Representative Paul, Kottkamp, Ausley, Mealor, Jennings, Kilmer, Smith, Stansel, Cretul, Richardson, Detert, and Domino offered the following:

**Amendment (with title amendment)**

Between lines 710 and 711, insert:

Section 5. For the 2003-2004 fiscal year, the sum of \$10 million is appropriated from nonrecurring general revenue to state universities for infrastructure improvements to the National High Magnetic Field Laboratory. From this appropriation, \$7.5 million shall be allocated to Florida State University and \$2.5 million shall be allocated to the University of Florida to address infrastructure requirements identified in consultation with the National High Magnetic Field Laboratory Executive Committee.

Amendment No. (for drafter's use only)

28 Remove lines 11-45, and insert:  
29 An act relating to research institutions and campuses;  
30 creating s. 288.955, F.S.; providing definitions; creating  
31 the Scripps Florida Funding Corporation to facilitate the  
32 establishment and operation of a biomedical research  
33 institution for the purposes of enhancing education and  
34 research and promoting economic development and diversity;  
35 providing for a board of directors; prohibiting conflicts  
36 of interest; providing penalties; providing powers and  
37 duties of the corporation; providing for investment of  
38 funds; requiring an operating plan; requiring the  
39 corporation and a grantee entity to enter into a contract;  
40 providing contract requirements; providing for performance  
41 expectations and performance measures; providing  
42 requirements and criteria; providing for disbursement and  
43 reinvestment of funds; requiring reports, audits, and  
44 evaluations; limiting the use of funds; providing that the  
45 appropriation of funds does not constitute a debt of the  
46 state or a subdivision of the state, nor does it subject  
47 the state or a subdivision to liability; providing for  
48 extension of certain deadlines in certain situations in  
49 which the grantee cannot meet contract conditions, with  
50 limitations; providing for resumption of such deadlines;  
51 amending s. 20.435, F.S.; providing for additional funds  
52 to be deposited into the Biomedical Research Trust Fund;  
53 deleting a provision for future termination date of the  
54 fund; amending s. 403.973, F.S.; specifying that projects  
55 that are part of the biomedical research institution and  
56 campus are eligible for the expedited permitting process;

Amendment No. (for drafter's use only)

57 providing for challenges to state agency action in  
58 expedited permitting related to the institution and  
59 campus; providing legislative intent with respect to  
60 creating economic opportunity and improving public health  
61 through the establishment of a biomedical research  
62 institution; providing appropriations; providing an  
63 effective date.
