SUMMARY ANALYSIS

This bill amends current law to allow electronic mail, in addition to regular mail, be used to notify the affected local governments when an application for a consumptive use permit (CUP) is received by a water management district.

The bill provides that all CUPs have certain language.

The bill is not expected to have any fiscal impacts on local or state budgets.

3.	Expand individual freedom?	Yes[]	No[]	N/A[X]
4.	Increase personal responsibility?	Yes[]	No[]	N/A[X]
5.	Empower families?	Yes[]	No[]	N/A[X]

For any principle that received a "no" above, please explain:

B. EFFECT OF PROPOSED CHANGES:

Present Situation

A consumptive use permit (CUP), also called a water use permit, allows a user to withdraw a specified amount of water, either from the groundwater or from a lake or river. The water can be used to irrigate crops, nursery plants or golf courses, in the manufacturing process of various products such as citrus processing, to operate industrial plants and to provide drinking water for domestic consumption. Currently, s. 373.116, F.S., provides for notice to local governments and affected citizens as long as prior written request has been received by the local municipality.

Effect of Proposed Changes

This bill amends current law to allow electronic mail, in addition to regular mail, be used to notify the affected local governments when an application for a consumptive use permit (CUP) is received by a water management district.

The bill provides that a statement appear on all permits issued under s. 373.116, F.S., that reads:

"This permit does not convey to the permittee any property rights or privileges other than those specified herein or relieve the permittee from complying with any applicable local, state, or federal law, rule. or ordinance."

The intent of this language is to educate the CUP permit holder that there is no implied property right or privilege based on obtaining a CUP permit.

C. SECTION DIRECTORY:

Section 1. Amends s. 373.116, F.S., to require that local governments be notified by electronic mail regarding the issuance of a CUP by a water management district. Provides for additional language to be present on a CUP permit.

Section 2. Providing for an effective date.

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

Revenues: None.

	Other Comments					
	None.					

IV. AMENDMENTS/COMMITTEE SUBSTITUTE CHANGES

On April 2, 2003, the House Committee on Natural Resources favorably adopted a substitute strike-all amendment that does the following:

- Requires that local governments be notified by electronic mail regarding the issuance of a CUP by a water management district.
- Provides for additional language to be present on a CUP permit.
