SUMMARY ANALYSIS

The Division of Statutory Revision of the Office of the Legislative Services is required, by statute, to conduct a systematic and continuing study of the Florida Statutes. The purpose of this study is to recommend to the Legislature changes that will remove inconsistencies, redundancies, and unnecessary repetition from the statutes; improve clarity and facilitate correct interpretation; correct grammatical and typographical errors; and delete obsolete, repealed, or superseded provisions. These recommendations are submitted to the Legislature in the form of technical, nonsubstantive reviser's bills.

PCB RCC 05-03 deletes statutory provisions that have been repealed by a noncurrent (past-year) session of the Legislature where that repeal or expiration date has now occurred, rendering the provision of no effect (an example would be a repeal set for October 1, 2004, by the 2003 Regular Session of the Legislature). Except by report of the Rules & Calendar Council, a reviser's bill cannot be amended except to delete a bill section.

This bill has no fiscal impact.
