SUMMARY ANALYSIS

Current law does not permit a state building, road, bridge, park, recreation complex, or similar facility to be named after a living person unless the name designation is approved by law. Therefore, if a university wishes to name a certain building or road after a living person, the designation must be approved by the Legislature.

HB 877 with a Committee Substitute permits the Florida Gulf Coast University, the University of Central Florida, the Florida Agricultural and Mechanical University, and the University of Florida to name certain buildings and roads on their respective campuses, and permits the universities to erect suitable markers for each name designation.

The bill authorizes each university to erect suitable markers for each name designation. There may be an insignificant fiscal impact associated with the university erecting suitable markers for each name designation.

This document does not reflect the intent or official position of the bill sponsor or House of Representatives.

B. EFFECT OF PROPOSED CHANGES:

Section 267.062, F.S., provides that no state building, road, bridge, park, recreational complex, or other similar facility can be named after a living person unless specifically provided by law. Therefore, if a university wishes to name certain buildings or roads after a living person, the designation must be approved by the Legislature.

A section-by-section analysis of the bill follows. The biographical information was provided by the respective university.

Section 1: Designates the student community educational facility for health at Florida Gulf Coast University as “Kleist Health Education Center.”

Peter D. and Eleanore A. Kleist are residents of Ft. Myers, Florida and have been generous benefactors of higher education throughout the United States for many years. The Kleists, through the Peter D. and Eleanore A. Kleist Foundation, are providing \$1 million for the center.

Section 2: Designates the academic facility at Florida Gulf Coast University which will house the resort and hospitality management program as the “Herbert J. and Margaret S. Sugden Hall.”

Herbert J. and Margaret Sugden have been generous benefactors of the arts, educational library, hospital, and church needs in the Naples area. The Sugdens were married 68 years before Mr. Sugden’s death this past year. Mr. Sugden was a graduate of Yale University and Harvard Law School and Mrs. Sugden is a graduate of Smith College. Mr. Sugden served as President of the Freedom from Hunger Foundation under President John F. Kennedy.

The Sugdens provided \$4.2 million to build the facility that will house the resort and hospitality management program.
