I. Summary:

This legislation re-creates the Capital Collateral Trust Fund (FLAIR #212072) without modification, effective November 4, 2004. Federal reimbursement for work performed by the Capital Collateral Regional Councils is deposited in this trust fund and appropriated to the councils. This fund was created by Chapter 98-350, Laws of Florida, and is referenced in section 27.702 (3), F.S.

II. Present Situation:

The Capital Collateral Trust Fund receives payments from the federal government for defense of indigent inmates in federal death penalty proceedings. Section 27.702(3), F.S. directs such payments to be deposited in the Capital Collateral Trust Fund. A total of \$300,000 is appropriated from this trust fund in the current fiscal year. Reimbursement for work performed by the private attorneys on the state's registry for capital collateral appeals is paid directly to the private attorneys.

If no action is taken by the Legislature, this trust fund will expire November 4, 2004.

III. Effect of Proposed Changes:

This bill re-creates the trust fund without modification. This would allow the federal reimbursement for death penalty proceedings to continue to be deposited into the Capital Collateral Trust Fund for use by the Capital Collateral Regional Councils.
