I. Summary:

The Division of Statutory Revision of the Office of Legislative Services is required, by statute, to conduct a systematic and continuing study of the Florida Statutes. The purpose of this study is to recommend to the Legislature changes that will remove inconsistencies, redundancies, and unnecessary repetition from the statutes; improve clarity and facilitate correct interpretation; correct grammatical and typographical errors; and delete obsolete, repealed, or superseded provisions. These recommendations are submitted to the Legislature in the form of technical, nonsubstantive reviser's bills.

This is a general reviser's bill to delete expired or obsolete language; correct cross-references and grammatical or typographical errors; remove inconsistencies and redundancies from the statutes; and improve the clarity of the statutes and facilitate their correct interpretation. A reviser's bill cannot be amended except to delete a bill section.

II. Present Situation:
