#### B. EFFECT OF PROPOSED CHANGES:

Section 334.071, F.S., provides for legislative designations of transportation facilities for honorary or memorial purposes, or to distinguish a particular facility. The legislative designations do not erase the current names of the facilities, nor do they require local governments and private entities to change street signs, mailing addresses, or 911 emergency telephone-number system listings. The statute requires FDOT to place a marker at each terminus or intersection of an identified road or bridge, and to erect any other markers it deems appropriate for the transportation facility.

Based on FDOT records, 969 honorary road and bridge designations have been approved since 1922, most of them by the Legislature. Some public roads and bridges have multiple or overlapping designations.

HB 555 with CS adds eight more designations:

- State Road 944 on N.W. 54<sup>th</sup> Street from the western boundary of State House District 108 to U.S. 1 is designated as “Jean-Jacques Dessalines Boulevard.”
- State Road 922 on N.W. 125<sup>th</sup> Street from N.W. 7<sup>th</sup> Avenue to Griffing Boulevard is designated as “Toussaint L’Ouverture Boulevard.”
- State Road 915 on N.E. 6<sup>th</sup> Avenue from the northern boundary of State House District 108 to U.S. 1 is designated as “Frederick Douglass Boulevard.”
- State Road 909 on West Dixie Highway from the northern boundary of House District 108 to N.E. 2<sup>nd</sup> Avenue is designated as “Alexandre Petion Boulevard.”
- Designates State Road 7 on N.W. 7<sup>th</sup> Avenue (U.S. 441), from the northern boundary of State House District 108 to its southern boundary, as “Lawton Chiles Boulevard.”
- Designates State Road 5 on Biscayne Boulevard, from the northern boundary of State House District 108 to its southern boundary, as “George Gill Boulevard.”
- Designates State Road 932 on N.W. 103<sup>rd</sup> Street, from the western boundary of State House District 108 to N.E. 6<sup>th</sup> Avenue as “James Weldon Johnson Boulevard.”
- Designates Northwest 183<sup>rd</sup> Street from Northwest 32<sup>nd</sup> Avenue to Northwest 47<sup>th</sup> Avenue as “T.Stewart Greer Boulevard.”

The bill also directs FDOT to erect suitable markers conveying these designations.

HB 555 with CS takes effect upon becoming a law.
