HOUSE AMENDMENT

Bill No. HB 989 CS

Amendment No. (for drafter's use only) 16 necessary to include the general permits in a state programmatic 17 general permit issued by the United States Army Corps of Engineers under s. 404 of the Clean Water Act, Pub. L. No. 92-18 500, as amended, 33 U.S.C. ss. 1251 et seq. A facility 19 authorized under such general permits is exempt from review as a 20 development of regional impact if the facility complies with the 21 22 comprehensive plan of the applicable local government. Such 23 facilities shall be consistent with the local government manatee 24 protection plan required pursuant to ch. 370 and shall obtain 25 Clean Marina Program status prior to opening for operation and 26 maintain that status for the life of the facility. Marinas authorized under any such general permit shall not exceed an 27 area of 50,000 square feet over wetlands and other surface 28 waters. The department shall initiate the rulemaking process 29 30 within 60 days after the effective date of this act. 31 Section 2. This act shall take effect July 1, 2005. 32 33 Remove the entire title and insert: 34 35 A bill to be entitled 36 An act relating to public marinas and boat ramps; amending 37 s. 373.118, F.S.; directing the Department of Environmental Protection to adopt rules to authorize local 38 governments to construct and maintain all facilities, 39 40 including public marinas and boat ramps; exempting certain 41 facilities from development-of-regional-impact review;
