I. Summary:

This legislation re-creates the Special Disability Trust Fund without modification. The Special Disability Trust Fund, FLAIR #43-2-798, is administered by the Department of Financial Services. It was transferred from the Department of Labor and Employment Security by Chapter 2002-194, Laws of Florida. This fund was last re-created effective November 4, 2000, by Chapter 2000-78, Laws of Florida.

II. Present Situation:

The Special Disability Trust Fund was established to facilitate the return of workers having a previous work related injury or illness to the workplace by encouraging employment, reemployment and accommodation of the physically disabled by reducing an employer's insurance premium for reemploying an injured worker. This fund provides reimbursement to carriers for workers' compensation claims paid on behalf of employees who were hired with preexisting conditions. The revenue sources for this fund are filing fees and an annual assessment upon carriers writing workers' compensation insurance in the state and self-insurers, s. 440.49(9), F.S. This fund was closed to new accidents occurring on or after January 1, 1998, s. 440.49(11), F.S.

III. Effect of Proposed Changes:

This bill re-creates the trust fund without modification.
