Florida Statutes, are amended to read:

16 ~~department~~ as set forth in ss. 626.9571, 626.9581, 626.9591,  
17 and 626.9601.  
18           (c)1. Any person who operates or maintains a  
19 multiple-employer welfare arrangement without a subsisting

26 775.082 or s. 775.083.  
27           (d) In addition to the penalties and other enforcement

29 ~~department~~ is vested with the power to seek both temporary and  
30 permanent injunctive relief when:  
31

2 operated by any person or entity without a subsisting

13 authority.

14  
15 The office's ~~department's~~ authority to seek injunctive relief  
16 shall not be conditioned on having conducted any proceeding  
17 pursuant to chapter 120. The authority vested in the office  
18 ~~department~~ by virtue of the operation of this section shall  
19 not act to reduce any other enforcement remedy or power to

25           (5) The office ~~department~~ shall not grant or continue  
26 a certificate of authority for any arrangement if the office  
27 ~~department~~ determines any trustee, manager, or administrator  
28 to be incompetent, untrustworthy, or so lacking in insurance  
29 expertise as to make the operations of the arrangement  
30 hazardous to potential and existing insureds; that any  
31 trustee, manager, or administrator has been found guilty of,

1 or has pled guilty or no contest to a felony, a crime  
2 involving moral turpitude, or a crime punishable by  
3 imprisonment of 1 year or more under the law of any state,  
4 territory, or country, whether or not a judgment or conviction  
5 has been entered; that any trustee, manager, or administrator

5 prescribed by the commission department, verified by the oath  
6 of a member of the board of trustees and by an administrative

29 compliance with this section, the arrangement's authority to  
30 enroll new enrollees or to do business in this state ceases  
31 until the office ~~department~~ determines the arrangement to be

1 in compliance. The office ~~department~~ may not collect more

13 Section 819. Section 624.444, Florida Statutes, is  
14 amended to read:

15 624.444 Suspension, revocation of approval.--

16 (1) The office ~~department~~ shall deny, suspend, or  
17 revoke an arrangement's certificate of authority if it finds  
18 that the arrangement:

19 (a) Is insolvent;

20 (b) Is using such methods and practices in the conduct

22 business in this state hazardous or injurious to its  
23 participating employers, covered employees and dependents, or

14 ~~department~~ prior to the expiration of the suspension period.  
15 An arrangement's authority to enroll new subscribers shall not  
16 be reinstated unless it requests reinstatement, and shall not  
17 be reinstated if the office ~~department~~ finds that the

22 ceded substantially all of its direct and assumed business to  
23 a pool if the insurer has less than \$1 million in total direct  
24 and assumed written premiums during a calendar year which are  
25 not subject to a pooling arrangement and if the net income of  
26 the business which is not subject to the pooling arrangement  
27 represents less than 5 percent of the insurer's capital and  
28 surplus.

29           (6) The nonrenewal, cancellation, or revision of a

20 reinsurer.

21 (b) Insurers shall report the material nonrenewal,

26 affects the solvency and integrity of the insurer's reserves  
27 and the insurer has ceded substantially all of its direct and  
28 assumed business to the pool. An insurer is deemed to have

6 624.45 Participation of financial institutions in  
7 reinsurance and in insurance exchanges.--Subject to applicable  
8 laws relating to financial institutions and to any other  
9 applicable provision of the Florida Insurance Code, any  
10 financial institution or aggregation of such institutions may:

11 (1) Own or control, directly or indirectly, any  
12 insurer which is authorized or approved by the office  
13 ~~department~~, which insurer transacts only reinsurance in this

18 financial institution from engaging in any presently  
19 authorized insurance activity.

20 Section 823. Subsections (1), (2), (3), (4), (5), and  
21 (6) of section 624.4621, Florida Statutes, are amended to  
22 read:

23 624.4621 Group self-insurance funds.--

24 (1) The commission ~~department~~ shall adopt rules that  
25 allow two or more employers to enter into agreements to pool  
26 their liabilities under chapter 440 for the purpose of  
27 qualifying as a group self-insurer's fund, which shall be  
28 classified as a self-insurer, and each employer member of such  
29 approved group shall be known as a group self-insurer's fund  
30 member and shall be classified as a self-insurer as defined in  
31 chapter 440. The agreement entered into under this section may

1 provide that the pool will be liable for 80 percent, and the  
2 employer member will be liable for 20 percent, of the medical  
3 benefits due any employee for an injury compensable under this  
4 chapter up to the amount of \$5,000. One hundred percent of the  
5 medical benefits above \$5,000 due to an employee for one  
6 injury shall be paid by the pool. The agreement may also  
7 provide that each employer member will be responsible for up  
8 to the first \$500 of medical benefits due each of its  
9 employees for each injury. The claim shall be paid by the  
10 pool, regardless of its size, which shall be reimbursed by the  
11 employer for any amounts required to be paid by the employer  
12 under the agreement.

13 (2) The commission ~~department~~ shall adopt rules:

14 (a) Requiring monetary reserves to be maintained by  
15 such self-insurers to insure their financial solvency; and

16 (b) Governing their organization and operation to  
17 assure compliance with such requirements.

18 (3) The commission ~~department~~ shall adopt rules  
19 implementing the reserve requirements in accordance with  
20 accepted actuarial techniques.

21 (4) Any self-insurer established under this section,  
22 except for self-insurers that are state or local governmental  
23 entities, is required to carry reinsurance in accordance with  
24 rules adopted by the commission ~~department~~.

25 (5) A dividend or premium refund of any self-insurer  
26 established under this section, otherwise earned, may not be  
27 made contingent upon continued membership in the fund, renewal  
28 of any policy, or the payment of renewal premiums for  
29 membership in the fund or on any policy issued by such  
30 self-insurer. Before making any dividend or premium refund,  
31

1 the group self-insurer shall submit to the office ~~department~~  
2 the following information:

- 3 (a) An audited certified financial statement.  
4 (b) An annual report of financial condition.  
5 (c) A loss reserve review by a qualified actuary.  
6

7 The required information listed in paragraphs (a)-(c) shall be  
8 submitted annually, no later than 7 months after the end of  
9 the group self-insurer's fund year. A request for such  
10 dividend or premium refund may not be made before the required  
11 information is filed. The request for such dividend or premium  
12 refund must include a resolution of the board of trustees of  
13 the group self-insurer requesting approval of a specific  
14 amount to be distributed. A dividend, premium refund, or  
15 premium discount or credit must not discriminate on the basis  
16 of continued coverage or continued membership in the group  
17 self-insurer. The office ~~department~~ shall review the request  
18 and shall issue a decision within 60 days after the filing.  
19 Failure to issue a decision within 60 days constitutes an  
20 approval of the request. Any dividend or premium refund  
21 approved by the office ~~department~~ for distribution which  
22 cannot be paid to the applicable member or policyholder or  
23 former member or policyholder of the group self-insurer  
24 because the former member or policyholder cannot be reasonably  
25 located shall become the property of the group self-insurer.

26 (6) The office ~~department~~ may impose civil penalties  
27 not to exceed \$100 per occurrence for violations of the  
28 provisions of this chapter or rules adopted pursuant hereto.

16 of local elected officials.

17           (2) A local government self-insurance fund that meets  
18 the requirements of this section is not subject to s. 624.4621  
19 and is not required to file any report with the office  
20 ~~department~~ under s. 440.38(2)(b) which is uniquely required of  
21 group self-insurer funds qualified under s. 624.4621. If any  
22 of the requirements of this section are not met, the local  
23 government self-insurance fund is subject to the requirements  
24 of s. 624.4621.

25           Section 825. Section 624.464, Florida Statutes, is

30 self-insurance fund unless such fund is issued a certificate

1           (2)(a) Any person failing to hold a subsisting  
2 certificate of authority from the office ~~department~~ while  
3 operating or maintaining a commercial self-insurance fund  
4 shall be subject to a fine of not less than \$5,000 or more  
5 than \$10,000 for each violation.

6           (b) Any person who operates or maintains a commercial

26 subsisting certificate of authority.

27  
28 The office's ~~department's~~ authority to seek injunctive relief  
29 shall not be conditioned on having conducted any proceeding  
30 pursuant to chapter 120. The authority vested in the office  
31 ~~department~~ by virtue of the operation of this section shall

1 not act to reduce any other enforcement remedy or power to  
2 seek injunctive relief that may otherwise be available to the  
3 office ~~department~~.

4 Section 826. Section 624.466, Florida Statutes, is

24 actuarial principles. The office ~~department~~ may waive this

1           (1) The purpose of this section is to protect the

3 insurers, and the public. It is the intent of the Legislature  
4 to ensure adequate regulation of insurers and reinsurers and  
5 adequate protection for those to whom they owe obligations.  
6 In furtherance of that state interest, the Legislature  
7 requires that upon the insolvency of a non-United States  
8 insurer or reinsurer which provides security to fund its  
9 United States obligations in accordance with this section,  
10 such security shall be maintained in the United States and  
11 claims shall be filed with and valued by the state insurance  
12 regulator ~~Commissioner~~ with regulatory oversight, and the  
13 assets shall be distributed in accordance with the insurance

17 matters contained in this section are fundamental to the  
18 business of insurance in accordance with 15 U.S.C. ss.  
19 1011-1012.

20           (3)(a) Credit must be allowed when the reinsurance is  
21 ceded to an assuming insurer that is authorized to transact  
22 insurance or reinsurance in this state.

23           (b)1. Credit must be allowed when the reinsurance is  
24 ceded to an assuming insurer that is accredited as a reinsurer

15 an amount not less than \$20 million and whose accreditation  
16 has been approved by the office ~~department~~.

17 2. The office ~~department~~ may deny or revoke an  
18 assuming insurer's accreditation if the assuming insurer does  
19 not submit the required documentation pursuant to subparagraph  
20 1., if the assuming insurer fails to meet all of the standards  
21 required of an accredited reinsurer, or if the assuming  
22 insurer's accreditation would be hazardous to the  
23 policyholders of this state. In determining whether to deny or  
24 revoke accreditation, the office ~~department~~ may consider the  
25 qualifications of the assuming insurer with respect to all the  
26 following subjects:

- 27 a. Its financial stability;
- 28 b. The lawfulness and quality of its investments;
- 29 c. The competency, character, and integrity of its

8 assuming insurer's accreditation has been revoked by the  
9 office ~~department~~ after notice and the opportunity for a  
10 hearing.

11           4. The actual costs and expenses incurred by the  
12 office ~~department~~ to review a reinsurer's request for  
13 accreditation and subsequent reviews must be charged to and  
14 collected from the requesting reinsurer. If the reinsurer  
15 fails to pay the actual costs and expenses promptly when due,  
16 the office ~~department~~ may refuse to accredit the reinsurer or  
17 may revoke the reinsurer's accreditation.

18           (c)1. Credit must be allowed when the reinsurance is  
19 ceded to an assuming insurer that maintains a trust fund in a  
20 qualified United States financial institution, as defined in  
21 paragraph (5)(b), for the payment of the valid claims of its  
22 United States ceding insurers and their assigns and successors  
23 in interest. To enable the office ~~department~~ to determine the  
24 sufficiency of the trust fund, the assuming insurer shall  
25 report annually to the office ~~department~~ information  
26 substantially the same as that required to be reported on the  
27 NAIC Annual Statement form by authorized insurers. The  
28 assuming insurer shall submit to examination of its books and  
29 records by the office ~~department~~ and bear the expense of  
30 examination.

31

13 contested claims are valid and enforceable upon the final  
14 order of any court of competent jurisdiction in the United  
15 States. The trust must vest legal title to its assets in its  
16 trustees for the benefit of the assuming insurer's United  
17 States ceding insurers and their assigns and successors in  
18 interest. The trust and the assuming insurer are subject to  
19 examination as determined by the insurance regulator  
20 ~~commissioner~~.

21           c. The trust remains in effect for as long as the  
22 assuming insurer has outstanding obligations due under the  
23 reinsurance agreements subject to the trust. No later than  
24 February 28 of each year, the trustee of the trust shall  
25 report to the insurance regulator ~~commissioner~~ in writing the  
26 balance of the trust and list the trust's investments at the

15 attributable to business ceded by United States domiciled  
16 ceding insurers to any member of the group;

17           (B) For reinsurance ceded under reinsurance agreements  
18 with an inception date on or before July 31, 1995, and not  
19 amended or renewed after that date, notwithstanding the other  
20 provisions of this section, the trust consists of a trustee

5 the group shall provide to the insurance regulator  
6 ~~commissioner~~ an annual certification by the group's  
7 domiciliary regulator of the solvency of each underwriter  
8 member or, if a certification is unavailable, financial  
9 statements, prepared by independent public accountants, of  
10 each underwriter member of the group.

11 (d) Credit must be allowed when the reinsurance is  
12 ceded to an assuming insurer not meeting the requirements of  
13 paragraph (a), paragraph (b), or paragraph (c), but only as to  
14 the insurance of risks located in jurisdictions in which the  
15 reinsurance is required to be purchased by a particular entity  
16 by applicable law or regulation of that jurisdiction.

17 (e) If the assuming insurer is not authorized or  
18 accredited to transact insurance or reinsurance in this state  
19 pursuant to paragraph (a) or paragraph (b), the credit

5 by or on behalf of the ceding company.

6           2. This paragraph is not intended to conflict with or  
7 override the obligation of the parties to a reinsurance  
8 agreement to arbitrate their disputes, if this obligation is  
9 created in the agreement.

10           (f) If the assuming insurer does not meet the  
11 requirements of paragraph (a) or paragraph (b), the credit  
12 permitted by paragraph (c) is not allowed unless the assuming  
13 insurer agrees in the trust agreements, in substance, to the  
14 following conditions:

15           1. Notwithstanding any other provisions in the trust  
16 instrument, if the trust fund is inadequate because it  
17 contains an amount less than the amount required by paragraph  
18 (c), or if the grantor of the trust has been declared  
19 insolvent or placed into receivership, rehabilitation,  
20 liquidation, or similar proceedings under the laws of its

1           3. If the insurance regulator ~~commissioner~~ with  
2 regulatory oversight determines that the assets of the trust  
3 fund or any part thereof are not necessary to satisfy the  
4 claims of the United States ceding insurers of the grantor of  
5 the trust, the assets or part thereof must be returned by the  
6 insurance regulator ~~commissioner~~ with regulatory oversight to  
7 the trustee for distribution in accordance with the trust  
8 agreement.

9           4. The grantor shall waive any right otherwise  
10 available to it under United States law which is inconsistent  
11 with this provision.

12           (4) An asset allowed or a deduction from liability  
13 taken for the reinsurance ceded by an insurer to an assuming  
14 insurer not meeting the requirements of subsections (2) and  
15 (3) is allowed in an amount not exceeding the liabilities  
16 carried by the ceding insurer. The deduction must be in the  
17 amount of funds held by or on behalf of the ceding insurer,  
18 including funds held in trust for the ceding insurer, under a  
19 reinsurance contract with the assuming insurer as security for  
20 the payment of obligations thereunder, if the security is held

16 series of treaties with one or more affiliated reinsurers  
17 entered into for the purpose of avoiding the following  
18 threshold amount) at any time results in an increase of more

20 then the insurer shall certify in writing to the office  
21 ~~department~~ that the relevant reinsurance treaty or treaties  
22 comply with the accounting requirements contained in any rule  
23 adopted by the commission ~~department~~ under subsection (14). If  
24 such certificate is filed after the summary statement of such  
25 reinsurance treaty or treaties, the insurer shall refile the  
26 summary statement with the certificate. In any event, the  
27 certificate must state that a copy of the certificate was sent  
28 to the reinsurer under the reinsurance treaty.

29           (c) This subsection applies to cessions of directly  
30 written risk or loss. This subsection does not apply to  
31 contracts of facultative reinsurance or to any ceding insurer

1 with surplus as to policyholders that exceeds \$100 million as  
2 of the immediately preceding December 31. Additionally, any  
3 ceding insurer otherwise subject to this section with less  
4 than \$500,000 in direct premiums written in this state during  
5 the preceding calendar year or with less than 1,000  
6 policyholders at the end of the preceding calendar year is  
7 exempt from the requirements of this subsection. However, any  
8 ceding insurer otherwise subject to this section with more  
9 than \$250,000 in direct premiums written in this state during  
10 the preceding calendar quarter is not exempt from the  
11 requirements of this subsection.

12 (d) An authorized insurer not otherwise exempt from  
13 the provisions of this subsection shall provide the  
14 information required by this subsection with underlying and  
15 supporting documentation upon written request of the office  
16 ~~department~~.

17 (e) The office ~~department~~ may, upon a showing of good  
18 cause, waive the requirements of this subsection.

19 (12) If the office ~~department~~ finds that a reinsurance  
20 agreement creates a substantial risk of insolvency to either  
21 insurer entering into the reinsurance agreement, the office  
22 ~~department~~ may by order require a cancellation of the  
23 reinsurance agreement.

24 (14) The commission ~~department~~ may adopt rules  
25 implementing the provisions of this section. Rules are  
26 authorized to protect the interests of insureds, claimants,  
27 ceding insurers, assuming insurers, and the public. These  
28 rules shall be in substantial compliance with:

29 (a) The National Association of Insurance  
30 Commissioners model regulations relating to credit for  
31 reinsurance;

1           (b) ~~Version 2001~~ of The National Association of  
2 Insurance Commissioners Accounting Practices and Procedures  
3 Manual as of March 2002 and subsequent amendments thereto if  
4 the methodology remains substantially consistent; and

5           (c) The National Association of Insurance  
6 Commissioners model regulation for Credit for Reinsurance and  
7 Life and Health Reinsurance Agreements.

8  
9 The commission ~~department~~ may further adopt rules to provide  
10 for transition from existing requirements for the approval of  
11 reinsurers to the accreditation of reinsurers pursuant to this  
12 section.

13           Section 855. Subsections (2) and (3) of section  
14 624.80, Florida Statutes, are amended to read:

15           624.80 Definitions.--As used in this part:

16           (2) "Unsound condition" means that the office  
17 ~~department~~ has determined that one or more of the following  
18 conditions exist with respect to an insurer:

19           (a) The insurer's required surplus, capital, or  
20 capital stock is impaired to an extent prohibited by law;

21           (b) The insurer continues to write new business when  
22 it has not maintained the required surplus or capital;

23           (c) The insurer attempts to dissolve or liquidate  
24 without first having made provisions, satisfactory to the  
25 office ~~department~~, for liabilities arising from insurance  
26 policies issued by the insurer; or

27           (d) The insurer meets one or more of the grounds in s.  
28 631.051 for the appointment of the department as receiver.

29           (3) "Exceeded its powers" means the following  
30 conditions:

31

1 (a) The insurer has refused to permit examination by  
2 the office ~~department~~ of its books, papers, accounts, records,  
3 or business practices;

4 (b) An insurer organized in this state has unlawfully  
5 removed from this state books, papers, accounts, or records  
6 necessary for an examination of the insurer by the office  
7 ~~department~~;

8 (c) The insurer has failed to promptly comply with the  
9 applicable financial reporting statutes and office  
10 ~~departmental~~ requests relating thereto;

11 (d) The insurer has neglected or refused to observe an  
12 order of the office ~~department~~ to correct a deficiency in its  
13 capital or surplus; or

14 (e) The insurer has unlawfully or in violation of an  
15 office ~~a department~~ order:

16 1. Totally reinsured its entire outstanding business;  
17 or

18 2. Merged or consolidated substantially its entire  
19 property or business with another insurer.

20 Section 856. Section 624.81, Florida Statutes, is  
21 amended to read:

22 624.81 Notice to comply with written requirements of  
23 office ~~department~~; noncompliance.--

24 (1) If the office ~~department~~ determines that the  
25 conditions set forth in subsection (2) exist, the office  
26 ~~department~~ shall issue an order placing the insurer in  
27 administrative supervision, setting forth the reasons giving  
28 rise to the determination, and specifying that the office  
29 ~~department~~ is applying and effectuating the provisions of this  
30 part. An order issued by the office ~~department~~ pursuant to  
31 this subsection entitles the insurer to request a proceeding

1 under ss. 120.569 and 120.57, and such a request shall stay  
2 the action pending such proceeding.

3 (2) An insurer shall be subject to administrative  
4 supervision by the office ~~department~~ if upon examination or at  
5 any other time the office ~~department~~ determines that:

6 (a) The insurer is in unsound condition;

7 (b) The insurer's methods or practices render the  
8 continuance of its business hazardous to the public or to its  
9 insureds; or

10 (c) The insurer has exceeded its powers granted under  
11 its certificate of authority and applicable law.

12 (3) Within 15 days of receipt of notice of the  
13 office's ~~department's~~ determination to proceed under this  
14 part, an insurer shall submit to the office ~~department~~ a plan  
15 to correct the conditions set forth in the notice. For good  
16 cause shown, the office ~~department~~ may extend the 15-day time  
17 period for submission of the plan. If the office ~~department~~  
18 and the insurer agree on a corrective plan, a written  
19 agreement shall be entered into to carry out the plan.

20 (4) If an insurer fails to timely submit a plan, the  
21 office ~~department~~ may specify the requirements of a plan to  
22 address the conditions giving rise to imposition of  
23 administrative supervision under this part. In addition,  
24 failure of the insurer to timely submit a plan is a violation  
25 of the provisions of this code punishable in accordance with  
26 s. 624.418.

27 (5) The plan shall address, but shall not be limited  
28 to, each of the activities of the insurer's business which are  
29 set forth in s. 624.83.

30 (6) If the office ~~department~~ and the insurer are  
31 unable to agree on the provisions of the plan, the office

1 ~~department~~ may require the insurer to take such corrective  
2 action as may be reasonably necessary to remove the causes and  
3 conditions giving rise to the need for administrative  
4 supervision.

5 (7) The insurer shall have 60 days, or a longer period  
6 of time as designated by the office ~~department~~ but not to  
7 exceed 120 days, after the date of the written agreement or  
8 the receipt of the office's ~~department's~~ plan within which to  
9 comply with the requirements of the office ~~department~~. At the  
10 conclusion of the initial period of supervision, the office  
11 ~~department~~ may extend the supervision in increments of 60 days  
12 or longer, not to exceed 120 days, if conditions justifying  
13 supervision exist. Each extension of supervision shall provide  
14 the insurer with a point of entry pursuant to chapter 120.

15 (8) The initiation or pendency of administrative  
16 proceedings arising from actions taken under this section  
17 shall not preclude the office ~~department~~ from initiating  
18 judicial proceedings to place an insurer in conservation,  
19 rehabilitation, or liquidation or initiating other delinquency  
20 proceedings however designated under the laws of this state.

21 (9) If it is determined that the conditions giving  
22 rise to administrative supervision have been remedied so that  
23 the continuance of its business is no longer hazardous to the  
24 public or to its insureds, the office ~~department~~ shall release  
25 the insurer from supervision.

26 (10) The commission ~~department~~ may adopt rules to  
27 define standards of hazardous financial condition and  
28 corrective action substantially similar to that indicated in  
29 the National Association of Insurance Commissioners' 1997  
30 "Model Regulation to Define Standards and Commissioner's  
31 Authority for Companies Deemed to be in Hazardous Financial

1 Condition," which are necessary to implement the provisions of  
2 this part.

3 Section 857. Subsections (1), (2), (3), and (4) of  
4 section 624.82, Florida Statutes, are amended to read:

5 624.82 Confidentiality of certain proceedings and  
6 records.--

7 (1) Orders, notices, correspondence, reports, records,  
8 and other information in the possession of the office  
9 ~~department~~ relating to the supervision of any insurer are  
10 confidential and exempt from the provisions of s. 119.07(1),  
11 except as otherwise provided in this section. Proceedings and  
12 hearings relating to the office's ~~department's~~ supervision of  
13 any insurer are exempt from the provisions of s. 286.011,  
14 except as otherwise provided in this section.

15 (2) The personnel of the department and the office  
16 shall have access to proceedings, hearings, notices,  
17 correspondence, reports, records, or other information as  
18 permitted by the office ~~department~~.

19 (3) The office ~~department~~ may open the proceedings or  
20 hearings or disclose the contents of the notices,  
21 correspondence, reports, records, or other information to a  
22 department, agency, or instrumentality of this or another  
23 state or the United States if it determines that the  
24 disclosure is necessary or proper for the enforcement of the  
25 laws of the United States or of this or another state of the  
26 United States.

27 (4) The office ~~department~~ may open the proceedings or  
28 hearings or make public the notices, correspondence, reports,  
29 records, or other information if the office ~~department~~ finds  
30 that it is in the best interest of the public, the insurer in  
31 supervision, or its insureds.

1           Section 858. Section 624.83, Florida Statutes, is  
2 amended to read:

3           624.83 Prohibited acts during period of  
4 supervision.--The office ~~department~~ may provide that the  
5 insurer may not conduct the following activities during the  
6 period of supervision, without prior approval by the office  
7 ~~department~~:

8           (1) Dispose of, convey, or encumber any of its assets  
9 or its business in force;

10           (2) Withdraw any of its bank accounts;

11           (3) Lend any of its funds;

12           (4) Invest any of its funds;

13           (5) Transfer any of its property;

14           (6) Incur any debt, obligation, or liability;

15           (7) Merge or consolidate with another company;

16           (8) Enter into any new reinsurance contract or treaty;

17           (9) Terminate, surrender, forfeit, convert, or lapse  
18 any insurance policy, certificate, or contract of insurance,  
19 except for nonpayment of premiums due;

20           (10) Release, pay, or refund premium deposits, accrued  
21 cash or loan values, unearned premiums, or other reserves on  
22 any insurance policy or certificate; or

23           (11) Make any material change in management.

24           Section 859. Section 624.84, Florida Statutes, is  
25 amended to read:

26           624.84 Review.--During the period of supervision, the  
27 insurer may contest an action taken or proposed to be taken by  
28 the supervisor, specifying the manner wherein the action  
29 complained of would not result in improving the condition of  
30 the insurer. Such request shall not stay the action specified  
31 pending reconsideration of the action by the office

1 ~~department~~. Denial of the insurer's request upon  
2 reconsideration entitles the insurer to request a proceeding  
3 under ss. 120.569 and 120.57.

4 Section 860. Section 624.85, Florida Statutes, is  
5 amended to read:

6 624.85 Administrative election of proceedings.--If the  
7 office ~~department~~ determines to act under authority of this  
8 part, the sequence of its acts and proceedings shall be as set  
9 forth herein. However, it is a purpose and substance of this  
10 part to allow the office ~~department~~ administrative discretion  
11 in the event of insurer delinquencies and, in furtherance of  
12 that purpose, the office ~~department~~ is hereby authorized, in  
13 respect to insurer delinquencies or suspected delinquencies,  
14 to proceed and administer either under the provisions of this  
15 part or under any other applicable law, or under the  
16 provisions of this part in conjunction with other applicable  
17 law, and it is so provided. Nothing contained in this part or  
18 in any other provision of law shall preclude the office  
19 ~~department~~ from initiating judicial proceedings to place an  
20 insurer in conservation, rehabilitation, or liquidation  
21 proceedings or other delinquency proceedings however  
22 designated under the laws of this state, regardless of whether  
23 the office ~~department~~ has previously initiated administrative  
24 supervision proceedings under this part against the insurer.  
25 The entry of an order of seizure, rehabilitation, or  
26 liquidation pursuant to chapter 631 shall terminate all  
27 proceedings pending pursuant to this part.

28 Section 861. Section 624.86, Florida Statutes, is  
29 amended to read:

30 624.86 Other laws; conflicts; meetings between the  
31 office ~~department~~ and the supervisor.--During the period of

1 administrative supervision, the office ~~department~~ may meet  
2 with a supervisor appointed under this part and with the  
3 attorney or other representative of the supervisor and such  
4 meetings are exempt from the provisions of s. 286.011.

5 Section 862. Section 624.87, Florida Statutes, is  
6 amended to read:

7 624.87 Administrative supervision; expenses.--

8 (1) During the period of supervision the office  
9 ~~department~~ by contract or otherwise may appoint a deputy  
10 supervisor to supervise the insurer.

11 (2) Each insurer which is subject to administrative  
12 supervision by the office ~~department~~ shall pay to the office  
13 ~~department~~ the expenses of its administrative supervision at  
14 the rates adopted by the office ~~department~~. Expenses shall  
15 include actual travel expenses, a reasonable living expense  
16 allowance, compensation of the deputy supervisor or other  
17 person employed or appointed by the office ~~department~~ for  
18 purposes of the supervision, and necessary attendant  
19 administrative costs of the office ~~department~~ directly related  
20 to the supervision. The travel expense and living expense  
21 allowance shall be limited to those expenses necessarily  
22 incurred on account of the administrative supervision and  
23 shall be paid by the insurer together with compensation upon  
24 presentation by the office ~~department~~ to the insurer of a  
25 detailed account of the charges and expenses after a detailed  
26 statement has been filed by the deputy supervisor or other  
27 person employed or appointed by the office ~~department~~ and  
28 approved by the office ~~department~~.

29 (3) All moneys collected from insurers for the  
30 expenses of administrative supervision shall be deposited into  
31 the Insurance ~~Commissioner's~~ Regulatory Trust Fund, and the

1 ~~office department~~ is authorized to make deposits from time to  
2 time into this fund from moneys appropriated for the operation  
3 of the office department.

4 (4) Notwithstanding the provisions of s. 112.061, the  
5 ~~office department~~ is authorized to pay to the deputy  
6 supervisor or person employed or appointed by the office  
7 ~~department~~ for purposes of the supervision out of such trust  
8 fund the actual travel expenses, reasonable living expense  
9 allowance, and compensation in accordance with the statement  
10 filed with the office department by the deputy supervisor or  
11 other person, as provided in subsection (2), upon approval by  
12 the office department.

13 (5) The office department may in whole or in part  
14 defer payment of expenses due from the insurer pursuant to  
15 this section upon a showing that payment would adversely  
16 impact on the financial condition of the insurer and  
17 jeopardize its rehabilitation. The payment shall be made by  
18 the insurer when the condition is removed and the payment  
19 would no longer jeopardize the insurer's financial condition.

20 Section 863. Section 625.01115, Florida Statutes, is  
21 amended to read:

22 625.01115 Definitions.--As used in this chapter, the  
23 term "statutory accounting principles" means accounting  
24 principles as defined in the National Association of Insurance  
25 Commissioners Accounting Practices and Procedures Manual as of  
26 March 2002 and subsequent amendments thereto if the  
27 methodology remains substantially consistent ~~effective January~~  
28 ~~1, 2001~~.

29 Section 864. Paragraph (d) of subsection (2),  
30 paragraphs (a) and (c) of subsection (5), and subsections

31

1 (10), (13), and (16) of section 625.012, Florida Statutes, are  
2 amended to read:

3           625.012 "Assets" defined.--In any determination of the  
4 financial condition of an insurer, there shall be allowed as  
5 "assets" only such assets as are owned by the insurer and  
6 which consist of:

7           (2) Investments, securities, properties, and loans  
8 acquired or held in accordance with this code, and in  
9 connection therewith the following items:

10           (d) Interest due or accrued on deposits in solvent  
11 banks, savings and loan associations, and trust companies, and  
12 interest due or accrued on other assets, if such interest is  
13 in the judgment of the office ~~department~~ a collectible asset.

14           (5)(a) Premiums in the course of collection, other  
15 than for life insurance, not more than 3 months past due, less  
16 commissions payable thereon. The foregoing limitation shall  
17 not apply to premiums payable directly or indirectly by the  
18 United States Government or by any of its instrumentalities.  
19 All premiums, excluding commissions payable thereon, due from  
20 a controlling or controlled person shall not be allowed as an  
21 asset to the extent that:

22           1. The premiums collected by the controlling or  
23 controlled person and not remitted to the insurer are not held  
24 in a trust account with a bank or other depository approved by  
25 the office ~~department~~. Such funds shall be held as trust funds  
26 and may not be commingled with any other funds of the  
27 controlling or controlled person. Disbursements from the trust  
28 account may be made only to the insurer, the insured, or, for  
29 the purpose of returning premiums, an entity who is entitled  
30 to returned premiums on behalf of the insured. A written copy  
31 of the trust agreement must be filed with and approved by the

1 office department prior to its becoming effective. However,  
2 the investment income derived from the trust may be allocated  
3 as the parties deem proper. A controlling or controlled person  
4 shall deposit premiums collected into the trust account within  
5 15 working days after collection;

6         2. The controlling or controlled person has not  
7 provided to the insurer and the insurer has not maintained in  
8 its possession an unexpired, clean irrevocable letter of  
9 credit, payable to the insurer, issued for a term of not less  
10 than 1 year and in conformity with the requirements set forth  
11 in this subparagraph, the amount of which equals or exceeds  
12 the liability of the controlling or controlled person to the  
13 insurer, at all times during the period which the letter of  
14 credit is in effect, for premiums collected by the controlling  
15 or controlled person. The requirements are that such letter of  
16 credit be issued under arrangements satisfactory to the office  
17 ~~department~~ and that the letter be issued by a banking  
18 institution which is a member of the Federal Reserve System  
19 and which has a financial standing satisfactory to the office  
20 ~~department~~;

21         3. The controlling or controlled person has not  
22 provided to the insurer and the insurer maintained in its  
23 possession evidence that the controlling or controlled person  
24 has purchased and has currently in effect a financial guaranty  
25 bond, payable to the insurer, issued for a term of not less  
26 than 1 year and which is in conformity with the requirements  
27 set forth in this subparagraph, the amount of which equals or  
28 exceeds the liability of the controlling or controlled person  
29 to the insurer, at all times during which the financial  
30 guaranty bond is in effect, for the premiums collected by the  
31 controlling or controlled person. The requirements are that

1 such a financial guaranty bond shall be issued under an  
2 arrangement satisfactory to the office ~~department~~ and that the  
3 financial guaranty bond be issued by an insurer authorized to  
4 transact such business in Florida and which has a financial  
5 standing satisfactory to the office ~~department~~ and which is  
6 neither controlled nor controlling in relation to either the  
7 insurer or the person for whom the bond is purchased; or

8 4. A financial evaluation indicates that the  
9 controlling or controlled person is unlikely to have the  
10 ability to pay such premiums as they become due. The financial  
11 evaluation shall be based on a review of the books and records  
12 of the controlling or controlled person.

13 (c) The office ~~department~~ shall disapprove any trust  
14 agreement filed pursuant to paragraph (a) which does not  
15 assure the safety of the premiums collected.

16 (10) Deposits or equities recoverable from  
17 underwriting associations, syndicates, and reinsurance funds,  
18 or from any suspended banking institution, to the extent  
19 deemed by the office ~~department~~ available for the payment of  
20 losses and claims and at values to be determined by it.

21 (13) Loans or advances by an insurer to its parent or  
22 principal owner if approved by the office ~~department~~.

23 (16) Other assets, not inconsistent with the  
24 provisions of this section, deemed by the office ~~department~~ to  
25 be available for the payment of losses and claims, at values  
26 to be determined by it.

27 Section 865. Paragraph (d) of subsection (2) of  
28 section 625.041, Florida Statutes, is amended to read:

29 625.041 Liabilities, in general.--In any determination  
30 of the financial condition of an insurer, liabilities to be  
31 charged against its assets shall include:

1           (2) With reference to life and health insurance and  
2 annuity contracts:

3           (d) Any additional reserves that may be required by  
4 the office ~~department~~ consistent with practice formulated or  
5 approved by the National Association of Insurance  
6 Commissioners or its successor organization, on account of  
7 such insurance, including contract and premium deficiency  
8 reserves.

9           Section 866. Subsection (2) of section 625.051,  
10 Florida Statutes, is amended to read:

11           625.051 Unearned premium reserve.--

12           (2) The office ~~department~~ may require that such  
13 reserves be equal to the unearned portions of the gross  
14 premiums in force after deducting applicable reinsurance in  
15 solvent insurers as computed on each respective risk from the  
16 date of issue of the policy. If the office ~~department~~ does not  
17 so require, the portions of the gross premium in force, less  
18 applicable reinsurance in solvent insurers, to be held as an  
19 unearned premium reserve, shall be computed according to the  
20 following table:

21	22	23

11           Section 867. Section 625.061, Florida Statutes, is  
12 amended to read:

13           625.061 Unearned premium reserve for marine and  
14 transportation insurance.--As to marine and transportation  
15 insurance, the entire amount of premiums on trip risks not  
16 terminated shall be deemed unearned; and the office ~~department~~  
17 may require the insurer to carry a reserve equal to 100  
18 percent of premiums on trip risks written during the month  
19 ended as of the date of statement.

20           Section 868. Section 625.071, Florida Statutes, is  
21 amended to read:

22           625.071 Special reserve for bail and judicial  
23 bonds.--In lieu of the unearned premium reserve required on  
24 surety bonds under s. 625.051, the office ~~department~~ may  
25 require any surety insurer or limited surety insurer to set up  
26 and maintain a reserve on all bail bonds or other  
27 single-premium bonds without definite expiration date,  
28 furnished in judicial proceedings, equal to the lesser of 35  
29 percent of the bail premiums in force or \$7 per \$1,000 of bail  
30 liability. Such reserve shall be reported as a liability in  
31 financial statements required to be filed with the office

1 ~~department~~. Each insurer shall file a supplementary schedule  
2 showing bail premiums in force and bail liability and the  
3 associated special reserve for bail and judicial bonds with  
4 financial statements required by s. 624.424. Bail premiums in  
5 force do not include amounts retained by licensed bail bond  
6 agents or licensed managing general agents, but may not be  
7 less than 6.5 percent of the total consideration received for  
8 all bail bonds in force.

9           Section 869. Section 625.081, Florida Statutes, is  
10 amended to read:

11           625.081 Reserve for health insurance.--For all health  
12 insurance policies, the insurer shall maintain an active life  
13 reserve which places a sound value on the insurer's  
14 liabilities under such policies; is not less than the reserve  
15 according to appropriate standards set forth in rules issued  
16 by the commission ~~department~~; and, in no event, is less in the  
17 aggregate than the pro rata gross unearned premiums for such  
18 policies.

19           Section 870. Paragraph (d) of subsection (4) of  
20 section 625.091, Florida Statutes, is amended to read:

21           625.091 Losses and loss adjustment expense reserves;  
22 liability insurance and workers' compensation insurance.--The  
23 reserve liabilities recorded in the insurer's annual statement  
24 and financial statements for unpaid losses and loss adjustment  
25 expenses shall be the estimated value of its claims when  
26 ultimately settled and shall be computed as follows:

27           (4)

28           (d)1. Beginning in calendar year 1998, each insurer  
29 shall separately identify anticipated recoveries from the  
30 Special Disability Trust Fund on the annual statement required  
31 to be filed pursuant to s. 624.424.

1           2. For all financial statements filed with the office  
2 ~~department beginning in calendar year 1998~~, each insurer shall  
3 disclose in the notes to the financial statements of any  
4 financial statement required to be filed pursuant to s.  
5 624.424 any credit in loss reserves taken for anticipated  
6 recoveries from the Special Disability Trust Fund. That

8           a. The amount of credit taken by the insurer in the  
9 determination of its loss reserves for the prior calendar year  
10 and the current reporting period on a year-to-date basis.

11           b. The amount of payments received by the insurer from  
12 the Special Disability Trust Fund during the prior calendar  
13 year and the year-to-date recoveries for the current year.

14           c. The amount the insurer was assessed by the Special  
15 Disability Trust Fund during the prior calendar year and  
16 during the current calendar year.

17           Section 871. Section 625.101, Florida Statutes, is  
18 amended to read:

19           625.101 Increase of inadequate loss reserves.--If loss  
20 experience shows that an insurer's loss reserves, however  
21 computed or estimated, are inadequate, the office ~~department~~  
22 shall require the insurer to maintain loss reserves in such  
23 additional amount as is needed to make them adequate. This  
24 section does not apply as to life insurance.

25           Section 872. Subsections (2), (3), and (4), paragraphs  
26 (c), (d), (g), (h), (i), and (j) of subsection (5), paragraph  
27 (e) of subsection (6), subsection (10), paragraph (b) of  
28 subsection (12), and subsection (14) of section 625.121,  
29 Florida Statutes, are amended to read:

30           625.121 Standard Valuation Law; life insurance.--

31

1           (2) ANNUAL VALUATION.--The office ~~department~~ shall  
2 annually value, or cause to be valued, the reserve  
3 liabilities, hereinafter called "reserves," for all  
4 outstanding life insurance policies and annuity and pure  
5 endowment contracts of every life insurer doing business in  
6 this state, and may certify the amount of any such reserves,  
7 specifying the mortality table or tables, rate or rates of  
8 interest, and methods, net-level premium method or others,  
9 used in the calculation of such reserves. In the case of an  
10 alien insurer, such valuation shall be limited to its  
11 insurance transactions in the United States. In calculating  
12 such reserves, the office ~~department~~ may use group methods and  
13 approximate averages for fractions of a year or otherwise. It  
14 may accept in its discretion the insurer's calculation of such  
15 reserves. In lieu of the valuation of the reserves herein  
16 required of any foreign or alien insurer, it may accept any  
17 valuation made or caused to be made by the insurance  
18 supervisory official of any state or other jurisdiction when  
19 such valuation complies with the minimum standard herein  
20 provided and if the official of such state or jurisdiction  
21 accepts as sufficient and valid for all legal purposes the  
22 certificate of valuation of the office ~~department~~ when such  
23 certificate states the valuation to have been made in a  
24 specified manner according to which the aggregate reserves  
25 would be at least as large as if they had been computed in the  
26 manner prescribed by the law of that state or jurisdiction.  
27 When any such valuation is made by the office ~~department~~, it  
28 may use the actuary of the office ~~department~~ or employ an  
29 actuary for the purpose; and the reasonable compensation of  
30 the actuary, at a rate approved by the office ~~department~~, and  
31 reimbursement of travel expenses pursuant to s. 624.320 upon

1 demand by the office ~~department~~, supported by an itemized  
2 statement of such compensation and expenses, shall be paid by  
3 the insurer. When a domestic insurer furnishes the office  
4 ~~department~~ with a valuation of its outstanding policies as  
5 computed by its own actuary or by an actuary deemed  
6 satisfactory for the purpose by the office ~~department~~, the  
7 valuation shall be verified by the actuary of the office  
8 ~~department~~ without cost to the insurer.

9 (3) ACTUARIAL OPINION OF RESERVES.--

10 (a)1. Each life insurance company doing business in  
11 this state shall annually submit the opinion of a qualified  
12 actuary as to whether the reserves and related actuarial items  
13 held in support of the policies and contracts specified by the  
14 commission ~~department~~ by rule are computed appropriately, are  
15 based on assumptions which satisfy contractual provisions, are  
16 consistent with prior reported amounts, and comply with  
17 applicable laws of this state. The commission ~~department~~ by  
18 rule shall define the specifics of this opinion and add any  
19 other items determined to be necessary to its scope.

20 2. The opinion shall be submitted with the annual  
21 statement reflecting the valuation of such reserve liabilities  
22 for each year ending on or after December 31, 1992.

23 3. The opinion shall apply to all business in force,  
24 including individual and group health insurance plans, in the  
25 form and substance acceptable to the office ~~department~~ as  
26 specified by rule of the commission.

27 4. The commission ~~department~~ may adopt rules providing  
28 the standards of the actuarial opinion consistent with  
29 standards adopted by the Actuarial Standards Board on December  
30 31, 2002 ~~October 1, 1991~~, and subsequent revisions thereto,  
31 provided that the standards remain substantially consistent.

1           5. In the case of an opinion required to be submitted  
2 by a foreign or alien company, the office ~~department~~ may  
3 accept the opinion filed by that company with the insurance  
4 supervisory official of another state if the office ~~department~~  
5 determines that the opinion reasonably meets the requirements  
6 applicable to a company domiciled in this state.

7           6. For the purposes of this subsection, "qualified  
8 actuary" means a member in good standing of the American  
9 Academy of Actuaries who also meets the requirements specified  
10 by rule of the commission ~~department~~.

11           7. Disciplinary action by the office ~~department~~  
12 against the company or the qualified actuary shall be in  
13 accordance with the insurance code and related rules adopted  
14 by the commission ~~department~~.

15           8. A memorandum in the form and substance specified by  
16 rule shall be prepared to support each actuarial opinion.

17           9. If the insurance company fails to provide a  
18 supporting memorandum at the request of the office ~~department~~  
19 within a period specified by rule of the commission, or if the  
20 office ~~department~~ determines that the supporting memorandum  
21 provided by the insurance company fails to meet the standards  
22 prescribed by rule of the commission, the office ~~department~~  
23 may engage a qualified actuary at the expense of the company  
24 to review the opinion and the basis for the opinion and  
25 prepare such supporting memorandum as is required by the  
26 office ~~department~~.

27           10. Except as otherwise provided in this paragraph,  
28 any memorandum or other material in support of the opinion is  
29 confidential and exempt from the provisions of s. 119.07(1);  
30 however, the memorandum or other material may be released by  
31 the office ~~department~~ with the written consent of the company,

1 or to the American Academy of Actuaries upon request stating  
2 that the memorandum or other material is required for the  
3 purpose of professional disciplinary proceedings and setting  
4 forth procedures satisfactory to the office ~~department~~ for  
5 preserving the confidentiality of the memorandum or other  
6 material. If any portion of the confidential memorandum is  
7 cited by the company in its marketing or is cited before any  
8 governmental agency other than a state insurance department or  
9 is released by the company to the news media, no portion of  
10 the memorandum is confidential.

11 (b) In addition to the opinion required by  
12 subparagraph (a)1., the office ~~department~~ may, pursuant to  
13 commission ~~by rule~~, require an opinion of the same qualified  
14 actuary as to whether the reserves and related actuarial items  
15 held in support of the policies and contracts specified by the  
16 commission ~~department~~ by rule, when considered in light of the  
17 assets held by the company with respect to the reserves and  
18 related actuarial items, including but not limited to the  
19 investment earnings on the assets and considerations  
20 anticipated to be received and retained under the policies and  
21 contracts, make adequate provision for the company's  
22 obligations under the policies and contracts, including, but  
23 not limited to, the benefits under, and expenses associated  
24 with, the policies and contracts.

25 (c) The commission ~~department~~ may provide by rule for  
26 a transition period for establishing any higher reserves which  
27 the qualified actuary may deem necessary in order to render  
28 the opinion required by this subsection.

29 (4) MINIMUM STANDARD FOR VALUATION OF POLICIES AND  
30 CONTRACTS ISSUED BEFORE OPERATIVE DATE OF STANDARD  
31 NONFORFEITURE LAW.--The minimum standard for the valuation of

1 all such policies and contracts issued prior to the operative  
2 date of s. 627.476 (Standard Nonforfeiture Law) shall be any  
3 basis satisfactory to the office ~~department~~. Any basis  
4 satisfactory to the former Department of Insurance on the  
5 effective date of this code shall be deemed to meet such  
6 minimum standards.

7 (5) MINIMUM STANDARD FOR VALUATION OF POLICIES AND  
8 CONTRACTS ISSUED ON OR AFTER OPERATIVE DATE OF STANDARD

10 (h) and subsections (6), (11), and (14), the minimum standard

12 or after the operative date of s. 627.476 (Standard  
13 Nonforfeiture Law for Life Insurance) shall be the  
14 commissioners' reserve valuation method defined in subsections  
15 (7), (11), and (14); 5 percent interest for group annuity and  
16 pure endowment contracts and 3.5 percent interest for all  
17 other such policies and contracts, or in the case of life  
18 insurance policies and contracts, other than annuity and pure  
19 endowment contracts, issued on or after July 1, 1973, 4  
20 percent interest for such policies issued prior to October 1,

23 (c) For individual annuity and pure endowment  
24 contracts, excluding any disability and accidental death  
25 benefits in such policies, the 1937 Standard Annuity Mortality  
26 Table or, at the option of the insurer, the Annuity Mortality  
27 Table for 1949, Ultimate, or any modification of either of  
28 these tables approved by the office ~~department~~.

29 (d) For group annuity and pure endowment contracts,  
30 excluding any disability and accidental death benefits in such  
31 policies, the Group Annuity Mortality Table for 1951; any

4 pure endowment contracts.

5 (g) For group life insurance, life insurance issued on  
6 the substandard basis, and other special benefits, such tables

9 policies.

10 (h) Except as provided in subsection (6), the minimum  
11 standard for the valuation of all individual annuity and pure  
12 endowment contracts issued on or after the operative date of  
13 this paragraph and for all annuities and pure endowments  
14 purchased on or after such operative date under group annuity  
15 and pure endowment contracts shall be the commissioners'  
16 reserve valuation method defined in subsection (7) and the  
17 following tables and interest rates:

19 issued prior to October 1, 1979, excluding any disability and  
20 accidental death benefits in such contracts, the 1971  
21 Individual Annuity Mortality Table, or any modification of  
22 this table approved by the office ~~department~~, and 6 percent  
23 interest for single-premium immediate annuity contracts and 4  
24 percent interest for all other individual annuity and pure  
25 endowment contracts.

26 2. For individual single-premium immediate annuity  
27 contracts issued on or after October 1, 1979, and prior to  
28 October 1, 1986, excluding any disability and accidental death

30 Mortality Table, or any modification of this table approved by  
31 the office ~~department~~, and 7.5 percent interest. For such

1 contracts issued on or after October 1, 1986, the 1983

4 calendar year statutory valuation interest rate as described  
5 in subsection (6).

6           3. For individual annuity and pure endowment contracts

10 contracts, the 1971 Individual Annuity Mortality Table, or any  
11 modification of this table approved by the office ~~department~~,

19 described in subsection (6).

20           4. For all annuities and pure endowments purchased  
21 prior to October 1, 1979, under group annuity and pure  
22 endowment contracts, excluding any disability and accidental  
23 death benefits purchased under such contracts, the 1971 Group

9 election to comply with the provisions of this paragraph after  
10 a specified date before January 1, 1979, which shall be the  
11 operative date of this paragraph for such insurer. However, an  
12 insurer may elect a different operative date for individual  
13 annuity and pure endowment contracts from that elected for  
14 group annuity and pure endowment contracts. If an insurer  
15 makes no such election, the operative date of this paragraph  
16 for such insurer shall be January 1, 1979.

17 (i) In lieu of the mortality tables specified in this  
18 subsection, and subject to rules previously adopted by the  
19 former Department of Insurance, the insurance company may, at  
20 its option:

21 1. Substitute the applicable 1958 CSO or CET Smoker  
22 and Nonsmoker Mortality Tables, in lieu of the 1980 CSO or CET  
23 mortality table standard, for policies issued on or after the  
24 operative date of s. 627.476(9) and before January 1, 1989.

25 2. Substitute the applicable 1980 CSO or CET Smoker  
26 and Nonsmoker Mortality Tables in lieu of the 1980 CSO or CET  
27 mortality table standard;

28 3. Use the Annuity 2000 Mortality Table for  
29 determining the minimum standard of valuation for individual  
30 annuity and pure endowment contracts issued on or after  
31 January 1, 1998, and before July 1, 1998 ~~the operative date of~~

1 ~~this section until the department, on a date certain that is~~  
2 ~~on or after January 1, 1998, adopts by rule that table for~~  
3 ~~determining the minimum standard for valuation purposes.~~

4           4. Use the 1994 GAR Table for determining the minimum  
5 standard of valuation for annuities and pure endowments  
6 purchased on or after January 1, 1998, and before July 1,  
7 1998,~~the operative date of this section under group annuity~~  
8 ~~and pure endowment contracts until the department, on a date~~  
9 ~~certain that is on or after January 1, 1998, adopts by rule~~  
10 ~~that table for determining the minimum standard for valuation~~  
11 ~~purposes.~~

12           (j) The commission ~~department~~ may adopt by rule the  
13 model regulation for valuation of life insurance policies as  
14 approved by the National Association of Insurance  
15 Commissioners in March 1999, including tables of select  
16 mortality factors, and may make the regulation effective for  
17 policies issued on or after January 1, 2000.

18           (6) MINIMUM STANDARD OF VALUATION.--

19           (e) The interest rate index shall be the Moody's  
20 Corporate Bond Yield Average-Monthly Average Corporates as  
21 published by Moody's Investors Service, Inc., as long as this  
22 index is calculated by using substantially the same  
23 methodology as used by it on January 1, 1981. If Moody's  
24 corporate bond yield average ceases to be calculated in this  
25 manner, the interest rate index shall be the index approved by  
26 rule promulgated by the commission ~~department~~. The methodology  
27 used in determining the index approved by rule shall be  
28 substantially the same as the methodology employed on January  
29 1, 1981, for determining Moody's Corporate Bond Yield  
30 Average-Monthly Average Corporates as published by Moody's  
31 Investors Services, Inc.

1           (10) LOWER VALUATIONS.--An insurer which at any time  
2 had adopted any standard of valuation producing greater  
3 aggregate reserves than those calculated according to the  
4 minimum standard herein provided may, with the approval of the  
5 office ~~department~~, adopt any lower standard of valuation, but  
6 not lower than the minimum herein provided; however, for the  
7 purposes of this subsection, the holding of additional  
8 reserves previously determined by a qualified actuary to be  
9 necessary to render the opinion required by subsection (3)  
10 shall not be deemed to be the adoption of a higher standard of  
11 valuation.

12           (12) ALTERNATE METHOD FOR DETERMINING RESERVES IN  
13 CERTAIN CASES.--In the case of any plan of life insurance  
14 which provides for future premium determination, the amounts  
15 of which are to be determined by the insurer based on then  
16 estimates of future experience, or in the case of any plan of  
17 life insurance or annuity which is of such a nature that the  
18 minimum reserves cannot be determined by the methods described  
19 in subsection (7), the reserves which are held under any such  
20 plan shall:

21           (b) Be computed by a method which is consistent with  
22 the principles of this section, as determined by rules  
23 promulgated by the commission ~~department~~.

24           (14) MINIMUM STANDARDS FOR HEALTH PLANS.--The  
25 commission ~~department~~ shall adopt a rule containing the  
26 minimum standards applicable to the valuation of health plans  
27 in accordance with sound actuarial principles.

28           Section 873. Subsection (2) of section 625.131,  
29 Florida Statutes, is amended to read:

30           625.131 Credit life and disability policies, special  
31 reserve bases.--

1           (2) As to single-premium credit life insurance  
2 policies, the insurer shall establish and maintain reserves  
3 which are not less than the value, at the valuation date, of  
4 the risk for the unexpired portion of the period for which the  
5 premium has been paid as computed on the basis of the  
6 commissioners' 1980 Standard Ordinary Mortality Table and 3.5  
7 percent interest. At the discretion of the office ~~department~~,  
8 the insurer may make a reasonable assumption as to the ages at  
9 which net premiums are to be determined. In lieu of the  
10 foregoing basis, reserves based upon unearned gross premiums  
11 may be used at the option of the insurer.

12           Section 874. Section 625.141, Florida Statutes, is  
13 amended to read:

14           625.141 Valuation of bonds.--

15           (1) All bonds or other evidences of debt having a  
16 fixed term and rate of interest held by an insurer may, if  
17 amply secured and not in default as to principal or interest,  
18 be valued as follows:

19           (a) If purchased at par, at the par value.

20           (b) If purchased above or below par, on the basis of  
21 the purchase price adjusted so as to bring the value to par at  
22 maturity and so as to yield in the meantime the effective rate  
23 of interest at which the purchase was made, or in lieu of such  
24 method, according to such accepted method of valuation as is  
25 approved by the commission ~~department~~.

26           (c) Purchase price shall in no case be taken at a  
27 higher figure than the actual market value at the time of  
28 purchase, plus actual brokerage, transfer, postage, or express  
29 charges paid in the acquisition of such securities.

30           (2) The office ~~department~~ shall have full discretion  
31 in determining the method of calculating values according to

1 the rules set forth in this section, but no such method or  
2 valuation shall be inconsistent with the method formulated or  
3 approved by the National Association of Insurance  
4 Commissioners or its successor organization and set forth in  
5 the latest edition of its publication "Valuation of  
6 Securities"; provided that such valuation methodology is  
7 substantially similar to the methodology used by the National  
8 Association of Insurance Commissioners in its July 1, 2002,  
9 ~~2001~~ edition of such publication. Amortization of bond premium  
10 or discount must be calculated using the scientific (constant  
11 yield) interest method taking into consideration specified  
12 interest and principal provisions over the life of the bond.  
13 Bonds containing call provisions shall be amortized to the  
14 call or maturity value or date that produces the lowest asset  
15 value.

16 Section 875. Subsections (1), (2), and (4) of section  
17 625.151, Florida Statutes, are amended to read:

18 625.151 Valuation of other securities.--

19 (1) Securities, other than those referred to in s.  
20 625.141, held by an insurer shall be valued, in the discretion  
21 of the office ~~department~~, at their market value, or at their  
22 appraised value, or at prices determined by it as representing  
23 their fair market value.

24 (2) Preferred or guaranteed stocks or shares while  
25 paying full dividends may be carried at a fixed value in lieu  
26 of market value, at the discretion of the office ~~department~~  
27 and in accordance with such method of valuation as it may  
28 approve.

29 (4) No valuations under this section shall be  
30 inconsistent with any applicable valuation or method contained  
31 in the latest edition of the publication "Valuation of

1 Securities" published by the National Association of Insurance  
2 Commissioners or its successor organization; provided that  
3 such valuation methodology is substantially similar to the  
4 methodology used by the National Association of Insurance  
5 Commissioners in its July 1, 2002, 1988 edition of such  
6 publication.

7 Section 876. Subsections (1), (2), (3), and (5) of  
8 section 625.161, Florida Statutes, are amended to read:

9 625.161 Valuation of property.--

10 (1) Real property owned by an insurer which is  
11 reported in financial statements filed with the office  
12 ~~department~~ shall be valued at the lower of depreciated cost or  
13 fair market value.

22 met. During the insolvency of the insurer, the amount of any  
23 excess deposit shall be released only as provided in s.  
24 625.62.

19 been assumed by another insurer authorized to transact  
20 insurance in this state, the insurer shall file with the  
21 ~~office department~~ a duly attested copy of the contract or  
22 agreement of such reinsurance.

23 (3) Upon being satisfied by such statement and such  
24 other information and evidence as the office or department may  
25 reasonably require, and by such examination, if any, of the  
26 affairs of the insurer as it deems advisable to make, that the  
27 insurer is entitled to the release of its deposits or excess  
28 portions thereof as provided in s. 625.62, the office or  
29 department shall release, or authorize the custodian bank or  
30 trust company in the case of deposits made under s. 625.55 to  
31 release, the deposit or excess portion thereof to the insurer

7 country that has filed a notification of reliance on a deposit  
8 made pursuant to s. 625.51(2) unless the release is denied in  
9 writing to the department by another state, province, or

21 posting of public notices, at the courthouse of each county,  
22 and shall make a copy of such notice available to the  
23 established news agencies having offices at Tallahassee,  
24 Florida. The commission or department may by rule prescribe  
25 the general form of such notice, shall specify the insurer's  
26 name, or may list such names when more than one request is  
27 pending at the same time. Such notice shall state therein  
28 that such insurer or insurers have petitioned for the release  
29 and return of deposits pursuant to and in compliance with s.  
30 625.62 and this section; that the office or department has no  
31 information upon which to base a finding that the insurer or

1 insurers named in the notice are not lawfully entitled to  
2 obtain the release and return of such deposits; and that,  
3 unless such information is presented to it within 90 days from  
4 the date specified in the notice, such deposits must be  
5 returned to the insurer or insurers. In the event that no such  
6 information is presented to the office or department within  
7 such 90-day period, it shall thereupon release and return the  
8 deposit or deposits as requested by the insurer or insurers  
9 whose request was not challenged. In the event that such  
10 information is presented to the office or department within

7 official, or monitor group up to \$3,500. The administrative  
8 penalty may, in the discretion of the department or office, be  
9 augmented by an amount equal to any commissions received by or  
10 accruing to the credit of the licensee or appointee in  
11 connection with any transaction as to which the grounds for  
12 suspension, revocation, or refusal related.

13 (2) With respect to insurance agencies, if the  
14 department finds that one or more grounds exist for the  
15 suspension, revocation, or refusal to issue, renew, or

27 appointee, or continuing education course provider,  
28 instructor, school official, or monitor group a reasonable  
29 period, not to exceed 30 days, within which to pay to the

31 the licensee, appointee, course provider, instructor, school

1 official, or monitor group fails to pay the penalty in its  
2 entirety to the department or office within the period so  
3 allowed, the license, appointments, approval, or status of  
4 that person shall stand suspended or revoked or issuance,  
5 renewal, or continuation shall be refused, as the case may be,  
6 upon expiration of such period.
