Representative Ausley offered the following:

Amendment to Amendment (565379) (with title amendment)

Between lines 760 and 761, insert:

Section 5. For the 2003-2004 fiscal year, the sum of \$10 million is appropriated from nonrecurring general revenue to state universities for infrastructure improvements to the National High Magnetic Field Laboratory. From this appropriation, \$7.5 million shall be allocated to Florida State University and \$2.5 million shall be allocated to the University of Florida to address infrastructure requirements identified in consultation with the National High Magnetic Field Laboratory Executive Committee.

Remove line(s) 766-800, and insert:

Amendment No. (for drafter's use only)

27 An act relating to research institutions and campuses;
28 creating s. 288.955, F.S.; providing definitions; creating
29 the Scripps Florida Funding Corporation to facilitate the
30 establishment and operation of a biomedical research
31 institution for the purposes of enhancing education and
32 research and promoting economic development and diversity;
33 providing for a board of directors; prohibiting conflicts
34 of interest; providing penalties; providing powers and
35 duties of the corporation; providing for investment of
36 funds; requiring an operating plan; requiring the
37 corporation and a grantee entity to enter into a contract;
38 providing contract requirements; providing for performance
39 expectations and performance measures; providing
40 requirements and criteria; providing for disbursement and
41 reinvestment of funds; requiring reports, audits, and
42 evaluations; limiting the use of funds; providing that the
43 appropriation of funds does not constitute a debt of the
44 state or a subdivision of the state, nor does it subject
45 the state or a subdivision to liability; providing for
46 extension of certain deadlines in certain situations in
47 which the grantee cannot meet contract conditions, with
48 limitations; providing for resumption of such deadlines;
49 amending s. 20.435, F.S.; providing for additional funds
50 to be deposited into the Biomedical Research Trust Fund;
51 deleting a provision for future termination date of the
52 fund; amending s. 403.973, F.S.; specifying that projects
53 that are part of the biomedical research institution and
54 campus are eligible for the expedited permitting process;
55 providing for challenges to state agency action in

Amendment No. (for drafter's use only)

56 expedited permitting related to the institution and
57 campus; providing legislative intent with respect to
58 creating economic opportunity and improving public health
59 through the establishment of a biomedical research
60 institution; providing appropriations; providing an
61 effective date.
