Senator Wise moved the following **amendment to amendment**
(394000):

Senate Amendment

On page 35, between lines 13 and 14,
insert:
(q) Establishment of a Level I or Level II program
located in a new hospital that is in the location of an
existing hospital with an adult open-heart-surgery program
where the existing hospital and adult open-heart-surgery
program are being relocated to a replacement hospital and the
replacement hospital will be a closed-staff model. In
determining compliance with the minimum threshold requirements
of paragraphs (b) and (c), the agency shall consider the cases
treated in the hospital being relocated during the most recent
12-month period by physicians that were not employees of the
closed-staff model employer.
