Representative Wishner offered the following:

Amendment to Amendment (565379) (with title amendment)

Between line(s) 760 and 761, insert:

Section 5. For fiscal year 2003-2004, the sum of \$2.5 million is appropriated from the General Revenue Fund in nonrecurring general revenue to the workers' compensation joint underwriting plan provided for in s. 627.311(5), Florida Statutes, to reduce Subplan D assessments.

===== T I T L E A M E N D M E N T =====

Remove line(s) 766-800, and insert:

An act relating to economic development; creating s. 288.955, F.S.; providing definitions; creating the Scripps Florida Funding Corporation to facilitate the establishment and operation of a biomedical research institution for the purposes of enhancing education and research and promoting economic

Amendment No. (for drafter's use only)

28 development and diversity; providing for a board of directors;
29 prohibiting conflicts of interest; providing penalties;
30 providing powers and duties of the corporation; providing for
31 investment of funds; requiring an operating plan; requiring the
32 corporation and a grantee entity to enter into a contract;
33 providing contract requirements; providing for performance
34 expectations and disbursement conditions; providing requirements
35 and criteria; providing for disbursement and reinvestment of
36 funds; requiring reports, audits, and evaluations; limiting the
37 use of funds; providing that the appropriation of funds does not
38 constitute a debt of the state or a subdivision of the state nor
39 does it subject the state or a subdivision to liability;
40 providing for extension of certain deadlines in certain
41 situations in which the grantee cannot meet contract conditions
42 with limitations; providing for resumption of such deadlines;
43 amending s. 20.435, F.S.; providing for additional funds to be
44 deposited into the Biomedical Research Trust Fund; deleting a
45 provision for future termination date of the fund; amending s.
46 403.973, F.S.; specifying that projects that are part of the
47 biomedical research institution and campus are eligible for the
48 expedited permitting process; providing for challenges to state
49 agency action in expedited permitting related to the institution
50 and campus; providing legislative intent with respect to
51 creating economic opportunity and improving public health
52 through the establishment of a biomedical research institution;
53 providing appropriations; providing an effective date.
