COMMITTEE AMENDMENT

Bill No. <u>CS for SB 698</u>

1	shall stand repealed on October 2, 2010, unless reviewed and
2	saved from repeal through reenactment by the Legislature.
3	Section 2. <u>(1) The Legislature finds that it is a</u>
4	public necessity that information held by the Office of
5	Financial Regulation of the Financial Services Commission
6	pursuant to an investigation or examination conducted under
7	chapter 516, Florida Statutes, be made confidential and exempt
8	from section 119.07(1), Florida Statutes, and Section 24(a),
9	Article I of the State Constitution until the investigation or
10	examination is completed or ceases to be active or, if the
11	office submits the information to any law enforcement agency,
12	administrative agency, or regulatory organization for further
13	investigation, until that agency's or organization's
14	investigation is completed or ceases to be active. The
15	Legislature further finds that it is a public necessity that
16	information that, if released, would jeopardize the integrity
17	of another active investigation or examination; reveal the
18	name, address, telephone number, social security number, or
19	any other identifying information of any complainant,
20	customer, or account holder; disclose the identity of a
21	confidential source; disclose investigative techniques or
22	procedures; or reveal a trade secret as defined in section
23	688.002, Florida Statutes, remain exempt and confidential once
24	an investigation or examination is completed or ceases to be
25	active.
26	(2) An investigation or examination conducted by the
27	office may lead to filing an administrative, civil, or
28	criminal proceeding or to denying or conditionally granting a
29	license, registration, or permit. The release of investigative
30	or examination information before the investigation or
31	examination is completed or ceases to be active could
